WOULD SET ASIDE FIFTY MILLIONS FOR DOMINION WIDE HOUSING SCHEME

OTTAWA (Special)—With only temporary relief from the Dominion-wide housing shortage afforded by the $25,000,000 which was appropriated for a soldier housing scheme by the Dominion Government in 1919, additional plans along this line are now being made for the establishment of returned citizens, which include a $50,000,000 housing scheme, as well as establishment in professions and enterpri[illegible] being di[illegible] Ottawa [illegible] has been appointed by Ottawa command of the G. ROYAL CITY MARKET NOT TO BE BUILT UNTIL NEXT YEAR COUNCIL DECIDES

NEW WESTMINSTER (Special)—By the close vote of four to three, the city council on Monday decided not to proceed with the erection of the first two units of the new city market for this year at least. This means that the contract which was tentatively awarded to the Dominion Construction Company of Vancouver, will be cancelled. All the real action of the council after six months of spasmodic debate, was crystallized in a recommendation to next year's council that the new market should be built out of current revenue.

The chief reason advanced for not

PLAN BIG PULP MILL FOR PRINCE GEORGE

Noted Financiers Are Going North Soon To Select Site For $6,000,000 Plant.

PRINCE GEORGE, B. C. (Special)—[illegible] for a huge pulp and paper manufacturing plant costing approximately $6,000,000, and to be located somewhere in close proximity to Prince George, which have been under way for some time, have now advanced to that stage where the necessary financial backing has been secured and the principals are coming to this city soon to select the site for the big plant. Announcement to this effect is made by Mr. Robert Tyrhurst, general manager of the Fraser River Timber Syndicate, which owns over 200 miles of its own timber limits in this section of the province. The projected pulp and paper mill will be one of the largest industries in the northern interior and will give employment to several hundred men—sufficient to establish a good sized model industrial town where ever the site of the plant is finally selected.

In furtherance of the paper and pulp mill plan, Mr. Tyrhurst, on behalf of his company, has already applied for water rights on the locations of three suggested power plant sites. One of these is at the Grand

KILGARD SCHOOL PLANS READY FOR TENDERS

Plans are now ready and tenders will be accepted up to December 10, for the erection of a one-room school at Kilgard, B. C.

Plans and specifications, contract, form of tender may be seen at the offices of: J. Mahony, Esq., Government Agent, Court House, Vancouver; E. B. McPhail, Esq. to School Board, R.R. No. 2, Abbotsford, B. C. or the Department of Public Works, Victoria, B. C.

PLANS NEW FACTORY FOR FEATHER GOODS HERE

Mr. A. T. Mudie, representing the firm of Mudie, Limited, of London, Liverpool and Australia, is in the city for a few days, and is now seeking a suitable site here or in the vicinity with a view of establishing a factory for the manufacture of his firm's well known feather products. He came out from England on his way to Australia, and intends to establish a factory here in order to supply the Canadian and American trade.

The Mudie concern has been established 90 years and specializes in the manufacture of boas, capes, hats and all varieties of feathers and feather goods. The firm maintains its own ostrich farms in South Africa and among its most prized possessions is a secret dyeing process that has never been known by more than two persons in the 90 years.

ASK BIDS FOR BRIDGE OVER SALMON RIVER

Tenders Invited On Removal Of Old And Building Of New Structure.

The provincial public works department in inviting tenders for the construction of a new highway bridge across the Salmon Belly River near Ymir, B. C. The contract will be an important one, as it involves the removal of the existing structure spanning that stream. Tenders will be received by Mr. G. P. Napier, assistant public works engineer, up to noon of Thursday, December 2.

It is announced on behalf of the minister of public works that the tenderers may bid on the whole contract or the following separate items under individual bids; the construction and erection of concrete piers for the new bridge; the erection of a 90-foot Howe truss span, the timber and iron for which are all to be supplied by the contractor; and the demolition and disposal of the existing bridge. Provision is to be made in awarding the contract that traffic across the present bridge is to be disturned as little as possible until the new bridge is completed and opened.

