Mr. P. P. Harrison, Mrs. Harrison and Miss Wise arrived home from their trip to Victoria.

Development League.

A well attended meeting of the Development League was held on Monday evening, at which some eight or nine new members merchants and others, joined. The minutes having been read, two committees' were received dealing with the extension of the E. & N. Railway from Alberni to Campbell River requesting central executive to find out if the line would be built as per the land subsidy granted, and in the event of it not being carried throuh, that any further extension of the charter be strenuously opposed, it having been already several times renewed.

The other matter being the clearing of a piece of land at Comox Lake, the Wellington Colliery Company having very kindly consented to this being done. One estimate for doing the work was reported, but the matter was left in the hands of the committee to see if better terms could be secured.

A deputation headed by Mr. John Thomson attended with a request that the League should assist the city to get a public wharf at or near Mr. Roy's beach which they believed would be of material advantage to Cumberland. A committee of five was appointed to take the matter up and report to the next meeting.

Among the passengers who arrived in New York by the S. S "Lusitania" on Thursday, Sept. 2, was Mr. W. J. Thorold, editor and propprietor of "The Canadian Mail," of London, England, who is making a trip through Canada for the purpose of gathering news and information about Canadian industries and enterprises—especially those desirous of interesting British capital. Mr. Thorold is also a director of The Canadian and General Securities Corporation, Limited, of 8 Princes Street, London, E. C. While in Canada his address will be—care the Mathews Steamship Company, Board of Trade Building, Toronto.

The Big Store having secured the services of a first-class milliner from Vancouver are now prepared to take orders and do all kinds of millinery work at prices strictly moderate.

Mr. D. Thomson is having an addition built to his boarding house.

The Comox Fair.

The Comox Fair which will be held on next Friday, September 17, promises to be one of the best--if not the best—that has ever been held in the District. A good programme has been arranged and some good prizes offered. Considerable work has been done in improving the grounds for the Fair and Sports; a race track 1-8 of a mile in circumferance has been made. The Cumberland band will discourse choice selections of music during the day.

Drop in and have a chat with the new milliner at the Big Store and see the new styles for fall. *

CARD OF THANKS.

To all the friends whose sympathy and services were so kindly tendered in our time of bereavement, we desire to extend our sincere thanks.
