BUILDING PERMITS.

8813—Harry Hoffmeister, repairs to bldg., 811 Davie St., $300.

VANCOUVER — Adam Jack, 800 Keefer St., has a contract to build Dutch ovens for five boilers at the plant of the Nicola Valley Lumber Co.'s plant, Canford, B. C.

VANCOUVER—Archt. A. E. Henderson, 155 13th Ave. W., is preparing plans for a warehouse to be erected at Langley Prairie for the Brackman-Ker Milling Co.

LADYSMITH—Permission has been granted the B. C. Telephone Company by the Ladysmith Council to erect a new building at the rear of their premises at a cost of $200.

ASHCROFT—Work on the addition to the Dominion public building began on Tuesday last, and preparations are being made for the concrete foundation. Mr. Hunt, of Victoria, who contracted for and built the main building, is in charge of this work.

VANCOUVER—It is reported that a two-story brick building, 75x120, will be erected on the southeast corner of Pender and Carrall streets for a Chinese firm in the very near future. The same company also intends having a two-story brick building erected on the site of the old Great Northern depot, Pender street east.

VICTORIA—Finding that it cannot move further in the Johnson Street bridge matter till the Board of Railway Commissioners gives a judgment on the highway rights application, the City Council has determined to leave the question in abeyance for the present. This decision was reached after the reading of the Board's reply on the joint application.

PRINCE RUPERT—It is reported here that car ferries for the handling of ore from Granby Bay and Alice Arm will be built at the drydock plant in Prince Rupert, which has been standing idle since its completion, about two years ago. A representative of Yarrows Limited, Victoria, is expected here soon. The industry would employ possibly a hundred men.

VANCOUVER—G. Kilgren, 962 14th Ave. E. (Fair. 946L), has been awarded a contract by Archt. F. L. Townley to erect a one-story brick store building 120x25, on Pender St. E., between Main and Carrall St., for Yan Wo & Co. The building wil be on the south side of the street near the Sherman Hotel, and will cost about $5,500. Work is to be started immediately and the contractor is ready to receive tenders on all sub-contracts. He also wants figures for the supplying of 70,000 common brick.

It is stated that Yan Wo & Co. has commissioned Archt. Townley to prepare plans for another and larger building to be erected on Pender St. a little nearer Main St. This building will be two stories and basement, and cost around $20,000. The first floor will be occupied by stores and the upstairs will be fitted up for club rooms. It is expected that work on this building will be started within a couple of weeks.

BUSINESS NOTES.
and other items of interest to the business man.

PORT MOODY—Mr. John Crossley, analytical chemist of B. C. Oil Refinery has left for Victoria where he will take up a similar position in the Sydney Rubber and Asphalt Roofing Company.

LADYSMITH—Mr. Henderson, government architect, has written the Ladysmith Council enclosing plans and making suggestions with regard to the monument to be erected on the post office grounds in memory of those Ladysmith boys who have made the supreme sacrifice.

VANCOUVER—The civic finance committee has decided to keep the charter of the Burrard Inlet Tunnel and Bridge Company alive, despite the suggestion of the auditors of the company that the charter might be allowed to lapse, as there was little probability of funds being available for a start on the much-talked of Second Narrows bridge for some time. The city is one of the principal stockholders in the bridge company.

NEW WESTMINSTER—A definite assurance that the shipyards established at Poplar Island by the New Westminster Construction and Engineering Company will be a permanent industry regardless of whether the Imperial Munitions Board award any more ship contracts on the Pacific Coast, was given by Mr. H. M. Fullerton, secretary-treasurer of the company, at the regular monthly meeting of the Board of Trade this week.

VICTORIA—Three score or more tenders for the purchase of municipal machinery and junk were opened at the City Council meeting this week. They will be investigated by Purchasing Agent Galt and a special committee and reported on to a special meeting of the Council. Among the bills were $200 for the old John Grant fire engine, 3 cents a pound for old mixed rubber, $32 a ton for scrap iron, 26 cents a pound for scrap copper.

VICTORIA—The total assessed values of property in the 35 city and 28 rural municipalities of the province this year is $579,626,112.10, not including exempted values aggregating $37,612,256.04, according to the annual returns just complied by Municipal Inspector Robert Baird. These totals compare with an assortment of $610,240,473.72 in 1916, exclusive of exempted values of $43,261,416.91 and with $682,886,942.65, exclusive of $38,451,309.58 exemptions in 1915.

