BUILDING NEWS

And Construction Work not otherwise Classified.

VANCOUVER—Tenders are to be called immediately by Building Inspector McKenzie for fireproofing the city vaults at the city hall. The work will cost about $400.

VICTORIA—Efforts will again be made to induce the property owners to sign up for the improvement of Government St. between Courtenay and Humboldt Sts. To resurface one-half the street will cost $2,000, while both sides would run to $2,500.

VICTORIA—In addition to the two car barges which are about to be built for the C. P. R., Capt. W. J. Troup, manager of the B. C. Coast Service, has announced that the company intends to call for immediate tenders for the construction of a 1200 ton capacity freight barge which will be used for general freight purposes.

OTTAWA—A new military hospital at Esquimalt to serve the needs of the Pacific coast, and to take the place of the present inadequate pre-war institution is being planned. It is recognized by the militia department that a new building is necessary. Whether it will be built at once or delayed until the war is over has not yet been decided.

VANCOUVER—At the regular meeting of the Civic Board of Works held yesterday afternoon at the city hall, City Engineer Fellowes, referring to the improvement of Front St., reported that it would cost about $10,000 to contruct a permanent pavement on a minimum width of 18 feet between Columbia Ave. and Main St., using a bituminous macadam. To construct a stone block pavement on a 6-inch concrete base, 18 feet wide, with a stone curb set flush with the pavement, would cost $30,000, including the necessary filling for this width. To this would have to be added surface drainage, $2,200, and the present wooden box outlet would have to be taken care of and this might represent another $2,000. These estimates are approximate and the engineer stated that he would prefer going into the matter more closely before making any final recommendation.

In regard to the Beach Ave. intercepting sewer, Mr. Fellowes reported that the plans for this work had been sent to the Sewerage Board and Mr. Creer, engineer to the Board, had written, stating that there is a possibility that changes might be made in the scheme that will materially effect this sewer, and suggesting the advisability of deferring consideration of the plans for a time. This may necessitate a change in the design of the pipe to be used, and if so, new tenders will have to be called. A definite decision will be reached this week.

The engineer reported on the cost of the following sewers: Twelfth Ave. from a point half-way between Cypress and Maple Sts. to Arbutus St. will probably cost $2,400; Tenth Ave., from Vine to Cedar Sts., is to be undertaken by the Joint Sewerage Board; and Point Grey Road from Alma to Balaclava, was reported on in 1914, and the cost was then given at $15,500. Minor improvements to a number of streets and lanes were also reported on.

BUSINESS NOTES

and other items of interest to the business man.

HOPE—The Coquahalla Hotel and several smaller buildings here were totally destroyed by fire on Tuesday.

DUNCAN—Fire has totally destroyed the new wing of the King's Daughters' Hospital here which was erected three years ago at a cost of $12,000.

NEW WESTMINSTER—One of the wings of the St. Louis College buildings has been damaged by fire. The roof is almost completely destroyed.

VICTORIA—The government now has under consideration the daylight saving plan proposed by Victoria city authorities who want the clocks of the province set ahead one hour from March 14 to September 15 each year. No decision has been reached by the government.

TRAIL—A two-room school building will be erected in East Trail in the near future.

DUNCAN—The Duncan high school is to be painted. Tenders are now being called for the work.

NELSON—It is reported Nelson is considering adding a third unit to its municipal-owned hydro-electric plant.

TRAIL—Ground has been broken for a new store building on Bay Ave, adjoining the Empire Cafe. It will be erected by McQuarrie & Robertson.

PENTICTON—Questions in connection with the renewal, along permanent lines, of the irrigation system are now being considered by the city authorities.

VANCOUVER—The Nickson Construction Co. has been awarded the contract by the Canadian Pacific Ry. Co. for the rock fill under Pier "A" foot of Granville St., this city.

NELSON—Extensive development of the Ellesmere, Big Five, Little Robert and Alberta groups, consisting of rich silver-lead and copper properties situated on the north fork of the Lardeau river, close to the once booming mining camp of Ferguson, is being undertaken by the Circle Mines, Limited, the owners of the properties. Alberta and Spokane capital is chiefly interested in the company.

TRAIL—N. M. Trafton, manager of the Star Theatre in Trail, has purchased the Sibbald property, 50x100 feet, adjoining the Bank of B.N.A., on Bay Ave, and will erect a theatre building there. Plans are now being drawn for a house seating about 800, that will be fireproof, with modern heating, lighting, sanitation and ventilating systems. The building will have one or two stores on Bay Ave. The approximate cost is $15,000.

VANCOUVER—The Cotton Co., Ltd. has the contract to erect a sawmill with a cutting capacity of 50,000 feet, board measure, per day, with the planing mill and dry kilns near the British Columbia Electric Railway terminus in Lynn Valley, for Cedars, Ltd., in which company M. P. Cotton and W. T. Ellis, of Cotton Co., Ltd., are interested. A logging railway four and a half miles long will also be built. It is intended that the work be started as soon as details are arranged with the North Vancouver City Council.

