GRANVILLE ST. BLOCK WILL BE REMODELLED

Elliott, Shandley & McLean, Victoria, have decided to remodel the Leigh Spencer Block at 553 Granville St. The alterations will consist of changing the front of the building, painting and altering the interior and the installation of a new elevator. No architect has been selected to prepare the plans as yet. It has also been decided to change the name from the Leigh-Spencer to the Central Bldg.

RAILWAY WORK AT HOPE COMMENCED THIS WEEK

HOPE—Work on the V. V. & E. connection at Hope has commenced and will be continued until the link between the K.V.R. tracks and those of the C.N.R. and at least two side-tracks are completed. This is considerably less than the final plans of the company call for, and much less than the right-of-way acquired provides for, but it may be all that will be attempted this season.

ESQUIMALT COUNCIL AWARDS SEWER CONTRACT

ESQUIMALT—The Esquimalt council has let the sewer contract "C" to Warren & Stancombe for $8,000, this being the lowest tender. H. P. Rutter has been appointed inspector for this work, and a resolution passed in connection with the contract that any extras are first to be approved by the sewer committee of the council. Actual work will be commenced at once.

SOAP FACTORY TO BE OPERATED ON LORNE ST.

Albert Salmons, 4198 Main St., South Vancouver, will immediately equip a factory for the manufacture of soaps at the rear of 148 Lorne St. It is understood that about $3,000 will be spent for machinery and equipment and a small amount for alterations to the building.

MAY LET CONTRACT TODAY

Archts. Sharpe & Thompson, London Bldg., have decided as to who will be awarded the contract for the work at the University of B. C., although no announcement will be made until the contract is actually signed. This will probably be today.

TO BUILD PLANT

NEW WESTMINSTER—Plans of the vegetable evaporating plant to be built on the waterfront by the Canadian products Limited, have been approved by the City Council, and it is anticipated that construction work will begin very shortly.

STEEL BRIDGE COLLAPSES

NELSON—The steel bridge at Lemon Creek, on the Canadian Pacific Nelson-Slocan line, has collapsed. The Slocan line will be tied up most of this week. The Kaslo and Slocan railway still is inoperative owing to numerous washouts at various points on the line.

TO ERECT SCHOOL.

ROSSLAND—Although Rossland has $50,000 available for a new school it finds this is not sufficient to erect a brick structure of the size required, so it has been decided to proceed with the building of a frame school.

PORT COQUITLAM—The city council has awarded the contract for graveling, grading and ditching a considerable portion of Mary Hill road to J. B. Wilson.

BUILDING PERMITS.

Only Permits amounting to less than $500 will be found under this head.

8141—Balfour Guthrie & Co., 1 sto. gal. iron open shelter, 951 Cordova E., owners, contrs., $400.

HUGE PAYMENTS MADE BY INSURANCE COMPANIES

NEW YORK.—Distributions by life insurance organizations in the United States and Canada amounted to $733,700,000, in 1915. The amount exceeded by $47,000,000 the amount computed for 1914. Under the policies of level-premium companies and the certificates of life insurance organizations on the assessment basis, the payments in the two countries for death claims, matured endowments and other benefits amounted to $451,300,000. For premium savings, for the cash value of policies that were surrendered, for annuities, and to beneficiaries under policies issued in foreign countries, the regular companies of the United States and Canada paid amounts, estimated in part, that aggregated $282,400,000.

TIMBER PROSPECTS BRIGHT.

VICTORIA—The Minister of Lands is informed that while no sawmill timber is being logged in the Fort George forest district, present operations being confined to the taking out of timber for bridge and road construction, mining development and cordwood, the future of the lumber industry in that country is looked upon as being hopeful.

VICTORIA.—Roof fires have occurred at 1615 Richmond Avenue, 105 Fort Street, and 1170 Yates Street.

BUSINESS NOTES.

and other items of interest to the business man.

