EXAM RESULTS

Candidates Still Writing Government Examinations: Local Results Next Week

DIVISION IV AND HEDLEY PASS LISTS

Promotion examinations are nearing completion throughout the Similkameen Valley. At Princeton schools examinations are retarded this year, it being the practice in the past to leave the last week clear for the writing of government exams.

In all divisions except Div. IV, where Miss Coles is required as supervisor for the high school exams, examinations were in progress this week.

HIGH SCHOOL

GRADE XI—Twelve pupils writing government examinations.

GRADES X & IX—Writing promotion exams.

PUBLIC SCHOOL

GRADES I to VII, exclusive of Grades II and III—Writing promotion exams.

In the case of government exams, matriculation results will be announced from Victoria about the end of July, while entrance results should be available shortly after the middle of the month.

GRADE VIII

PROMOTED TO HIGH SCHOOL—On recommendation of teacher: (names in order of merit) Emily Wardle, Kenneth Dodd, John Ewart, Elsworth Hansen, Edna Pughe, May White, Fred Waterman.

WRITING GOVERNMENT ENTRANCE EXAMS: Emily Wardle (for medal), Christine Samuel, Arnold Wilson, Beryl McDiarmid, Annie Plecash, Donald Bain, Bernard Johnson.

ENTRANCE EXAMS

The following are writing at Princeton center:

ALLENBY (Principal, Sara McNeill)—Roland Brooke, Helen Goodeve, Millie Alice Pitney, William Pitney, Marion Florence Sowrey, James Brown Stalker (absent), Lorraine May Wharton.

JURA (Principal, W. E. Lucas)—Stephen Page Didcote, Colin Victor Long.

ONE MILE CREEK (Principal, Miss Florence G. Britton)—Hazel Jean Du Hamel.

EAST PRINCETON (Principal, Miss Louise Johnson)—Roy Leslie Shook.

DIVISION IV

(Teacher Miss Ruth Coles)

ROLLS OF HONOR

Proficiency—Betty Oreskovich.

Deportment—Alma Huey.

Regularity and Punctuality—Isabelle White, Graham Butler, Blanch Paul, Adam Schulli.

Grade III to Grade IV—1, Betty Oreskovich; 2, Eddy Hansen; 3, Joe Caruso; 4, Bill Irwin; 5, Mary Hewitt; 6, Jean MacCaffrey and Joan Levack.

Grade II to Grade III—1, Alma Huey and George Wardle; 3, Isabelle White; 4, Flo Williams and Blanch Paul; 6, Ruth Christison; 7, Helen Vaydo; 8, Oriel Allen and Sonny Matthewson; 10, Tommy White; 11, Graham Butler; 12, Eric Jacobson; 13, Gwen Avery and Jessie Brown; 15, Jean Doerflinger; 16, Adam Schulli and Grace Marks; 18, Ada Ruth Summers; 19, Agnes Lindsay; 20, Frank Smulin and Arthur Mullin; 22, Lawrence LaValley; 23, Percy Miller; 24, Donald Atkinson; 25, Roy Lind; 26, Robert Bennett; 27, Isabel Miller.

HEDLEY

ROLLS OF HONOR

Proficiency: Division I—R. Gladish; Division II—M. McLean.

Regularity and Punctuality—Division I—L. Lawrence, M. Corrigan, W. Rolls; Division II—B. McLean, Billy Knowles.

Conduct—Florence Brown.

Grade VI to VII—Evelyn Corrigan, Mabel Lawrence, Maude Lowe, Curtis Gladish, Charles McRae (conditionally).

Grade VII to VIII—Robert Neil, Marjorie Corrigan, Mary Lowe, Charles Hambly.

Grade IV to V—Betty McLean Brian Wright, Sidney Hambly, Margaret Lorenzetto, Mildred Willey (conditionally), John Lawrence (conditionally).

Grade V to VI—Violet Jones.

Grade III to IV—Florence Brown, Billy Knowles, Dorothy Gladish, Norene Neil, Evelyn Neil.

Grade II to III—Lucy Carbanero, George Lawrence, Barnett Allison, Margaret Allison.

Grade I to II—Marna McLean, Lewis Gladish, Arthur Lowe, Alice Bromley.

COPPER MT.

Ten pupils are writing entrance exams at Copper Mountain under supervision of Miss C. Ward.

Full local results will be available for next week. Teachers of district schools are asked to send in lists as early as possible to the Star.

TO VICTORIA

R. D. Affleck has received an appointment from the provincial government to assist with the marking of entrance papers at Victoria, and will leave Saturday with Mrs. Affleck and Tony.

INDIAN MAKES DARING GETAWAY FROM POLICE

Provincial police of all local detachments are scouring the country in search of Peter Qualtier, Indian, who made a daring escape from custody Tuesday night while being brought to Princeton to be escorted to Oakalla. He has with him the revolver of Constable A. E. Spall.

It appears that Qualtier was being brought by auto, along with Louis Tamborket, Indian, to Princeton, to be taken to Oakalla.

The car, it seems, ran out of gas just beyond Del Young's ranch, some five miles from Princeton, and Constable Spall left teh prisoners while he went for gas. When he returned he found Qualtier in possession of his gun, and in a defiant mood. Qualtier made a clean get-away, but Tamborket seemed afraid to take the risk, and remained in the car.

Yesterday he evidently ate lunch at the Harry Steves house, a mile on the Princeton side of Hedley. Remains of a meal were found, as well as the stolen belt, and handcuffs, according to a report to police. Qualtier, however, kept the gun.

He was being sent down to the coast on a charge of breaking parole for this sentence for a wild raid at Keremeos May 24th, 1928. Tamborket had evidently "got in" with Qualtier in his escapade, and had been sentenced to serve two months as a result. He will be escorted to the coast today.

KEREMEOS HOTEL LEASED

After an active participation in its management extending over twenty-two years, Mrs. M. Kirby has leased the Keremeos Hotel, Keremeos, to Mr. and Mrs. Barnard, late of Chelan, Wash. Previous to 1907 she conducted, with her late husband the hotel at Keremeos centre. Plans have been announced for the renovation and redecoration of the interior, and the installation of a water system, with additional bathrooms and showers.

"Vamping Venus"

CELEBRATE!

Monday is Princeton's big day. Be big with it! Dress your best, be your best, act your best.

Get out your flags and bunting. We have a great town, are putting on a great day. We have something to tell the world about. Let's tell them—with color! There's the usual old paper about, perhaps—common, but not attractive. Pick up, paint up, pep up, get out the flags, and get out by yourself.

INSPECT BOILERS

Princeton was without water from the regular source of supply for about two hourse Wednesday afternoon, due to the inspection of the boilers by Boiler Inspector Calderhead.

In order to allow for a thorough inspection, it was necessary to allow the boilers to cool off, requiring a shut-down of six hourse previous to the inspection.

One tank was pumped full, with 30,000 gallons of water inreserve in case of emergency, and one tank left to serve the town, which it did, until the supply was exhausted. Immediately the inspection was completed fires were re-kindled and pumping resumed.

While the inconvenience to citizens is regretted it is obviously to their advantage to know that their system is satisfactory.

CASE DISMISSED

Without calling any defense evidence, Judge J. R. Brown of Grand Forks yesterday at Penticton dismissed a charge of abduction brought against O. St. Clair Mabee, well known here. H. H. Boyle appeared for the prosecution, R. W. R. Moore of Princeton defending Mr. Mabee.

Brought back from Oakalla to answer charge of theft of cloths from the local hospital, two transients, Moore and Conlin, were sentenced to a further six months in Oakalla. They—generous thieves—elected for summary trial "to save the government expense."

A local man pronounced insane following weird antics on the street, was taken to the coast asylum today.

Gomer Jones and R. J. Corrigan were visitors from Hedley Tuesday.

Alan and John Matheson of Coalmont were in Princeton today.

DAUGHTER OF LOCAL MAN GAINS HIGH HONORS

Miss Lillian DeMuth to Enter Bellvue Hospital, New York City

The culmination of a brilliant scholastic career and quite probably the first step in an equally successful professional career, Miss Lillian DeMuth, daughter of Mr. and Mrs. Fred DeMmuth of Princeton, recently gained the right, as the leading graduate in medicine from Columbia University, to enter Bellvue Hospital, New York, to continue her studies.

Miss DeMuth is one of a remarkable family. Her father, coming to this country as an immigrant, set in to make good and to give his children what he most keenly felt the need of—a good education. The result is that he gave three boys and three girls college training, and each one has distinguished himself or herself in some particular way.

Though born in Idaho, Miss DeMuth is practically a native daughter. She took her early schooling in Rossland and later attended Columbian College, New Westminster. She first fancied law, and went to McGill, from which institute she duly graduated. She was probably drawn to the legal profession by her friendship with Miss Edith Paterson, well known Vancouver woman, but the study of law never seemed to appeal to her, and she soon took to medicine. She served on an important mission for the United States government during the great war.

Mr. DeMuth may well be proud of his fine family, and Princeton may well be proud of Mr. DeMuth. He was foreman at the LeRoi mine, Rossland in 1896 when it was at the height of its fame. He later spent seven years at Grand Forks, now now owns a flourishing sawmill near Princeton, all the result of ingrained ability and hard work.

Miss DeMuth will visit her parents here next week.

ROY CURRANS HURT

Falling heavily when a rock slipped under his foot while he was climbing on to the trail near the Red Buck mine on a fishing trip Monday, Roy Currans, popular clerk of the Princeton Hotel had the misfortune to fracture his right arm. He was with the Carrington boys at the time.

SCANDINAVIAN PICNIC

Some 25 cars wetn to Otter Valley Saturday to celebrate the annual Scandinavian summer picnic. A dance in the hayloft was a unique and enjoyable attraction. Music and refreshments were alike splendid, and kept the crowd until daylight. Some returned via Tulameen, but others took advantage of the Sunday to complete the loop, going round by Aspen Grove.

C. R. Watson was a business visitor to Tulameen Sunday.

Dominion Day

ATTRACTIVE PROGRAM LINED UP FOR DAY

Princeton is all prepared for its biggest celebration ever. All roads will lead to the hub of the Similkameen Monday, when a highly attractive program awaits all and sundry.

The sports get under way Sunday afternoon with baseball and football games, with a first aid contest, horse racing, junior and senior baseball, football, boxing, and a big dance carded for the evening.

The event has been advertised from Land's End to John O'Groats, and the crowd will be—well, happy.

For a complete program of July 1 sports see page 5.

ORANGE PICNIC ARRANGED

"Orange Day," July 12, will be celebrated this year at Keremeos, and will be in the nature of a picnic, to which all wives and friends of Orangement are invited. For the past two years the celebration has been held in Princeton, L.O.L. and L.O.B.A. members will parade to St. Paul's Church Sunday, July 7.

The brothers Morden of Vulcan, Alta., passed through Princeton this week in the course of a motor tour of interior B.C. They were well pleased with the One Mile road. They went out via Keremeos and Penticton.

COMMITTEE HOLDS FINAL MEETING HERE

The end of their labors in sight, the celebration committee held its final meeting last night.

Finances, it was reported, are quite satisfactory, with the canvass almost completed. Everything is prepared for the first aid competition and arrangements will be made to have this staged in the Orange Hall in the event of rain. The event commences at 9 p.m. Prizes are on display at Sorenson's.

The sport card is complete. Two football games and a junior ball game will be played Sunday, with Asahis of Vancouver present for Monday's ball game, and Merritt and Allenby-Copper Mt. teams having accepted the junior engagements.

