## CONDENSED NEWS OF GENERAL INTEREST

Due to the success of his weekly auction sales at Langley Prairie, Mr. A. A. Lundy has enlarged his field of operations. Last Saturday he held his first regular auction at Aldergrove and it proved a big success. Cows averaged $100 and horses $155 each. These auction sales should appeal to all as being beneficial to those wishing to either buy or sell. Particulars of dates, etc., will be seen in these columns from time to time.

In view of the expected tourist and travelling business that is sure to come to Langley Prairie this summer, Mr. E. J. Timms is erecting an ice cream parlor here. Tho plans call for an up-to-date establishment with every accommodation necessary to the comfort and enjoyment of patrons. The dining hall of the Theatre will be utilized, as will the space between the drug store and Mr. DesBrisay's store. One of Mr. Timms' specialties will be catering to large parties, who will find lots of room for dancing if they should so wish. This new venture should prove a boon to the travelling public this summer.

The religious services which are being conducted by Rev. J. W. Wright, assisted by the "Converted Cowboy," Rev. R. J. Kennedy, Mrs. Kennedy and Mrs. Gardiner, in the Sunday School building, are proving a great success. The Rev. Mr. Wright is a forceful and convincing speaker, and Mr. Kennedy possesses a rich full toned baritone voice, which makes his song messages very appealing, Mrs. Gardiner presides at the piano in a most acceptable manner. She is a brilliant performer. These services will be continued throughout April, and no matter what anyone's belief is, they shouldn't miss attending.

## Buy in B. C.

The "statement" appearing in last week's issue showing the amount of purchases made in Uncle Sam's country, has called forth various opinions in this district. While some agree that too much money annually leaves this country, there are others who say that there are many good reasons why our good money finds its way across the line. Should any of The Sentinel readers feel like expressing their views on this subject we would be only too pleased to receive such in the form of correspondence. Three things are important when sending in letters for publication: make them short and strictly to the point; write on one side only; give name and address of the writer; the latter as an evidence of good faith and not necessarily for publication. Now go to it.

# TO OUR HEROIC DEAD

Memorial day in honor of those who went from Langley to uphold their country's honor at the front and lost their lives in so doing, will be held tomorrow with appropriate services. At 10 a. m. the ceremony will be performed at Murrayville, Rev. (Capt.) J. H Wright conducting the servi ces.

In the afternoon at 3 o'clock at Fort Langley Lieut.-Col. DePencier will have charge of the ceremony, which will consist of: Overture, "O Canada," played by the 47th Battalion Band; invocation; hymns; Scripture reading, from Rev. viii verses 9-17; offering; address. The public are expected to turn out and do honor to the memory of those brave lads who so unselfishly gave up their lives that the iron fist of the German war lord should not rest heavily on this fair land. They bled and died that we might still live and enjoy that freedom which the good old Union Jack stands sponsor for. All honor to them.

Handsome programmes have been printed for the occasion by Mr. G. Y. Timms, the local printer, the initial page of which we here reproduce, giving the names of those who passed out.

An offering will be taken at the function to assist in defraying the expenees in connection with constructing mounds around the memorials and otherwise improve the sites. It is a worthy cause.

## Athletic Grounds.

The managing committee of the Langley Athletic Association met on Wednesday night to discuss the question of obtaining play grounds. They have a certain three-acre plot in sight, close in which would be quite suitable, and steps will be taken to raise the wind. A grand ball will be held on the evening of May 24th, when a tidy sum should be realized towards this end.

## Aim to Unite Women.

At the home of Mrs. T. F. York, Upper Sumas, on Monday, 18th inst., the Sumas Women's Institute discussed provincial organization and institute groupings, from the report of Mrs. F. B. Fadden, convener of the Lower Mainland Institute Conference. The aim of the Institute delegates is to unite all the country women into one big union of aims and interests.

A working committee to undertake health and child welfare matters was appointed and will work with the school health officer and teachers for the physical well being of the pupils.

The gathering of ladies was unusually large and a very business-like session was held, relieved by delightful refreshments served by a charming hostess.

## Theatre Notes.

The following attractions have been procured for presentation at the Langley Theatre and Cloverdale Opera House during the month of May: "Daughter of Two Worlds," starring Norma Talmadge; "The Thunderbolt." K. McDonald; "Go and Get It," all star cast; "Her Kingdom of Dreams," Anita Stewart; "The River's End," all star cast. All of the above have recently been run at the big city show houses, some at advanced prices. They will be shown here at usual prices.

