PROPOSED BRIDGE ACROSS NORTH ARM

At the forthcoming session of the Dominion Parliament a bill is to be presented for the construction of a bridge across the North Arm of Burrard Inlet, as well as a railway line connecting it with the C. P. R. at Port Moody, and for another line along the north shore of the Inlet to North Vancouver.

Among the names mentioned in connection with the company are those of Messrs. Loewen of Vancouver and McCartney of Victoria. It is asserted that the company is an independent organization, not having subsidiary connection with the C. P. R.

The route of the proposed railway line is from the end of the C. P. R. spur across the admiralty reserve, across a railway bridge to be built to the north shore, and thence in a northwesterly direction along the shore line of Burrard Inlet to North Vancouver.

HOTEL BUILDING TO GO UP ON CORDOVA STREET

Archt. Hugh Braunton, 80 Exchange bldg, has been issued a permit for the erection of a 2-story and basement brick store and rooming house bldg at 123-129 Cordova st W. for F. McElroy, 1761 Nelson st. The bldg will be 50x122 in size, with 2 stores on the ground floor. The rooms on the upper floor will be fitted out in a modern style, with hot and cold water, several baths and steam heat. The bldg will cost about $50,000. The contract has not been awarded, and the archt will not be able to state for two or three days whether figures will be called.

WILL BE UNABLE TO RENEW THEATER LICENSE

At its last meeting the city council adopted the report of the finance committee regarding the granting of a license renewal to the Orpheum Theater, making it impossible for Sullivan & Considine to secure a renewal. At the same meeting bylaws covering sanitary conveniences, fire-boat, opening and clearing of streets in Hastings Townsite, repairing streets throughout the city, and debentures for fire halls in D. L. 301 and Hastings townsite, passed their first reading. $500,000 is also to be set aside for the purchase of the B. C. E. R.

WILL TAKE FIGURES ON MINOR CONTRACTS

The Reliance Construction Co., 407 Loo bldg, are taking figures on all the minor contracts, heating excepted, for a 3-story and basement apartment house bldg for David & Lam, to be erected at Dufferin and Main st. The bldg will cost $15,000, and Parr & Fee are the archts.

TIME FOR MILL TENDERS EXTENDED TWO WEEKS

Time for the receiving of tenders for the general contract on a mill for the McLelan Lumber Co., Pacific bldg, the mill to be erected at Ladner's Landing, has been extended to Nov. 15.

BURNABY WILL VOTE LARGE SUM FOR IMPROVEMENTS

EDMONDS—Amounts on which the municipality will vote for improvements for the coming year were announced at the last meeting of the council. Among them, $100,000 will be used for waterworks, $250,000 for water works, and $10,000 for sidewalks.

Tenders for the 300,000-gal tank were recd from 16 different bidders, and ranged in price from $15,145.75 to $34,960. The award of the contract will be made in a week. Cleveland & Cameron are examining tenders.

Three tenders were received for valves for the water system, and the contract awarded to the Robertson-Godson Co. at $270, to be delivered in December.

North road will be rocked at a cost of $800. Triumph st will be cleared full width and graded 24 ft wide from Gilmour ave east 5 chains, and a 4-ft sidewalk laid on one side. Several temporary roads will be opened and short stretches of walk laid.

CONTRACT AWARDED FOR NEWSPAPER OFFICE

Archts. Sharp & Thompson, Old Safe bldg, have awarded to G. B. Baker, 836 10th ave W, the contract for the 2-story brick addition to the Saturday Sunset bldg at 715 Seymour st, at $9,000. The general contractor will handle all minor contracts.

NOW READY FOR TENDERS ON RESIDENCE

NEW WESTMINSTER—Archts. Gardiner & Mercer, Westminster Trust bldg, will receive tenders until Nov. 13, for the general contract on a two-story residence for W. B. Johnston, on Queen's ave. Details of the bldg have already been given in these columns.

WILL ADD TWO STORIES TO NEW BUILDING

Archts. Perry & Nicolais, Pacific bldg, are preparing plans for two additional stories for the Loo Gee Wing bldg at Pender and Columbia sts. Original plans called for six stories, but the owner decided to have but four erected at the present time. However, the other two will be erected with the original unit.

ADDITION IN CHINATOWN.

Archts. Cockrill & White, Dom. Trust bldg, have awarded the contract to E. J. Malloy, 3 Broadway E, for a one-story brick addition to the bldg at 110 Pender st E, to be used for rooming. The owner is Yuen Chong, at the above address, and the cost of the addition will be $6,000.

MANY BYLAWS TO COME UP.

At the last meeting of the council motion notices of many bylaws were submitted, among them the following: $60,000 for an Old People's Home, $7,500 for the establishment of free dispensary and $7,500 for a like purpose for a Creche; $20,000 for laying out and improving the Mountain View cemetery, and purchase of land for additional cemetery; $400,000 for extensions and the purchase of land for watershed purposes at Seymour creek; for equipment and improvement of the Juvenile Detention Home; for conveying certain rights to the V. L. 301, and West Kitsilano; for purchase of land for park purposes, and for construction of sewers and rocking and grading of roads.

You will save two dollars by paying a year in advance for the Record, besides saving considerable time and the annoyance of paying a small bill each month. Sixteen and two-thirds per cent is pretty good interest on your money, isn't it? Worth saving! The price for one year paid in advance is ten dollars.
