LIBERAL CONVENTION

Yale-Cariboo Grits Nominate Candidate

FOR THE DOMINION HOUSE

After Keen but Friendly Contest Duncan Ross Selected

The Liberal convention for Yale-Cariboo is over and the candidate is in the field. It was a great convention. From Barkerville in the north to Cascade in the extreme southeastern corner of the big riding every polling subdivision was represented in the convention. Yale-Cariboo is no pocket borough; it is an empire within itself, and when busy business men are found in the convention taking a keen interest in the proceedings and willingly giving a week of their time to the great cause, then it is safe to assume that Liberalism is not dead in Yale-Cariboo. An unprejudiced observer of the convention proceedings and the men who were there could not but be impressed with the splendid type of manhood represented. Business and professional men, the artizan and the laborer, were all there determined that they would do their share in perpetuating a government that has done much for Canada and under whose further administration there is every assurance of an era of prosperity and development in Yale-Cariboo.

Kamloops has improved in recent years. Nature has been kind to the interior capital with the pretty Indian name. A splendid situation, the most perfect climate in British Columbia and a rich surrounding country; Kamloops was bound to grow. But the Kamloops of ten years ago was famous for its poor hotels and worse whisky. Today the hotel accommodation is satisfactory, and the city has improved in other directions. Its citizens are confident that it will yet be a mining town, and judging from the showing of copper ore in the Iron Mask and outcropping of coal in the immediate vicinity, their confidence is not misplaced.

But that is another story. The delegates assembled at Raven's hall at 2 o'clock Wednesday afternoon. F. J. Deane called the meeting to order. He was made temporary chairman and Dr. M. S. Wade, secretary of the Kamloops association, was made temporary secretary. After the credentials committee reported these appointments were made permanent. No better selection could be made. At 8 o'clock the same evening the big convention was over. That so much was accomplished in the short time was largely due to the tactful decisiveness of Chairman Deane. Every delegate was treated with consideration, but there was no dilly-dallying, and delegates from a distance anxious to get back to their homes were loud in their praises of the good work done by the chairman and secretary. The credentials committee was comprised of the following representatives from the various provincial ridings:

Cariboo, J. B. Leighton; Lillooet, C. B. Deans; Yale, A. M. Leitch; Kamloops, M. S. Wade; Okanagan, C. E. Lefroy; Similkameen, D. Black; Grand Forks, W. H. P. Clement; Greenwood, A. Robinson.

They reported the following accredited delegates, several of whom held proxies from polling sub-divisions having no delegates present.

Yale—A Leitch, M Bryson and D Murphy, Ashcroft; J. Richards, Coutlee; G B Armstrong, Lower Nicola; A R Carrington, Nicola Lake.

Grand Forks—L P Eckstein, W H P Clement, Grand Forks; A Stuart, Cascade; E H Mortimer, Phoenix.

Greenwood—A K Stuart, Duncan Ross and J R Brown, M.P.P., Greenwood; J McNichol and R D Kerr, Midway; S P Larsen, Rock Creek; D Whitford, Boundary Falls.

Similkameen—W J Snodgrass, Okanagan Falls; J A Nicoll, Fairview; A E Irwin, Camp Fairview; D Black, Olalla, Tulameen and Granite Creek; A Robinson, Sidley.

Cariboo—A G McIntosh, Horsefly; G Sanson, Beaver Lake; J Hopgood, Quesnel; James Moore, Quesnel Forks; J B Leighton and A G McIntosh, Stanley.

Lillooet—C B Deans, Clinton; T P Reid, Lillooet; D O'Hara, Bonaparte; M Bryson, Pavilion.

Okanagan—C Lefroy, A Leishman, J Highman; W R Megaw, C F Costerton, R Swift, S C Smith, H G Muller, Vernon; J Ritchie, Summerland; H McDougall, Peachland; D W Sutherland, Kelowna; T W Fletcher and P D Vankleek, Armstrong; W Truesdale and W Wright, Enderby; C M Henderson, Silver Creek.

Kamloops—J D Swanson, F J Deane, T J Roadley, M S Wade, A G Taylor, D H Campbell, G T Mallery, C S Stevens, R Mackay and J D Lauder, Kamloops; T W Graham, Shuswap; J B Manson, North Thompson, west; J R McDonald, Kualt; S M McGuire, Salmon Arm; W F Palmer, Stump Lake; John Shields, Griffin Lake; J C Shields, Sicamous; W M Lauder, Douglas Lake; A Reid, Tappen; T C Cooney, Savona; R Williams, Louis Creek; H Bostock, Ducks; F C Jones, Grand Prairie.

