BUILDING PERMITS.

8855—Mr. Hamilton, alterations, 123 Pender St. E., $450. R. P. Forshaw, contr.

NEW WESTMINSTER—City Treasurer Gilchrist has recommended to the City Council a complete remodelling of the interior of the city hall.

VANCOUVER—The Northern Construction Co., Vancouver Block, are ready to receive tenders for plumbing, heating, sheet metal and electrical work in connection with their contract to erect the train sheds at the Canadian Northern Ry. Co.'s depot, False Creek.

VICTORIA—At the Board of Trade meeting last week it was reported that the car ferry slip at the Outer Wharf will probably be completed at the end of the year, and as an evidence of the increased activity then to be expected it was stated that the agent of the Chicago, Milwaukee & St. Paul Ry. had made inquiries of the Board as to connecting up with the city.

VANCOUVER—It is reported that Mr. Campbell of Storey & Campbell, and Geo. E. Trorey of Henry Birks & Sons, will have erected on their property at the Northwest corner of Granville and Pacific Sts. a one-story brick building, 75 x 120 feet. If present plans materialize the building will be occupied by a tire firm and a motor truck dealer. Sketch plans are now being prepared by local architects.

VANCOUVER — Commencing Wednesday of this week the University of British Columbia will receive tenders up to noon of Monday, November 19th, for the construction of the following buildings on the University site, Point Grey: Three one-story frame cottages, one wing of dairy barn, silo, manure tank, manure shed and bull pens. Archts. Sharpe & Thompson, London Bldg., prepared the plans.

ROSSLAND—Preliminary work has already commenced on the extension of the high power line of the West Kootenay Power Company from Rossland to Copper Mountain near Princeton. The main extension will be about 180 miles in length by air line and will run via Camp McKinney with branches to Penticton and Princeton. It is understood that the cost of the new line with laterals and sub-stations will be between $2,000,000 and $2,500,000.

VANCOUVER—Following is the list of figures submitted at a joint meeting of the North Vancouver and West Vancouver District Councils for the construction of a bridge over the Capilano River on the Keith Road, each tenderer submitting his own design: Hodgson & King, $7,900; Empress Construction Co., $7,940; Dominion Construction Co., $7,895; W. McNee, $7,475; Harrison & Lamond, $8,900; Baynes & Horie, $7,925. W. Greenless submitted alternative bids of $7,675 and $7,600 or with certain extras, $8,430 and $8,225. The contract will be let Tuesday afternoon, the municipal engineers investigating the relative value of designs in the meantime and reporting then.

BUSINESS NOTES.
and other items of interest to the business man.

VANCOUVER—Notice is given in the Canada Gazette of the increase in stock of the Swift Canadian Company from $3,000,000 to $5,000,000.

VANCOUVER—The contract for the remodeling of the Busy Bee restaurant on Cordova St. will be let to-day, according to Mr. Gregory, the proprietor.

VANCOUVER—Imperial Trade Correspondent P. G. Shallcross, has been advised by H. M. Trade Commissioner at Montreal of a cable received from the British Board of trade regarding goods, the exportation of which has been prohibited from the United Kingdom. The list comprises coir fibre, fish hooks, goatskins, sheepskins, animal hair, lead, farming machinery, hosiery, needles, seal oil, wool, reindeer wool and yarns, rags and shoddy of wool.

NEW WESTMINSTER—The receipt of fees for the registration of deeds, agreements for sale, and other documents in the land registry office for October show a decided increase over that of the previous month. The total for September was $2,690, while for the past month it was $4,460. The receipts for October last year were $5572. In spite, however, of this apparent falling off in registration fees, it is stated that land sales are on the increase, the extra registration of agreements for sale indicating this.

VICTORIA—The following appointments are announced: Mr. Anslow Charles Campbell, to be cashier in the treasury department from November 1; Mr. Arthur Johnson, of Revelstoke, official administrator for the Revelstoke Electoral district; Mr. Harry Andrew, of Anyox, to be Government agent; Mr. Richard T. MINING.

The Cork-Province mill nea. Kaslo, has been enlarged.

The C. P. R. has moved its depot building from dead Boundary Falls to the live Emma mine.

Revelstoke is becoming a mining centre. Within ten days 15 mining men from Spokane were in that city.

It is reported that a Kaslo syndicate will take over and operate the Flint, on the South Fork of Kaslo creek.

Construction of an 1150-foot pony tramway has been commenced at the Eureka mine, on Forty-nine and Eagle creeks, near Nelson.