Plans and specifications of the new bridge may be seen at the offices of the district engineers at the court houses in Vancouver and Nelson, and also at the department of public works, Victoria. The usual deposit of five cent of the amount of the tender must accompany each bid sent in.

CONTRACT AWARDED FOR ORPHANAGE ADDITION

Architect A. E. Henderson, has awarded the contract to build a two-story frame addition to the Alexandra Orphanage to Mr. John K. Sinclair, whose tender of $5,500 was the lowest of a number submitted. The addition is to be used as a dormitry and playroom and the heating will comprise an extension of the existing plant at the Orphanage. A permit for the work has already been issued by the city building department and Contractor Sinclair intends to rush the construction.

NATIONALIST LEAGUE BUILDING TAKEN OVER

Marking the competion in very fair time of another fine structure in the east end of the city, it is announced by Architect Edwardes Sproat that the new Chinese Nationalist League building at the corner of Pender street, east and Gore Avenue, has been formally taken over by the owners.

This modern four story structure building cost in the neighborhood of $75,000 to complete and the owners are very well pleased with their investment. The ground floor is being occupied by stores and the upper floors as a school room, lodge and club quarters.

Canyon on the Fraser River, another on the Willow River and a third on the Nechacco river. It is intimated by Mr. Tyrhurst that the syndicate may develop either one or eventually, all three of these water powers. It is to decide the location of the big pulp and paper mill, together with the sawmill, brickyards and power plant which will be required to furnish the energy for all these, that a distinguished party of financiers who are behind this enterprise, are to pay a visit to Prince George soon. With the world-wide paper shortage, there is no question of market for the product of such a plant. In fact, the product can be sold for several years ahead, so keen is the demand.

Accompanied by several noted engineers the financiers who are to visit Prince George soon comprise such well known figures in the financial world as Loard Beaverbrook, the noted Canadian financial expert. Mr. Alexander Maclaren, president of the St. Maurice Paper Company of Quebec; Mr. Angus McLean, president Bathurst Lumber Co., Bathurst, N. B.; Mr. Frank Jones, president of the Canada Cement Co.; Senator Edwards, the well known lumberman, Mr. Molson McPherson and Sir. Chas. Gordon of the Dominion Textile Co.

WILL SPEND $2,000 ON SCOTT ROAD REPAIRS

LADNER—The spending of $2,000 on the Scott Road, in order to make it passable for vehicular traffic, has been decided upon by the Delta Council. The work will be pushed forward immediately, the council having secured the services of Mr. Cooper as road superintendent. Mr. Cooper has been employed on the Palmer Bros.' paving contract during the summer and is said to have had wide experience on road matters.

ASK NEW BIDS ON SHIPS AT PRINCE RUPERT DOCK

OTTAWA—The department of marine and fisheries has decided to call for new tenders for the completion of the two ships of the Government merchant marine, on which construction was stopped by the failure of the Prince Rupert Shipbuilding Company.

Among those from whom it is understood that tenders will be received are J. J. Coughlan Company, and Wallace Shipyards of Vancouver, and the Harbor Marine Company. The department states that there is an ample guarantee to protect the government, the workmen and others affected by the default of the original contractors.

ROYAL CITY MARKET NOT TO BE BUILT

(Continued from Page 1)

proceeding with the market for which some $68,000, was supposed to be available, lay in a financial statement presented by Ald Keary, finance chairman, showing that tax collections to date were approximately $378,000, which together with other revenue, was all appropriated already and that the city would have only about $3,000 at the end of the year to meet an $18,000 shortage in last year's sinking fund. Much mystery prevailed as to where the $60,000 voted for the erection of the new market had gone, and this point still remains to be cleared up, but in the meantime the citizens will have to get along with the old market plant.

