AGRICULTURAL SOCIETY MEETING

A meeting of the Directors of the Alberni Agricultural and Industrial Association was held in the Court House on Monday afternoon at 3:30 p. m., for the purpose of fixing the dates for the annual fair. In the absence of the president, Mr. J. F. Bledsoe, the chair was occupied by S. G. Roseborough, the vice-president. The minutes of the previous meeting were adopted as read on motion of W. Thompson, seconded by C. A. Blandy.

It was moved by E. M. Whyte, and seconded by C. A. Blandy, that the delegate to the convention Mr. J. G. C. Wood be instructed to try and secure the Wednesday and Thursday immediately preceding the Victoria Fair. It having been decided to have a two day's fair here this year. This would enable those in charge to pack up on Friday and leave for Victoria on Saturday's train with the District Exhibit.

A hearty vote of thanks was passed to the Alberni Farmer's Institute for their generous grant to the association of the sum of $50.

A committee consisting of Messrs. F. H. Swayne, J. F. Bledsoe and S. G. Roseborough were appointed to wait on the city councils of Alberni and Port Alberni for the purpose of securing financial assistance from these bodies.

School Trustees Meet.

The Board of Trustees had a business meeting at the home of Mr. Thomson on Tuesday morning. It is the intention of the new board to try, if possible, and have a complete graded school in Alberni before the beginning of the new school term which is about August. They will also arrange to meet the school trustees of Port Alberni and try to cooperate together for the erection of a high school near the border of both towns.

Notice.

I have this day sold my business, known as the Sunny Hill Dairy, to Walker Bros., and wish to thank all my patrons and trust they will extend their patronage to my successors. I will collect and pay all accounts due to date of transfer.

MRS. W. LEESON PASSES AWAY

The death took place on Sunday evening, the 19th. instant, of Mrs. W. Leeson, one of the oldest residents of the Alberni District, at the age of fifty-three. Death was due to a tumor in the stomach, and while she had been sick for a period of two weeks the end was rather sudden.

This will without doubt cause a deep sense of feeling in this district among her many friends and relatives, for she had resided in the district for nearly sixteen years, and was respected and liked by all who knew her.

Mr. Leeson died two years and a half ago, and since that time Mrs. Leeson has been living in the city, having disposed of the old farm at Cherry Creek.

Her father, who is still living in Scotland, Mr. T. Paterson and three sisters survive her.

The funeral took place Tuesday afternoon, Rev. Jas. Carruthers conducting services at the house and cemetery.

The following gentlemen acted as pallbearers: G. A. Cox, T. McKinnon, E. M. Whyte, Capt. G. A. Huff, A. L. Smith and H. Hills.

City Clerk Wanted.

Sealed applications for the position of Clerk for the Municipality of the City of Alberni will be received by the acting city clerk until 8 p. m. Monday, February 3, 1913.

Applicants are required to state their qualifications, age and salary expected.

F. H. Cleland,
Acting Clerk to the Municipality of the City of Alberni.

UCLUELET

(Special Correspondence.)

The matter of the construction of the trunk road from Ucluelet to Clayoquot has been taken up by the settlers, and a delegation appointed to wait on Hon. Thomas Taylor, Minister of Public Works, for the purpose of seeking funds to carry on the work. This delegation presented the following resolution:

To the Hon. T. Taylor, Minister of Public Works, Victoria, B. C.

We, the undersigned settlers and residents of Ucluelet, B. C., in accordance with a resolution unanimously passed in a mass meeting held on the 15th. day of December, 1912, do humbly petition the provincial government of British Columbia as follows:

Firstly—That a sufficient sum of money be granted to carry on to a completion the work already done on the Ucluelet-Clayoquot trunk road.

We suggest that the work be continued along the original direct survey to Clayoquot. And furthermore, we point out that the right of way is now practically impassable, and beg that the work of grading and ditching be proceeded with, and all further clearings be followed by this work.

Secondly—That a sufficient sum of money be granted to construct a wagon road branching from the Clayoquot road in a northerly direction on the eastern boundary of lots 420 and 410, and thence westerly till it again meets the Ucluelet-Clayoquot road.

At present there are 23 persons using the trail which follows along the proposed route.