Clarence Cunningham, the principal mining operator in the Slocan, had a leg broken while descending a shaft in the Queen Bess mine.

From the Omineca district comes news of development and progress. Old mines are being improved and new ones being opened.

PROVINCIAL ESTIMATES ARE TABLED IN THE HOUSE

VICTORIA.—A revenue of just under $6,000,000 and an expenditure of $11,000,000 for the year commencing April 1 next is predicted in the provincial estimates which were tabled in the House by Hon. Lorne Campbell, Minister of Finance, on Monday. The revenue shows a falling off of about $1,000,000 for the anticipated revenue for this year, while the expenditures show a slight increase.

The exact estimated revenue is $5,944,015, as compared with $7,134,615 for the present year, a difference of $1,095,600. The estimated disbursements are $11,301,374, as compared with $11,163,456 for the previous year, an increase of $138,000. The increase is more than accounted for by the increased fixed charges, which are over $300,000.

Summary of Expenditure.

The summary of estimated expenditure indicates that in four of the 14 Government services there will probably be an increased expenditure over last year. In the rest a reduction is predicted.

The following are the totals:

	1916-16.	1916-17.
Public debt	$1,152,376	$1,422,254
Civic government (salaries)	1,709,566	1,687,726
Administration of justice (salaries)	68,000	97,428
Legislation	89,820	167,624
Public institutions (maintenance)	467,426	472,575
Hospitals and charities	574,100	528,800
Administration of justice	378,000	398,670
Education	1,594,600	1,524,500
Transport	83,000	42,000
Revenue services	50,000	35,000
Public works	3,067,315	3,032,010
Miscellaneous	2,128,753	2,032,000

In this year's report of the estimates the service "miscellaneous" is divided into three distinct services, "Lands," upon which $566,000 is to be spent this year, and "agriculture," upon which $176,500 will probably be expended, are each given a service to themselves, thus greatly reducing the "miscellaneous" total.

Present conditions have also necessitated more and larger hospitals, the result being an unusually large increase for hospitals and charities. Last year $16,000 was voted in the way of assistance in the construction of hospitals. This year about $150,000 will probably be granted for that purpose. Grants to refuge homes, aid societies, etc. is increased from $19,000 to $80,000.

University of B. C.

Among the appropriations in this year's estimates is a conditional one of $200,000 for the University of British Columbia. Last year's estimate was $175,000. Included in the works and buildings to be constructed by the Public Works Department are the following: Okalla prison farm, $15,000; improvement of government reserve, Burnaby, $10,000; mental hospital and colony farm, Essondale, $35,000; provincial government buildings, London (completion and maintenance), $175,000; maintenance, $8,000. The appropriations provincial normal school, Vancouver, for roads, streets, bridges and wharves in each constituency are the same as last year. Chilliwack gets $33,300; Delta, $22,500; Dewdney, $68,500, and Richmond $40,000. Eighty thousand is revoted for Kingsway through the Municipality of Burnaby. Point Grey gets $10,000 for roads, and Nicomen Island the same amount for dyking; $13,500 is a subsidy for the Ladner-Woodward ferry.

The vote of $400,000 on last year's estimates for the Second Narrows bridge is left off. For bridges generally $450,000 is set down, while for the bridge over the Fraser River at Prince George there will be an appropriation of $150,000.

An item in the Land Department appropriations is that for $20,000 for "timber testing and investigation of wood products." An indication that the government intends to continue seeking overseas markets for the B. C. lumber trade is that another $50,000 is appropriated for salaries, travelling expenses, and purchase of material.

Other Appropriations.

Among the other appropriations are the following:

Grant to B. C. regiments $5,000, grant to patriotic fund $6,000, grant to boy scouts $1,000, grant to Victorian Order of Nurses $500, grant to returned soldiers' aiid commissions, $15,000; Royal Commissions $15,000 (last year $50,000), cougar bounty $35,000. Contribution to Vancouver toward purchase of certain lanes in Ward VIII., $5,000. Fraser River Bridge, New Westminster, maintenance and repairs, $20,200. Songhees Reserve improvements, $240,000.

THE MEDIUM.

Did you ever notice that 95 per cent. of the big successful firms are firms who advertise? They figure advertising as an investment not an expense. The secret of advertising is the selection of a medium which reaches those people who are or will be the most likely "purchasers of your product." If you are in the building supply or machinery line don't select a moving picture publication in which to do your advertising. Because of the fact that the RECORD is the only paper published in the province devoted exclusively to the contracting business it is read by practically every one you would like to sell your products to. Your ad. where they will see it will put a capital C on your cash.