Letters were read from Hon. Senator Templeman, R. G. Macpherson, M.P., Dr. Sinclair of Rossland, and S. Henderson, M. P. P, president Provincial Liberal Association, expressing regret at their inability to be present. Senator Templeman having previously accepted an invitation to the Comox-Atlin convention on the same day, and his duties in the legislature keeping Mr. Henderson from attending.

The following candidates were then nominated, the proposers and seconders making capital short speeches:

H. Bostock, Ducks, proposed by Dr. Wade, Kamloops; seconded by W. Wright, Enderby.

D. Murphy, Ashcroft, proposed by E. Goulet, Kamloops; seconded by W. Truesdale, Enderby.

J. D. Swanson, Kamloops, proposed by H. Bostock, seconded by G. B. Armstrong, Lower Nicola.

Duncan Ross, Greenwood, proposed by J. Highman, Vernon; seconded by J. R. Brown, M. P. P., Greewood.

Mr. Bostock, to whom a unanimous nominatian was tendered, thanked the convention for the compliment paid him, and expressed his regret at being compelled to decline the nomination.

Dennis Murphy defended his provincial record and eloquently extolled the virtues of the Laurier government. He pledged himself to support the nominee of the convention, and whether he was the choice or not he would be found fighting for the success of the Liberals in Yale-Cariboo.

J. D. Swanson made a capital speech. In choice language he pointed out the great work done by the Liberal party and contrasted the Canada of today with Canada under Tory rule. He also pledged himself to support the nominee of the convention.

Duncan Ross, owing to the lateness of the hour, contented himself with a brief reference to the importance of developing the great district of Yale-Cariboo and what the government could do to aid this important work. He would consider the nomination a great honor, but would work equally enthusiastically if their choice fell elsewhere.

D. O'Hara, A. R. Carrington and Dr. Vankleek were appointed scrutineers, and the method of voting being arranged satisfactorily, the first ballot was taken and resulted as follows: D. Murphy 67, D. Ross 58, and J. D. Swanson 29. According to the arrangements agreed upon Mr. Swanson's name was dropped and the second ballot resulted in Ross receiving 80 votes and Murphy 75, and upon the motion of D. Murphy, seconded by J. D. Swanson, the nomination of Mr. Ross was made unanimous.

An adjournment was then taken for an hour for dinner, and on reassembling Mr. Ross thanked the convention for the honor they had conferred upon him by nominating him for so important a constituency as Yale-Cariboo.

A permanent organization was formed, to be known as the Yale-Cariboo Electoral District Association, with officers as follows:

President, S. C. Smith, Vernon; secretary, C. E. Lefroy of Vernon. An executive committee was appointed consisting of one representative from each Provincial district, as follows: J. Hopgood, Cariboo; C. B. Deans, Lillooet; D. Murphy, Yale; W. J. Snodgrass, Similkameen; M. S. Wade, Kamloops; T. W. Fletcher, Okanagan; W. H. P. Clement, Grand Forks, and R. D. Kerr, Greenwood.

Organization for campaign purposes was considered and it was decided that the campaign committee should consist of the district executive and three additional representatives from each Provincial district, the selecting of the latter being left to the several local associations.

Messrs. Murphy, Swanson and Ross, who were appointed a resolutions committee, submitted the following resolutions to the convention, and they were adopted amid applause:

"The Liberals of Yale-Cariboo electoral district in convention assembled resolve:

That we heartily endorse the administration of the right honorable Sir Wilfrid Laurier, and rejoice that under his able leadership Canado, which during Conservative rule was a byword and reproach, now looms large in the eye of the world as a country in which the tide of prosperity is steadily and rapidly risiing and whose immense natural resources are being developed by a vigorous and progressive policy.

We desire to express our hearty approval of the railway policy of the government and particularly do we commend the Grand Trunk Pacific project, not only from a national point of view, but because this railway will open up the wonderfully rich northern section of this province.

This convention expresses its appreciation of the efforts made by W. A. Galliher, M. P., in the interest of the constituency, and congratulates him upon having received the unanimous endorsation of the Liberals of the new district of Kootenay.

The convention congratulates the party in the province on on its splendid record under the able leadership of Mr. J. A. Macdonald, who in a few short months has fully demonstrated his ability as a political leader."