WOULD SET ASIDE FIFTY MILLIONS FOR HOUSING

(Continued from Page 1)

The housing scheme as outlined would provide individual loans not to exceed $5,000, repayable in thirty years, the buildings to be of a standard pattern and the purchase of land and material as well as supervision of erection to be under the Soldiers' Settlement Board.

BOND MEN KEEN FOR B. C. ISSUES

Man Who Paid Above Par for Last Issue, Says Credit Here Is of Best.

Bond houses all along the Coast are keen for more British Columbia Government bonds, as a result of the way investors have rushed for the last couple of issues.

G. A. Haskell of the Carston, Earls Syndicate, Seattle and San Francisco, who came over here two weeks ago and took away the last issue of $1,000,000 six per cent. British Columbia Government P.G.E. bonds by bidding 100.72 for them, returned to Victoria today on the hunt for more.

"We sold the whole $1,000,000 worth of the last lot in an hour," Mr. Haskell said to The Times today.

"British Columbia securities are now regarded favorably by investors from Seattle to San Francisco. They realize that the Hon. John Hart, your Minister of Finance, has put the province back into a sound financial position. This province, as far as outsiders who have money to invest can see it, is now in quite a different financial position from what it was in, in the past. Careful management has brought back its credit."

Mr. Haskell said that British Columbia bonds now have greater popularity with investors south of the line than even Ontario bonds.

Other bond men are here today trying to get more British Columbia bonds, although they now have to pay the Government more than par for them, because they are in such demand from the public.

—Victoria Times, Oct. 16, 1920.

When the Oliver Government assumed office four years ago, the credit of British Columbia was so low that it was impossible to sell the British Columbia bonds except at a sacrifice which no business administration would possibly consider.

The Last Million Dollar Bond Issue Of The Oliver Government

which was put on the market in October, 1920, brought a premium of over $33,000, making the low net rate of interest 4¾ per cent. per annum, a better price than that received by other provinces for a similar loan.

SAANICH DISPLAYS BUILDING ACTIVITY

Building Permits Issued During Past Two Months Total $42,000.

VICTORIA — Considerable building activity is going on in the Saanich municipality as shown by the permits issued during the past two months totalling $42,000.

Of the larger dwellings under construction probably the most elaborate is the frame residence being erected for Campbell Patterson at Gordon Head. The Wood, Foyster Construction Company, are the contractors, the building costing $10,000. Messrs. Evans & Green are building a $5,500 frame residence for A. C. McDonald at Ferndale road and Tyndall ave.

On Reynolds Ave. a seven-room dwelling costing in the neighborhood of $6,000 is going up for J. A. Hallier. Tuck & Brandson are the contractors for the Hallier residence.

John Townsend is building a $2,000 dwelling in Kingsley Street. A five-room bungalow is being built on Patricia Ave. for Mrs. E. Young. A $3,000 dwelling is being erected on Shelbourne street for the Canadian Financiers, Ltd. This bungalow is the first of a number of such dwellings which it is proposed to build in the University Heights sub-division. It is a $3,000 structure.

W. Jennings is building a bungalow on North Quadra street to cost $3,500. Another $3,000 bungalow is being erected for Mrs. W. Trueman on Second street.

Steady progress is being made by Williams, Trerise & Williams on the construction of the $25,000 Health centre the walls of which are rising at Glanfield Ave. and Saanich Road.

LARGE TANK LINED WITH MOSAIC TILING

VICTORIA—Wm. N. O'Neil Co., Victoria, Ltd., have just completed a contract for the repairing of the large swimming tank at the Y. M. C. A. building here. Approximately 200 feet of mosaic tiling was fitted.

ERECTING DWELLINGS UNDER HOUSING PLAN

VICTORIA—Two contracts have been placed within the past few days under the Housing Scheme. The Co-Operative Contract Company has been awarded a contract to build a six-room tile dwelling for E. E. Blake on Victor street, Fernwood district. The house will cost $4,200.

Another building has been started for J. A. Watson on Denman street, Fernwood. The latter is a five-room bungalow and will be erected at a cost of $3,000.

