The Similkameen Star

Thirty-Ninth Year: No. 35 PRINCETON, B. C., THURSDAY, JULY 27 1939 $2.00 Year, 5c Copy.

BY THE STAR—

BIRTHS

RINES—To Mr. and Mrs. Charles Rines of Oliver, in the Princeton General Hospital on July 24th, a son.

☆ ☆ ☆

VICKERY—To Mr. and Mrs. A. Vickery of Princeton, in the Princeton General Hospital on July 24th, a son.

OBITUARY

The death of Annie Kozley, 3 year and 7 month old daughter of Mr. and Mrs. Andrew Kozley of Nickel Plate, occured on Saturday evening last in the Princeton General Hospital.

Funeral services were held on Tuesday afternoon at 2 o'clock at the St. Paul's United Church in Princeton. The Reverend J. C. Goodfellow read the service.

Burial was made in the Princeton cemetery.

Weddings

Miller-Carr

St. Mathew's Church, Langford, Victoria, was the scene of a pretty wedding on July 18th, when Hilda, eldest daughter of Mr. and Mrs. J. W. Carr of Happy Valley, became the bride of Mr. George Miller, of Merritt, son of Mr. M. Miller and the late Mrs. Miller, Caithness, Scotland.

Rev. A. E. G. Hardy performed the ceremony.

Miss Carr, the bride's sister, was bride's maid and Robert Clare, of Blakeburn, brother-in-law of the groom, was best man.

The bride, given in marriage by her father, looked charming in a white satin gown with up-standing collar, sweetheart neckline, and long, tight sleeves. The shirred-on skirt extended into a long train. She wore a long, full veil and carried a bouguet of rapture roses and sweet peas. The bridesmaid wore a blue net dress over satin and a shirred blue hat. Her bouquet was of sweet peas and carnations.

Mrs. N. Birtucci played the wedding march and accompanied Miss Mabel Brown, who sang "At Dawning," while the register was being signed.

A reception for relatives and immediate friends followed the ceremony at the home of the bride's parents where guests were received by the bride's mother, who was attractively dressed in navy blue with matching hat and gloves. She wore a corsage of carnations. Assisting her, Mrs. Clare, sister of the groom, chose attractive pale crepe with white accessories.

The three tiered wedding cake centered the table and the room was effectively decorated in white and pink, with the feature decoration being a large latticed, crepe paper bell.

The bride changed to a dark green tailored ensemble with japonica accessories for travelling.

The young couple will reside in Merritt after a wedding trip to southern cities.

LOCAL GIRL WINS U.B.C. SCHOLARSHIP

Blanche Paul is Awarded Scholarship for Yale District

Blanche Paul, 17 year old daughter of Mr. and Mrs. Ben D. Paul of Princeton, has been awarded a scholarship. She was informed by telegram Saturday afternoon that her standing was one of the highest in the Yale district for Junior Matriculation examinations.

Blanche has attended Princeton schools since her education began in 1927. She has always been an exceptional student, devoting a great deal of her time out of school hours in pursuit of a greater understanding of all courses on the curriculum.

Her success in Junior Matriculation examinations is the result of much study and her success is well deserved. Princeton may well be proud of this young lady who has brought this distinction to herself and her school.

Studies are not Blanche's only interest or accomplishment. She is active in sport and extra-curricular activities. She enjoys softball and swimming and in winter takes part in skiing and skating and other winter recreations. She plays the Hawaiian guitar and is fond of reading. She was also prominent in the work of the school camera club last year.

Blanche hopes to obtain her Senior Matriculation either in Princeton or at U.B.C. next term, and then plans to follow the teaching profession.

★

WATER MAIN SERVICE CUT

Water service in some parts of town was disrupted for several hours Sunday evening. The exposed main at the corner of Bridge and Billiter gave out with a resounding pouff at about 7 p.m. Pressure fell away as the water belched from the break and the service to houses and stores north and west of the trouble centre, with a few exceptions, was not restored until late in the evening.

A gang of men went to work immediately to repair the damage. The cave-in caused by the flow of water was dug away, the break located and the pipe cut and removed and a plug placed to restore service. The men were hard at work until at least 11 o'clock that night.

A small line servicing the school kept houses in that vicinity supplied with a small run of water.

It has been stated that renewal of the Bridge Street main will be complete in about a month. After the south end of the street is filled in, the other end will be excavated and the pipe there replaced.