Everything has been prepared for the staging of the horse races. The hall and orchestra have been engaged for the dance.

An effort will be made to have the grass cut on the football pitch and baseball outfield, to speed up both games.

An effort will be made to have Princeton decorated with flags and bunting. W. A. Wagenhauser and Miss Annie Cunningham were named a committee, and all are asked to co-operate.

A tug of war event will be included in the afternoon events if possible.

AIRPLANE LANDS HERE

The first privately owned plane in British Columbia, a smart little Gypsy Moth descended gracefully to the One Mile landing field Saturday morning, and after refuelling, hopped for just as easily.

The plane was owned by W. M. Archibald of Rossland, and was piloted by Mr. Bagliot who spoke in warm terms of the improvised landing field on the old race track. "A better natural landing field than we have in Vancouver," he said.

Nelson Convention Pleases President Wagenhauser

Makes Strong Appeal to Have Princeton Made Venue of Next Year's Convention

Returning from Nelson, where he attended the annual convention of the Associated boards of trade of Eastern British Columbia, W. A. Wagenhauser spoke with praise of the hospitality of "the onvention city." Mr. Wagenhauser's chief mission was to have Princeton selected as the venue of next year's convention.

Though because of the rail construction work at Proctor hotels are taxed to capacity, delegates and their wives and families were quartered in the homes of members of the Nelson board. Everything was done for the comfort and entertainment of the visitors.

Prominent at the sessions were S. G. Blaylock, general manager for the Consolidated Mining and Smelting Co.; W. J. Blake Wilson, of Burns & Co., Ltd., and R. S. Lennie, eminent K.C.; and A. Lindsay, Spokane, chairman of the Inland Empire Relations committee.

On the return Mr. Wagenhauser and party visited the Grand Forks airport, and was "shown the works" by J. A. Button, city clerk. He was accompanied by Mrs. Wagenhauser and by their son and daughter, Mr. and Mrs. Ralph Hidy.

Mr. Wagenhauser stormed the Kootenay capital with an appeal for the Similkameen, emphasizing the value of personality in the development of an area.

"While capital plays a big and vital part, personality is what transunless the right man is behind the forms investment into dividends, and movement, money is merely tied up energy. Striking examples have been shown of this in the Similkameen, of which Princeton is the centre, in the last four years.

"Notable is the case of the Granby Consolidated Mining, Smelting and Power Co. In 1924 the Granby Company took over an extensive low grade copper property which had been known for years, and intermittently worked, but with little success, because of the magnitude of the enterprise. At this period copper had reached its lowest in the historic market slump. But the foresight and ability of the men at the helm carried the venture over the storm, and late production has fully justified their confidence. Happily, with soaring copper prices, they are now beginning to reap a visible reward.

Their policy has been one of efficiency and economy. ..They commenced to rebuild the plant on a pre-devised plan, and under model management, almost astonishing progress has been made. Brains and vision enabled these men to succeed where others before them had failed.

Vision played its part. In spite of the large capital resources behind them, they might have been excused for abandoning development during the gloomy period of the post-war slump in copper prices; but they had faith, and they weathered the storm and are now sailing with the breeze.

Today the Copper Mountain mine ranks as one of the biggest mining propositions in our illustrious province, with a steadily increasing payroll, bordering on a million dollars annually.

A MINING ROMANCE

Another vivid example of personality in industry reads like a romance. A returned soldier took out property on the Tulameen River, outside the town of Princeton. Soldier settlement land was never known to be very lucrative, and the Similkameen ranche is typical of his class—he always seems to have the wrong end of the stick.

Perhaps by luck, more likely because he was a canny Scot and kept his eyes open, this man, Charlie Hunter, while struggling to eke out an existence from his labors on the land, discovered an outcropping of coal. He had not capital, but he had lots of enthusiasm. He enlisted the help of a neighbor, and pure grit soon made a mine. For a time they did all work by hand; gradually and inevitably the proposition evolved into a producing mine; and recently the property changed hands at a figure that fully compensated all the efforts Charlie put forth at the start. What his enthusiasm meant for Princeton is made obvious in that the Tulameen Coal Mine payroll is the second biggest in the district. In Princeton we're proud of Charlie Hunter of the 47th Battalion and B. Company.

ENTER, CAPITAL

Still another example of where a name is more than money is provided in the confidence the entry of W. R. Wilson of Crow's Nest Pass fame has inspired in Princeton district. In an absolute way, Mr. Wilson's entry will mean much for the upper Similkameen. He has already spent more than a quarter million dollars developing the property, and will shortly be employing some 500 men. But so respected are his judgment and reputation that others are taking heart by his boldness, and a number of new developments are on the tapis.

Men of Mr. Wilson's type and reputation are certainly wanted in the Similakmeen. With its wonderful coal and ore deposits, long recognized, but left practically untouched for lack of big men, we stand on the threshold of a new era.

Mr. Wagenhauser pointed out the many attractions of the Similkameen.

There are the gold and platinum placers of the upper Tulameen; the Blakeburn mine of the Coalmont Collieries; the Wilson mine, the Lynden mine, the Ashington colliery; the Granby plants at Copper Mt. and Allenby; a score of smaller propositions, and woh knows but what there will be a dozen more by next year?

You will see the once famous Nickel Plate gold mine at Hedley, with its spectacular gravity tramway. You will see the bountiful gardens and orchards of Keremeos and Cawston; lumbering, stock raising, fox farming, and a host of smaller industries.

On behalf of this pleasant and contented valley we thank you for the privilege of hearing your needs and aspirations, and only seek the opportunity to amply repay your splendid hospitality next year.

BID FAREWELL TO TWO POPULAR MINISTERS

The lower valley has had the unique, but not too pleasant, experience of losing almost simultaneously, two popular ministers who in years of residence, have played a real part in the life of the community.

REV. CLEMENTSON

Rev. W. A. B. Clementson, for the past five years in charge of affairs for the Church of England, for the lower valley, has resigned to return to England. Rev. Field Yolland of Summerland is his probable successor.

PARTY IN VICTORY HALL

The entire town of Keremeos, irrespective of religious creed, showed appreciation for the splendid community work of Mr. Clementson at a farewell party in Victory Hall Friday evening.

The entertainment took the form of a cafe-chantant, and a good program was put on. At its close, Mr. East, one of the church wardens, in a complimentary speech, praised Mr. Colwell's activities during his five years' residence, and expressed regret at his departure.

Mrs. J. W. Lewis, president of the Guild, then presented Mr. Clementson with a handsome pocket-book containing travellers' cheques amounting to $20, to which all the community had contributed and Mrs. Mattice, vice-president, gave Mr. Clementson a "book of remembrance," containing the names of all those present.

Mr. Clementson in his reply briefly thanked the people of Keremeos for their gifts and their kindness, and expressed real regret at leaving the community.

Just before the close a poem was recited, purporting to be a soliloquy by Mr. Clementson, in England, thinking of Keremeos.

REV. COLWELL

It was with regret this week that the lower valley bade farewell to Rev. T. C. Colwell, who has been in charge of the affairs of the United Church there for some time past, and to his charming family. Rev. Colwell leaves for Michel, his new post, and will be succeeded in the lower Similkameen by Rev. G. H. Findlay, who has been serving in the Yukon.

AT KEREMEOS

Keremeos people bade farewell to Rev. and Mrs. T. C. Colwell and family at an enjoyable party at the home of Mrs. Ring. During the course of a very fitting program Mr. E. M. Crooker, in the course of an appropriate farewell address, expressed real regret on behalf of the town to lose so esteemed a family, and expressed the hope that they would visit again. Mrs. Innis then presented Mr. and Mrs. Colwell with a substantial cheque. Mr. Colwell thanked his friends kindly, and expressed real regret at having to leave. Mrs. Colwell also expressed her thanks. Keremeos gives its best wishes to the Colwell family.

AT HEDLEY

A farewell reception was tendered Rev. and Mrs. Colwell at the Hedley United Church Monday evening, when a full quota of friends were present. An excellent program was enjoyed, and complimentary remarks were exchanged.

PLEBISCITE SPECIAL WILL APPEAR AT 8:45

THURSDAY, JUNE 27, 1929

TIME TO ACT

Over a month ago Princeton board of trade appointed two delegates to a proposed Similkameen council of boards of trade, suggesting, as the logical leader in this enterprise, an organization to alternate its meetings in different towns, and to include two delegates from each of the Hedley, Keremeos-Cawston, Coalmont-Blakeburn and Princeton boards, with an elective president outside this membership. Since then no new developments have been reported, and to all intents and purposes, the organization has advanced only that far.

Late in April nearly two hundred citizens of the greater Similkameen, gathered at a banquet here, voted unanimously in favor of such an association, and showed by their presence their interest in its organization. To date this enthusiasm has been productive of—a resolution.

It seems to be well agreed that this body is both desirable and necessary, and considering this the delay in setting the machinery in operation is hard to understand. Time to act!

CORRESPONDENCE

The Editor,
Princeton Star.

Sir:—May I ask you to give space to the followings:

The dances at the One Mile Hall have in the past, apparently, been thought to be put on for the benefit of all the young fellows round town (some from the country too), who come up when they get full and drink beer round the grounds, and make a general nuisance of themselves when they come into the hall.

Now the people of the One Mile have been long suffering and of great kindness, but, in future, people coming and being a nuisance, in the hall or round the grounds, will have as short a shift as they would round one of the halls in town.

I am,
Yours faithfully,
P. E. ROWLANDS.

Princeton, B.C., June 18th, 1929.

Church Notes

UNITED CHURCH

Sunday's service will be a colorful one. The choir, making its last big effort before its "summer holiday," will take most of the service, with Mrs. T. Doble and Miss V. Bastian soloists. Orangemen and members of the L.O.B.A. will parade to the July 7 service. At Copper Mt. today the Ladies' Aid is giving an ice cream and strawberry festival in aid of church funds.

* * * *

ST. CUTHBERT'S

St. Cuthbert's Girl Guides are lining up with the South Okanagan Command and are going into camp at Naramata June 29, under Divisional Commissioner Midgley of Penticton. The girls gave a successful tea Saturday in aid of camp funds.

Sunday being the fifth Sunday of the month, there will be an evening service at St. Cuthbert's at 7:30, as well as the regular morning service. During the summer Sunday school will commence at 10:15, instead of 10 o'clock.

Wm. Dailey Motors are running a good race for honors in the provincial Hudson-Essex sales championship. They were, at the last standing, running eighth among twenty dealers, and hope to improve their standing considerably before the contest closes.

Mrs. W. Baird will come up to Princeton from New Westminster to spend the July 1 holiday with her husband, Mr. W. Baird of Princeton Departmental Store.

BUSINESS LOCALS

WATER NOTICE

(Diversion and Use)

TAKE NOTICE that David Jennings, whose address is 2054—35th Ave. W., Vancouver, B.C., will apply for a licence to take and use 2000 inches of water out of Champion Creek, which flows north westerly and drains into Tulameen River, about 13½ miles above the town of Tulameen. The water will be diverted from the stream at a point about 5 miles above its mouth on the right hand side and will be used for mining and power purpose upon the leases described as Nos. 578, 577, 576, 575 and neighboring claims and with others on the Tulameen River. Power to be used within a radius of 30 miles of point of diversion. This notice was posted on the ground on the 3rd day of June, 1929. A copy of this notice and an application thereto and to the "Water Act" will be filed in the office of the Water Recorder at Princeton, B.C. Objections to the application may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B.C., within thirty days after the first appearance of this notice in a local newspaper.