START NEXT MONTH TO REMODEL LEE BUILDING

VICTORIA—Architect C. E. Watkins is now engaged in completing plans for the remodeling of the Lee Building, corner Johnson and Broad streets, recently purchased by the Canadian Fairbanks-Morse Co., Ltd. The work of converting this building to suit the new owners will be commenced early next month.

J. L. Skene, Dallas Road, will do the contracting work. It is planned to convert the ground floor into a sales department and offices. Freight elevators and a steam heating plant will be installed. The existing building is a two-story structure, but at a later date, it is proposed to add another storey.

VICTORIA—Slade & Co., fruit merchants, have begun alterations to a building adjoining their premises on Yates street. The building is to be utilized as a fruit warehouse. The alterations will cost $2,000.

DEVELOPMENT OF INDUSTRIAL AREA

Provincial Government To Undertake Road Construction On Songhees Reserve.

VICTORIA—In anticipation of an early start on the Johnson street bridge the Provincial Government has decided to proceed immediately with the construction of roads on the Songhees Reserve industrial area. The Government engineers have completed plans for the development work and preliminary operations in connection with the proposed new road works will be inaugurated early next week.

The principal work outlined involves the grading of the western approach to the Johnson street bridge and the surfacing of the existing levels linking up the industrial section

Fibrelastic
A Semi-liquid, Asbestos Roof Coating for felt, Gravel, Tin, Iron, old Shingles & other roofs.
FIBRELASTIC is made with Asbestos, the most durable and indestructible material known, as a base. This is combined by special processes with various oils and other weather-resisting materials, producing a compound that forms a most durable, impregnable and waterproof film when used on a roof. It can be used on any type of roof but is particularly recommended for gravel, felt, compound, corrugated iron, tin and old shingled roofs. It is simple to apply, as illustrated below, and one coat is sufficient to make a thoroughly satisfactory and protective coating.

Fibreoid
A Plastic Asbestos Compound for forming a durable One-piece Seamless Roofing & also for stopping leaks on roofs or eaves-troughs.
FIBREOID when used on a new roof and spread to a uniform thickness will make a superior one piece seamless roofing, that has many advantages over ordinary roofing materials and is not affected in the least by heat, frost or rain. FIBREOID is particularly suited for the stopping of leaks in roofs and eavestroughs, also around skylights and chimneys.
The Fibreoid is pressed firmly into and around the parts where the leaks occur and the surface smoothed over. Being unaffected by cold or heat and being absolutely waterproof it adheres strongly to any surface under all conditions, rendering the parts to which it has been applied positively watertight.
It is also very useful for the repairing of flashings and for the insulating of boiler rooms where it can be used to decided advantage on the walls and boiler settings.

DEVELOPMENT OF INDUSTRIAL AREA

(Continued from page 3)

with Esquimalt road, which in reality will be a continuation of Johnson street when the new bascule bridge has been completed. A road is to be built around the waterfront, giving access to the industrial sites and shipyards. Another road will be built running north and south from the Johnson street extension, across Esquimalt road and parallel with the Canadian National Railways yards to tidewater on the Gorge. The proposed new roads will make every part of the Songhees Reserve area accessible and help largely to relieve the unemployment situation.

NOTICE TO CONTRACTORS
Technical School, Vancouver.

Sealed Tenders, superscribed "Tender for Alterations and Repairs to Technical School, Vancouver," will be received by the Honourable the Minister of Public Works up to 12 o'clock noon of Friday, the 19th day of November, 1920, for the completion of certain alterations and repairs to the new Technical School, Vancouver, formerly known as the Labour Temple, in the Vancouver Electoral District, B.C.

Plans, specifications, contract and forms of tender may be seen on and after the 12th day of November, 1920, at the office of J. Mahony, Esq., Government Agent, Court-house, Vancouver; J. Barrs, Esq., School Board Office, Vancouver; or the Department of Public Works, Victoria, B.C.

