10014—Quong Kee, shelter, 269 Pender St. E., $60.

BRICK STORE BUILDING FOR GRANVILLE STREET

Mr. C. H. Wilson has awarded a contract to B. Davidson, 1012 Broughton street, for the construction of a one-story brick store building, 25x45 feet, to be erected at 945 Granville street, at a cost of $3,000.

TENDERS ARE WANTED FOR ORDERLIES' MESS

The Dominion Department of Public Works is asking for tenders for the construction of an orderlies' mess, to be erected at the Military Hospital, Esquimalt, B. C. Notice of tender appears on page 4.

STREET IMPROVEMENTS

City Engineer Fellowes recomended $15,415 worth of additional street and lane improvements to the civic board of public works on Tuesday afternoon. If these are adopted by the council the total for this class of work planned ahead of the estimates will be $64,500.

DREDGE KING EDWARD TO BE OVERHAULED

Tenders for repairs and general overhaul of the departmental dredge No. 305 ("King Edward") are being invited by Superintendent of Dredges F. H. Shepherd, 710-713 Birks building. Notice of tender appears on page 4.

TO BUILD NEW HOUSES IF ROAD IS OPENED UP

POINT GREY.—Provided the council will have a couple of blocks opened up on the Angus Road, a well-known Vancouver firm of builders has intimated to the municipal council that they intend to erect a half dozen residences on property contained in this locality. The representatives of the builders were given every assurance that if their plans were bona fide the road would be opened up and the necessary improvements put in. Ample assurances in that respect are to be presented to the council at its next meeting.

BRICK CHIMNEYS COMPULSORY

RICHMOND.—Considering the fire risk from the numerous stovepipe chimneys in many of the small buildings in the municipality to be serious, the Richmond municipal council has at last passed a building bylaw which requires all chimneys on any kind of a habitation within the municipality to be of brick or concrete. The removal of the stovepipe chimneys will be insisted upon at once.

LUMBER PLANT LEASED

PRINCE RUPERT.—The plant of the Prince Rupert Lumber Company at Seal Cove has been leased to Vancouver interests and work is to resume within thirty days.

MANITOBA TO BUILD 1,000 MILES OF ROADS

WINNIPEG.—A McGillivray, provincial highway commissioner, stated this week that the construction of nearly 1,000 miles of roads will be undertaken in the province this month. Many market roads and bridges now under construction will be completed and others will be started.

OPEN BIDS FOR LARGE WHATCOM COUNTY ROAD

BELLINGHAM. — (Special.) — Bids opened by the county commissioners for the paving of 12 miles of the Deming-Wickersham road, showing Leddingham & Cooper, of this city, low at $282,636. The bids resulted as follows: (a) section No. 6; (b) section No. 6-A:

	(a)	(b)
Leddingham & Cooper	$138,348	$144,288
T. M. Morgan	149,140	160,000
Chas. Lind	153,889	151,887
J. W. Hoover	153,889	———
Skagit Const. Co.	154,072	———

HARBORS AND RIVERS GET NEARLY $400,000

OTTAWA. — The main estimates laid on the table of the House today contain a vote for $100,000 for dredging the North Arm of the Fraser river. The total vote for harbors and rivers in British Columbia is slightly under $400,000. There is a vote of $80,000 for a water supply at William Head quarantine station and $30,000 for repairs to the wharf at the quarantine station. There is a vote of $35,000,000 for railway equipment and nearly twelve million for railway construction. For dredging in British Columbia there is a vote of $300,000.

The estimates contain a vote of $100,000 to meet the expenses of a branch ore dressing plant and laboratories in British Columbia.

OFFICIAL ORGAN.
The British Columbia Record is the official organ of The Architectural Institute of British Columbia, federated with The Royal Architectural Institute of Canada, and The Engineering & Technical Institute of British Columbia, and as such is used by them as the medium through which to make their official announcements to the general public.
By such selection the British Columbia Record is no wise pledged to editorial support of any policy advanced by these societies, but maintains an absolutely independent position on all matters subject to editorial opinion.

THE INDUSTRIAL HOUSING PROBLEM

The intelligent study of industrial housing, like almost every other social and economic problem, must begin with an examination of the effects of the war. In 1914 a British statesman remarked that the outbreak of an European war would set back the march of social progress perhaps fifty years. The reverse seems to have actually occurred. In England, and soon too in Canada, the war has made possible a multitude of experiments in social reconstruction and co-operation which, in times of peace, could scarcely have been accomplished by more than a generation of agitation. Within the next year we may expect to see a British Unionist government pass such legislation as would have been described as the wildest folly by radical before the war. Many of the injustices of our social system are about to be brought before the court of public opinion. One of the first to be remedied will be the matter of housing.