Mrs. Anna S. Gordon, of the Home Branch of the Soldier Settlement Board, and Dean Clement of the B. C. University, spent one dav this week with with Messrs. Wood and Loach visiting the settlers in Langley district. On returning from their tour both the visitors expressed themselves highly pleased with the progress made by the soldier boys they visited.

Mr. M. R. Huston, of Vancouver, was in town on Thursday on business. This was Mr. Huston's first visit to Langley Prairie in a number of years, and he expressed himself as pleased and surprised at the signs of progress and prosperity to be seen here.

The members of the Thimble Club are holding a sale of work in the Sunpay School Hall on Wednesday, April 27th, at 2.30 p.m. The proceeds will be devoted to the Victorian Order of Nurses.

### Church Notices.

Methodist Church services will be held at Cloverdale as follows: May 1, 7.30 p.m.; May 8, 11 a.m. At Clayton, May 1, 11 a.m.; May 8, 7.30 p.m. At Annieville, every Sunday at 2.30 p.m.

Presbyterian Church: Cloverdale, May 1, at 2.45 p. m.; May 8, 7 30 p.m. At Tynehead every Sunday at 11 a.m.

### Value of B. C. Pulp Wood.

The great part British Columbia is taking and the important position it will assume iu the near future, in regard to the world's supply of pulp and paper, is revealed in the figures showing the output of this industry for the past year in Canada. This province is known to contain the largest resources of pulpwood in the world. Last year the output of this industry in Canada was $163,000,000, and if pulpwood extracts are added the total would be $178,000,000, as compared with $107,000,000 for 1919.

### Local Notes.

The Hon. E. D. Barrow, Minister of Agriculture, was in town on Monday last on his way to inspect the dyking operations at Biggar Prairie. Mr. A. D. Paterson, local member of the Provincial Legislature, was to have accompanied the Minister, but was prevented from doing so through illness.

The Provincial Government district engineer was in Langley recently and gave out the glad tidings that work was about to commence on the filling of the ditch in front of the business section east of the B. C. E. R. tracks.

The Women's Institute membership badges have just arrived. The design is very attractive, being oblong in form, the top half is white, representing the snow on our mountains, while the lower half is sap green, signifying the evergreen nature of our climate. Through the centre is a gold band, symbolic of the purity of the Institute's ideals. "For Home and Country" is engraved around the outer circle.

Mr. A. A. Lundy, local auctioneer, has moved his family to New Westminster.

### Anxious to Please.

F. Pollard, tinsmith and sheet metal worker, has in stock the following: Large and small drinking fountains, brooder pipes and caps, roof plates, feed hoppers, electric brooders. It will pay you to call and inspect his stock before buying elsewhere. His shop is right across from the station. He is anxious to please. ap9t2

# SURREY NEWS

### Cloverdale.

A mass meeting of ratepayers was held in the Municipal Hall on Saturday evening to discuss the situation arising from the defeat of the recent school by-law. The chair was occupied by Mr. W. Hugh and Rev. Mr. Horton acted as secretary. Mr. Joseph Wheeler, opened the meeting with a resolution asking the Municipal Council to find $27,700 for a four-room High School and some other ten rooms in various parts of the municipality. He also advocated the appointment of a civic committee to meet the Minister of Education. He stated that in his opinion the recent by-law had not been advertised sufficiently to make it most effective. Reeve MacKenzie and Coun. Brown both argued that the Council had done its duty in the matter, pointing out that it was the duty of the School Board to hold meetings and educate the public on school matters. School Trustee McBride gave his opinion that hard times had played its part in defeating the by-law, and thought the Government should be appealed to for assistance. Finally the following committse was appointod to meet the Minister of Education: Messrs. Hugh, Porter, Vidal, Downey, Hardy and Boothroyd.

On Saturday evening a most enjoyable time was spent at local I. O. O. F. headquarters when a contingent of Blaine brethren were entertained.

To meet the requirements of the flock of the Rev. J. W. Wright a new chapel will be built here.

Reeve MacKenzie, Rev. J. Alder, Rev. Horton, Rev. W. Holdon and Harry V. Coates have been appointed a committee to complete arrangements in connection with the dedication service of the war memorial.

Mr. E. Small, the agricultural instructor of the Surrey schools, is busy at the present time attending to the school gardens and arranging for the different contests in which the young Surrey farmers and farmerettes take part annually.