VICTORIA—Permission to erect a smoke-house on the wharf at the rear of 1302 Wharf Street, has been granted by the City Council to Burdick Bros. & Brett, Ltd., on the recommendation of Fire Chief Davis and Building Inspector Northcott. The work will have to be carried out in compliance with the city's fire prevention by-laws. The same firm, through their architect, Mr. Percy Fox, applied for a relaxation of the building regulations in connection with the construction of a garage at Yates and Blanshard streets, because of the present high price of metal lath, which has doubled. The building inspector and the fire chief will investigate and report.

CALGARY—The bricklayers on several buildings in the course of construction here quit work this week, in sympathy with the carpenters' union. All the works affected were employing non-union carpenters.

MINING.

Six furnaces are now in operation at the Granby Grand Forks smelter.

This week is a record for number of mines shipping to the Consolidated smelter in one week—39.

In nine months of 1917 American mines sent 32,000 tons of ore to Trail; Rossland 72,000 tons; Slocan and Ainsworth 30,000 tons, and East Kootenay 104,000 tons.

By the end of this week, it is expected that the electrolytic zinc plant, temporarily reduced in output by the collapse of the flue dust chamber last week, will be in running order again.

PROVINCIAL ESTIMATES ARE TABLED IN THE HOUSE

VICTORIA.—A revenue of just under $5,000,000 and an expenditure of $11,000,000 for the year commencing April 1 next is predicted in the provincial estimates which were tabled in the House by Hon. Lorne Campbell, Minister of Finance, on Monday. The revenue shows a falling off of about $1,000,000 for the anticipated revenue for this year, while the expenditures show a slight increase.

The exact estimated revenue is $5,944,015, as compared with $7,134,616 for the present year, a difference of $1,096,600. The estimated disbursements are $11,301,374, as compared with $11,163,054 for the previous year, an increase of $138,000. The increase is more than accounted for by the increased fixed charges, which are over $200,000.

Summary of Expenditure

The summary of estimated expenditure indicates that in four of the 14 Government services there will probably be an increased expenditure over last year. In the rest a reduction is predicted.

The following are the totals:

	1915-16.	1916-17.
Public debt	$1,152,276	$1,422,254
Civic government (salaries)	1,709,566	1,687,736
Administration of justice (salaries)	68,000	67,428
Legislation	89,320	167,620
Public institutions (maintenance)	467,426	472,575
Hospitals and charities	374,100	526,800
Administration of justice	278,000	308,670
Education	1,594,600	1,624,500
Transport	83,000	48,000
Revenue services	50,000	25,000
Public works	3,067,315	3,032,010
Miscellaneous	2,128,752	2,082,000

In this year's report of the estimates the service "miscellaneous" is divided into three distinct services. "Lands," upon which $568,060 is to be spent this year, and "agriculture," upon which $176,500 will probably be expended, are each given a service to themselves, thus greatly reducing the "miscellaneous" total.

Present conditions have also necessitated more and larger hospitals, the result being an unusually large increase for hospitals and charities. Last year $10,000 was voted in the way of assistance in the construction of hospitals. This year about $150,000 will probably be granted for that purpose. Grants to refuge homes, aid societies, etc., is increased from $19,000 to $30,000.

University of B. C.

Among the appropriations in this year's estimates is a conditional one of $200,000 for the University of British Columbia. Last year's estimate was $175,000. Included in the works and buildings to be constructed by the Public Works Department are the following: Okalla prison farm, $15,000; improvement of government reserve, Burnaby, $10,000; mental hospital and colony farm, Essondale, $35,000; provincial government buildings, London (completion and maintenance), $175,000; maintenance, $8,000. The appropriations provincial normal school, Vancouver, for roads, streets, bridges and wharves in each constituency are the same as last year. Chilliwack gets $33,300; Delta, $22,500; Dewdney, $63,500, and Richmond $40,000. Eighty thousand is devoted for Kingsway through the Municipality of Burnaby. Point Grey gets $10,000 for roads, and Nicomen Island the same amount for dyking; $13,500 is a subsidy for the Ladner-Woodward ferry.

The vote of $400,000 on last year's estimates for the Second Narrows bridge is left off. For bridges generally $450,000 is set down, while for the bridge over the Fraser River at Prince George there will be an appropriation of $150,000.

