CHANCELLOR AGAIN

Chancellor R. E. McKechnie, M.D.C.M., LL.D., F.A.C.S. (front row right), will lead congregational processions still, following his re-election Wednesday as Chancellor of the University of British Columbia. His duties in office continue for a three-year period.

On April 4, 1918, Dr. R. E. McKechnie was elected Chancellor and this year is entering his eighth year in that office.

"Cartooning As Career" By Boothe

The first consideration in newspaper cartooning is to make sure how far you're going to go, according to the Daily Province cartoonist, Jack Boothe, who spoke to a crowded house in Applied Science 100 at noon Tuesday. The lecture was sponsored by the A.M.U.S. Vocational Guidance series.

"In my job, if I happen to make a big advertiser look like a simpleton, I'm liable to get the back of my neck slapped," Mr. Boothe told his audience.

Jack's interesting talk was illustrated by a series of quick sketches, and hilariously applauded.

HITLER HARD

A caricature of Adolf Hitler, who is a "living caricature" is a very hard job, Boothe said, and proceeded to draw one that brought roars from his audience.

Benito Mussolini, on the other hand, is a simple subject, and has a mouth that could be stretched out half a block, and still look like Mussolini.

Mr. Boothe pointed out some striking facial similarities between Il Duce and R. B. Bennett.

"The Italian's jutting 'first chin' is fully made up for by Mr. Bennet's second," the cartoonist added.

"Many caricatures of Prime Minister Chamberlain are rather unkind. He lends himself perhaps too well to this type of art," he said.

CIVIC FEATURES

The able artist pointed out that the ex-mayor McGeer of Vancouver had a big and rather bulbous nose "fastened to a rather active mouth."

On the other hand, Mayor J. Lyle Telford has nothing unusual about his features except his wild hair and a pair of glasses.

Of Darrell Braidwood, Mr. Boothe remarked that "he has a nose that is not quite normal, and we can do something with it." He drew a few lines, and then remarked, sotto voce, "I think I did."

So, evidently, did Mr. Braidwood, who in turn demanded that the cartoonist do a self-portrait. Mr. Boothe complied, then fled the room like a hunted hare.

D. McDERMOTT HEADS MUSICAL SOCIETY

Wednesday, Derek McDermott, popular second year student was elected president of the Musical Society by acclamation.

Derek, who is a pupil of Gideon Hicks, and hopes to make music his life's work, will be remembered for his part in "Serenade," as Romero, the bandit chief.

Although this is only his first year with the Musical Society, he has been very active.

C.B.C. HOOKUP WILL CARRY CEREMONY

The special congregation of March 17, at which His Excellency the Governor-General will receive an honorary LL.D. degree, will be broadcast in its entirety by the Canadian Broadcasting Corporation over a nation-wide network.

The broadcast will not, however, include a review of the march to the Auditorium building, nor the review of the C.O.T.C. guard of honor before the actual ceremony.

Freshmen and Sophomores have a blanket invitation to attend the congregation, and will be admitted to the auditorium at 2.55 p.m.

Invitation-holders will have seats reserved for them until that time, and the first and second-year students must take the remaining places.

EIGHT POSTS ON COUNCIL CONTESTED

WED. DEADLINE FOR NOMINATIONS

Nominations for council positions have so far been slow in coming in. March 15 is the last day on which they may be submitted, and by that time candidates must have proved their eligibility.

To date two nominations have been handed into Council Office. These are Bus Ryan for Junior Member, and Janet Fleck for Secretary.

Prospective candidates for L.S.E. are Len Zink, Darrell Braidwood, Dick Jarvis, Osborne Durkin, and possibly Dick Montgomery.

TREASURER

Jack Stevenson will run for Treasurer, and Dick Montgomery may oppose him if he does not enter the contest for L.S.E. representtive.

Possible candidates for M.A.A. will be Lee Straight, Harvey Carruthers, John Pearson, Harry Lumsden, and Jim Harmer.

In the women's field the choice is somewhat more limited. Biddy McNeill stands alone for W.U.S. while Ruth Hutchinson opposes Janet Fleck for Secretary.