DAVID JENNINGS, Applicant.
The date of the first publication of this notice is June 6th, 1929. 30-4

WATER NOTICE

(Diversion and Use)

TAKE NOTICE that David Jennings whose address is 2054—35th Ave. W., Vancouver, B.C. will apply for a licence to take and use 50 second feet of water out of Eagle Creek, which flows south westerly and drains into Tulameen River about 12 miles above the town of Tulameen. The water will be diverted from the stream at a point about a mile above its mouth on the left hand side and will be used for mining and power purpose upon the claims described as Leases No. 481, 484, 544, 483, 482, 372, 153 and neighboring claims and with others on the Tulameen River. Power to be used within a radius of 30 miles of point of diversion. This notice was posted on the ground on the 3rd day of June, 1929. A copy of this notice and an application pursuant thereto and to the "Water Act" will be filed in the office of the Water Recorder at Princeton, B.C. Objections to the application may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B.C., within thirty days after the first appearance of this notice in a local newspaper.

WATER NOTICE

Diversion and Use

TAKE NOTICE that David Jennings whose address is 2054—35th Ave. West, Vancouver, B.C., will apply for a licence to take and use 50 second feet of water out of Granite Creek, which flows north easterly and drains into Tulameen River about 7 miles above its mouth on the right hand side and will be used for mining and power purpose upon the claims described as Leases No. 257, 256, 549, 523, 565, 531, 537, 485 and neighboring claims established on both sides of Granite Creek and Tulameen River. The power to be used in the region within a radius of 30 miles of point of diversion. This notice was posted on the 3rd day of June, 1929. A copy of this notice and an application thereto and to the "Water Act" will be filed in the office of the Water Recorder at Princeton, B.C. Objections to the application may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B.C., within thirty days after the first appearance of this notice in a local newspaper.

DAVID JENNINGS, Applicant.
The date of the first publication of this notice is June 6, 1929. 30-4

WATER NOTICE

Use and Storage

TAKE NOTICE that WEST KOOTENAY POWER & LIGHT COMPANY LIMITED, whose address is Rossland, B.C., will apply for a licence to take and use 2000 cubic feet per second and to store 500,000 acre feet of water out of Adams River, which flows south easterly and drains into Shuswap Lake, about West end of Shuswap Lake. The storage-dam will be located 1900 feet south and 100 feet west of centre of section 33, Township 22 Range 12, West 6th Meridian. The capacity of the reservoir to be created is about 500,000 acre feet, and it will flood about 600 acres of land. The water will be diverted from the stream at a point about 1900 feet south and 100 feet west of centre of section 33, Township 22, Range 12, West 6th Meridian and returned at generating station on L.S. 2, Sec. 33, Township 22, Range 12, West 6th Meridian and will be used for power purpose upon the land and described as L.S. 2 of Sec. 33, Tp. 22, R. 12, West 6th Meridian for distribution of power within a radius of 150 miles of generating station situate on said L.S. 2, and throughout the territory granted by Charter and amendments to the applicant. This notice was posted on the ground on the 29th day of May, 1929. A copy of this notice and an application pursuant thereto and to the "Water Act" will be filed in the office of the Water Recorder at Kamloops, B.C. Objections to the application may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B.C., within thirty days after the first appearance of this notice in a local newspaper. The Petition for the approval of the undertaking will be heard in the office of the Water Board at a date to be fixed and any interested person may file an objection thereto in the office of the Comptroller or of the Water Recorder of the District.

What Is the Matter With the Board of Directors of the Hospital
Short of water in case of fire. Those directors were in favor of incorporation. How in the world they were going to run a city like Princeton, when they cannot safeguard the property of the hospital, sets people thinking. Responsibility sets very lightly on the heads of some of our citizens.

PRINCETON-ALLENBY BASEBALLERS SURPRISE COPPER MOUNTAIN

Two Hurlers Fail to Hold Local Batters; Callahan in Form

Backing up Callahan's old-time pitching with snappy fielding and staging a batting spree that kept two hurlers and all the fielders working overtime. Princeton-Allenby baseballers sprang a distinct surprise by bearding Copper Mountain at Princeton Sunday. The final score of 8-1 represents the play, but it must be admitted Copper Mountain hardly did themselves justice, in spite of the surprising form the winners showed.

Copper Mountain started strong when they put two of their first three hitters on, and sacrificed one over, but that was their limit for the matinee. Princeton started out equally well in their half, but kept it up.

Each of the first four batsmen hit the first pitched ball, Allen and Carrington connecting for doubles, with Callahan poling out a circuit clout. While Callahan was whiffing four batsmen in a row, his team mates were driving in three more runs. The next run came in the fifth, and it was again Callahan who batted it over, bringing his total of runs batted in for the day to five.

SKI CLUB PLANS TO START HOUSE CLEANING

Reorganization Necessary to Put Over Big Program Planned

IF PRINCETON Ski Club is to carry through the ambitious undertaking they planned at their inception, there must be more concerted effort, and especially more co-operation among the officials.

This was the accusation the Ski Club brought against itself at a meeting in Princeton Hotel Saturday night, the frank purpose of which was to clear the air.

Difficulties over the establishment of the jumping hill have arisen with the golf club due to a change in the runway from the original avowed location; not so much because the golfers object to the change, but want to be assured the authority for it.

To make a long story short, however, it appears that the change was made with the best of intentions, and, while injudiciously made in that neither the full executive nor the golf club were consulted, it is a slightly superior location, in spite of a little extra expense. Messrs. O. Carlson, Engen and Stenvold were named a committee to consult with the golf club.

CLEARING WELL UNDER WAY

Outside the sand in the executive gear, the situation is satisfactory. A considerable amount of work has been done on the hill, and the job can be finished up with a little fencing, grading and cribbing, so that the hill will be in readiness for the winter with a little effort and at a comparatively small cost. The cost of work to date is about $100.00.

A hill in East Princeton had been viewed favorably by some enthusiasts of the club, but the matter never got very far.

NEED MONEY

The Ski Club now finds itself in the very healthy position in which most Princeton organizations are usually placed. It needs funds. And it is realized that the club will have to pull itself together and this new energy will no doubt reflect to the general success of the sport. It is often a good thing to be broke.

Whether a money-making scheme embarked on by the club can be proceeded with is a moot question among the members. At the authority of a special meeting a drawing dance scheme was launched. Three thousand tickets were issued, which would if sold bring in $1500. Prizes to the extent of $600 were offered, and each fifty-cent ticket also provided for one admission to a dance September 27.

The meeting was not altogether satisfied that this drive had been well enough organized and named Rev. J. C. Goodfellow, A. Stenvold, and A. Krogstad a committee to investigate. They will survey the situation and recommend to special meeting either to carry on with the drawing or to abandon it.

The resignation of A. Stenvold as president was rejected, and Mr. Stenvold agreed to reconsider it. The election of officers it was agreed, would be hedl in October.

COPPER MT. FOOTBALLERS AGAIN BEAT PRINCETON

Losers Stopped by Two Well Taken Goals From Well Out Early on

Standing

	P	W	L	D	F-A	Pts
Copper Mt.	6	4	0	2	17-3	10
Blakeburn	5	2	1	2	10-3	6
Princeton	5	0	5	0	3-22	0

Getting the jump on a fighting, but still shaky, Princeton team, Copper Mountain again administered a drubbing to the tail-enders, in a Similkameen League fixture Sunday. The final score was 5-0.

Two goals early on spelt doom for Princeton. Had they managed to weather the early Copper Mountain attacks, their team, which weekly grows stronger, might have held the league leaders to a reasonable margin. But Copper Mountain need points desperately in their neck and neck race with Blakeburn, and were taking no chances.

While the first two goals were very well taken, they hardly represented the run of the play, as Princeton had a good share in midfield exchanges, but failed in front of the goal, just where Copper Mt. were strongest.

There were patches of good football, but relations, unfortunately, were hardly as pleasant as in previous meetings of these teams this summer.

Parker got four goals and Kelly one. The half time score was 5-0. In spite of the heat a fast clip was maintained throughout.

COPPER MT.—Moore, Taylor and Thomson; Newton, Slogar and Luxon; Thompson, Devlin, Parker, Wilson, and Kelly.

PRINCETON—Dodd; Norman and Craig; Mottishaw, Nicholl and Taylor; Arnold, Dickie, Bontain, Rossi and Cousins.

Referee—Black.

BLAKEBURN 3, MERRITT 2

Putting their best foot forward against an old rival, Blakeburn obtained sweet revenge, and at last achieved the hitherto impossible when they defeated Merritt at Coalmont Sunday. The final score was 3-2, and of the five goals four came in the first ten minutes and the other before the interval.

Merritt got off to a bang up start, and almost before the echo of the opening whistle had died, Williams was retrieving the ball from the opening score. The equalizer came just as dramatically, the right wing carrying the ball down from the center for Sims to cut in and score with a lovely shot. Merritt came right back and within five minutes were on top again, the result of a neat play inside.

The equalizer will be remembered for many a day. The halves worked the ball through and carried it over to the wing. A beautiful passing bout among the forwards worked the leather into the goalmouth, and a terrific drive by Nesbitt from eighteen yards capped a spectacular play.

The final goal was obtained by Lewis who made no mistake when he put his foot to a Sims' cross. The second half saw the teams tiring slightly after the terrific first half pace, but was still fought along even lines, without further scoring.

It was an excellent game, replete with brainy and thrilling football, and fought in a gentlemanly manner. Blakeburn's half back line carried off the honors of the day. The coal miners tried out Paterson, a new arrival from the land o' the heather, but he does no look like displacing Dixon. Sim, slender lad who played juvenile with Dursfermline city, is the real acquisition.

Blakeburn—Williams; White and Miller; Rae, Brown and Paterson; Paterson, Sims, Lewis, Nesbitt and Haddow.

Referee—Jerry Brown.

GOOD GAMES PROMISED

Prospects are of a regular feast of football over the week-end. The July 1 football competition will not be living up to tradition if it fails to produce the best games of the year. The draw, while it is not what some of the clubs would have liked, practically assures a good final, with Copper Mt. and Blakeburn the favorites. Blakeburn has been playing much improved ball of late, and a real battle is assured.

Climb 50 poles to find tetephone trouble

Fifty telephone poles were climbed by telephone men at Duncan recently before they were able to find the cause of trouble on three long-distance circuits.

Wind blew a piece of fine wire up on a pole. As it swayed in the breeze it came in contact with three toll wires, causing noise, intermittently, on the Vancouver-Victoria, Nanaimo-Victoria and Cowichan Lake-Duncan circuits. As the trouble only occurred at intervals, it was impossible to take accurate electrical measurements on it.

The telephone men just ascertained the approximate locality of the trouble, and then kept climbing poles until they found it. Once found, getting rid of it was a simple matter.

B.C. TELEPHONE CO.

PRINCETON GOLFERS PLAY FOURSOME THIS WEEK

Princeton golfers will engage this week-end in mixed two bll foursome over the local course, with choice of partners to the ladies.

There was no regularly scheduled competition last week, friendly play being enjoyed.

COLQUHOUN WINS

For the second year in succession J. L. Colquhoun captured the championship of Penticton Golf Club. His opponent in the final was Harold Nicholl. In the semi-final Colquhoun defeated Dr. McGregor, Nicholl winning from his father, C. W. Nicholl. Mr. Colquhoun thisu holds a second leg on the handsome Incola cup.

A TEASER

Here's the reason why the sweepstake competition of Princeton golf Club has yet to be decided. Mrs. A. Sorenson and Mrs. J. A. Brown finished all square on net scores in the final. They played the first hole extra and were still all square. On the second hole Mrs. Sorenson led by a stroke, and they shook hands.