An item in the Land Department appropriations is that for $20,000 for "timber testing and investigation of wood-products." An indication that the Government intends to continue seeking overseas markets for the B. C. lumber trade is that another $50,000 is appropriated for salaries, travelling expenses, and purchase of material.

Other Appropriations.

Among the other appropriations are the following:

Grant to B. C. regiments $5,000, grant to patriotic fund $6,000, grant to boy scouts $1,000, grant to Victorian Order of Nurses $500, grant to returned soldiers' aid commissions, $15,000; Royal Commissions $15,000 (last year $50,000), cougar bounty $35,000. Contribution to Vancouver toward purchase of certain lanes in Ward VIII., $5,000. Fraser River Bridge, New Westminster, maintenance and repairs, $20,200. Songhees Reserve improvements, $240,000.

THE MEDIUM.

Did you ever notice that 95 per cent. of the big successful firms are firms who advertise? They figure advertising as an investment not an expense. The secret of advertising is the selection of a medium which reaches those people who are or will be the most likely "purchasers of your product." If you are in the building supply or machinery line don't select a moving picture publication in which to do your advertising. Because of the fact that the RECORD is the only paper published in the province devoted exclusively to the contracting business it is read by practically every one you would like to sell your products to. Your ad. where they will see it will put a capital C on your cash.

VANCOUVER — Reporting to the Civic Fire and Police Committee Fire Chief J. H. Carlisle stated that the department has responded to 44 alarms during the past month. The value of the property involved in these outbreaks of fire was $141,650 and the estimated loss was $3,419. The insurance paid totalled $3,287 and the loss above insurance was only $132.

MATSQUI—Tenders for the work on three roads were opened at the last meeting of the Matsqui council and the contracts were let. For stumping, logging and grading the Huntingdon road there were four tenders, viz.: N. Prasiloski, $244, E. W. Mouldey, $260; A. F. Welch, $270, and Chas. F. Little of Abbotsford, $265. The contract was let to the lowest tenderer. Three tenders were presented for making the fill on the Downes road these being from J. Litzenberger for $325, Basani Giovani, $350, and E. W. Mouldey for $360. In connection with these tenders there was a misunderstanding as to specifications and the matter was referred to Reeve McCallum and Councillor Phinney with power to act. The grading of Pihl's hill on the Le Feuvre road was let to M. Pihl, the sole tenderer, for $148.99.

PROPOSALS WANTED

TIMBER SALE X 361.

Sealed tenders will be received by the Minister of Lands not later than noon on the 28th day of November, 1917, for the purchase of Licence X361, to cut 6,290,00 feet of Douglas fir, hemlock, cedar and spruce on an area situated on Agamemnon Channel, N.W.D.

Three (3) years will be allowed for removal of timber.

Further particulars of the Chief Forester, Victoria, B. C., or District Forester, Vancouver, B. C.

DEPARTMENT OF WORKS.

NOTICE TO CONTRACTORS.

GIRLS' INDUSTRIAL SCHOOL, VANCOUVER.

Sealed tenders superscribed "Tender for Drainage at Girls' Industrial School, Vancouver," will be received by the honorable the minister of public works up to 12 o'clock noon of Friday, the 26th day of October, 1917, for the erection and completion of a system of drainage to the Girls' Industrial School Cassiar St., Vancouver, B. C.

Plans, specifications, contract and forms of tender may be seen on and after the 7th day of October, 1917, at the office of J. Mahoney, Esq., government agent, Court House, Vancouver, or the department of public works, Victoria, B.C.

Intending tenderers can obtain one copy of plans and specifications by applying to the undersigned with a deposit of ten dollars ($10), which will be refunded on their return in good order.

Each proposal must be accompanied by an accepted bank cheque on a chartered bank of Canada, made payable to the honorable the minister of public works, for a sum equal to 20 per cent. of tender, which shall be forfeited if the party tendering decline to enter into contract when called upon to do so, or if he fails to complete the work contracted for. The cheques of unsuccessful tenderers will be returned to them upon the execution of the contract.

Tenders will not be considered unless made out on the form supplied, signed with the actual signature of the tenderer, and enclosed in the envelopes furnished.

The lowest or any tender not necessarily accepted.

A. E. FOREMAN,
Public Works Engineer.
Public Works Department.
Victoria, B.C., October 3, 1917.