Pamela Runkle, Rosemary Collins, and Nell Trapp will contest the W.A.A. position.

NOMINATIONS SCHEDULE

Monday, March 13, 12:30—Presidential Speeches, Auditorium.

Tuesday, March 14, 10 to 4—Presidential Elections, A.M.S. office.

Wednesday, March 15, 10 to 5—Nominations for other offices. Proof of eligibility, A.M.S. office.

Thursday, March 16, 12:30—Candidates for W.U.S. and W.A.A., Arts 100.

Thursday, March 16, 12:30—Candidates for M.U.S. and M.A.A., Ap.Sc. 100.

Monday, March 20, 12:30—Candidates for Secretary, L.S.E., Treasurer and Junior Member, Auditorium.

Tuesday, March 21, 10 to 4—Voting, A.M.S. office.

CANDIDATES FOR PRESIDENT

Above are the candidates for the presidency, John Pearson (left) and Darrel Braidwood (right).

John is a third year Arts' student, who, besides playing Canadian football, has for the past year been a member of the Men's Athletic Directorate. In his freshman and sophomore years, John was president of his class.

Darrel is also a third year Arts' student, and this year held the presidency of the A.M.U.S. He is a prominent debator in the Parliamentary Forum, and holds membership in the P.D.C. and in the Law Society. (See platforms on page two).

L.S.E. Awards To Be Given

Nominations for awards in the Literary and Scientific Honourary Society have reached a present total of forty.

From these the committee in charge, formed of Professor F. H. Soward, Carson McGuire and Struan Robertson must choose ten members.

The Literary and Scientific Society is an honourary institution newly formed this year. It corresponds with the Big Block Club in Athletics, except that awards will be given on merit of work in Literary and Scientific Clubs.

J. RIMANOCZY IN CONCERT TODAY NOON

FEATURE FREE TO STUDENTS

Jean de Rimanoczy, eminent concertmaster of the Vancouver Symphony Orchestra, will be presented today noon in a concert of violin solos in the Auditorium.

Mr. de Rimanoczy, recognized as one of the foremost violinists in Canada, comes to the campus under the auspices of the Carnegie Symphony Committee. The concert is *free to all students.*

A short talk will be given by Mr. L. C. Thomas, president of the Vancouver Symphony Society, on the work of the Vancouver Junior Symphony.

The program follows: Capriccio Valse, Wieniawski; *La Plus que Lente*, Debussy; Fliederbusch, Hubay; Rondo, Schubert; Air for the G String, Bach.

Mr. Jack Avison will provide the piano accompaniment. Arrangements for the concert have been made by Geoffrey Milsom.

TWEEDSMUIR TO INSPECT STUDENTS

His Excellency, the Right Honorable Lord Tweedsmuir, Governor-General of Canada, has stated that he would like to see all the students of the university when he appears here to receive the Guard of Honor composed of the C.O.T.C. under the Lieutenant-Colonel G. M. Shrum on the library lawn at 2.50 p.m.

Following the conference between the President and His Excellency after the ceremony, the student body will form a lane from the Administration building to the Gymnasium, which His Excellency will traverse.

The student body are invited to attend the reception in the Gymnasium.

POSTER SIGNS MUST HAVE A.M.S. STAMP

"All posters and club notices must be stamped prior to their display before the public," officially announces the Students' Council. Evan apRoberts is in charge of proceedings and all notices must be stamped by him personally.

Council desires that club notices be placed in their own notice sections on the quad board—and nowhere else!

THE CURTAIN RISES NEXT WEDNESDAY

PLAY BEGINS FOUR DAY RUN

In just five short days the Players' Club annual production, "The Curtain Rises" will be presented in the auditorium for a four-day run.

Students will see the show on the pass system. Over 1000 tickets for Wednesday night and 300 for Thursday can be obtained at the quad box office on presentation of pass.

The general public will see the play Thursday, Friday, and Saturday. A number of University students also plan to go then, too, and tickets will be 50c, 75c, or $1.