Votes of thanks were tendered the chairman and secretary and a meeting of the executive was afterwards held. Messrs. Smith and Lefroy thanked the convention for selecting them as the chief officers of the campaign committee and promised their best efforts for the success of the candidate.

Throughout the convention the best spirit of feeling prevailed, Messrs. Murphy and Swanson setting a splendid example by the expressions of loyalty to the successful candidate.

The Boundary delegates arrived home on Friday last.

Tom What do you think of my new suit of clothes, Fred? Fred—She's a pippin, Tom; who made 'em? Tom—Detective Currie. Fred—Why, I didn't know he was a tailor. Tom—Oh, yes; he made all the gamblers close. Then everybody lined up to the bar and called for iron brew

THE OLD THE NEW

Meetings of Two Council on Monday Night

YEAR'S WORK CONCLUDED

The New Council Sworn In and Begin Work

The councils of 1903 and 1904 met in the city hall on Monday night. The old council met at 8 o'clock sharp with Alderman Ross in the chair. The business of the year was wound up and Alderman Ross congratulated the council on the good work done and the harmonious feeling which prevailed during the year. He also complimented the city officials for their faithful services during the year.

Alderman McKenzie moved a resolution in which the civic officials were complimented for their good work, and in doing so Alderman McKenzie expressed the regrets of the council that Alderman Gulley would not be with them during the coming year. Alderman Bunting seconded the resolution and it was carried unanimously.

Police Magistrate Hallett then took the oath of office of all members of the new council. Mayor Naden, in taking his seat, expressed his pleasure at being among the members of the council again. He referred to the friendly feeling which prevailed while occupying the mayor's chair during 1902, and hoped that the 1904 council would get along equally well. He referred to the necessity of making revenue meet expenditure and the importance of improving the water system. He then appointed the following standing committees for the year:

Finance—Caulfield, Ross, McNeil.

Streets—McKenzie, Bunting, Caulfield.

Waterworks—Bunting, McNeil, McKenzie.

Fire and light—McNeil, Parker, Bunting.

Cemetery and pound—Parker, Ross, Caulfield.

Board of health—Ross, McKenzie, Parker.

The council then recommended to the government the appointment of Alderman McKenzie and D. J. Sullivan as police commissioners. Alderman Bunting was recommended as license commissioner, the third man to be selected by the mayor.

All the city officials were reappointed and the scavenger contract renewed with J. W. Williamson.

Fisheaters' Meet

It will be 301 years ago on June 24 since De Monts and Champlain discovered the mouth of the St. John river in New Brunswick, and the river is still doing business at the old stand. It is proposed to have a tercentenarian commemoration of the event this coming June. It will be an old boys' reunion. The fisheaters of Greenwood are saving their pennies, in order to get "down home" to look at the river that fed them fish in boyhood days.

LIBERAL CONVENTION

Those who have interests of Yale-Cariboo district at heart and are therefore anxious for the perpetuation of progressive government, cannot but feel gratified at the representative character of the convention held at Kamloops last week. Every section of the great district was represented by one or more delegates. From Barkerville in old Cariboo to Cascade in the newer Boundary district, the constituency was represented by solid men who expressed their determination that nothing would be left undone that would insure the success of the Liberal candidate in this riding. The wisdom of the choice made by the convention will not be discussed here for obvious personal reasons. The convention after a keen but friendly contest, unanimously selected the writer as the Liberal candidate. Newspaper men have more modesty than they are usually credited with and there is always a hesitancy about discussing personal matters in these columns, but we will be pardoned for taking advantage of this opportunity to express our thanks to the convention for the high honor, and particularly do we desire to thank those whose enthusiastic work met with success in the convention.

The position is not without its responsibilities. The convention chose a candidate to support the best government this Dominion ever knew, to give loyal allegiance to a leader of whom every Canadian is proud, and who is the embodiment of the very highest type of statesmanship, and who most perfectly represents what is best and hopeful in our Canadian life, and further to represent a district that is destined to play no mean part in the building up of this Dominion. The hope of the country and particularly the district of Yale-Cariboo lies in the return of the Laurier government. With loyal enthusiastic supporters in all parts of the district, with representative men returning from the convention determined that Yale-Cariboo will do its duty, the candidate should have no fear regarding the result.

A POOR SERVICE

When the Greenwood Electric company was granted a franchise by the ratepayers of the city of Greenwood the company entered into an agreement with the corporation to do certain things.