In the club house, however, it was pointed out that Mrs. Brown's handicap gave her a stroke on the second. And opinions were divided as to whether the match had been won or was still all square.

The executive was unable to decide the point, and sought enlightment. Art Dingman of the Province believes it would be unfair to decide the championship, under the circumstances on the first hole won, but suggests an extra round be played. An official of the Shaughnessy Golf Club, Vancouver, also gave the same decision.

Now it so happens that precisely the same situation prevailed in the second round, when Mrs. Brown won from Mrs. A. W. Smith in an extra hole. The result is Mrs. Brown and Mrs. Smith will have to do it all over aagin to see who plays Mrs. Sorenson.

GOOD LOCATION

Cranbrook.—Cranbrook is congratulating itself on the verdict of Squadron Leader J. H. Tudhope that it has a ready made landing field at its door. Major Tudhope made a perfect landing, flying in from the High River, Alta., station. The only drawback is the East Kootenay power line which crosses the property. Maj. Tudhope recommended that the trade board open negotiations with the company with a view to having the line submerged for a distance of 300 feet.

TRAIL'S AIRPORT

Trail.—The Trail city council has approved steps taken by Mayor Clark preparatory to the establishing of an airport. The council has viewed the proposed site, at Columbia Gardens, a short distance down the Columbia River from Trail. It is estimated that the cost of putting the field into condition would be $1400.

Surface work being practically completed, the Spence's Bridge-Lytton cut-off on the Cariboo highway will be officially opened in a few days, according an announcement by Hon. W. A. McKenzie.

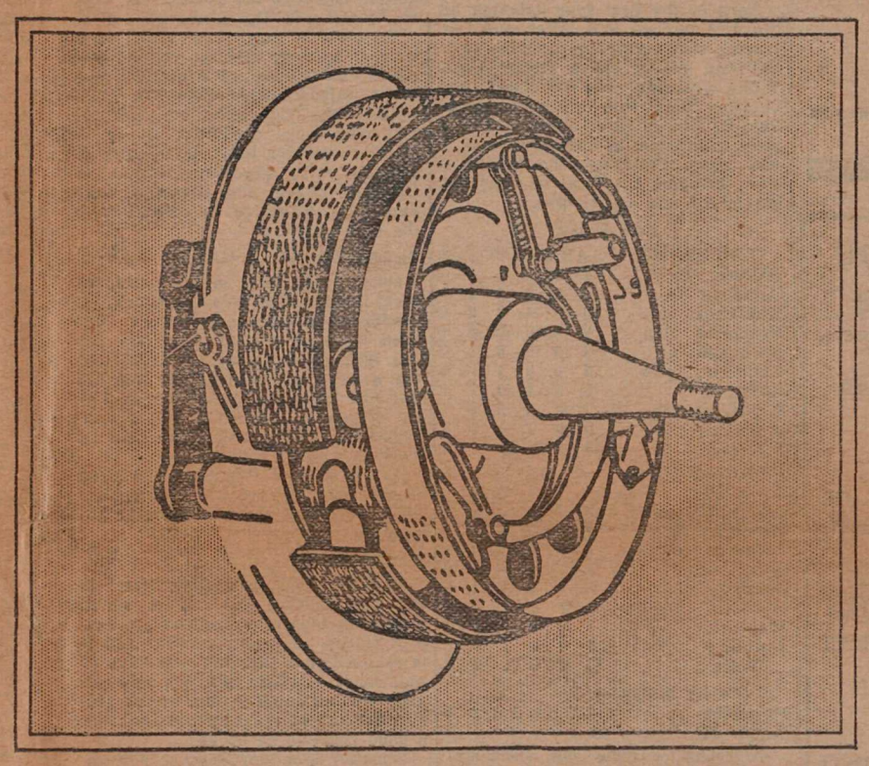
THE FORD CAR SIX-BRAKE SYSTEM



Grips with Silent Power

THE greatest safety feature on any automobile—the braking system—has been developed on the Ford car to a degree that insures absolute driving confidence. Being fully enclosed, the internal expanding brakes on all four wheels are free from any danger of impaired performance from mud, sand, road dirt, grease or other foreign matter entering the mechanism or between the bands and drum.

The four wheel system is operated by a foot pedal, while the emergency or parking system of two brakes, one on each rear wheel, is distinct and separate, operated by a hand lever. This added security is made possible through the unique design of the Ford steel spoke wheels to which drums are fitted to accommodate two sets of internal brakes on the rear wheels.

The smooth, even braking of the Ford car yields more advantages than maximum safety at all times, since it makes tires last longer and adds immeasurably to riding ease and driving comfort.

Drive it Yourself—there is no Better Test

Ford Car Features
Choice of colours
55 to 65 miles an hour
40-horse power engine
Full balloon tires
Fully enclosed six-brake system
4 Houdaille hydraulic shock absorbers
20 to 30 miles per gallon of gasoline

REGION and RUINS

To those who in their declining years fondly recollect the early days of Boundary mining; to those who look with ingrained reverence on the picturesque story of the early history of our *province; the toiling pioneer, the colorful buckaroo, these recollections on the Phoenix which was will have sweetness as of a tender flower on an evening in early summer.*

Phoenix, the Rome of British Columbia mining—once strong, thriving, overbrimming with life and energy; today desolate, abandoned, a relic. This is the theme of our tale, the details of which are provided by our good friend Mr. Wagenhauser, whom a motor trip to the Kootenays inspired the article.

The traveller of today seeks with difficulty the neglected road to this deserted camp; the road that was in its day THE highway.

Today there are but two men living in Phoenix; both, ordinarily enough, are bachelors. Mr. Fourpaw is an old pensioner of the Granby Company, who acts as a sort of caretaker; his real position is somewhat of an enigma. Mr. R. Denzler is just an old prospector, and that's that.

Fourpaw was out hunting some horses when the party arrived, but Mr. Denzler was at home, and unconcerned about it.

He first came to the district, we learned, in 1891. Like many others, he staked with great assiduity claims on the neighboring hills. He still holds these, religiously does h's assessment work, and maintains a Micawber-like faith in them. And no doubt he's quite correct.

We took a peculiar pleasure in nosing about among the deserted houses; once vibrant with good cheer; and the streets once thronged with strong miners and charming wenches.

DANGER! LOOK OUT!

It was therefore not exactly pleasant to be told by our acquaintance that we had been taking "quite a chance." The ground beneath the fair city of Phoenix is tunnelled like an ant-hill, and has showed signs of caving in many places.

We recollected many of our pseudo-prosperous friends Princeton way who came from Phoenix originally—no one who ever lived in Phoenix is ashamed of it—and we began to make enquiries about them in their wilder days.

Jack Mulligan, now at Copper Mt., was, we learned ,the man who first started the camp. He, with Billy Peters owned the most lucrative claims, and they did pretty well when they sold out ot the famous Stemwinder people of Brooklyn.

NOT DEAD YET

Mr. Denzler's hopeful outlook was rather enhanced by what he told us of present day interest in the old territory. The Granby Company, as is well known, still retain 17 claims, and periodically make investigations. No less a person than the famous geologist, Dr. Sussman, reporting in 1914, stated that there were still six million tons of ore in sight averaging to the ton $100 in gold and eight to twelve per cent. copper.

WHERE PLEASURE REIGNED

But for us the chief interest lay in the Phoenix of the past. We saw the old Phoenix Hotel, pioneer of Boundary hostels. It was built by Harry Nash in the fall of '99, and it is worthy of note that Alex Broomfield, now mine host at Princeton's leading hotel hauled all the lumber that went into its construction.

No longer do those walls resound with the revelries of miners with bulging pockets, no longer is life hard work and pleasure. In the boom days there were eight bartenders at the Phoenix inn. Fairbanks, the Roulette, crown and anchor, and black jack were the favorite attractions, though good looking women were hardly despised.

And the Phoenix was only one. There were the Union, Brooklyn and Dominion; the faded signs now standing as gaunt reminders of joys gone by.

Notable among the edifices of the Phoenix that was are the company's offices, the post office, Canadian Bank of Commerce, and telephone office.

WHERE JACK LIVED

The district is of course full of ancient cabins and houses, and we were rather interested to learn where so and so lived; how, is of course another matter.

We had pointed out to us the former mansions of Ned Nelson, the Williams', the McKinnons, the Jacobsons, Dr. Lee Smith, who has just returned from specialized surgical study in Vienna; the Lindsays; P. B. Freeland, now government mining engineer for District No. 4; Jack McLaughlin, now superintendent of Copper Mountain mine; and many others.

Some have it is true, fallen in like houses of cards but others stand erect and stately. Everything movable, however, even to windows and in some cases sashes hae been removed; either sold or taken to the old fire hall, where once presided Mr. A. Almstrom, no wof Allenby. It is now occupied by Mr. Fourpaw, and maintained in all its dignity. The Doukhobors, we learned, made off with anything left behind that was of much use. There are several fire hydrants still in place, and they seemed to say "Phoenix fire."

The old Central Hotel would bring tears to the sympathetic eyes of Mr. Andy Johnson, painstaking proprietor of the Tulameen Hotel, Princeton's oldest hotel building. Danny Deane's renowned boarding house has also fallen on evil days. The one and only brick building, Moore and Thompson's store, has resisted wear and weather, and will be ready for the re-opening.

CONSOLATION

Piles of papers and correspondence were strewn over the floor, and we nosed among them. Mr. Wagenhauser was rather pleased to notice one addressed to a delinquent debtor; which reminded the prominent Princeton mercahnt that his troubles are not alone.

The old hospital, the one of more recent origin, (once a bnukhouse) where Miss Knowlton, now matron of Princeton hospital once ruled, are still in good state of repair. The old church is also erect. Machinery that once pulsed with energy now lies rusting and strewn about.

We were struck by the note of modern times, a striking monument which stands at the entrance to the town, erected to the memory of former boys of the camp who made the supreme sacrifice overseas. One name we recognized was that of J. Lindsay, a brother of Bill Lindsay, manager of the Copper Mountain store.

We were deeply impressed by this stately memorial, which brought to vivid recollection that the spirit of Phoenix of old was after all that which made heroes in '14 and makes life itself.

With such thoughts we pushed on our homeward journey, first to visit the old Fairview camp, with which we were even more intimate. But our observations must mourn the subject of another article.

PENTICTON HAS BIG HOLIDAY PROGRAM

Penticton, B.C., is spending $1500 this year in prizemoney for saddle races and baseball in connection with the Penticton Turf Association's big Dominion Day Celebration.

There are eleven races to be staged at the Penticton Recreation grounds on Monday afternoon, July 1, with two baseball games. The races include the famous Okanagan Derby for a handsome silver trophy and a purse of $250. The ball games include a preliminary contest between Penticton and Summerland teams for $50, and a game between nines from Tonasket and Wenatchee for a $200 purse, winner take all.

The Penticton band is to be in attendance.

In the evening monster dances with carnival events will be staged in two Penticton halls and during the affair a new Pontiac sedan will be given away to the holder of the lucky admission ticket.

Special arrangements have been made to facilitate entry into Canada at the Osoyoos customs office, as it is expected that there will be a big crowd from across the line, as well as from points north of Penticton.

With the bathing season in full swing on Penticton's sandy beaches, the holiday there provides an attractive opportunity for picnic visitors.

William Fleet Robertson, for 23 years provincial mineralogist, died at Everett, Wash., while en route from England to Victoria. He retired from the government service in 1925.