Industrial housing in Canada is making a rapid start. British Columbia, like practically all the other provinces of the Dominion, is wrestling with the problem, but so far has made little more than academic progress. In other parts of Canada, however, there are some notable examples —worked out under the stress of economic need and industrial necessity— of the advantages that may be secured from properly directed co-operative effort in meeting the housing problem in a manner benefiting the community and all concerned. The town of Ojibway for the Steel Corporation, perhaps the most advanced example, is now well under way. In almost all our industrial centres an acute house famine exists, owing partly to concentration from country districts for war production and partly to so high a building cost that private speculative capital has been diverted to other channels for the last four years. That is the case not alone in Vancouver city proper but also all over Greater Vancouver. And instead of conditions tending to improve in this respect, they are getting more acute all the time as further additions to the population are being made by British Columbia's victorious warriors returning home.

Under the circumstances it behooves close co-operation and immediate action by both the provincial government and the various municipalities and their subsidary housing commissions to get the preliminary "red tape" unwound as soon as possible and get down to business that will produce real results.

MINING

The Cork-Province mine, near Kaslo, has arranged for a loan of $20,000, of which $12,000 is to be used for the cancellation of an indebtedness and $8,000 for a working capital, says a Nelson report. The remaining $8,000 is regarded as sufficient to maintain operations until May or June, when it is believed the shipment of ore will be resumed.

The Horn Silver is one of the largest gold-silver mines in British Columbia, and work has been going on there for three years. While development has been carried out at the same time the mine has paid well, producing 45 cars of ore, which was shipped to the smelter at Grand Forks. The Horn Silver is situated near Keremeos and the ore now goes to Trail.

$1,250,000 DRYDOCK VOTED BY DOCK COMMISSION

PORTLAND.—By unanimous vote the public dock commission yesterday went on record as favoring the construction of a 12,000-ton drydock. This information was ordered transmitted to the federal port and harbor facilities commission, Washington, D. C., which recently advised the dock commission that there should be no postponement in its plans to provide Portland with another drydock, if this port is to share in the world commerce on an extensive scale.

FORD EXPECTS TO SELL NEW TYPE CARS FOR $300

DETROIT, Mich.—Henry Ford expects to sell the new type of light motor cars which he will turn out shortly for about $300, he announced this week. The new factory in which these cars will be made will give employment to 200,000 persons when the plant gets running to its full capacity. Mr. Ford stated his plans for the new company will in no way affect the present concern and that the Ford stock in the new factory was not for sale nor on the market. Edsel Ford will remain as president of the Ford Motor Company.

GAS HEATING RELEGATES FURNACE TO SCRAP HEAP
It is now possible to heat your home, factory or store by gas as economically as with coal, and without any of the attendant disadvantages.
The Rector system of gas radiators automatically regulates the temperature in each room.
No fuel to buy; no fires to maintain; no basement necessary; no need to heat more rooms than you use.
We supply gas for this purpose at 80 cents a thousand cubic feet. We will be glad to give you full information about this new system.

FOREIGN TRADE

NEW YORK.—American manufacturing concerns will abandon British markets and devote attention to South American fields on account of hard trade rules, according to London dispatch in World. Trade experts from America in British capital studying situation announce intention of advocating embargo on raw materials. When they return home question will be raised whether United States will permit exports to England through American ports of Canadian manufactured goods.

AUSTRALIA PLANS TO SPEND $2,500,000 ON PUBLIC WORKS MAKING JOBS FOR SOLDIERS

MELBOURNE.—In order to take care of unemployed returned soldiers, the federal government of Australia has appropriated $2,500,000 for the construction of public works, pending the completion of a larger loan scheme to provide work for the home-coming Anzacs along more permanent lines.

DOMINION PUBLIC WORKS TO SPEND THIRTY MILLIONS

OTTAWA.—The main estimates for the fiscal year, which commences on April 1, were tabled in the Commons today by Sir Thomas White, the total estimated expenditure being $437,679,071, an increase of $137,996,832 over the expenditures of the year which is just closing. The largest increase is in public works, which will be principally in connection with harbor improvement.

BUILDING MATERIAL RATES TO DROP

WASHINGTON.—It is believed that an announcement will be made soon by Director General of Railroads Hines cutting freight rates on all building materials as a step toward increasing building activities in the United States.

BUSINESS ITEMS

Iron Age Says: February's production of pig iron was 2,940,168 tons, or 105,006 tons per day. This is 1519 tons less than the daily output of January. On March 1 there were 306 furnaces in blast, making iron at a rate of 101,475 tons daily, against 333 furnaces on February 1, operating at 104,405 tons.