During the past few months that agreement has been more honored in the breach than in the observance. The service has been unsatisfactory in every respect. Users of electric light, including the city, were quite willing to give the company sufficient time to improve the service, but patience has now ceased to be a virtue, and it is up to the company to live up to its agreement with the ratepayers or forfeit its charter.

The local management of the company apparently believes that the company is doing business by Divine Right and not by the grace of the ratepayers of the city of Greenwood. So long as this view is held, no doubt it will be impossible to secure any improvement in the interests of the public or the company. But an improvement must come. The company must either make some effort to live up to its agreement with the city or the city will be compelled to make some other arrangements to secure a satisfactory service for the public.

Unless the service is improved in all probability the department of inland revenue will be forced to take action. Companies supplying electric light are compelled under the regulations of the department to maintain a specified voltage. In this regard, electric light companies are subject to the regulations of the department in a similar way to users of weights and measures. A decided improvement would have to take place here if the regulations of the department is to be complied with.

THE NEW COUNCIL

The city is to be congratulated upon the personnel of the new council. Mayor Naden and Alderman Caulfield won their spurs in previous years when careful management was required to place the city on a sound financial footing. Aldermen Bunting and McKenzie were thorough conscientious workers in the city's interests last year, and Aldermen McNeil and Parker, the new men in the council, are level-headed business men. The affairs of the city are in safe hands. There is much to be done during 1904, and the ratepayers can rest assured the council will do what is in the best interests of the city with the funds at its disposal.

The report of the thirty-seventh annual meeting of the shareholders of the Canadian Bank of Commerce makes interesting reading for the man interested in the general growth and prosperity of the Dominion, as well as for him who is more directly interested in the growth and prosperity of this particular bank. The figures themselves—and there is nothing in literature more unemotional than a bank statement—tell the story of a prosperous and successful year all over Canada and of shrewd and skillful financing which has made good use of its opportunities. For instance, omitting bad and doubtful debts and allowing fully for deprecation, the bank's balance sheets show a net profit of $1,004,217, or something over 12 per cent. Of this sum $584,500 has been paid in dividends to the shareholders, this being at the rate of 7 per cent., and $500,000 has been transferred to rest, making that fund $3,000,000.

R. B. Bennett of Calgary, Senator Lougheed's running mate, who was defeated by Frank Oliver for the Dominion house, in the Alberta district, last election, was offered the Conservative nomination again this year, but stated that on account of too much business he cannot accept it. Under Liberal rule Bennet has a bank account. Under Conservative rule Bennett was stepping sideways for a herring in New Brunswick.

Editor Gruesel of the Spokane Press and Editor Nichol of the Vancouver Province are deep thinkers. About every other day the editorials in these papers are the same, word for word. The articles are supposed to be the product of the brainery department; but evidently these papers have purchased a job lot of second hand gray matter.

The Phoenix Pioneer says: "The McBride government seems to be getting on very well." The government might be getting along alright; but the province is in very poor health at present.

The legislatures of Manitoba, Nova Scotia, Ontario and British Columbia are now in session; and just to be in the swim the Tories of Yale-Cariboo were in session at Kamloops this week.

Coal oil has again gone up one cent. The reason of the advance is due to generous Rockefeller giving each of his employees a turkey on New Year's day.

Organized Labor

Wherever you find organized labor strongest there you find the best protection for a child. Children of tender years are protected from the cupidity of mill and factory owners by the untiring efforts of unionists. Every law on the statute books in favor of the child was placed there by organized labor. Moreover, the trade unionist has done more for woman than all other agencies combined; he has made her his economic equal. These are facts for humanists to reflect upon.

Hot Air

The following item is from the New York Banker, published in Wall street, which claims to be a pastmaster in finance: In Greenwood district there are six smelters in active operation, reducing 4000 tons daily, and it is said this production can easily be doubled by spring. The force of miners has been increased. Properties that were looked upon as mere prospects six months or a year ago, have since developed into paying mines.

An Attack of Pneumonia Warded off

"Some time ago my daughter caught a severe cold. She complained of pains in her chest and a bad cough. I gave her Chamberlain's Cough Remedy according to directions and in two days she was well and able to go to school. I have used this remedy in my family for the past seven years and have never known it to fail," says James Prendergast, merchant, Annato Bay, Jamaica, West India Islands. The pains in the chest indicated an approaching attack of pneumonia, which in this instance was undoubtedly warded off by Chamberlain's Cough Remedy. It counteracts any tendency of a cold toward pneumonia. For sale by J. L. White Greenwood and A. F. Thomas Midway.