People Are Funny That Way!

It is an extraordinary fact that people who are rigidly careful with Fire in their own homes are utterly reckless with it when out of doors. EIGHTY PER CENT. of our Fire Losses last year would have been prevented had people tried to remember that FIRE is an element with which it is NEVER safe to be careless.

Princeton Paragraphs

Mrs. C. R. Watson is spending a few days in Hedley.

Dr. A. T. Verchere of Ladysmith was in Princeton Wednesday.

Mrs. W. Lindsay of Copper Mt. was a visitor to Vancouver last week-end.

A distant visitor to Princeton this week was W. E. McPherson of Honulu, T.H.

H. T. Rainbow is expected up from Hedley July 1 to assist the Princeton band.

The Meausette family have moved into their new residence on Halliford Ave.

Geo. N. Gartrell of Summerland was a business visitor to Princeton Wednesday.

Born—In Princeton hospital, to the wife of Mr. Robert Taylor, Princeton, a daughter, June 24th.

Born—In Princeton hospital, June 27, to the wife of Norman Craigie, Coalmont, a son.

The drawing for the Quality Store's free centerpiece will take place Saturday night.

For lack of cases, the session of county court scheduled to start here this afternoon will not materialize.

R. W. Stowe and wife, Miss Zelma Moffatt and Miss Marie Meriden of Detroit, Mich., were Princeton visitors this week.

The visitors' register promised the local hospital by His Honor R. Randolph Bruce, as a souvenir of his recent visit, has arrived.

Mrs. (Dr.) Lee Smith, her two sons, Bob and Gordon, and daughter, Anne, left Saturday to take up residence at the coast.

Mr. Beer will be over from Summerland to take in the Dominion Day celebration. Eric Mallet Paret is expected up from Mission for the day.

Among the Penticton visitors to Princeton this week were Mr. and Mrs. A. Carlisle, V. V. Latimer, J. P. Hay, C. K. Brown, H. M. Tuck and L. Howson.

An x-ray examination Friday last revealed that Jimmy Foster's leg, injured in a recent football game, was broken. It is now in a cast and Jimmy is able to get about.

The death occurred at Kimberley Tuesday, June 25, of Ronald tSanley, infant son of Mr. and Mrs. W. McCulloch. Mrs. McCulloch is the daughter of Mr. and Mrs. W. S. Garrison.

COMING EVENTS

Two Bit Dance—Saturday, June 29, One Mile Hall; dancing 9-12. Admission 25c. 32-1p

CARD OF THANKS

St. Cuthbert's Guild take this opportunity of thanking all who helped make their Come and Go Tea so conspicuous a success. 33-1

At the Theatre

This week, in keeping with the holiday spirit, a big double comedy bill comes to the Princess, starring the inimitable Charlie Murray in two of his biggest hits "The Head Man" and "Vamping Venus" (First National). Tillie of the comic strips delighted young and old last week-end, with Bille Dove appearing in an unusual tale of devoted love.

Society

DANCE SUCCESS

The dance given in the Orange Hall last Friday, though not as well attended as it might have been, was a highly enjoyable affair, with the Rhythm Boys orchestra in good form.

* * * *

JOINT FAREWELL AT HEDLEY

A farewell party was given at the home of Mrs. T. C. Knowles, Hedley, in honor of Miss Dickinson, teacher at Hedley school, and Miss S. Swanson matron of Hedley hospital, both of whom are to leave shortly.

* * * *

CAMPBELL—BURR

The marriage was quietly solemnized at the home of the bride's uncle, Mr. E. E. Burr, Saturday, when Rev. J. C. Goodfellow united Ruth Naomi Burr and George Alexander Campbell, both of Copper Mt. Mr. Campbell is a prominent athlete, and both are very well known locally. They were tendered a reception at Copper Mt.

* * * *

PESUT—MITCHELL

A popular wedding was celebrated Saturday when Rev. E. E. Hardwick united John Pesut, well known Copper Mt. hockey player, and Miss Lena Mitchell, also of Copper Mt. They were given a hearty send-off by their Copper Mt. friends.

WATER COMMITTE CONTINUES

Keremeos water users have received instructions from the Water Board to carry on the management of the irrigation system until the end of the present irrigation season.

KEREMEOS NOTES

On Thursday afternoon the junior room at the school had a party before dispersing for the summer. There was no set program but Miss Davidson called upon the children to volunteer and they gave a very creditable program of songs, recitations, jokes, etc. The prizes, honor rolls and reports were then given out and thereafter refreshments and ice cream were served. The names of prize winners, etc, will be given next week in the list of the whole school.

* * * *

Margaret, Eileen and Willa Tweddle came in on Saturday morning from Victoria, where they have been attending school for the past year. Frank Richter is also home from Seattle.

* * * *

Miss Eileen Snowdon is visiting her sister Nurse Snowden.

* * * *

Mr. and Mrs. G. B. Clarke left on Tuesday to reside in Penticton.

* * * *

Mrs. Geo. Bromley and her sister-in-law, Mrs. Pittendrigh is visiting Mrs. Pete Bromley for a week.

* * * *

Mr. and Mrs. Harry Walters and children from Summerland have taken up their residence at the Robt. Armstrong ranch.

* * * *

Other Keremeos news under various heads.

CAWSTON NOTES

Msis K. Snowdon, our district nurse for the past two years, was this week the guest of honor at a shower by her Cawston friends, at the home of Mrs. A. H. Cawston, in view of her approaching wedding which will take place in July.

* * * *

The ladies of the United Church of Cawston held a successful ice cream and strawberry social at the home of Mrs. L. V. Newton Tuesday last.

* * * *

Mr. and Mrs. R. J. Armstrong and son Roscoe came down from Copper Mountain and spent a few days at their home here this week.

* * * *

Miss Florence Prentice, who has been training at the Royal Columbian Hospital in New Wsetminster, is spending a few weeks with her parents here.

* * * *

Miss Daisy Silvester of Penticton visited her parents here this week.

HEDLEY NOTES

The mine and mill will close on Dominion Day, resuming labor at 7 a.m. Tuesday, July 2nd.

* * * *

Miss Dollie Corrigan accompanied by her friend Miss Ruby Mottishaw returned home to spend the summer vacation with her parents, Mr. and Mrs. W. W. Corrigan.

* * * *

Mrs. Fred Nicholson and family are the guests of Mr. and Mrs. H. Lyons.

* * * *

Mr. Dick Lowe has returned from Penticton to resume his duties at the road camp a few miles from Hedley.

* * * *

Mrs. J. Gallagher is the guest of Mrs. W. Lonsdale.

* * * *

Mrs. C. R. Watson of Princeton is a guest of her sister Mrs. R. E. Baxter.

* * * *

Dr. Francis left last Sunday for the coast where he is attending the medical convention.

* * * *

Dr. Lundy, accompanied by his mother, spent a few hours in Hedley on Tuesday.

* * * *

Mrs. Joe Bromley and her daughter Alice and Mrs. Pittendrigh and daughter Mary are spending a few days in Keremeos the guests of Mrs. Pete Bromley.

* * * *

Mr. and Mrs. Watson accompanied by John Hardman and Bill Lowe, went up Ashnola River to fish. They made a fair catch but Harold says there were more mosquito bites than fish bites.

* * * *

Miss Peggy Wright has returned home from Kingston, Ont., after nearly a two years' visit in the family of Charles P Dalton, who was local manager for a number of years of the Bank of Montreal.

* * * *

Dr. Douglas Rolls was a visitor from the mine for a few days.

* * * *

Robert Corrigan has resigned his place as blacksmith at the Nickel Plate and has been succeeded by Geo. Bowerman.

* * * *

From reports, most of the miners and millmen will go to Princeton on Dominion Day, as Hedley football team plays Copper Mt. there.

* * * *

Our teacher, Ralph Thomas, plays in Penticton baseball team on Dominion Day.

* * * *

Royal Ann cherries are ripening.

* * * *

T. C. Knowles is going about limping due to an injured knee from a recent football game.

* * * *

Miss Swanson has resigned as nurse at the hospital and leaves at the end of June for San Francisco, Calif. She will be succeeded by Miss Evelyn Anderton.

* * * *

Mr. and Mrs. Thomas C. Knowles entertained the younger set at their home Tuesday evening. All report an enjoyable time.

COPPER MOUNTAIN

Copper Mountain saw four more souls venture on the storm tossed sea of matrimony last week.

* * * *

A strawberry social took place Thursday under the auspices of the Ladies' Aid; successful, as usual.

* * * *

While fishing Saturday with some others lads, R. Nelson had the misfortune to sprain his wrist; not the size of the fish but the descent of the mountain.

They were living in a Fool's Paradise

JACK was earning $75 a week. They had a fine apartment, lots of friends. Life was one continuous party. Then Jack took sick. First an appendix; then, as he was getting over that, "flu" set in and pneumonia developed. Jack was laid up for 15 weeks. Of course, he hadn't a penny saved, so his friends and his wife's parents had to come to their financial assistance.

But that wasn't all. If Jack had died he would have had to be buried at somebody else's expense. Why? Because he and his wife were both living for today and spen every penny that he earned.

His illness taught him a lesson. He now owns $20,000 of Confederation Life Insurance. It only costs him $12.50 a week—but it insures a life competence to Mary.

If you are married and are earning $75 a week, or more, you should own at least $20,000 of life insurance. If you are not carrying this amount, let us assist you to get it.

As a preliminary, write for our pamphlet entitled "If You Were Totally Disabled." Address:

COAST BATTLERS APPEAR ON HOLIDAY BOXING CARD

Four Feature Bouts and Local Preliminaries Liven Up for Monday

THE CARD

Speed Kelly vs. Spider Kelly (128 lbs.) 6 rounds.

Gilbert Foggo vs. Bud Anderson (112 lbs.) 6 rounds.

Cliffe vs. Kennedy (140 lbs.) 6 rounds.

Madden vs. Wells (175 lbs.) 8 rounds.

Princeton will have a real boxing attraction to round off the Dominion Day celebration July 1. Promoter C. M. Hartman lined up a most ambitious program whereby outsiders will be brought in to figure in really first class bouts.

Four of the men are real flashes, well known to followers of the fistic game. Speed Kelly, Spider Kelly, Gilbert Foggo and Bud Anderson are the lads in question, and hail from New Westminster. They are all fast and light, and though pitted against themselves, there will be enough in it for the winners to make them really fight.

Two lads from Penticton way are spoken of in terms of high praise. They are Kennedy and Cliffe, who are said to be able to clean up anything within a reasonable local radius in the lightweight limit. Besides, 'tis said they pack an old grudge, and are itching to settle it in Joe Bush's posh new ring. Local boys will appear in the preliminaries.

The other big bout will have particular local interest, as both Madden and Wells are well known, and their relative backers at least think quite a bit of their particular man. This should be close enough.

NEW VENTURE

The events will take place in the new arena, and will mark the inauguration of the boxing game here on a serious scale. Joe Hartman, well known prospector and good fellow, has taken zealously to his new fad, and is nothing if not ambition. He had leased the old skating rink and has spent considerable money converting it into an ideal fight arena. The floor has been sanded, a splendid ring built, and row upon row of seats provided to assure a good sight of the fight from any part of the house. He should have accommodation for at least 600, and if the holiday spirit is rife, this should pretty nearly be taxed. New dressing rooms have been provided, and a considerable quantity of apparatus and training material purchased. Repairs have been made to the roof and walls in preparation for colder weather.