Amber Club Holds Picnic Sunday

On Sunday Dry Lake was the scene of a large and joyous picnic of Amber Ski Club members and many of their parents. By eleven o'clock in the morning most of the picnicers had arrived at the lake, and the water was soon alive with diving and swiming young mermaids and mermen, and several boats had been wheeled into the water from trailers. All day, save when the call came to dinner, happy crews propelled their gallant craft across the little lake, while others waited an opportunity to go for a boat ride.

Humor was unexpectedly provided early in the day when one young lady, fully clothed, was tipped out of an unstable cockle shell far out from shore. She saved a watch which had been entrusted to her care by handing it to one of the boys swimming nearby, and then calmly swan ashore without even shedding her shoes.

A lunch consisting of an endless variety and unlimited supply of good things to eat, with a choice of tea, coffee or lemonade, met with the unanimous approval of all.

The afternoon was taken up with a variety of amusements and several cases of sunburn began to make themselves felt before the sun had set. Another delicious meal was served at supper time, after which impromptu sports were organized.

★

Alberta Band Wins Favor

A travelling orchestra from the sunny slopes of Southern Alberta, the Alberta Ranch Boys, played to a packed hall on Saturday night in Princeton.

The orchestra is composed of a versatile group of six teen-age musicians, all Alberta born. Travelling with them is Paul LaLonde, a tap dancing roller skater of outstanding ability. His acts were the feature attraction of the floorshow, provided as extra entertainment. In the first performance he balanced on a chair, supported by three bottles which rested on a table. His next act brought much applause as he did an intricate tap dance on roller skates on a table. Another and even speedier tap number on skates to the tune of "Turkey in the Straw" completed his fine performance.

On Sunday evening, the Ranch Boys held a concert in the theatre. During the hour and a half, they offered a wide variety of entertainment of a calibre seldom seen here. Opera, cowboy and swing music was rendered with equal ease, with vocal solos and vaudeville by Paul LaLonde taking the spotlight.

On Monday they again played in the Orange Hall for the dancing pleasure of local people.

☆

☆ Miss Constance Monk of Vancouver is visiting Mr. and Mrs. John Ewart of Princeton. She arrived last Friday morning and plans to remain here about two weeks.

☆ ★ ☆

☆ Miss Peggy Bonora is a guest of Mr. and Mrs. Frank McVeigh of Blakeburn. She left Princeton on Sunday and expects to be away about two weeks.

I.O.O.F., Rebekahs Hold Joint Outing

The Odd Fellows and Rebekah lodges of Princeton held their annual joint picnic Sunday at Birch Lake where approximately 150 persons attended this enjoyable outing.

Luncheon was served at noon, and free ice cream and lemonade was distributed amongst the youngsters at various intervals during the day.

In the afternoon, sports were organized for everyone from six to sixty. The first softball game proved to be very interesting, but when Jim Norman organized a married men's team and challenged the winners, the entertainment (?) high point of the day was reached. Jim's performance behind the bat provided amusement for both teams and all spectators.

Races were keenly contested with high good humor, and the tug o' war teams struggled doggedly for supremacy. The single men dragged the married men to defeat, while the good wives out-pulled the single ladies. Horse shoe pitching was played by those wishing less strenuous recreation. The Canadian Legion pipe band attended and played at intervals during the day.

Another delicious picnic supper was served which the hungry picnickers consumed, their appetites having been sharpened by the swimming and competitions of the afternoon. This being the last official part of the program, the gathering gradually broke up at its completion.

☆

Conservative Picnic at Keremeos

All roads lead to Keremeos this Thursday afternoon where the Similkameen Conservative Association is holding its rally and basket picnic.

R. L. Maitland, K.C., of Vancouver, B. C. Conservative party leader, will be at the picnic, as well as Honorable Grote Sterling of Kelowna, Member of Parliament for the Yale Constituency, Herbert Anscomb, Member of the Legislative Assembly, and many other noteworthy party men.

From Penticton, from Princeton, from Hedley, Cawston, Oliver, Osoyoos, Okanagan Falls and all intermediate points, carloads of picnicers are expected to attend.

There will be speeches and there will be sports, ice cream and arguments, soda pop and politics, all combined to make the affair thoroughly pleasant and stimulating to mind and body. Food for though will be consumed and digested, and food for the stomach will be consumed and in some cases, indigested.

There will be races and games for the youngsters and various other attractions for young and old. It will be an interesting and enjoyable outing and well worth attending.

★

☆ The Princeton Fish, Game and Forest Protective Association picnic which was to have been held on the last Sunday in July, has been postponed until some time in August.