VICTORIA—At the meeting of the council of the Board of Trade, which took place this week at Sidney, the question of Sidney wharf improvements was debated. It was finally decided that Secretary Dawes be instructed to arrange an interview between Mr. Van Sant, manager of the V. & S. Railway Company and the council of the Board of Trade with the idea of securing the assistance of the former in procuring a suggested new float. The meeting also discussed the question of the construction of a wharf by the Dominion Government at the North end of James Island. A resolution passed endorsed the application of the Canadian Explosives Company, Ltd., for the construction of such a wharf, and recommended sending this resolution to F. H. Shepherd, M.P.P., for the presentation to the proper authorities.

PROVINCIAL ESTIMATES ARE TABLED IN THE HOUSE

VICTORIA.—A revenue of just under $6,000,000 and an expenditure of $11,000,000 for the year commencing April 1 next is predicted in the provincial estimates which were tabled in the House by Hon. Lorne Campbell, Minister of Finance, on Monday. The revenue shows a falling off of about $1,000,000 for the anticipated revenue for this year, while the expenditures show a slight increase.

The exact estimated revenue is $5,944,015, as compared with $7,134,615 for the present year, a difference of $1,095,000. The estimated disbursements are $11,301,374, as compared with $11,163,056 for the previous year, an increase of $138,000. The increase is more than accounted for by the increased fixed charges, which are over $300,000.

Summary of Expenditure

The summary of estimated expenditure indicates that in four of the 14 Government services there will probably be an increased expenditure over last year. In the rest a reduction is predicted.

The following are the totals:

	1915-16.	1916-17.
Public debt	$1,152,376	$1,422,254
Civic government (salaries)	1,709,566	1,687,736
Administration of Justice (salaries)	65,000	67,428
Legislation	89,820	167,620
Public institutions (maintenance)	467,426	472,576
Hospitals and charities	374,100	525,800
Administration of justice	378,000	308,670
Education	1,594,600	1,524,500
Transport	83,000	43,000
Revenue services	50,000	25,000
Public works	3,067,315	3,023,010
Miscellaneous	2,128,752	2,032,000

In this year's report of the estimates the service "miscellaneous" is divided into three distinct services. "Lands," upon which $565,000 is to be spent this year, and "agriculture," upon which $176,500 will probably be expended, are each given a service to themselves, thus greatly reducing the "miscellaneous" total.

Present conditions have also necessitated more and larger hospitals, the result being an unusually large increase for hospitals and charities. Last year $16,000 was voted in the way of assistance in the construction of hospitals. This year about $150,000 will probably be granted for that purpose. Grants to refuge homes, aid societies, etc, is increased from $19,000 to $80,000.

University of B. C.

Among the appropriations in this year's estimates is a conditional one of $200,000 for the University of British Columbia. Last year's estimate was $175,000. Included in the works and buildings to be constructed by the Public Works Department are the following: Okalla prison farm, $15,000; improvement of government reserve, Burnaby, $10,000; mental hospital and colony farm, Essondale, $35,000; provincial government buildings, London (completion and maintenance), $175,000; maintenance, $8,000. The appropriations provincial normal school, Vancouver, for roads, streets, bridges and wharves in each constituency are the same as last year. Chilliwack gets $33,300; Delta, $22,500; Dewdney, $68,500, and Richmond $10,000. Eighty thousand is revoted for Kingsway through the Municipality of Burnaby. Point Grey gets $10,000 for roads, and Nicomen Island the same amount for dyking; $13,500 is a subsidy for the Ladner-Woodward ferry.

The vote of $400,000 on last year's estimates for the Second Narrows bridge is left off. For bridges generally $450,000 is set down, while for the bridge over the Fraser River at Prince George there will be an appropriation of $150,000.

An item in the Land Department appropriations is that for $20,000 for "timber testing and investigation of wood products." An indication that the government intends to continue seeking overseas markets for the B. C. lumber trade is that another $50,000 is appropriated for salaries, travelling expenses, and purchase of material.

Other Appropriations.

Among the other appropriations are the following:

Grant to B. C. regiments $5,000, grant to patriotic fund $6,000, grant to boy scouts $1,000, grant to Victorian Order of Nurses $600, grant to returned soldiers' aid commissions, $15,000; Royal Commissions $15,000 (last year $60,000), cougar bounty $35,000. Contribution to Vancouver toward purchase of certain lanes in Ward VIII., $5,000, Fraser River Bridge, New Westminster, maintenance and repairs, $20,209. Songhees Reserve improvements, $240,000

CONGOLEUM
Floor Coverings
If you have Congoleum on your floors, you can run a mop over them and they will be cleaner than any swept floor. Congoleum is waterproof right through—water cannot injure it. Compared with printed linoleum, Congoleum is more durable, more attractive, more waterproof, yet the price is less. Congoleum requires no fastening—any one can lay it—it won't curl up.
Congoleum Rug Borders, laid next to a rug or carpet, give the actual appearance of polished oak.