Thirdly—That a sufficient sum of money be granted so that the Maggie Lake road be improved from the post office to the lake adjoining the Ucluelet Indian reserve, and be continued along its northern shore, and thence in a southerly direction till it joins the Barclay Sound trail.

It is requested that the trail be made passable for a vehicle.

Fourthly—That a sufficient sum of money be granted to improve all other roads that are partly constructed so that they may be used.

To the Electors.

We, the undersigned members of the Progressive Ticket, wish to thank you for the honor you have shown us in electing us to the offices of mayor and aldermen respectively for the City of Alberni. Your emphatic endorsement of our platform and the principles advanced by us is very gratifying, and will stimulate us to do our utmost to carry out those policies. We now ask the hearty co-operation of every resident of Alberni in our determination to advance the interests of our city.

C. F. Bishop, A. W. Neill, W. F. Gibson, Geo. Forrest, J. Grieve, J. Hills, G. A. Spencer.

ALBERNI WINNERS IN FIELD CROPS

Once again the Alberni Valley comes to the fore in agriculture. This time, in the result of the field crop competitions throughout the province. Alberni heads the list for two acres of oats, the prize winners being: H. W. Thompson, 1st., T. R. Plaunt and J. Orr being also in the prize winning list for oats. For potatoes the prize winners for Alberni are: T. R. Plaunt first, and E. Woodward, H. W. Thompson, Moore & Chase, Walker Bros., John Orr and S. R. G. Hayne.

Mr. Wood Shines.

In seconding the reply to the speech from the Throne Mr. J. G. C. Wood, M. P. P., for the Alberni District, took advantage of the fact that unusual latitude is given on such occasions for young members to dilate upon the resources and attractions of their particular districts. The result was a speech on the part of Mr. Wood that had made an excellent impression on the House and the country generally, according to the press of the Province. Mr. Wood referred in high terms to Mr. Brewster as a close student of political affairs. The speaker then took up the trend of provincial affairs and made a very businesslike presentation of what had been done to develop our resources in the past and followed this with his opinions as to the required programme for the future welfare of the Alberni District. He was closely followed and made a most excellent impression.

Accident.

While playing in the snow with another little lad, Dick Hayne, a son of Mr. R. Hayne had the misfortune to break his arm. He is doing very well and the wound is healing as well as could be expected.

First Council Meets.

With all the members present the city council held their first meeting in the Court house, which was of short duration. Mr. W. C. Clark photographed the gentlemen and the meeting was opened with a prayer by Mr. Carruthers.

Mayor Bishop brought the business of the meeting up for discussion and appointed Mr. Cleland secretary for the time being till a new secretary could be advertised for and appointed.

A vote of thanks was then tendered the returning officer by the mayor on behalf of the city council.

The council adjourned to meet again on Tuesday evening at 7:30 p. m.

On Tuesday evening the council met in the Court house, where a few interested spectators had gathered to see how the first municipal council of the City of Alberni acted. The minutes of last meeting were read and adopted. After the usual correspondence and applications for various civic positions had been read it was recommended that they be filed for ready reference.

The council had decided to advertise for a permanent city clerk, and instructed the city clerk pro tem. to do so, and also to write to the Provincial government for eight copies of the Municipal Act.

It was agreed that the council meet on Tuesday evening of each week at a place to be decided later, a committee composed of G. Forrest and G. A. Spencer were appointed to find a suitable meeting place.

The meeting then adjourned.

Vote of Thanks.

We, the undersigned new School Trustees, wish to express our many thanks to the electors of Alberni City for the courtesy and faith shown during the late municipal election.

Yours very truly,
J. McG. Thomson,
S. H. Toy,
D. H. Riddle.

Attempted Suicide.

A Chinaman in the employ of the Wallace Fisheries as a cook, suffering from a general breakdown, attempted to drown himself in the canal by jumping overboard, while being brought to Alberni in the Chocoe under Captain Farragher.

He was being sent to the hospital at Nanaimo for medical attention, and it is supposed that he was feeling rather despondent.

Had it not been for the prompt management of the Captain he would surely have been drowned.