CO-OPERATION

Business Manager Dudley Darling reports a satisfactory ticket sale, but emphasizes that the students can co-operate in two ways to help boost sales even higher.

First, the Thespians will need the co-operation of Varsity car-drivers. Bumper cards will be tied on the U.B.C. autos to advertise the show downtown. Second, students can help by telling people about the production.

SMART COMEDY

The Players' Club has chosen a smart modern comedy in accordance with its new policy of giving the public pure entertainment plus solid dramatic value.

Director Sidney Risk, who recently returned from the London stage, is an alumnus of the Players' Club. On him and his small cast of seven, rests the responsibility for success.

These seven: Cicely Holmes, Anne Carter, Esme Caydzien, John Glen, Dacre Barrett-Lennard, Jim Frasee, and Thomas McDowell, are all experienced actors representing the cream of Thespian talent. Since the first week in January they have been rehearsing daily.

MAKE-UP FROM HOLLYWOOD

Special make-up has again been imported from Hollywood. Jacqueline Kloepfer and her crew of cosmeticians have been practicing on live models and promise excellent results.

John Quigg has provided a smart modernistic setting, with exciting glimpses of Vienna visible through the wall-length windows. As well as the regular set, a smaller one has been made for touring.

The tour will take the actors far and wide, visiting Victoria, Duncan, Courtenay, Alberni, Powell River, Kamloops, Vernon, Kelowna, and Summerland. This will be a bigger tour than last year, and one which is hoped, will be good publicity for the University.

McLaren Heads Senior Class

The graduating classes of 1939 met yesterday and elected an executive to take charge of business attendant upon graduation.

Officers elected are as follows. Honorary President, Professor Walter Gage; President, Jack McLaren; Vice-President, Marion Reid; Secretary, Arthur Clarke; Treasurer, Bill Bacon; Member-at-Large, Ray Jones.

This executive will handle the social functions of the graduating classes and will also select and purchase the valedictory gift. A valedictorian will be appointed later.

Tentative copies of the examination time table for the Faculty of Applied Science have been posted on the notice boards in the Applied Science and Engineering Building. Students who find a "Clash" in their time table are asked to report AT ONCE (in writing) to Professor Gillies. No change can be made after March 11th.

STANLEY W. MATHEWS.
Registrar.

This is made up from proof sheets of what is beginning to look like the most interesting Totem ever to be published. The book will be distributed on the campus soon after March 20, and books must be purchased in advance. Pay your dollar at the publications office immediately. In the centre we see John Garrett who has been working on this book since last July and who apparently has made a very fine job of his publication.

"ORIGIN OF SPECIES" LECTURE SUBJECT

Mr. J. G. Spencer, M.S., Associate Professor of Zoology, will lecture on "The Origin of Species," Sunday, March 12, at three o'clock in the First Unitarian Church at 1550 10th Avenue.

Following the lecture, there will be a half hour for questions and discussion.

Mr. Archie Peebles, B.A.Sc., B.A., Inspector in the department of Civil Engineering and President of the Unitarian Society, will preside at this meeting, which is under the auspices of the Adult Education Committee of the Vancouver Public Library. The public is cordially invited.

Presidential Candidates Platforms

DARRELL BRAIDWOOD

As candidate for President, I realize fully the responsibilities and obligations of that office.

Since a definite policy of action is imperative, I propose the following in the interests of the students and University.

University Affairs:

1. Time-table revision eliminating inconveniences and obtaining longer noon-hours.
2. Improvement of student-faculty relations.

Public Affairs:

1. Continuation of Student Campaign work with revision for more publicity regarding actions and accounts, and concentration on fee reduction.
2. Improved Open House, and other public education features.

Athletics:

1. Support of Men's and Women's Athletic Directorate.
2. Support of Intramurals and Stadium interior completion.

Campus Activities:

1. Extension of L.S.E. activities ani a Freshman orientation course.
2. Pass system revision with better identification methods.