THE MEDIUM.

Did you ever notice that 95 per cent. of the big successful firms are firms who advertise? They figure advertising as an investment not an expense. The secret of advertising is the selection of a medium which reaches those people who are or will be the most likely "purchasers of your product." If you are in the building supply or machinery line don't select a moving picture publication in which to do your advertising. Because of the fact that the RECORD is the only paper published in the province devoted exclusively to the contracting business it is read by practically every one you would like to sell your products to. Your ad. where they will see it will put a capital C on your cash.

WINNIPEG—J. McDairmid & Co., have been awarded the contract to complete the Parliament buildings here. The price is about $2,250,000.

MAILLARDVILLE — A two-storey dwelling on the Pitt River road, the property of Mr. Joseph Parent has been destroyed by fire. The loss is about $1,500.

BURQUITLAM—The Great Northern Railway Company is rapidly completing its cut from the North road to its present tracks on the northeastern site of the Brunette creek.

VANCOUVER—A big traffic to and from the north country is looked for by rail and steamship agents here. Northbound boats carry heavy freight and large passenger lists.

VICTORIA—A deputation from the Vancouver Board of Trade is to wait upon the Executive Council to ask for favorable consideration of the request for a grant of $25,000 towards the expenses of the proposed Northwest Pacific Publicity scheme, to which the states of Washington and Oregon have already contributed.

NEW WESTMINSTER — The city council has adopted the estimates practically as completed last week. Expenditures for the year are placed at about $671,000 and revenue is estimated at approximately $694,000, on a tax rate of 24 mills net, provided that the court of revision does not materi ally alter the assessment.

VANCOUVER—The civic building committee Monday afternoon made a ruling that wooden fire escapes would not be permitted on any class of building where a fire escape was required, within the city limits. The ruling was given in connection with an application by Mr. W. H. Gallagher, which has been under consideration for several weeks to erect a wooden fire escape to serve an apartment building at the corner of Pender and Seymour Sts. The application was referred at the last meeting of the committee to Fire Chief Carlisle and City Building Inspector McKenzie. They recommended that wooden fire escapes should not be permitted under any circumstances.

VICTORIA—The forest production of the province, as a result of an increased cut and higher prices realized, reached a new record in 1916, the value of all products of the forest for that period being $35,528,000, slightly under two million dollars more than in the last record year, 1913, and over 20 per cent. more than in 1915.

The figures submitted by Chief Forester Grainger to the Minister of Lands, Hon. T. D. Pattullo, shows a great increase in the output of shingles, the worth of which for the year amounted to $4,500,000. There was also a considerable growth in the production of mining props and posts, and the demand for boxes for munitions led to the value of that item, which first appeared last year, rising to nearly two million dollars.

In the cut of lumber, while it is less than in 1913, there is an increase of about 35 per cent. over 1915. There is a slightly higher production of pulp than there was the year before, but for the past four years this figure does not show much change.

PROPOSALS WANTED

MISCELLANEOUS PROPOSALS

VICTORIA—Tenders are being called for repairs to No. 3 and 4 fire stations.

VANCOUVER—Tenders are being received for a quantity of supplies for the Provincial Industrial School (boys). Particulars from Supt. D. Donaldson, phone Bay. 161.

VANCOUVER—S. E. Junkins & Co., C. P. R. Depot, are about ready for figures on about 1,000,000 feet of lumber, fifteen tons of corrugated iron, and a quantity of paint.

VICTORIA—Archt. J. C. M. Keith, 416 Sayward Bldg., will receive tenders up to 5 p.m., Thursday, March 8th, for the construction of the addition to the Nurses' Home at the Provincial Royal Jubilee Hospital. Plans and specifications at the office of the architect.

VICTORIA—The Provincial Secretary is calling for tenders, to be in by March 10, for the annual supplies of all articles required at the Provincial Mental Hospital, Essondale; the Provincial Home, Kamloops; and the Public Hospital for the Insane, New Westminster.

VICTORIA—The Minister of Lands is calling for tenders for the purchase of timber license X680, under which may be cut 2,562,000 feet of Douglas fir, cedar, hemlock, white pine and balsam, situated on Salmon Bay, Sayward District. Two years will be allowed for the removal of the timber.

VANCOUVER—Archt. B. C. Palmer, London Bldg., is preparing plans for the interior work to be done at the residence of A. E. Tulk, on Shaughnessy Heights. Mr. Palmer is receiving figures on some of this work at the present time from a few selected contractors. The finishing of this residence entails a large amount of plastering, plumbing, heating, electrical work, etc.

NABOB COFFEE
—is strictly high-grade—a combination of Mocha and Java.
From the plantation to the cup, all the processes through which "Nabob" passes are strictly sanitary.
The blending—the roasting—the grinding—follow an exact scientific formula which ensures absolute Coffee perfection.
And it also ensures absolute uniformity—an exceedingly important point—day in and day out.
A user of "Nabob" knows this—those who are not drinking "Nabob" are surely missing one of the Joys of the culinary art.