TO HAVE SCHOOL

Mr. Hartman is retaining as his assistant Gunboat Smith, who will be trainer and instructor. It is the intention to open a training school for boys in the near future and as Princeton kids get their chance to learn the manly art, some real local fight cards will be provided in the near future.

SPORT CARD

SUNDAY—
Junior baseball: Princeton vs. Allenby-Copper Mt., 3 p.m.
Football: Princeton vs. Blakeburn 5 p.m.; Hedley vs. Copper Mt. 6:30 p.m.
Baseball: Asahis vs. Copper Mt. at Copper Mt. 2 p.m.

MONDAY—
Junior baseball: Princeton vs. Merritt, 1 p.m.
Baseball: Asahis vs. All Stars, 2:30.
Football: Final 5 p.m.
Boxing: 8 p.m.

RESULTS IN BRIEF:
Football: Princeton 0, Copper Mt. 5; Blakeburn 3, Merritt 2.
Baseball: Princeton-Allenby 8, Copper Mt. 1.

RACING MONDAY

The time honored sport of horse racing, the sport of kings, will be seen in plenty Monday in connection with the July 1 celebration here. Good horses are expected from the lower Similkameen and Douglas Lake way, and there are one or two fast "dark" horses locally. The arrangements for the meet this year have been given more attention than usual.

BEER VOTE CARRIES

By a majority of 245 Princeton went on record as favoring the sale of beer by the glass or open bottle in licenced premises, for consumption on the premises, when a plebiscite was held here today

When the poll closed at 8 o'clock the standing was:

The total possible vote was 620,

For	293
Against	48
Spoiled	4
Total	345

THE OFFICIALS

Returning Officer: H. H. Avery.

Deputy Officers:

A to G—Arnold E. Wilson; pole clerk, Earl Nowell.
H to M—J. A. McLennan; pole clerk, Percy Schofield.
N to Z—Mrs. E. J. Avery; pole clerk, Mrs. Oriel Allen.

SCRUTINEERS

Pro: A. S. Black, Mrs. Vanetta Currie, Miss Edna Pughe.
Antis: Rev. J. C. Goodfellow, Mrs. J. Taylor, Mrs. M. E. Hardwick.

QUICK WORK

Within five minutes of the completion of the count this article was up in type, and the first copies of the plebiscite special were off the press within twenty minutes of that time. This is the first time a "special" has been attempted in Princeton.

CLOSING HOUR DELAYED

A dilemma arose to the closing hour for the polls. The proclamation read 7 o'clock, but the act reads 8 o'clock. A wire to the attorney general's department advised the returning officer to adhere to the act.

THREE BEER PARLORS

Princeton will liekly have three beers barlors within six weeks. The Tulameen Hotel, Similkameen Hotel and Hotel Princeton have all applied.

PETITION REWARDED

The granting of the vote was the result of local agitation which took the form of a petition to the government, well signed and forwarded to the attorney general's department.

WEATHER GOOD

The weather was ideal for the poll, and the interest shown by the public very keen. Many came in cars, some walked, and we even noticed one pioneer ride up true to the style of the past, aboard a chestnut pony.

NEAR BEER

We're here because there's beer because
There's beer because we're here,
And since there's beer we're here because
We'll cheer becaus we're here,
Nobody knows how dry I be
Nobody worries over me
But turn the tap and let me be
I wish it was a bloomin' sea.

RESULT OF 1924 VOTE
(held June 20, 1924)

	Yes	No
Allenby	10	7
Allen Grove	10	11
Blakeburn	27	3
Cawston	20	56
Coalmont	66	12
Copper Mountain	5	2
Hedley	61	56
Kaleden	17	29
Keremeos	103	140
Nickel Plate Mine	20	4
Okanagan Falls	25	32
Oliver	85	157
Osoyoos	16	28
Penticton	449	1062
Princeton	250	129
Sidley	12	12
Tulameen	14	16
Absentee	137	93
	1327	1849

Total plebiscite vote 3176.

EXAM RESULTS

Candidates Still Writing Government Examinations: Local Results Next Week

DIVISION IV AND HEDLEY PASS LISTS

Promotion examinations are nearing completion throughout the Similkameen Valley. At Princeton schools examinations are retarded this year, it being the practice in the past to leave the last week clear for the writing of government exams.

In all divisions except Div. IV, where Miss Coles is required as supervisor for the high school exams, examinations were in progress this week.

HIGH SCHOOL

GRADE XI—Twelve pupils writing government examinations.

GRADES X & IX—Writing promotion exams.

PUBLIC SCHOOL

GRADES I to VII, exclusive of Grades II and III—Writing promotion exams.

In the case of government exams, matriculation results will be announced from Victoria about the end of July, while entrance results should be available shortly after the middle of the month.

GRADE VIII

PROMOTED TO HIGH SCHOOL—On recommendation of teacher: (names in order of merit) Emily Wardle, Kenneth Dodd, John Ewart, Elsworth Hansen, Edna Pughe, May White, Fred Waterman.

WRITING GOVERNMENT ENTRANCE EXAMS: Emily Wardle (for medal), Christine Samuel, Arnold Wilson, Beryl McDiarmid, Annie Plecash, Donald Bain, Bernard Johnson.

ENTRANCE EXAMS

The following are writing at Princeton center:

ALLENBY (Principal, Sara McNeill)—Roland Brooke, Helen Goodeve, Millie Alice Pitney, William Pitney, Marion Florence Sowrey, James Brown Stalker (absent), Lorraine May Wharton.

JURA (Principal, W. E. Lucas)—Stephen Page Didcote, Colin Victor Long.

ONE MILE CREEK (Principal, Miss Florence G. Britton)—Hazel Jean Du Hamel.

EAST PRINCETON (Principal, Miss Louise Johnson)—Roy Leslie Shook.

DIVISION IV

(Teacher Miss Ruth Coles)

ROLLS OF HONOR

Proficiency—Betty Oreskovich.
Deportment—Alma Huey.
Regularity and Punctuality—Isabelle White, Graham Butler, Blanch Paul, Adam Schulli.

Grade III to Grade IV—1, Betty Oreskovich; 2, Eddy Hansen; 3, Joe Caruso; 4, Bill Irwin; 5, Mary Hewitt; 6, Jean MacCaffrey and Joan Levack.

Grade II to Grade III—1, Alma Huey and George Wardle; 3, Isabelle White; 4, Flo Williams and Blanch Paul; 6, Ruth Christison; 7, Helen Vaydo; 8, Oriel Allen and Sonny Matthewson; 10, Tommy White; 11, Graham Butler; 12, Eric Jacobson; 13, Gwen Avery and Jessie Brown; 15, Jean Doerflinger; 16, Adam Schulli and Grace Marks; 18, Ada Ruth Summers; 19, Agnes Lindsay; 20, Frank Smulin and Arthur Mullin; 22 Lawrence LaValley; 23, Percy Miller; 24, Donald Atkinson; 25, Roy Lind; 26, Robert Bennett; 27, Isabel Miller.

HEDLEY

ROLLS OF HONOR

Proficiency: Division I—R. Gladish; Division II—M, McLean.

Regularity and Punctuality—Division I—L. Lawrence, M. Corrigan, W. Rolls; Division II—B. McLean, Billy Knowles.

Conduct—Florence Brown.

Grade VI to VII—Evelyn Corrigan, Mabel Lawrence, Maude Lowe, Curtis Gladish, Charles McRae (conditionally).

Grade VII to VIII—Robert Neil, Marjorie Corrigan, Mary Lowe, Charles Hambly.

Grade IV to V—Betty McLean Brian Wright, Sidney Hambly, Margaret Lorenzetto, Mildred Willey (conditionally), John Lawrence (conditionally).

Grade V to VI—Violet Jones.

Grade III to IV—Florence Brown Billy Knowles, Dorothy Gladish, Norene Neil, Evelyn Neil.

Grade II to III—Lucy Carbanero, George Lawrence, Barnett Allison Margaret Allison.

Grade I to II—Marna McLean, Lewis Gladish, Arthur Lowe, Alice Bromley.

COPPER MT.

Ten pupils are writing entrance exams at Copper Mountain under supervision of Miss C. Ward.

Full local results will be available for next week. Teachers of district schools are asked to send in lists as early as possible to the Star.

CELEBRATE!

Monday is Princeton's big day. Be big with it! Dress your best, be your best, act your best.

Get out your flags and bunting. We have a great town, are putting on a great day. We have something to tell the world about. Let's tell them—with color! There's the usual old paper about, perhaps—common, but not attractive. Pick up, paint up, pep up, get out the flags, and get out by yourself.

CUSTOMS COLLECTIONS UP

Customs returns for the port of Princeton for May 1929 were better than for the corresponding month in either 1928 or 1927, and well ahead of the average. The total for the month was $3314.17, compared with 2977.04 for May 1928 and $2001.20 for the same month the year previous.

Details for the month of May for the past three years are:

	1929	1928	1927
Impt'ns	$2419.46	$166.24	$ 633.19
Ex. Duty	420.00	480.00	240.00
Ex. Tax	474.71	830.80	1128.01
Total	$3314.17	$2977.04	$2001.20

R. Schulli is doing assessment work on lot 88 on coal leases held by Davis and Schulli.

Pithy Pars

About the Parlors

Excitement was rife when the count began.

* * * *

And the after effects may be worse.

* * * *

Princeton Water Works may apply for a licence to install a pumping station.

* * * *

Caruso Brothers are getting in some special aged wood pipe connections for plumbing of same.

* * * *

And if we have to work any more late nights putting out your darned election extras were going to ask the Orange Hall to install a beer parlor or a brewery, and run over a connection with fountain, taps, bath, and showers. And let it rain!

* * * *

Who said it ain't gonna rain no mo'?

* * * *

We understand Mr. Wagenhauser will accordingly open a new department in his departmental store.

* * * *

And Charlie Watson is talking Ethyl, or methyl, (or Clementine) and we've all heard the terms Union and Imperial.

* * * *

Ed. Burr says its all up in the air.

* * * *

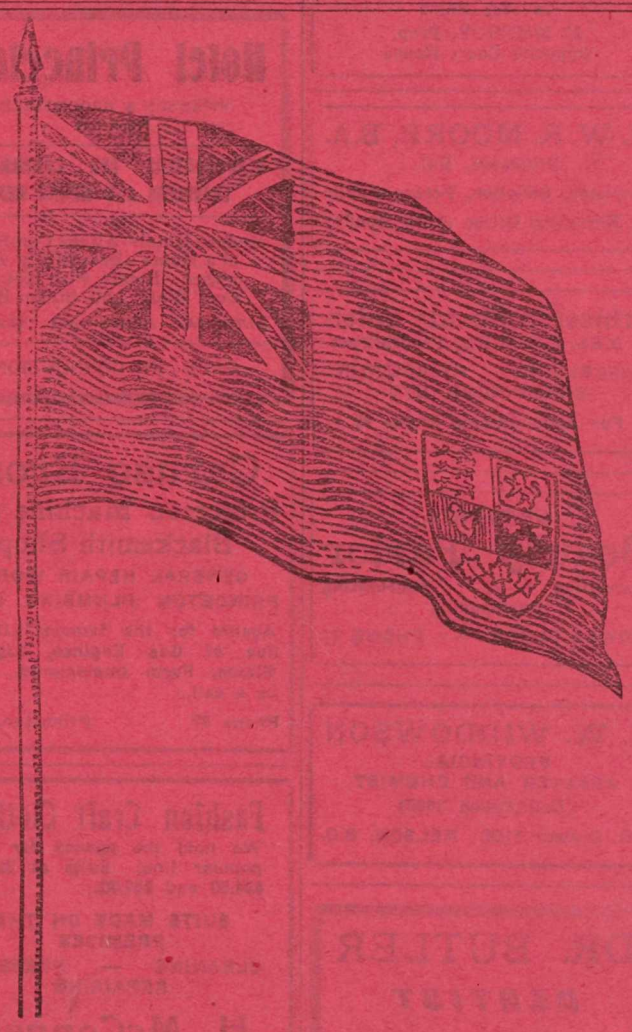
Perley doesn't believe in incorporation either of towns or companies or beer parlors.