Detail must give way to the essential point—that co-operation, co-ordination and a keen appreciation of changing conditions are fundamental to successful Council administration. Leading students, realizing this, have asked me to stand, and I accept the nomination.

(Sgd.) Darrell Braidwood

JOHN PEARSON

Briefly my platform is:

(1) A further extension of the work of the Campaign Committee. Increased pressure must be brought upon the government to insure the erection of the Preventive Medicine Building which has already been promised. This is essential to avoid further limitation.

(2) A continuation of the student policy of winning public support and the striving for closer connection and co-operation with prominent men of this province.

(3) A re-organisation of time-table and a readjustment of classes with the important aim of regaining our hour and a half noon hour.

(4) To lay down a fundamental basis of operation for the new Brock Memorial Building as a guiding principal for the future.

(5) Fullest co-operation with the N.F.C.U.S. and the National Scholarship Campaign.

(6) I feel that the position which the students have come to occupy in the administration of the University must not only be maintained but strengthened next year. It is with a view to fulfilling the above important aims that I have accepted the nomination of President of the Alma Mater Society.

(Signed) JOHN PEARSON.

NEWMAN CLUB ELECTS NASH AS PRESIDENT

The Newman Club will hold its final meeting Monday, March 13, at 8 p.m. at the home of James Coady, 2550 Courtenay.

Speaker will be Father Boniface and his subject is "The Church and the Bible."

The result of the election of officers held at the last meeting was as follows: President, Andrew Nash; Vice-president, Nancy Carr; Recording Secretary, Marion Murphy; Treasurer, Desire Marin; Corresponding Secretary, Molly Glen.

INSTITUTE TO HEAR PLAYHOUSE DIRECTOR

The speaker at the meeting of the Vancouver Institute to be held on Saturday evening at 8.15 in the Arts Building of the University will be Mrs. Florence James, Co-Director of the Repertory Playhouse, Civic Theatre of Seattle, and of the Washington State Theatre. Her subject will be "The Theatre in Community Life."

NOTICE FOR BANQUET

Tickets are still procurable for the S.C.M. Annual Banquet and Dance to be held Friday (tonight), March 10, at the Green Apple Pie Tearoom, three doors south of the Capitol Theatre, at 75 cents per person.

NOTICE

The last meeting of the Cosmopolitan Club will be held on Sunday, March 12, at the home of Professor F. Wood, 4443 West 4th Ave. Dr. Black of the Education Department will lead a discussion on "International Culture." The main business of the meeting will be the election of officers for next year.

By E. A. LEMIEUX

OTTAWA, Ont., March 7 (CUP)—Student aid through the Youth Training Program will be the Federal Government's only immediate step towards a system of national scholarships, according to the Honorable Norman Rogers, Minister of Labou. Receiving a delegation of 16 students yesterday morning, Rogers declared: "I would not encourage you to think that your proposed system o' Federal scholarships will be carried out." He added that any student aid carried out under the youth training program would be undertaken as an unemployment measure and not purely for educational reasons.

The Minister of Labor did not advise further representation to the Government. "I question," he said, "the wisdom of applying mass pressure on behalf of a proposal that has been presented to the Government. It must now stand or fall on its own merits." Already copies of a brief in favor of national scholarships have been placed in the hands of the premiers and the ministers of education in the various provinces.

Exchanges Suggested

While admitting the value and need of scholarships the Minister pointed to the division of financial responsibility between the Federal and Provincial Governments. Federal aid in this matter would lead to other requests and so is unlikely until there is a clearer definition of the Government's real responsibility. The policy of grants and aid has already brought the Government into complictions with the provinces, and the Federal House today bears 75 per cent of the cost of old age pensions which it originally planned merely as an aid, he said.

Rogers agreed that there is a definite trend towards state scholarships but expressed the fear that such might result in municipalities and individuals making their contributions elsewhere. A member of the delegation pointed out, however, the lack of proper distribution between existing awards. The University of Toronto, for instance, offers numerous scholarships but Quebec universities and those in the West have very few. Rogers suggested that the universities themselves might do more by providing exchange scholarships and such work as laboratory assistanships.