THE CANADIAN BANK OF COMMERCE

Report of the Proceedings of the Annual Meeting of Shareholders, Tuesday, 12th January, 1904

The thirty-seventh annual meeting of the shareholders of The Canadian Bank of Commerce was held in the banking house on Tuesday, 12th January, 1904, at 12 o'clock.

The president, Hon. George A. Cox, having taken the chair, Mr. F. G. Jemmett was appointed to act as secretary, and Messrs. Melfort, Boulton and E. Cronyn were appointed scrutineers.

The president called upon the secretary to read the Annual Report of the Directors, as follows:

REPORT

The directors beg to present to the shareholders the thirty seventh annual report, covering the year ending 30th November, 1903, together with the usual statement of assets and liabilities:

The balance at credit of Profit and Loss Account brought forward from last year was		$ 152,821 07
Surplus derived from purchase of assets of the Halifax Banking Company, as per statement at foot, is		293,028 38
Net profits for the year ending 30th November, after providing for all bad and doubtful debts, amounted to		1,004,217 31
		$1,450,066 76
Which has been appropriated as follows:		
Dividends Nos. 72 and 73, at 7 per cent per annum:		
For the year on $8,000,000	$560,000	
For six months on $700,000 new stock	24,500	
		$ 584,500 00
Transferred to Rest Account, after the amalgamation with the Halifax Banking Company		500,000 00
Written off Bank Premises		185,007 62
Transferred to Pension Fund (annual contribution)		15,000 00
Balance carried forward		165,559 14
		$1,450,066 76

THE RESULT OF THE PURCHASE OF THE ASSETS OF THE HALIFAX BANKING COMPANY IS AS FOLLOWS:

Surplus of assets over liabilities, at our re-valuation		$1,039,028 38
Paid to shareholders in cash	$ 6,000 00	
Transferred to Pension Fund to provide for claims of the staff of the Halifax Banking Company	40,000 00	
Credited to Capital Account for 14,000 shares new stock issued to the shareholders of the Halifax Banking company	700,000 00	
		746,000 00
Balance transferred to Profit and Loss Account		$ 293,028 38

The entire assets of the bank have been, as usual, carefully re-valued, and all bad and doubtful debts amply provided for.

The directors have to report another satisfactory year in the matter of profits, and after adding to the ordinary earnings of the bank the premium arising from the new stock issued to the shareholders of the Halifax Banking Company, namely, $293,028.38, we have been able to add $500,000 to the Rest and to write off Bank Premises the sum of $185,007.62.

During the year the Bank has opened new branches as follows: In Ontario, at Rainy River; in Manitoba, at Elkhorn, North Winnipeg, and Portage la Prairie; in the Northwest Territories, at Innisfail, Ponoka, Prince Albert, Red Deer, and Regina; in British Columbia, at East Vancouver; and in Nova Scotia, at Sydney. It has also assumed the offices of the Halifax Banking Company at the following places: Sackville and St. John, in New Brunswick; and Amherst, Antigonish, Barrington, Bridgewater, Canning, Halifax, Lockeport, Lunenburg, Middleton, New Glasgow, Parrsboro', Shelburne, Springhill, Truro, and Windsor, all in Nova Scotia. The branch at Lockeport, N.S., taken over from the Halifax Banking Co., and that at Sandon, B.C., have been closed.

The various branches, agencies and departments of the bank have been inspected during the year.

The directors have again pleasure in recording their appreciation of the efficiency and zeal with which the officers of the bank have performed their respective duties.

GEORGE A. COX,
President.

King Rees, manager for P. Burns & Co. at Phoenix, has accepted a position in the head office in Greenwood. He has taken Mr. Greiger's house on government street and will move here with his family next month.

James Smith, who was confined to the hospital for a few weeks with severe eye trouble, is out and about again. Jim's lame eye couldn't withstand the good treatment at the hospital and is now on shift again doing his share of the work.

The E. P. U. mines this week shipped 25 tons of ore to the Hall mines smelter. A 35 ton car is being loaded from the same mines and will be shipped early next week to the same smelter. Another car will be sent to the Greenwood smelter. The ore is high grade and will run over $100 to the ton.

A. W. English of the Cunningham electric company, returned to Greenwood on Wednesday accompanied by Mrs. English. Although Mr. English's company is doing a large business in Edmonton he has decided to reside here for some time, the Northwest winter being much severer than that of the Boundary.