At the meeting of the park board this week, the board adopted the revision of the park estimates brought in by the finance committee and revised so that they come within the $40,000 appropriation for park purposes in 1916 voted by the city council.

The B. C. Electric railway company has decided to remove the opaque paint and other obstructions to a clear view in the front of the company's tram cars.

The directors of the Angling club made an inspection of the club's new rooms at the Loo building last evening and decided on the buying of furniture.

Toilets will be installed at the Brockton Point grounds at a cost of $500.

NORTH VANCOUVER.—The city council has accepted the tender of W. B. McFarland & Co. for employers' and public insurance in connection with the city ferries. The price was 40 cents on the $100 on the former, and 45 cents per $100 on the latter.

NEW WESTMINSTER—Organization of local insurance agents into what will be known as the Federation of Insurance Men has been perfected. Mr. S. F. Mark was elected president; James I. Keary, vice-president; A. A. Matthison, secy-treas.; and the executive committee comprises Messrs. J. J. Johnston, W. F. Emonds, W. B. English, H. H. Lennie and E. J. Chesterfield.

VANCOUVER ISLAND MILLS ARE AGAIN IN OPERATION

VICTORIA—That there has been a remarkable improvement in industrial conditions on Vancouver Island is apparent from reports from all sections This applies particularly to the lumber trade, it being stated that all the lumber mills are in operation after a period of depression throughout which many have not had enough business to enable them to keep their plants going. Now, however, everything is different. Not only are they turning out lumber of all kinds as fast as possible, but, in several instances, the facilities for the handling of logs as well as those for turning them into the manufactured article, are being increased.

The Qualicum Beach Lumber Co. is engaged in the construction of a mile of railway to enable the transportation of logs from its limits in large quantities, and the New Ladysmith Lumber Co. is constructing three miles of railway from the mill at old Wellington to the new limits, making a logging road six miles in length. Several other mills are also increasing their facilities.

PROVINCIAL ESTIMATES ARE TABLED IN THE HOUSE

VICTORIA.—A revenue of just under $6,000,000 and an expenditure of $11,000,000 for the year commencing April 1 next is predicted in the provincial estimates which were tabled in the House by Hon. Lorne Campbell, Minister of Finance, on Monday. The revenue shows a falling off of about $1,000,000 for the anticipated revenue for this year, while the expenditures show a slight increase.

The exact estimated revenue is $5,944,015, as compared with $7,134,615 for the present year, a difference of $1,095,000. The estimated disbursements are $11,301,374 as compared with $11,163,056 for the previous year, an increase of $138,000. The increase is more than accounted for by the increased fixed charges, which are over $300,000.

Summary of Expenditure

The summary of estimated expenditure indicates that in four of the 14 Government services there will probably be an increased expenditure over last year. In the rest a reduction is predicted.

The following are the totals:

	1915-16.	1916-17.
Public debt	$1,152,376	$1,422,254
Civic government (salaries)	1,709,566	1,037,7[illegible]
Administration of justice (salaries)	68,000	67,428
Legislation	89,820	167,620
Public institutions (maintenance)	467,426	472,575
Hospitals and charities	374,100	525,800
Administration of justice	378,000	308,670
Education	1,594,600	1,524,500
Transport	83,000	43,000
Revenue services	50,000	25,000
Public works	3,067,315	3,023,010
Miscellaneous	2,128,752	2,032,000

In this year's report of the estimates the service "miscellaneous" is divided into three distinct services. "Lands," upon which $565,000 is to be spent this year, and "agriculture," upon which $176,500 will probably be expended, are each given a service to themselves, thus greatly reducing the "miscellaneous" total.

Present conditions have also necessitated more and larger hospitals, the result being an unusually large increase for hospitals and charities. Last year $16,000 was voted in the way of assistance in the construction of hospitals. This year about $150,000 will probably be granted for that purpose. Grants to refuge homes, aid societies, etc, is increased from $19,000 to $80,000.