Stocks of iron at the furnaces have increased in the month about 35 per cent. on the average. Considering the light demand for pig iron, prices have been well maintained.

The general agitation of price reduction has cut the volume of new business 10 to 15 per cent., but the mills of the country, taking into account a few which have shut down, are averaging about 60 to 65 per cent. of capacity.

Shading of prices remains an undercurrent, but it is not sufficiently strong to establish new market values in the major commodities.

The demand for a revision of freight rates in the ore regions, including the remission of charges not formerly made by the ore carriers, shows one way in which pig iron costs and prices may be reduced.

FOREIGN TRADE OPPORTUNITIES

Additional information regarding these inquiries may be obtained from the Secretary of the Board of Trade, Vancouver, or upon application to "The Commercial Intelligence ranch of the Department of Trade and Commerce, Ottawa."

Correspondents are requested to quote the number of the "opportunity" when asking for additional information. Request for each opportunity should be on a separate sheet and state opportunity number. The Bureau does not furnish credit ratings or assume responsibility as to the standing of foreign inquiries; the usual precautions should be taken in all cases.

LATEST ENQUIRIES.

The following inquiries are the latest received. For rapid perusal the reader may know at a glance items of interest by noting the class of goods mentioned at the end of each inquiry.

IMPORTANT—Quote the number of the "Opportunity" in your correspondence.

503. **Bolts and Nuts, etc.**—A firm in Gloucester, England, would be glad to get into communication with a Canadian manufacturer of bolts and nuts, etc.; they want cup square ¾-inch by 3/16 to 12-inch by ½-inch; bright motor hex round hex, general assortment bright washers, taper pins (bright steel), set screws and split washers.

504. **Barbed Wire**—A Gloucester, England, firm asks for quotations on from 15 to 20-ton lots of barbed wire, 4-point, thick set in ¼-cwt. and ½-cwt. reels, principally the latter.

505. **Wire Nails**—Will Canadian manufacturers of wire nails with supplies for present or future delivery communicate with a firm in Gloucester? Rounds and ovals in all sizes, ¾-inch to 6-inch required, in 1-cwt. gross paper-lined bags and not kegs.

507. **Cardboard**—A Bristol box manufacturer desires to import cardboard from Canada.

509. **Wood Bungs**—A London firm wishes to purchase quantities of wood shives (bungs), and invites offers from Canadian manufacturers. Samples available at the Commercial Intelligence Branch, Department of Trade and Commerce, Ottawa.

522. **Navvy Pick Handles**—36-inch, 39-inch, and 42-inch in length, are wanted by a Bristol firm. Mostly the 36-inch required.

523. **Hammer and Sledge Handles**—A firm in Bristol desires to import these handles in the usual sizes.

524. **Hatchet Handles** required, 14-inch, 16-inch, 20-inch and 24-inch in length, by a Bristol importer.

931. **Broom Handles**—A Bristol concern would be glad to hear from a Canadian exporter of broom handles made of spruce or alder, 50-inch by 1⅛-inch and 50-inch by 1¼-inch.

532. **Broom Stocks**—A Bristol brush manufacturer would like to hear from a Canadian exporter of broom stocks, round or half-round, with hole bored or not, 12-inch to 14-inch in length and 2½-inch to 4½-inch in diameter.

533. **Wood Washboards**—Washboards, all wood, dovetailed, and 17 inches in height, are wanted by a Bristol firm.

536. **Wheelbarrows**—A Bristol firm desires to import wheelbarrows for navvy and general purposes.

539. **Lawnmowers**—A Bristol firm would be glad to get in touch with a Canadian exporter of lawnmowers.

541.—**Garden Tools**—A firm in Bristol wishes to import rakes, forks, hoes and general garden tools.

542. **Hammers and Hatches** are wanted by a Bristol concern.

559. **Bolts and Nuts**—A Bristol firm would be glad to get in touch with a Canadian manufacturer of bolts and nuts.

CONTRACTS AWARDED BY PT. GREY COUNCIL

POINT GREY.—A number of contracts for the current year were awarded by the Point Grey council at its meeting last Tuesday night. The Coast Quarries, Ltd., were awarded the contract for the supply of rock at $1.96 a yard, f.o.b. scows and 45 cents extra if bunkered. Bert Holmes, of Marpole, was given the contract of hauling such of the rock as is needed for road repairs at the rate of 50 cents a mile. The scavengering contract for the year was awarded to the Eburne Transfer Co., at $5,820, the payments to be made monthly.