The Baseball Club has secured grounds in the rear of Parr's store and things are shaping up for a successful season. The team is assured of ample financial backing. A strong nine will enter the new Fraser Valley League, and let others beware.

Friends of Miss Florence Smith, of the Municipal Hall staff, will be pleased to know that she has successfully undergone a slight operation, and will soon be baek to work.

For being found in possession of liquor unlawfully two citizens of Uncle Sam were fined $10 and costs by Magistrate Clute on Monday. They were rounded up by Chief of Police Matheson on the Pacific Highway on Sunday.

Mr. T. H. McKune, who came here from Vermillion, Alberta, and settled on a five-acre patch on the Johnston road, is doing well and is quite satisfied with his new home.

A grand concert is being held here in the Opera House on Friday evening, April 29, in aid of the Cloverdale Troop of Boy Scouts. A good turnout is looked for.

There will be the usual dance in the Opera House on May 24th. The Blaine orchestra will supply ehe music.

The King's Daughters are holding a meeting on Tuesday, April 26, at 2.30 p.m. at the homn of Mrs. Alec Matheson. Miss Leitch, Provincial President, will speak on the general work of the order. Immediately following she will speak to the junior members, in the Municipal Hall, and the following week she will address the Sullivan and Surrey Centre circles. At their meeting to elect officers for the year the tollowing were chosen: President, Mrs. Currie; vice, Mrs. Alec Matheson; sec.-treas., Mrs. F. Hugh.

A sketch entitled "Won by Wireless" was put on at the Opera House under the auspices of the Methodist Ladies' Aid, by city friends, and it was greatly enjoyed by the large crowd present.

Mr, F. J. Pratt and family are leaving for England at the end of the month. Mr. Pratt was formerly municipal engineer.

Mr. J. H. Smith, superintendent of the Cloverdale branch of the B. C. Telephone Co., has resigned his position, and intends joining the firm of Hume & Rumble, electricians, New Westminster.

The Young People's League held their regular meeting on Monday evening in the Methodist Church. After Bible study an hour was spent with readings taken from Mark Twain's works.

## NOTES AND COMMENTS.

* * *

If the Langley Board of Trade, recently formed under such auspicious circumstances. intends to live up to expectations, the officials will have to show more progressiveness. The idea of having the ball set in motion with a banquet is all right, but why set the date so far ahead as May 31st? The summer will be over and the harvest ended before anything is done, if care is not taken. Periculum in mora.

* * *

British Columbia is a fruit raising country, yet last year foreign imports show that 4,138,704 pounds of apples, valued at $136,656, were brought to the province. The previous year the total was 1,005,400 pounds, valued at $45,366. Other tree fruits brought into the province in 1920 weighed 3,134,903 ponnds—being a decrease of a million pounds over 1919. We imported 6,307,982 pounds of canned fruits in 1920 as against 2,679,751 pounds in 1919.

* * *

Professor Smith, of Toronto, is the author of an interesting volume touching immigration and the alarming loss of our population through the death of infants. From 1912 to 1917 in Ontario 105.4 babies out of every 1,000 born every year died before they were twelve months old. He says these figures are probably true of Canada as a whole. It has been estimated that forty-five out of every 1,000 men enrolled in the Canadian army met death in the war. It is therefore more than twice as dangerous to be born in Canada as to fight the German in the trenches. This slaughter of the innocents, according to Professor Smith. goes on from year to year. The race is being bled white by the loss of babies. He suggests that the people seek in a scientific way the conservation of child life. Maybe if there was less of the "scientiffc" and more of the common sense way used in raising babies, better results would be obtained.

The Province of Ontario this week, by a majority of 200,000, decided to go bone dry. In the large cities the wets had the best of it, but the rural districts more than counterbalanced this. Quebec and British Columbia now have the distinction of being the only two provinces in the Dominion where booze can be legally purchased, under a moderation system. It will furnish a go d opportunity to test the merits of the two systems.

Horse breeding clubs are being formed in British Columbia under the Dominion scheme of assisting the breeding of draft horses. The Federal Government propose giving a grant of $500 to assist the scheme in the Fraser Valley. This looks as though that most faithful friend of man—the horse—is still appreciated. May he always find a place in the hearts of man and a day's work to do, and be rewarded with affection and care.