Intending tenderers can obtain a copy of plans and specifications by applying to the undersigned with a deposit of ten dollars ($10), which will be refunded on their return in good order.

Each proposal must be accompanied by an accepted bank cheque on a chartered bank of Canada, made payable to the Honourable the Minister of Public Works, for a sum equal to 10 per cent. of tender, which shall be forfeited if the party tendering decline to enter into contract when called upon to do so, or if he fail to complete the work contracted for. The cheques of unsuccessful tenderers will be returned to them upon the execution of the contract.

Tenders will not be considered unless made out on the forms supplied, signed with the actual signature of the tenderer, and enclosed in the envelopes furnished.

The lowest or any tender not necessarily accepted.

S. P. NAPIER,
Assistant Public Works Engineer.
Public Works Department,
Victoria, B.C., November 8th, 1920.

PRINCE RUPERT COURT HOUSE.
NOTICE TO CONTRACTORS.

Sealed tenders, superscribed "Tender for Prince Rupert Court House, and Heating Prince Rupert Court House," will be received by the Honorable the Minister of Public Works up to 12 o'clock noon of Thursday, the 25th day of November, 1920, for the erection and completion of a Court House at Prince Rupert and the heating arrangements in connection therewith, in the Prince Rupert Electoral District, B. C.

Plans and specifications, contract and forms of tender may be seen on and after the 4th day of November, 1920, at the office of J. Mahony, Esq., Government Agent, Court House, Vancouver; J. H. McMullin, Esq., Government Agent, Court House, Prince Rupert; or the Department of Public Works, Victoria, B. C.

The lowest or any tender not necessarily accepted.

A. E. FOREMAN,
Public Works Engineer.
Public Works Department,
Victoria, B. C., October 26, 1920.

NOTICE TO CONTRACTORS
CITY OF VICTORIA, B. C.
JOHNSON STREET BRIDGE.
CONTRACT NO. 1.

Sealed Tenders, addressed to the City Clerk, either on a lump sum or schedule basis, for the construction of the greater part of the substructure, will be received up to noon on November 22, 1920. Plans and specifications may be obtained from the City Engineer, on and after October 29, 1920, by depositing the sum of ten dollars ($10.00), which will be returned upon receipt of a bona fide tender.

The lowest or any tender will not necessarily be accepted.

J. L. BAYMUR,
Purchasing Agent.
City Hall, Victoria, B. C.

NOTICE TO CONTRACTORS

Sealed tenders addressed to the undersigned and endorsed "Tender for Dry Dock at Esquimalt, British Columbia," will be received at this office until 12 o'clock noon, Thursday, Dec. 9, 1920, for the construction of a Dry Dock at Esquimalt, British Columbia.

Plans and forms of contract can be seen and specification and forms of tender obtained at this Department, at the offices of the District Engineers at Victoria, B. C.; Equity Building, Toronto, Ont.; Shaughnessy Building, Montreal, P.Q., and at the Post Office, Vancouver, B. C.

Tenders will not be considered unless made on printed forms supplied by the Department and in accordance with conditions contained therein.

Each tender must be accompanied by an accepted cheque on a chartered bank, payable to the order of the Minister of Public Works, equal to five per cent. of the amount of the tender. War Loan Bonds of the Dominion will also be accepted as security or War Bonds and cheques if required to make up an odd amount.

Note.—Blue prints can be obtained at this Department by depositing an accepted bank cheque for the sum of $50, payable to the order of the Minister of Public Works, which will be returned if the intending bidder submit a regular bid.

By order,
R. C. DESROCHERS,
Secretary.
Department of Public Works, Ottawa.
Sept. 14, 1920.

SUCCESS.

If you thing you are beaten, you are;
If you think you dare not, you don't.
If you like to win but think you can't,
It's almost a cinch, you wont.
If you think you'll lose, you're lost;
For out in the world, we find
Success begins with a fellow's will—
It's all in the state of mind.

—Exchange.
