A summary of examination results for First and Second Year students in attendance during the 1949-50 Session was received and taken for information.

Recommendations re Withdrawals

It was recommended to Senate that certain students

in First Year Arts, Second Year Arts, Second Year Commerce, First Year Applied Science, Second Year Applied Science and First Year Law, be required to withdraw from the University, under terms of the regulation set out in the Calendar, page 126, under the Section "Unsatisfactory Standing", item 2.

Dean Chant stated that the criterion used was that if a student in two years at the University had not been able to acquire nine units of credit he should be asked to withdraw.

After a discussion of the possible causes of poor records and the advisability of attempting to control the amount of time spent by students in extra-curricular activities, it was agreed that the list of students recommended to withdraw be submitted, for study and analysis of contributing circumstances, to a Committee to consist of the University counselling officers, Dean Chant, Dean Gage, Dean Mawdsley and possibly Mr. MacCorkindale, Mr. Hall or others who might assist in interpreting the facts.

Dean Chant)
Dean Gage) That the students listed be asked to withdraw, subject to the reservation that authority be given to the respective Deans to make exceptions.

Carried.

Course for Teachers of Vocational Agriculture

The Secretary read portions of a letter from the Dean of the Faculty of Agriculture to the Registrar, with reference to the special course in Vocational Agriculture

Teacher Training, operated under the joint Dominion-Provincial Vocational Training programme and arranged by the Provincial Department of Education at the University. Senate noted that the purpose of the course was to train teachers of Vocational Agriculture for the high schools of the Province, and that credit for work done in the course would be granted by the Provincial Department of Education.

It was agreed that this letter be taken for information and that Dean Eagles be asked to comment further, should he so wish, at the October meeting of Senate.

Elton or Dr. J. Gray, with a view to finding out whether one of the latter could be present for October 25th, and if so whether financial assistance towards travel expenses would be forthcoming from the Council, and subject to successful negotiations that an honorary degree be conferred upon either Professor Elton or Dr. Gray.

Carried.

In connection with Item 9 on the Agenda, Speaker for Autumn Congregation, the Chair reported that no action had been taken pending Senate's action re recipients of Honorary Degrees. The President also reported that Dr. Detlev Bronk, President of Johns Hopkins University, had agreed to address the Special Congregation on September 27th, 1950.

Community and Regional Planning Education

A report dated August 17th, 1950, was received from the Committee on Community and Regional Planning Education, containing the following recommendations:

"1. That post-graduate studies in community and regional planning be organized at the University of British Columbia.

2. That a committee acting in lieu of a department be set up within the Faculty of Graduate Studies, with the Dean of Graduate Studies as an ex-officio member, to administer the course of studies. It is suggested that members of the committee be chosen from the membership of the present Committee.

3. That the course of studies be supervised by the Secretary of the Committee. The present Committee agreed that, at the discretion of the President and the Board of Governors, this Secretary may receive remuneration for his services.

4. That, as outlined in the previous report submitted to Senate, the course of studies be of two-year duration for candidates with full pre-requisite standing.

5. That a post-graduate diploma in community and regional planning be granted to those successfully completing the prescribed studies.

6. That the pre-requisites for admission to the course of studies include a recognized bachelor's degree and such other courses as are determined by the committee and approved by the Faculty of Graduate Studies.

7. That selection of students, admitted to the course of studies be made by the committee.

8. That the foregoing recommendations be regarded as temporary and subject to modification in the light of experience."

Dean Gage)
Mr. Caple) That these recommendations be approved in principle and forwarded for consideration and action to the Faculty of Graduate Studies and the Committee on Community and Regional Planning Education.

Carried.