ENDURANCE RUN TO ALBERNI

At a recent meeting of the executive of the Victoria Motorcycle Club the principal business was the discussion of the year's programme of competitions and club runs. Plans for membership badges were drawn up, and will be specially designed for the club. Special membership booklets, which must be shown at all races in order to entitle the holder to enter the competitions, are being prepared, these containing the membership card, the by-laws, the names of the officers, and programme of the year's runs and competitions in addition to which there will be space for special diary and notes in connection with these.

Eighteen runs have been planned for the coming season, the first of which will take place on March 2, to Sidney. The following are some of the special features of the year's programme:

Special competitions, covering humorous races; endurance run to Alberni; hill climb to Jordan river; speed-judging contest at Sidney; slow race; speed races both for single machines and side cars; and fuel-consumption contest.

Orphan Fund.

The appeal for funds to enable the little child of the late Mrs. Best to be kept in the Orphans Home at Victoria has not met with the ready response that it should have had. This is probably owing to the fact that the elections have taken the public mind off almost all other matters. Come along with your subscriptions. The two towns are expected to provide $96 for the year. So far the Advocate has to acknowledge the following:

Mrs. Goodall	$ 1.00
G. C. Lake	5.00
A Friend	2.00
Advocate	5.00
H. Cook	5.00
W. R. H. Prescott	5.00

NOTICE.

We wish to announce that Mr. J. W. Deo, of Alberni, has accepted the local agency for our firm, and all orders for fruit trees and ornamental nursery stock given to him will receive our best attention. Mr. Deo has had practical experience in this line, and is fully competent to advise a selection of stock, either fruit or ornamental, and will see to their planting and care when required.

We take this opportunity to wish our many friends a prosperous New Year, and to invite a continuance of your valued patronage.

ALBERNI TROOP BOY SCOUTS

The Alberni Troop of Boy Scouts, which was organized about three months ago, appears to have made a very promising start. The boys have been receiving instructions in first aid and semaphore signalling, besides drill and the necessary instructions for the Tenderfoot test, which has been passed by most of the Troop.

Brand's hall will be the Troop's headquarters for the next three years, and a gymnastic outfit, including parallel and horizontal bars, travelling and flying rings, trapeze, etc., has been ordered, and should arrive at any time.

The reading room has been in use for some time, and is supplied with a large number of the current illustrated English and American magazines.

The interest taken in this movement by the public was shown on the occasion of a council meeting held at the troop's headquarters on December 19, 1912, when the troop gave an exhibition of signalling. Nineteen members of the council were present, five being unavoidably absent.

Contrary to the usual opinion the scout training is not in any sense military, the object being to bring up our boys to be good citizens.

This object certainly deserves the wholehearted support of the community, and we would mention that there is no fund from which the expenses of a troop can be met; voluntary subscription on the part of the public being the means of support.

The sum of $250 is needed to cover the cost of the outfit already ordered, and the annual running expenses, maintenance, etc., will amount to about $200 beyond what will be subscribed by the troop.

PROGRESS.

NOW that the smoke has cleared away, and the election is all over, let us take a look at the situation. There were two tickets in the field. The one that was elected was known as the "Progressive Ticket." Of this ticket every man was elected from the mayor to the school trustees, for the latter were the same on both tickets. This is a clear indication that the platform of the "Progressives" appealed to the majority of the electors, and that the personality of the ticket was also such that it was felt that they could be trusted to carry out that platform.

Some of the things that were promised was the public ownership of public utilities as far as found practical from time to time. The arrangement of taxation in such a manner as to exempt improvements. Sewers, lights, sidewalks, roads and a general clean up of the place. In connection with sidewalks and other things of this nature the idea of local improvement taxation was also adopted as a part of this progressive programme. All of these things appealed to the electors, and they put in the ticket that they thought would carry them out.

It is now up to every loyal citizen of Alberni to get in and help this programme along by backing the efforts of the new mayor and council to bring these things about. We have the situation and materials here to make this one of the finest cities in the province of British Columbia. The length of time which it will take to bring this about will depend very largely on the manner in which the public as a whole gets behind the work of development, and determine to all pull one way.

With concerted action it will be only a short time before the name and attractions of Alberni will be known from one end of the Dominion to the other. It is to be hoped that the new council will be in line for a publicity campaign to make Alberni better known, and at the same time to bring about conditions that will hold the people who are attracted by that advertising.

Let us have a long pull, a strong pull, and a pull all together. That way lies success.