Limited Aid Proposed

The Government's proposed scheme will provide help to needy students but on a limited scale. The Students Aid Project, as it will be called, will necessitate the setting up of an administrative group in each province. Grants will be made broadly on the basis of population but with consideration being given to special needs. That part which is not taken up by a particular province will be redistributed or may be spent within the province by the Dominion Government. F. R. Thompson, supervisor of the Youth Training Projects, said that plans will be completed by the end of this month.

Questioned by the CUP yesterday afternoon, various Members of Parliament declared themselves in favor of national scholarships and urged the continuation by students of all publicity. Said William Hayhurst, member from Alberta, "You must acquaint the man in the street with the need for these awards; the need for research is not appreciated enough at the present time." He urged that publicity be given to the place occupied in the world today by men whose education was furthered by means of scholarships.

BEAUX ARTS TO PRESENT "FUMED OAK"

'HANDS ACROSS THE SEA' ALSO ON PASS SYSTEM

Two of Noel Coward's one-act plays, "Fumed Oak" and "Hands Across the Sea" will be brought to the campus by the Beaux Arts Players of Victoria on Friday, March 31.

These selections are both taken from his "Tonight at Eight-thirty" series, which scored tremendous successes in London and on Broadway.

MIDDLE CLASS COMEDY

The first of these plays, "Fumed Oak" is hilarious comedy of lower middle-class society, while "Hands Across the Sea" is a scintillating slice of life among the Four Hundred.

The Beaux Arts Players have an enviable reputation of Canada-wide successes behind them, three times scoring wins at the Dominion Drama Festival in the east.

The two presentations which the Players are bringing to the University Auditorium are their latest successes, winning for them coveted honors at the Provincial Drama Festival at Victoria recently.

This entertainment comes as a feature of the pass system. The performance commences at eight-fifteen.

DR. FRANCK, GERMAN REFUGEE, ADDRESSES STUDENTS ON CAMPUS

Dr. Black, a member of the B.C. Branch of the National Refugee Committee, and Dr. Hugo Franck of Berlin, spoke to students on Wednesday on the subject of refugees.

Dr. Black urges all students to write to their Federal Member of Parliament asking that Canada adopt a more generous policy towards refugees.

Referring to Dr. Hugo Franck who had just addressed the students, Dr. Black said that it was in the best interests of Canada to allow refugees of such intelligence and with such a high cultural background in as immigrants.

Dr. Black suggested that it would be to the credit of Canada had she done as much for refugees as has Australia.

APPLICATIONS FOR PSYCHOLOGY CLUB

Psychology Club invites interested sophomores and juniors to apply for membership. Applications should be addressed to Bill Sibley, Arts Letter Rack, and must be mailed before 5 p.m. Tuesday, March 14.

Applicants chosen will be invited to the two final meetings of the year, the first being Thursday, March 16, when Mr. J. Gillen will speak on "Colour Blindness."

HISTORICAL SOCIETY

All second year members who are interested in joining the Historical Society may submit their applications to the secretary, Bob Boroughs, Men's Arts letter rack.

McGill For Beatty Plan

The proposed unification of the C.N.R and C.P.R. as outlined in the Beatty plan sponsored by Conservative leader Don McGill on Monday's meeting of the P.D.C. met with vigorous opposition of the combined Liberal and Progressive forces.

Premier McGill claimed that unnecessary duplication and expense would be removed under the scheme

This was discounted by the Liberal leader, Bernard Reed, who observed that the C.P.R. interests would obtain a firmer grip on the transportation monopoly in Canada to the detriment of the Canadian public.

ADJOURNMENT

On a motion of Socialist Bryan the discussion was adjourned until next Tuesday noon when further debate will be held in Arts 100.

Paul Volpe, leader of the Progressive faction, was elected as the P.D.C.'s nominee for honorary membership in the L.S.E.