## Westminster Market Prices.

NEW WESTMINSTER, April 22.—Bill Cooper, of Aldergrove, scored over a Chinaman at the market to-day. Such a rare occurrence deserves recording. Bill had a crate of Leghorn broilers, and dickered with the Chink, finally agreeing on 32c per lb. for the lot. The Chink did the weighing, and made it 110 pounds. Then Mr. Love, a well known buyer of poultry, took a hand ia the little game. The Chinaman was taken outside to look at another cheap lot, and Mr. Love and Bill weighed the baoiles again, with the result that a shortage of 58 pounds on the Chinaman's figures was discovered. Then Mr. Love offered a higher price for the broilers in the hearing of the Chinaman, who was forced to bid still higher, knowing his sharp practice would be discovered if another buyer weighed the broilers. Finally Bill got 45c per pound from the Chink, over $33 more than the original price.

There was a better demand for potatoes, especially for seed. Eggs advanced to 32c wholesale; pork dropped a couple of cents to 20c per pound for best, and veal was down almost 2c per lb all round; roosters sold at 15c to 16c per lb live weight, and broilers all the way from 35c for Leghorns to 55c for a choice lot of Rhode Island Reds. Hens were unchanged. with a falling off in demand if anything.

The following prices ruled:

Vegetables—Potatoes $10 to $15 per ton and 75c to $1 per sack. Cabbage $3.10 to $4 per 100 pounds. Turnips 60c to 70c per sack. Onions. local, 75c per sack. Outside onions, Okanagan chiefly. $1.00 per sack. Beets $1 per sack. Carrots 60c to 70c per sack. Parsnips $1 per sack.

Poultry—Broilers. Leghorns 35c per pound, Wyandottes and Rhode Reds up to 55c per lb. Light hens 39c to 22c. heavy 31c to 35c, roosters 15c to 19c, ducks 50c, not meny on offer.

Eggs 31c to 32c wholesale prevailing price, 35c per dozen retail prevailing price. Butter 65c to 70c per pound retail. Dressed chicken 45c to 50c per pound. Broilers plucked 50 cents

Meat, wholesale--Prime pork 20c per pound, medium 16c to 18c, heavy 12c to 16c. Veal best 20c to 21c, medium 26c to 18c, thirds 12c to 15c, Beef local 9c to 11c. Mutton 20c. Lamb 24c.

Hides unsaleable, with nominal quotations from 4c per pound for heavy greens to 8c for calf.

### Buy in Cloverdale.

Editor Sentinel—Sir: I would like to make use of your valuable space to ask the people of Cloverdale why it is they do so much of of their buying away from home, when they can do just as well by patronizing the home merchant? It is this lack of co-operation by our citizens generally which is chasing prosperity from our doors, and keeping Cloverdale at a stand. Again, our citizens are wont to belittle the town at home and abroad. This is not the attitude that makes for progress. Cloverdale has the makings of a real live town if her people would make up and unite to work for the general weal of the community.

Trusting this may start them thinking and acting in the right direction, I am A BOOSTER lor our home town.

## Houses Wanted.

The town of Langley Prairie is right now suffering for the want of suitable housing accommodation, and if men with families are expected to move in and make their homes here something has got to be done to remedy this situation, There are property owners who who have the necessary money to undertake this work with every assurance of profitable returns. What is wanted is modest homes with modern conveniences.

This is something the Board of Trade might get busy on.

The Baseball Club dance last night was a grand affair,

Sealed Tenders, endorsed "Tender for New Formation of Trans - Provincial Highway, Delta District" will be received at the office of the Honorable the Minister of Public Works, Victoria, B. C., up to 3 p. m. of Monday, the 2nd day of May, 1921.

Plans, specifications, contract, and forms of tender can be seen at the office of the undersigned, Victoria, B. C., and at the District Engineer's Office, Court House, Vancouver, B. C., on and after the 18th of April, 1921.

Copies of plans, etc., may be had on payment of $25 deposit, which shall be refunded on the return of plans, etc., in good condition.

Each tender must be accompanied by an accepted bank cheque for an amount equal to 10 per cent. of the tender. The cheques of the successful tenderer will be retained as security for the due and faithful performance of the work until the satisfactory completion of same. A bond in an acceptable surety company for an amount equivalent to 20 per cent. of the amount of tender may be accepted as security in lieu of the successful tenderer's deposit cheque.

All cheques to be on chartered banks of Canada and made payable to the Minister of Public Works.

Tenders will not be considered unless made out on the forms supplied, signed with the actual signature of the tenderer.