A very exciting game of hockey took place at the Greenwood skating rink Tuesday night between a team composed of Phoenix Eagles and one from the local aerie. It was all off with the home team from the start, for Phoenix came down armed with a piper. From the time the game started until finished the Eagles flew at the puck as if it were a chicken, and some great acrobatic work was done on the ice. At the call of time Phoenix was ahead, the score being 7 to 5.

A Noted Tourist

R. A. Robinson, who left Greenwood about eighteen months ago, returned Monday. Since leaving the Boundary camp he has traveled extensively through California, Oregon, Utah, Colorado, Arizona, Old and New Mexicos. Mr. Robinson is a friend of Teddy Roosevelt, and wears today a hat presented him by the president while they were at Grant's Pass, Oregon. He also rode on the same Pullman as the great sing artist Patti, but the singer happened to be inside of the coach and Bobby underneath. He will remain here all winter.

Going to Regina

McKenzie, Hambly & Co., the well-known firm of dressmakers and milliners, intend moving to Regina about the 15th of next month. McKenzie, Hambly & Co. have been in business in Greenwood for four years, and during that time they fully demonstrated their expert knowledge of both departments of their business. They leave Greenwood with the good wishes of all and the ladies who have a fondness for good wearing apparel tastily made, regret their departure. The temptation to invade the rapidly growing Northwest capital was too strong, however, and they decided some time ago to get into the larger city. They are sure to do a big business there.

A Narrow Escape

Sam Strong, an old miner of the Boundary, who owns several claims on the Colville Indian reservation, about two miles southeast of Midway, is lucky to be alive today. Two weeks ago while cutting a small tree near the entrance of the tunnel on the property, he slipped, went over the precipice, and fell a distance of 65 feet, lighting on a pile of rocks. He afterwards walked to his cabin, remained there for a few days, and then came to Greenwood, and is now under medical attendance. The doctor says no bones are broken, the only fracture being flesh separating from the bones. He is doing splendid and will be able to return home in a couple of weeks.

Business Sold

The business which has been carried on for some time under the name of the Greenwood Liquor company, has been purchased by James McCreath of the Lion Bottling Works. A. R. Shewan of Montreal, who was interested in the Liquor company, was here this week in connection with the transfer. Mr. McCreath will continue the business at the premises on Government street. He will also run the bottling works on Gold street. R. Greiger, who was manager of the Greenwood Liquor company for several years, is arranging with the Pabst Brewing company to take charge of their agency at San Francisco. This is one of the best positions in the service of the big brewing company. Mr. Greiger was Pabst's agent here. In his numerous dealings with the hotel men and other business men of the Boundary district Mr. Greiger was always fair and courteous and his many friends, while regretting his departure, are congratulating him upon his probable appointment to such an important and lucrative position. He does not expect to leave here before the middle of February, as he has considerable business to wind up.

Burrill the Choice

KAMLOOPS, January 21.—The Conservative convention was held here today and resulted in the nomination of M. Burrill of Grand Forks as the Conservative candidate. Three nominations were received, viz: M. Burrill of Grand Forks; J. T. Robinson of Kamloops, and W. Shatford of Vernon. The first ballot resulted in Shatford receiving 144 votes; Burrill 110, and Robinson 54. Robinson was dropped and a second ballott gave Burrill 167 and Shatford 138. Burrill's nomination was made unanimous on motion of Shatford, seconded by Robinson.

The Best Remedy for Croup

This is the season when the woman who knows the best remedy for croup is in demand in every neighborhood. One of the most terrible things in the world is to be awakened in the middle of the night of the night by a whoop from one of the children. The croup remedies are almost as sure to be lost in case of croup, as a revolver is sure to be lost in case of burglars. There used to be an old fashioned remedy for croup, known as hive syrup, but some modern mothers say that Chamberlain's Cough Remedy is better, and does not cost so much. It causes the patient to "throw up the plegm" quicker, and gives relief in a shorter time. Give this remedy as soon as the croupy cough appears and it will prevent the attack. It never fails and is pleasant and safe to take. For sale by J. L. White Greenwood and A. F. Thomas Midway.

MAY BE TOO LATE

Having secured an option on International Coal and Coke Company's shares I will sell same at market quotations. This is a good buy. Money invested today might place you on the sunnyside of Easy street tomorrow. Crow's Nest share are quoted at $100. Four years ago they sold at 9 cents.