It was also decided to call for tenders for the supply of several hundred trees for street planting and beautification. The municipal clerk was authoried to purchase four dump wagons; three at $60 each and one at $100. A number of street improvements were also authorized.

WILL SOON CALL FOR TENDERS FOR NEW PLANT

Architects Gardiner & Mercer, who have been preparing the plans for the new plant and buildings of the Mainland Engineering Company on Coal Harbor, have the detail drawings and specifications well under way and will be ready to accept tenders on the work next week.

NOTICE TO CONTRACTORS

Sealed tenders addressed to the undersigned and endorsed "Tender for Orderlies' Mess, Military Hospital, Esquimalt," will be received until 12 o'clock noon, Monday, April 14, 1919, for the construction of Orderlies' Mess, Military Hospital, Esquimalt, B. C.

Plans and specifications can be seen and forms of tender obtained at the office of the Chief Architect, Department of Public Works, Ottawa, the Superintendent of Military Hospitals, Harper Building, Vancouver, B. C., and of the Resident Architect, Victoria, B. C.

Tenders will not be considered unless made on the forms supplied by the Department and in accordance with the conditions set forth therein.

Each tender must be accompanied by an accepted cheque on a chartered bank payable to the order of the Minister of Public Works, equal to 10 per cent. of the amount of the tender. War Loan Bonds of the Dominion will also be accepted as security, or war bonds and cheques if required to make up an odd amount.

By order,
R. C. DESROCHERS,
Secretary.

Department of Public Works,
Ottawa, March 13, 1919.

British Columbia Dredging Fleet. Repairs to Dredge No. 305 ("King Edward")

Sealed tenders will be received by the undersigned until 4 p.m. on Friday, March 28, 1919, for repairs and general overhaul of the departmental dredge No. 305 ("King Edward").

Each tender must be sent in in a sealed envelope, endorsed "Tender for Repairs to Dredge No. 305 ('King Edward')".

Specifications can be seen at the office of A. F. Mitchell, Esq., Acting District Engineer, Victoria, B. C.; at the office of C. C. Worsfold, Esq., District Engineer, New Westminster, B. C., and at the office of the undersigned, 710-713 Birks Building, Vancouver, B. C.

Each tender must be accompanied by an accepted cheque on a chartered bank, payable to the Honorable the Minister of Public Works, equal to ten per cent. (10 per cent.) of the amount of tender, which will be forfeited if the person tendering declines to enter into a contract when called upon to do so or fails to complete the contract. If the tender be not accepted, the cheque will be returned.

The Department does not bind itself to accept the lowest or any tender.

By order,
F. H. SHEPHERD,
Superintendent of Dredges.

Department of Public Works, Canada,
Vancouver, B. C., March 18, 1919.

NOTICE TO CONTRACTORS

COMOX DISTRICT —Highway Bridge over the Salmon River at Sachs Crossing, distant about Four Miles up-stream from the Salmon Bay Wharf, Johnstone Strait, Vancouver Island, B. C.

Separate Sealed Tenders, endorsed as above, will be received at the Department of Provincial Public Works, Victoria, B. C., up to noon of April 1st next, for the erection and completion of a bridge over the Salmon River.

Drawings, specifications, forms of contract and tender may be seen in Room 7 East Wing, Parliament Buildings, Victoria, B. C.; in the office of the District Engineer, Court-house, Vancouver, B. C., and in the Government Agent's Office, Cumberland, B. C., on and after the 10th instant.

Tenders must be accompanied by an accepted bank cheque or certificate of deposit, made payable to the Honorable the Minister of Public Works, for a sum equal to ten (10) per cent. of the tender as security for the due fulfilment of the contract, which shall be forfeited if the party tendering declines to enter into contract when called upon to do so, or if he fails to complete the work contracted for.

The cheques of unsuccessful tenderers will be returned to them upon the execution of the contract.

Tenders will not be considered unless made out on the forms supplied and signed with the actual signature of the tenderers.

A. E. FOREMAN,
Public Works Engineer.

Department of Provincial Public Works,
Victoria, B.C., March 6th, 1919.

Nelson's improved boiler for power or heat, either for steam or hot water. Manufactured in Canada under Canadian patents No. 174916 and 174917. May be had by applying to The T. L. Peck Co., Ltd., Vancouver, B. C.

If someone were to offer you

Health Insurance

very probably you'd say, "humbum," and refuse to listen. Yet this is practically what Dr. Moras offers the people of the United States in his letter to President Wilson on the autological prevention and cure of "flu" pneumonia and other diseases. To say that practically every case of "flu" and pneumonia can be saved is a strong statement. However, don't pass judgment hastily. Read the Moras letter now in booklet form. It will cost you 5 cents at office or by mail.