The lowest or any tender not necessarily accepted.

P. PHILIP,
Public Works Engineer.
Department of Public Works,
Victoria, B. C., April 12th, 1921.

"Do you say that your hens 'sit' or 'set'?" asked the precise pedagogue of the busy housewife. "It never matters to me what I say," was the quick reply. "What concerns me is to learn, when I hear the cackling, whether she is laying or lying."

### Clayton.

The Ladies' Aid held their first fortnightly ice cream social on Wednesday evening in the Victory Hall. These gatherings were very much enjoyed last summer and many are looking forward to them again this year.

There will be a special song service in the Victory Hall, Sunday evening, May 1st at the regular hour; also at 11 a. m.

### Correction.

The report in last week's Sentinel to the effect that the new arrival at the home of Mr. and Mrs. Burrows, Cloverdale, was a boy, was a mistake. It is a dear little girl.

## "Human Desire."

Anita Stewart in "Human Desire," which will be shown at the Langley Theatre, Saturday, April 30, and at the Cloverdale Opera House on Thursday, April 28, has the part of an Italian girl in a convent who daily brings lilies to lay in the arms of the Frampinii Madonna, wondering if there are real babies in the big world outside. How she escapes to find out, and, besides babies, finds an American lover, is told in this picture. Robert Bruce, who has won his way high in American art circles, is married to a cold and unsympathetic wife. No matter what work he does or what new honors come to him, she is not appreciative. They have no children, and the wife wants none, as she thinks they are too much bother. So, with none in his family to show the little attentions which his sensitive artist's soul craves. Bruce is unhappy.

Things reach a pass where he and his wife feel that they cannot go on living together, and the wife decides that she will take a trip to Italy so that she may think over a permanent separation. Fate dictates that this move shall bring her husband in the end happiness, and that she shall be the instrument used. In Italy she visits the convent and meets the little Italian girl, to whom she tells wonderful tales of America and its countless and needy babies. This so impresses the little girl who so loves babies that she escapes from the convent and sets out for America. How she gets there and all the rest is told in the picture. See it.

The "Devil" is coming.

## Regulations Governing the Granting of Stumping Powder to Farmers and Settlers.

The following conditions shall govern the distribution of the $300,000 voted by the Legislature for rebates where the powder is purchased for land-clearing purposes:

Applicants shall be bona fide owners or lessees of lands in respect to which applications are made and clearing operations shall have been carried on for agricultural purposes only.

Grants will be paid on a basis of not more than ten cases of powder to each applicant and not more than five cases for each acre prepared for production thereby.

Applicants shall sign declarations upon forms supplied by the department of agriculture, setting forth the legal description of the land upon which the powder has been used, the number of cases of explosives actually used in the clearing operations and the number of acres of land upon which the work has been carried on

Applications shall be signed in the presence of, and witnessed by one of the following persons:

The secretary of a farmers' institute, the secretary of any association or society incorporated under any act of the Legislature carrying on work of substantially the same character as that carried on by farmers' institutes; any official of the Provincial Government of British Columbia.

Upon receipt at the department of agriculture of such declaration and application form, with invoice of powder purchased, rebate will be made upon a basis of $2 50 per case to the extent set out in clause three of these regulations.

In all cases where there is to be an application for a rebate a declaration must be made setting out the full particulars of the land, the amount of powder used and invoice carrying its purchase.

E. D. BARROW,
Minister of Agriculture.

## Smiles.

Brudder Johnston, an evangelist of color, was caught hugging the soprano behind the church-door. He was brought up for trial, charged with immoral conduct. The case was proved.

"You have seen dese great pictures, I s'pose, so you know dat de great Sheperd am always pictured with a lamb in His arms," said Brudder Johnston, in extenuation.

"Yes, sah, Pahson ; dat am so," admitted Deacon Jones.

"Den, Brudder, what am wrong in de sheperd of his flock having a lamb in his arms ?"

This was too much for Brudder Jones, so he proposed that the people have a call-meeting that afternoon.

After the point was discussed at the afternoon meeting, the following resolution was adopted :

"Resolved, Dat for the future peace of dis yere congregation, dat the next time Brudder Johnsing feels called upon to take a lamb of of de flock in his arms, dat he pick a ram lamb."

Counsel (trying to prove temporary insanity) : "Was it the prisoner's custom to talk to himself when alone ?" Witness: "I don't remember ever being with him when he was alone !"