PHRATERIANS ELECT EXECUTIVE OFFICERS

In the Phrateres elections held on Wednesday, March 8, the following were elected executives for the coming term of office:

Maisie Cowan, sub-chapter directory; Valerie Gardiner, vice-president; Nancy Carr, treasurer; Isabel Frost, assistant treasurer; Barbara Logan, secretary; Janet Walker, publicity. Betty Thomas was selected as president last week.

FORMULA FOR *A family car:*

SIZE + STYLE + ECONOMY =

The De Luxe FORD V-8

THERE are mighty good reasons why the De Luxe Ford V-8 is a popular *family* car. For one thing, there's *plenty of room inside* —for Mr. Canada, Mrs. Canada, Miss Canada and Junior (with room to spare for visiting uncles and aunts). And there's a luggage compartment *more* than equal to family vacation-trip needs. For another thing, the entire family will take real pride in this car's *smart appearance* . . . its streamlined beauty and richly upholstered interior. They'll like the deep-down comfort and remarkable *quiet* which characterize this car's "ride".

But most of all, perhaps, they'll like the Ford V-8's *low price* and surprising *economy*. That brilliant V-8 engine squeezes extra miles out of every gallon of gasoline! In fact, owners from every province report averages of 22 to 27 miles per gallon of gasoline! Why not see your Ford dealer today for a thorough demonstration of "The Quality Car in The Low Price Field"! Balmy summer breezes have finally stirred the University Golf bugs out of their winter hibernations. Friday the divoters will tee off at the University Golf Course for the first of their spring tourneys, the University Handicap Competition.

Remember! It's today at 1 o'clock at the University Golf Course.

P.S.: The competition is open to either sex, fair or foul.

THROW BALL

Canadian footballs will come off the shelf, to be seen spiralling through the air on Tuesday noon, when the distance throwing contest will be held. Every pigskin heaver gets three throws the longest one to count.

Hear ye! O brothers of the winged feet. On Saturday, 18th March, the track team will compete with a track squad chosen from the high schools in the Stadium.

It seems the competitors in the pole vault and hurdles have been "forgetting" the daily workouts and Maury van Vliet advises daily practice or else. . . .

RUNNING

On Wednesday, March 15, the Arts '20 Relay will be run at 3:30. Each class rep must furnish a car and the driver must report at the gym by 3:00 p.m.

The inter-class track meet is scheduled for March 22 in the afternoon. March 25 sees the cocky Frosh expecting to come through with flying colors in the Frosh-Varsity track meet. They've got a squad with a real reputation—Campbell Williams and Lionel Fournier are two of their top-notchers.

Although Varsity was unable to accept the Hill Military Academy's invitation to their track meet, because of their scheduled Washington *set-to the following day* (April 1), the invitation committee expressed a deep appreciation of Ward DeBeck's sparkling performance last year, and a special request has just been received to make special transportation arrangements, to make it possible for him to compete in the Cunningham Mile.

FROSH MEET EX-BRITANNIA IN CROOSHUL

The Frosh Rugby team, only oval-slinging outfit on the campus still in the fight for some laurels for the Alma What's-her-name, make their second-half bid for recognition when they take on an aggressive Ex-Britannia outfit, winners of the second section, in the second half of the Second Division Rugby League. One second and we'll tell more.

All year the Freshmen have battled against their more famous brothers, Varsity and U.B.C., in a fight for headlines. Now they can return the hoss-laughs with a vengeance, but not in the direction of the Ex-Britannia boys, who happen to be one of the most powerful teams in the loop.

Game time tomorrow will be set for 2.15 at Brockton Point and the victors will be in line for a crack at Marpole who topped the first-half of the schedule. From here, the victors will tackle an Island team, probably from Victoria.

DARK DIPLOMACY.

The Frosh reputedly ran into some diplomatic distress just before the game last Saturday when they downed Arts Club 8-0. It seems that with the play-offs in sight, Coach Stan Farquharson suggested to team manager Jimmy Stinson that several weaker spots in the Frosh line of attack be strengthened by the cream of the Varsity Thirds. The Thirds had finished their schedule and were quite willing to act as stop-gaps. Stinson was loath, however, to assume this authority despite the fact that the Frosh were, at that time, conceded little chance of making the Island jaunt. The boys voted on the question, and the decision now rests that Thirds will be used only as spares and not as regulars. For which we congratulate the Frosh.