BOARD TAKING ACTION WITH HALL PROJECT

Board of Trade is Taking an Active Interest in New Community Hall

There has been a crying need in Princeton for a reasonably large and well constructed hall. The need is still there, and is being felt more sharply with each passing month.

What is to become of basketball as a winter sport feature if there is no place to play the game this winter? Why cannot the badminton club have at their disposal more spacious accomodation than is at present available to them? The Princeton Players Club have shown themselves to be an exceptionally able group of theatricaly minded persons, yet they have no place to entertain audiences of any great number. The Boy Scouts and Wolf Cubs are just being re-organized here, and by winter will likely find themselves in need of larger quarters. What of the many dances held throughout the winter that crowd the present dancing facilities to a point where enjoyable dancing is impossible?

All these questions were given consideration at the last Board of Trade meeting, when discussion as to the feasibility of a community hall arose. The members could all see the necessity and at the close of the regular meeting, those most interested remained and four committees were formed to deal with the main salient considerations connected with the construction of such a building. Finances, labor, location and architecture were the divisions made, and the committees dealing with these are busily preparing data and reports.

The success of an effort to construct a community hall, through which each member of the community will benifit, relies entirely on the measure of support given by the community at large. It is a duty and a responsibility not to be lightly taken. Community spirit in a town can do wonders, but it is up to the individual to play his part.

★

GOLF CLUB BUSY SUNDAY

Despite blistering heat on Sunday, many members of the Princeton Golf Club spent an active day on the links.

In the men's four-ball foursome Earl Nowell and R. O. Cutler emerged triumphant with a good score.

Playing for the lady vice-president's cup Mrs. Charles Nichols successfully defeated her competitors.

Work is continuing in the remodeling of the Princeton Golf Club clubhouse. A kitchen is being built on to the rear of the house, and the front verandah is being considerably extended. The space previously occupied by the former kitchen will be used as an additional club room.

And fur her take notice that ac ion under Section 85 of the "Mineral Act" must be commenced before the issuance of such certificate of improvements.

Dated this 29 h day of June 1939.

Mountain proved to be the holder of the winning ticket.

Later on in the evening the air became n ticeably cooler, but it was not until two-thirty that the affair ended.

Proceeds from both dance and raffle will be used to swell the skating rink funds.

Outdoor Dance at Allenby

A warw evening and a star studded sky combined to bless the efforts of the Allenby Community League in holding an outdoor dance last Friday evening on the board tennis court at Allenby.

It was truly an unique experience to enjoy the fun of dancing in the great outdoors and to be able to breath the fresh mountain air.. Such was the impression of those attending.

Music was provided by a rhythmic orchestra of five, and amplified by the Elks' public address system, it was audible in all parts of the dancing area.

After supper had been served, a drawing for an electric clock was held, and D. Coldicott of Copper

Local Students Get Result of Examinations

Results of the matriculation examinations for Princeton students have proven very satisfactory.

Three of those writing examinations were passed with high recomendations. Blanche Paul won a scholorship for Yale constituency with an average of 92.2. Nora Guinan and Herbert Warden were also successful in attaining excellent marks.

Laudible results were obtained by the following other students of the Princeton High School successful in passing the stiff Junior Matriculation examinations: Gwen Avery, Kathleen Caruso, Shirley Mannering, Elizabeth Muir, Dorcas MacInnis, Jean McCaffrey, Barbara Rintoul, Isabel White, Don Atkinson, Gerald Cundill, Stan Kirk-

Louise Miller of Allenby succeeded in passing her Senior Matriculation tests by means of a private study course.

☆ Mr. and Mrs. Hedley Siverson, accompanied by their daughter Phyllis and Margaret Pope, began a motor trip to Kaslo Tuesday morning to visit Mrs. Siverson's mother. They expect to be gone for a week.

☆ Miss Margaret Goldthorpe, who has been the guest at the home of Dr. and Mrs. McCaffrey for approximately three weeks, terminated her visit Tuesday morning and left by train for Vancouver.

☆ Mrs. T. A. Koenan, of Duparquet, Quebec, formerly with the staff of the Princeton General Hospital, came to Princeton a week ago Wednesday for a visit. She is touring B.C., and is visiting former friends and acquaintances here before continuing on her way.

"I settled my problem by 'long distance'"

"When I turned my calendar this morning I reaized I had forgotten my mother's birthday. Today was the day and I had n't even written birthday greetings. Over four hundred miles separated us and I knew she would be waiting to hear from me. Then I had the inspiration—a long-distance call. I telephoned at once and she was surprised and delighted when she heard my voice. That long-distance call certainly was appreciated and it quickly solved my problem."