* * * *

We hear Kim has a guilty conscience.

* * * *

And just when Daddy Wright had sworn off!



Dominion Day

ATTRACTIVE PROGRAM LINED UP FOR DAY

Princeton is all prepared for its biggest celebration ever. All roads will lead to the hub of the Similkameen Monday, when a highly attractive program awaits all and sundry.

The sports get under way Sunday afternoon with baseball and football games, with a first aid contest, horse racing, junior and senior baseball, football, boxing, and a big dance carded for the evening.

The event has been advertised from Land's End to John O'Groats, and the crowd will be—well, happy.

For a complete program of July sports see page 5.

ORANGE PICNIC ARRANGED

"Orange Day," July 12, will be celebrated this year at Keremeos, and will be in the nature of a picnic, to which all wives and friends of Orangement are invited. For the past two years the celebration has been held in Princeton. L.O.L. and L.O. members will parade to St. Paul's Church Sunday, July 7.

The brothers Morden of Vulcan, Alta., passed through Princeton this week in the course of a motor tour of interior B.C. They were well pleased with the One Mile road. They went out via Keremeos and Penticton.

COMMITTEE HOLDS FINAL MEETING HERE

The end of their labors in sight, the celebration committee held its final meeting last night.

Finances, it was reported, are quite satisfactory, with the canvass almost completed. Everything is prepared for the first aid competition and arrangements will be made to have this staged in the Orange Hall in the event of rain. The event commences at 9 p.m. Prizes are on display at Sorenson's.

The sport card is complete. Two football games and a junior ball game will be played Sunday, with Asahis of Vancouver present for Monday's ball game, and Merritt and Allenby-Copper Mt. teams having accepted the junior engagements.

Everything has been prepared for the staging of the horse races. The hall and orchestra have been engaged for the dance.

An effort will be made to have the grass cut on the football pitch and baseball outfield, to speed up both games.

An effort will be made to have Princeton decorated with flags and bunting. W. A. Wagenhauser and Miss Annie Cunningham were named a committee, and all are asked to co-operate.

A tug of war event will be included in the afternoon events if possible.

NEW STARS

Two new registrations were recorded this week, both for Blakeburn. The first is Percy Williams, a young player from South Wellington, V.I., who showed great promise in juvenile circles. Playing his first senior game against Merritt Sunday, he did very well. The other is Tom Brown, also from South Wellington, but a seasoned player, though still a young man. Tom has seen service with South Wellington juniors, intermediates, seniors, Ladysmith, New Westminster, Upper Island, and other teams, and recently helped Nanaimo South End to win the B.C. junior championship.

John F. Guest visited his placer claims on the Tulameen River, two miles below Coalmont Saturday last and was well pleased with progress being made towards the construction of a camp for the season's operations. The camp at One Mile Creek is now taking shape and it is hoped to start operations shortly.

MAKING GAME FIGHT

Princeton Football Club is at present in the doldrums, and undergoing the most crucial period of its career. With little to select from, and pitted against really first class opposition, the locals are winning admiration by their fighting stand and sportsmanlike play, and are deserving of any good turn that can be done them.

A full practice of the club is called for the race track grounds at 6:30 sharp. All players are urged to be on hand. Better times are ahead.

The department of mines views favorably Princeton's request for assistance in the providing for Princeton a place where specimens could be gathered, and information filed on mining. The department is willing to donate money to help with the establishment of a chamber of mines. The board recommended that when the new court house is built provision be made for office room for this.

RAYMOND MILLER PASSES

The death occurred in Princeton hospital shortly after four o'clock this afternoon of little Raymond Miller, four-year-old son of E. L Miller. He had been seriously ill from rheumatic fever for some days.

"GOVERNMENT LIQUOR ACT"

Notice of Application for Beer Licence

Notice is hereby given that, on the 27th day of July next, the undersigned intends to apply to the Liquor Control Board for a licence in respect of premises being part of the building known as Princeton Hotel, situate on Bridge Street upon the lands described as Lot. THURSDAY, JUNE 27, 1929

TIME TO ACT

Over a month ago Princeton board of trade appointed two delegates to a proposed Similkameen council of boards of trade, suggesting, as the logical leader in this enterprise, an organization to alternate its meetings in different towns, and to include two delegates from each of the Hedley, Keremeos-Cawston, Coalmont-Blakeburn and Princeton boards, with an elective president outside this membership. Since then no new developments have been reported, and to all intents and purposes, the organization has advanced only that far.

Late in April nearly two hundred citizens of the greater Similkameen, gathered at a banquet here, voted unanimously in favor of such an association, and showed by their presence their interest in its organization. To date this enthusiasm has been productive of—a resolution.

It seems to be well agreed that this body is both desirable and necessary, and considering this the delay in setting the machinery in operation is hard to understand. Time to act!

CORRESPONDENCE

The Editor,
Princeton Star.

Sir:—May I ask you to give space to the followings:

The dances at the One Mile Hall have in the past, apparently, been thought to be put on for the benefit of all the young fellows round town (some from the country too), who come up when they get full and drink beer round the grounds, and make a general nuisance of themselves when they come into the hall.

Now the people of the One Mile have been long suffering and of great kindness, but, in future, people coming and being a nuisance, in the hall or round the grounds, will have as short a shift as they would round one of the halls in town.

I am,
Yours faithfully,
P. E. ROWLANDS.

Princeton, B.C., June 18th, 1929.

Church Notes

UNITED CHURCH

Sunday's service will be a colorful one. The choir, making its last big effort before its "summer holiday," will take most of the service, with Mrs. T. Dobbie and Miss V. Bastian soloists. Orangemen and members of the L.O.B.A. will parade to the July 7 service. At Copper Mt. today the Ladies' Aid is giving an ice cream and strawberry festival in aid of church funds.

* * * *

ST. CUTHBERT'S

St. Cuthbert's Girl Guides are lining up with the South Okanagan Command and are going into camp at Naramata June 29, under Divisional Commissioner Midgley of Penticton. The girls gave a successful tea Saturday in aid of camp funds.

Sunday being the fifth Sunday of the month, there will be an evening service at St. Cuthbert's at 7:30, as well as the regular morning service. During the summer Sunday school will commence at 10:15, instead of 10 o'clock.

Wm. Dailey Motors are running a good race for honors in the provincial Hudson-Essex sales championship. They were, at the last standing, running eighth among twenty dealers, and hope to improve their standing considerably before the contest closes.

Mrs. W. Baird will come up to Princeton from New Westminster to spend the July 1 holiday with her husband, Mr. W. Baird of Princeton Departmental Store.

BUSINESS LOCALS

WATER NOTICE

(Diversion and Use)

TAKE NOTICE that David Jennings, whose address is 2054—35th Ave. W., Vancouver, B.C., will apply for a licence to take and use 2000 inches of water out of Champion Creek, which flows north westerly and drains into Tulameen River, about 13½ miles above the town of Tulameen. The water will be diverted from the stream at a point about 5 miles above its mouth on the right hand side and will be used for mining and power purpose upon the leases described as Nos. 578, 577, 576, 575 and neighboring claims and with others on the Tulameen River. Power to be used within a radius of 30 miles of point of diversion. This notice was posted on the ground on the 3rd day of June, 1929. A copy of this notice and an application thereto and to the "Water Act" will be filed in the office of the Water Recorder at Princeton, B.C. Objections to the application may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B.C., within thirty days after the first appearance of this notice in a local newspaper.

DAVID JENNINGS, Applicant.
The date of the first publication of this notice is June 6th, 1929. 30-4

WATER NOTICE

(Diversion and Use)

TAKE NOTICE that David Jennings, whose address is 2054—35th Ave. W., Vancouver, B.C. will apply for a licence to take and use 50 second feet of water out of Eagle Creek, which flows south westerly and drains into Tulameen River about 12 miles above the town of Tulameen. The water will be diverted from the stream at a point about a mile above its mouth on the left hand side and will be used for mining and power purpose upon the claims described as Leases No. 481, 484, 544, 483, 482, 372, 153 and neighboring claims and with others on the Tulameen River. Power to be used within a radius of 30 miles of point of diversion. This notice was posted on the ground on the 3rd day of June, 1929. A copy of this notice and an application pursuant thereto and to the "Water Act" will be filed in the office of the Water Recorder at Princeton, B.C. Objections to the application may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B.C., within thirty days after the first appearance of this notice in a local newspaper.

WATER NOTICE

Use and Storage

TAKE NOTICE that WEST KOOTENAY POWER & LIGHT COMPANY LIMITED, whose address is Rossland, B.C., will apply for a licence to take and use 2000 cubic feet per second and to store 500,000 acre feet of water out of Adams River, which flows south easterly and drains into Shuswap Lake, about West end of Shuswap Lake. The storage-dam will be located 1900 feet south and 100 feet west of centre of section 33, Township 22 Range 12, West 6th Meridian. The capacity of the reservoir to be created is about 500,000 acre feet, and it will flood about 600 acres of land. The water will be diverted from the stream at a point about 1900 feet south and 100 feet west of centre of section 33, Township 22, Range 12, West 6th Meridian and returned at generating station on L.S. 2, Sec. 33, Township 22, Range 12, West 6th Meridian and will be used for power purpose upon the land and described as L.S. 2 of Sec. 33, Tp. 22, R. 12, West 6th Meridian for distribution of power within a radius of 150 miles of generating station situate on said L.S. 2, and throughout the territory granted by Charter and amendments to the applicant. This notice was posted on the ground on the 29th day of May, 1929. A copy of this notice and an application pursuant thereto and to the "Water Act" will be filed in the office of the Water Recorder at Kamloops, B.C. Objections to the application may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B.C., within thirty days after the first appearance of this notice in a local newspaper. The Petition for the approval of the undertaking will be heard in the office of the Water Board at a date to be fixed and any interested person may file an objection thereto in the office of the Comptroller or of the Water Recorder of the District.

What Is the Matter With the Board of Directors of the Hospital
Short of water in case of fire. Those directors were in favor of incorporation. How in the world they were going to run a city like Princeton, when they cannot safeguard the property of the hospital, sets people thinking. Responsibility sets very lightly on the heads of some of our citizens.

Princeton Paragraphs

Mrs. C. R. Watson is spending a few days in Hedley.

Dr. A. T. Verchere of Ladysmith was in Princeton Wednesday.

Mrs. W. Lindsay of Copper Mt. was a visitor to Vancouver last week-end.

A distant visitor to Princeton this week was W. E. McPherson of Honulu, T.H.

H. T. Rainbow is expected up from Hedley July 1 to assist the Princeton band.

The Meausette family have moved into their new residence on Halliford Ave.

Geo. N. Gartrell of Summerland was a business visitor to Princeton Wednesday.

Born—In Princeton hospital, to the wife of Mr. Robert Taylor, Princeton, a daughter, June 24th.

Born—In Princeton hospital, June 27, to the wife of Norman Craigie, Coalmont, a son.

The drawing for the Quality Store's free centerpiece will take place Saturday night.

For lack of cases, the session of county court scheduled to start here this afternoon will not materialize.