The following men will be in the line-up tomorrow for the big clash: Clement, Pyle, Bingham, Fleming, Baldwin, Johnson, Grey, Wallace, Physick, Morrow, Wood, Askew, Williamson, Neil, McLeod. Game time: 2.15 at Brockton Point.

SOCCERMEN TAKE ON KERRISDALE SATURDAY

With at least four games to go, including a gala trip to Seattle, the Varsity soccermen, fresh from a week of intensive practice and a well-remembered win over South Vancouver, will take on Kerrisdale at Kerrisdale Park Saturday.

Once again Manager Dick Clark reports that he will have a full and reliable lineup, probably the same one as defeated South Van two weeks ago. There is some doubt, however, whether goalie Dennis Leong will be in strip for the rest of the season.

GOODY GOODY.

The Kerrisdale team is three points upon the collegians in the league standings with 12 points, and last week defeated South Vancouver, just as Varsity had done the week previous. That might seem a bit complex to the student brain, and particularly to that of a scienceman, but in plain language it is a subtle build-up to the fact that tomorrow's encounter should be a battle royal.

The game will go on at 2.30 and you are cordially invited to attend.

Junior's play Richmond on campus at 3.00 p.m.

RUGGER REVIEW

By JIM HARMER

THREE STRAIGHT.

Varsity's 15-0 win over New Westminster last Saturday rang down the curtain on another rugger semester. Besides packing away the old shoes and *any confiscated sweaters* which A.M.S. might have overlooked, the pachyderms of the gridiron took the Miller Cup home to roost with them, so the ancient bit of silverware rests in the scheduled niche of the library for the third consecutive year. It appears highly unlikely that there will be any competition for the Tisdall Cup so the Blue and Gold must stand content with their one piece of metalware, unless the Frosh should cop the second division crown.

HOT STUFF!!

All in all it has been a very successful season despite the loss of the McKechnie Trophy. The Varsity team established a new scoring record both for a single game and for a season's total. In winning the local championship the Studes overcame the injury jinx which threatened them throughout the year. The Point Grey lads have also the consolation of having toppled the provincial champs, to wit, the Victoria Reps on the memorable invasion battle.

Great credit is due to A. B. Carey who has devoted so much time and energy in welding the university squads into championship contenders. And if you think his picking of a team is soft touch, then consider this bit of info'. No less than 36 men played on the first team at one time or another during the 18-game season.

STRONG MEN.

Tod Tremblay and Tom Robson were the only men to play in all 18 encounters, two more than Leggat, Ted McPhee and Harmer who participated in 89 per cent. of the games. Mattu, Lang, Mason and Harrison were the next most regular attendants at the Saturday afternoon brawls with 15, 14 and a brace of 13's apiece.

Honorable mention should drape the shoulders of managers Bill Calder and Bill Gross for their untiring efforts with the tape, bottles, flags and other managerial bric-a-brac.

Now that the season is finished the question of awards arises. Foremost on the list is the problem of the injured player. Should he be eligible for a Block? We cite the case of Wilson College, one of the best backfield men ever to perform on our local 'swards. "Bill" has had the misfortune to receive injuries which rendered him hors-de-combat early in season for the past three years.

The *set-up for next year* appears to be bright with most of the first fifteen returning and a wealth of material coming up from the lower divisions.

FROSH GOOD.

Compliments should be floating freely over heads of our Frosh squad which has shown so much spirit throughout the year, as a rule the seconds fade into dismal oblivion on completion of half the schedule, but it appears that Joe Frosh is just starting to go places.

Next season the league will probably consist of six teams thus eliminating the possibilities of any weak sisters. We predict two Varsity teams, Rowing Club, Meralomas, North Shore and possibly the Grads.

So we bid another rugby team good-bye and offer to Skipper Strat Leggat the premier laurel wreath for a perfect job of inspiring his cohorts to bigger and better deeds.