University of B. C.

Among the appropriations in this year's estimates is a conditional one of $200,000 for the University of British Columbia. Last year's estimate was $175,000. Included in the works and buildings to be constructed by the Public Works Department are the following: Okalla prison farm, $15,000; improvement of government reserve, Burnaby, $10,000; mental hospital and colony farm, Essondale, $35,000; provincial government buildings, London (completion and maintenance), $175,000; provincial normal school, Vancouver, maintenance, $8,000. The appropriations for roads, streets, bridges and wharves in each constituency are the same as last year. Chilliwack gets $53,300; Delta, $22,500; Dewdney, $63,500, and Richmond $40,000. Eighty thousand is revoted for Kingsway through the Municipality of Burnaby. Point Grey gets $10,000 for roads, and Nicomen Island the same amount for dyking; $13,500 is a subsidy for the Ladner-Woodward ferry.

The vote of $400,000 on last year's estimates for the Second Narrows bridge is left off. For bridges generally $460,000 is set down, while for the bridge over the Fraser River at Prince George there will be an appropriation of $150,000.

An item in the Land Department appropriations is that for $20,000 for "timber testing and investigation of wood products." An indication that the government intends to continue seeking overseas markets for the B. C. lumber trade is that another $50,000 is appropriated for salaries, travelling expenses, and purchase of material.

Other Appropriations.

Among the other appropriations are the following:

Grant to B. C. regiments $5,000, grant to patriotic fund $6,000, grant to boy scouts $1,000, grant to Victorian Order of Nurses $500, grant to returned soldiers' aid commissions, $15,000; Royal Commissions $15,000 (last year $50,000), cougar bounty $35,000. Contribution to Vancouver toward purchase of certain lanes in Ward VIII., $5,000. Fraser River Bridge, New Westminster, maintenance and repairs, $20,200. Songhees Reserve improvements, $210,000.

CONGOLEUM

Floor Coverings

If you have Congoleum on your floors, you can run a mop over them and they will be cleaner than any swept floor. Congoleum is waterproof right through—water cannot injure it. Compared with printed linoleum, Congoleum is more durable, more attractive, more waterproof, yet the price is less. Congoleum requires no fastening—any one can lay it—it won't curl up.

Congoleum Rug Borders, laid next to a rug or carpet, give the actual appearance of polished oak.

THE MEDIUM.

Did you ever notice that 95 per cent. of the big successful firms are firms who advertise? They figure advertising as an investment not an expense. The secret of advertising is the selection of a medium which reaches those people who are or will be the most likely "purchasers of your product." If you are in the building supply or machinery line don't select a moving picture publication in which to do your advertising. Because of the fact that the RECORD is the only paper published in the province devoted exclusively to the contracting business it is read by practically every one you would like to sell your products to. Your ad. where they will see it will put a capital C in your cash.

VICTORIA PERMITS

VICTORIA—A building permit for the construction of a warehouse and workshop on the Dominion property across the Johnson Street bridge, has been issued to the Department of Marine and Fisheries, at a cost of $16,300, being part of the work arranged to be done in connection with the storage of aids to navigation at the Dominion wharf. Parfitt Brothers, Ltd., have the contract for the work, which will consist of accommodation for the plant and supplies.

No definite decision was come to at the meeting regarding the widening of Commercial Street, held between the property owners interested and the municipal council, Tuesday. A committee was appointed to bring the owners' proposition before the council at its meeting in the municipal hall next Tuesday evening.

Mr. G. J. Hammond has taken a lease on the Puget Sound Iron Works property on Texada Island, and will work the copper on the place. Mr. Hammond is having new wharves, bunkers and a tramline constructed, and expects to start active operations on the mine in a short time.

NANAIMO—The city council has received a letter from the Minister of Public Works, Victoria, in which he states that the government cannot assist the city in the paving of Haliburton Street, for which work the city had asked aid.