R. W. Stowe and wife, Miss Zelma Moffatt and Miss Marie Meriden of Detroit, Mich., were Princeton visitors this week.

The visitors' register promised the local hospital by His Honor R. Randolph Bruce, as a souvenir of his recent visit, has arrived.

Mrs. (Dr.) Lee Smith, her two sons, Bob and Gordon, and daughter, Anne, left Saturday to take up residence at the coast.

Mr. Beer will be over from Summerland to take in the Dominion Day celebration. Eric Mallet Paret is expected up from Mission for the day.

Among the Penticton visitors to Princeton this week were Mr. and Mrs. A. Carlisle, V. V. Latimer, J. P. Hay, C. K. Brown, H. M. Tuck and L. Howson.

An x-ray examination Friday last revealed that Jimmy Foster's leg, injured in a recent football game, was broken. It is now in a cast and Jimmy is able to get about.

The death occurred at Kimberley Tuesday, June 25, of Ronald tSanley, infant son of Mr. and Mrs. W. McCulloch. Mrs. McCulloch is the daughter of Mr. and Mrs. W. S. Garrison.

COMING EVENTS

Two Bit Dance—Saturday, June 29, One Mile Hall; dancing 9-12. Admission 25c. 32-1p

CARD OF THANKS

St. Cuthbert's Guild take this opportunity of thanking all who helped make their Come and Go Tea so conspicuous a success. 33-1

At the Theatre

This week, in keeping with the holiday spirit, a big double comedy bill comes to the Princess, starring the inimitable Charlie Murray in two of his biggest hits "The Head Man" and "Vamping Venus" (First National). Tillie of the comic strips delighted young and old last week-end, with Bille Dove appearing in an unusual tale of devoted love.

Society

DANCE SUCCESS

The dance given in the Orange Hall last Friday, though not as well attended as it might have been, was a highly enjoyable affair, with the Rhythm Boys orchestra in good form.

* * * *

JOINT FAREWELL AT HEDLEY

A farewell party was given at the home of Mrs. T. C. Knowles, Hedley, in honor of Miss Dickinson, teacher at Hedley school, and Miss S. Swanson matron of Hedley hospital, both of whom are to leave shortly.

* * * *

CAMPBELL—BURR

The marriage was quietly solemnized at the home of the bride's uncle, Mr. E. E. Burr, Saturday, when Rev. J. C. Goodfellow united Ruth Naomi Burr and George Alexander Campbell, both of Copper Mt. Mr. Campbell is a prominent athlete, and both are very well known locally. They were tendered a reception at Copper Mt.

* * * *

PESUT—MITCHELL

A popular wedding was celebrated Saturday when Rev. E. E. Hardwick united John Pesut, well known Copper Mt. hockey player, and Miss Lena Mitchell, also of Copper Mt. They were given a hearty send-off by their Copper Mt. friends.

WATER COMMITTE CONTINUES

Keremeos water users have received instructions from the Water Board to carry on the management of the irrigation system *until the end of the present irrigation season.*

KEREMEOS NOTES

On Thursday afternoon the junior room at the school had a party before dispersing for the summer. There was no set program but Miss Davidson called upon the children to volunteer and they gave a very creditable program of songs, recitations, jokes, etc. The prizes, honor rolls and reports were then given out and thereafter refreshments and ice cream were served. The names of prize winners, etc, will be given next week in the list of the whole school.

* * * *

Margaret, Eileen and Willa Tweddle came in on Saturday morning from Victoria, where they have been attending school for the past year. Frank Richter is also home from Seattle.

* * * *

Miss Eileen Snowdon is visiting her sister Nurse Snowden.

* * * *

Mr. and Mrs. G. B. Clarke left on Tuesday to reside in Penticton.

* * * *

Mrs. Geo. Bromley and her sister-in-law, Mrs. Pittendrigh is visiting Mrs. Pete Bromley for a week.

* * * *

Mr. and Mrs. Harry Walters and children from Summerland have taken up their residence at the Robt. Armstrong ranch.

* * * *

Other Keremeos news under various heads.

CAWSTON NOTES

Msis K. Snowdon, our district nurse for the past two years, was this week the guest of honor at a shower by her Cawston friends, at the home of Mrs. A. H. Cawston, in view of her approaching wedding which will take place in July.

* * * *

The ladies of the United Church of Cawston held a successful ice cream and strawberry social at the home of Mrs. L. V. Newton Tuesday last.

* * * *

Mr. and Mrs. R. J. Armstrong and son Roscoe came down from Copper Mountain and spent a few days at their home here this week.

* * * *

Miss Florence Prentice, who has been training at the Royal Columbian Hospital in New Wsetminster, is spending a few weeks with her parents here.

* * * *

Miss Daisy Silvester of Penticton visited her parents here this week.

HEDLEY NOTES

The mine and mill will close on Dominion Day, resuming labor at 7 a.m. Tuesday, July 2nd.

* * * *

Miss Doll'e Corrigan accompanied by her friend Miss Ruby Mottishaw returned home to spend the summer vacation with her parents, Mr. and Mrs. W. W. Corrigan.

* * * *

Mrs. Fred Nicholson and family are the guests of Mr. and Mrs. H. Lyons.

* * * *

Mr. Dick Lowe has returned from Penticton to resume his duties at the road camp a few miles from Hedley.

* * * *

Mrs. J. Gallagher is the guest of Mrs. W. Lonsdale.

* * * *

Mrs. C. R. Watson of Princeton is a guest of her sister Mrs. R. E. Baxter.

* * * *

Dr. Francis left last Sunday for the coast where he is attending the medical convention.

* * * *

Dr. Lundy, accompanied by his mother, spent a few hours in Hedley on Tuesday.

* * * *

Mrs. Joe Bromley and her daughter Alice and Mrs. Pittendrigh and daughter Mary are spending a few days in Keremeos the guests of Mrs. Pete Bromley.

* * * *

Mr. and Mrs. Watson, accompanied by John Hardman and Bill Lowe, went up Ashnola River to fish. They made a fair catch but Harold says there were more mosquito bites than fish bites.

* * * *

Miss Peggy Wright has returned home from Kingston, Ont., after nearly a two years' visit in the family of Charles P Dalton, who was local manager for a number of years of the Bank of Montreal.

* * * *

Dr. Douglas Rolls was a visitor from the mine for a few days.

* * * *

Robert Corrigan has resigned his place as blacksmith at the Nickel Plate and has been succeeded by Geo. Bowerman.

* * * *

From reports, most of the miners and millmen will go to Princeton on Dominion Day, as Hedley football team plays Copper Mt. there.

* * * *

Our teacher, Ralph Thomas, plays in Penticton baseball team on Dominion Day.

* * * *

Royal Ann cherries are ripening.

* * * *

T. C. Knowles is going about limping due to an injured knee from a recent football game.

* * * *

Miss Swanson has resigned as nurse at the hospital and leaves at the end of June for San Francisco, Calif. She will be succeeded by Miss Evelyn Anderton.

* * * *

Mr. and Mrs. Thomas C. Knowles entertained the younger set at their home Tuesday evening. All report an enjoyable time.

COPPER MOUNTAIN

Copper Mountain saw four more souls venture on the storm tossed sea of matrimony last week.

* * * *

A strawberry social took place Thursday under the auspices of the Ladies' Aid; successful, as usual.

* * * *

While fishing Saturday with some others lads, R. Nelson had the misfortune to sprain his wrist; not the size of the fish but the descent of the mountain.

They were living in a Fool's Paradise

JACK was earning $75 a week. They had a fine apartment, lots of friends. Life was one continuous party. Then Jack took sick. First an appendix; then, as he was getting over that, "flu" set in and pneumonia developed. Jack was laid up for 15 weeks. Of course, he hadn't a penny saved, so his friends and his wife's parents had to come to their financial assistance.

But that wasn't all. If Jack had died he would have had to be buried at somebody else's expense. Why? Because he and his wife were both living for today and spen every penny that he earned.

His illness taught him a lesson. He now owns $20,000 of Confederation Life Insurance. It only costs him $12.50 a week—but it insures a life competence to Mary.

If you are married and are earning $75 a week, or more, you should own at least $20,000 of life insurance. If you are not carrying this amount, let us assist you to get it.

As a preliminary, write for out pamphlet entitled "If You Were Totally Disabled." Address:

COAST BATTLERS APPEAR ON HOLIDAY BOXING CARD

Four Feature Bouts and Local Preliminaries Liven Up for Monday

THE CARD

Speed Kelly vs. Spider Kelly (128 lbs.) 6 rounds.
Gilbert Foggo vs. Bud Anderson (112 lbs.) 6 rounds.
Cliffe vs. Kennedy (140 lbs.) 6 rounds.
Madden vs. Wells (175 lbs.) 8 rounds.

Princeton will have a real boxing attraction to round off the Dominion Day celebration July 1. Promoter C. M. Hartman lined up a most ambitious program whereby outsiders will be brought in to figure in really first class bouts.

Four of the men are real flashes, well known to followers of the fistic game. Speed Kelly, Spider Kelly, Gilbert Foggo and Bud Anderson are the lads in question, and hail from New Westminster. They are all fast and light, and though pitted against themselves, there will be enough in it for the winners to make them really fight.

Two lads from Penticton way are spoken of in terms of high praise. They are Kennedy and Cliffe, who are said to be able to clean up anything within a reasonable local radius in the lightweight limit. Besides, 'tis said they pack an old grudge, and are itching to settle it in Joe Bush's posh new ring. Local boys will appear in the preliminaries.

The other big bout will have particular local interest, as both Madden and Wells are well known, and their relative backers at least think quite a bit of their particular man. This should be close enough.

NEW VENTURE

The events will take place in the new arena, and will mark the inauguration of the boxing game here on a serious scale. Joe Hartman, well known prospector and good fellow, has taken zealously to his new fad, and is nothing if not ambition. He had leased the old skating rink and has spent considerable money converting it into an ideal fight arena. The floor has been sanded, a splendid ring built, and row upon row of seats provided to assure a good sight of the fight from any part of the house. He should have accommodation for at least 600, and if the holiday spirit is rife, this should pretty nearly be taxed. New dressing rooms have been provided, and a considerable quantity of apparatus and training material purchased. Repairs have been made to the roof and walls in preparation for colder weather.

TO HAVE SCHOOL

Mr. Hartman is retaining as his assistant Gunboat Smith, who will be trainer and instructor. It is the intention to open a training school for boys in the near future and as Princeton kids get their chance to learn the manly art, some real local fight cards will be provided in the near future.

SPORT CARD

SUNDAY—
Junior baseball: Princeton vs. Allenby-Copper Mt., 8 p.m.
Football: Princeton vs. Blakeburn 5 p.m.; Hedley vs. Copper Mt. 6:30 p.m.
Baseball: Asahis vs. Copper Mt. at Copper Mt. 2 p.m.

MONDAY—
Junior baseball: Princeton vs. Merritt, 1 p.m.
Baseball: Asahis vs. All Stars, 2:30.
Football: Final 5 p.m.
Boxing: 8 p.m.

RESULTS IN BRIEF:
Football: Princeton 0, Copper Mt. 5; Blakeburn 3, Merritt 2.
Baseball: Princeton-Allenby 8, Copper Mt. 1.

RACING MONDAY

The time honored sport of horse racing, the sport of kings, will be seen in plenty Monday in connection with the July 1 celebration here. Good horses are expected from the lower Similkameen and Douglas Lake way, and there are one or two fast "dark" horses locally. The arrangements for the meet this year have been given more attention than usual.
