VOL. 2 MONDAY June 25, 1906 PRICE FIVE CENTS

LOCAL TENNIS TEAM WIN TOURNAMENT

Ladysmith Players Carry off Honors of Tournament in Nanaimo Last Saturday

The Nanaimo Herald of yesterday morning contains the following account of the Tennis Tournament which was played in that city on Saturday between Ladysmith and Nanaimo. While the account is very good, it is hardly fair in some places For instance, in one paragraph it is stated that Miss Kitchin and Mr. E. H. Bird defeated the crack team of Ladysmith. While the above team played well, they do not consider themselves the crack players. No mention is made of the game of Miss Ramsay and Mrs. Peto, in which the former won two straight sets, 6-1 and 6-5. In the men's doubles, Messrs. Cornwall and Frost, vs. Messrs. Bird and Hodson, the Ladysmith players defeated their opponents two love sets in succession.

The Nanaimo account is as follows:

The first lawn tennis tournament between Nanaimo and Ladysmith took place yesterday on the court of the local club and after several very exciting contests resulted in a win for the visitors.

Play was commenced at 9.15 a.m. and with the exception of a short intermission for lunch, continued steadily throughout the day. The fine new court of the local club was much admired by the visitors, and with care and attention, should prove one of the best in the province. It stood the severe test of ten straight matches very well without any attention whatever.

In the afternoon tea was served in a gala decorated pavillion by a committee of well known ladies, who kindly looked after this important item. The refreshments were much appreciated by the numerous guests and visitors of the club.

A return match, to be played in Ladysmith, will be arranged for shortly by the local club, probably within the next two or three weeks.

A local tournament is also contemplated in the near future, when a large entry list is expected. The committee have not yet decided whether to play a handicap tournament or an open one. Notice, however, will be given in due course.

The Ladysmith players express themselves as well pleased with the arrangements made for their entertainment during their brief stay and it is to be hoped that more tournaments similar to the one held yesterday will be made a special feature of the local club.

The most closely contested games were the ladies doubles and singles, whilst the other events were interesting and at times exciting.

The following was the result of the various matches:

In the ladies singles, Miss Coburn (Ladysmith) defeated Miss Kitchin, (Nanaimo) in a closely contested game by two sets to one.

Frank Teague (Nanaimo) won from Rev. C. J. Bowen (Ladysmith) in a well played game by two straight sets.

In the ladies doubles the Misses Teague (Nanaimo) were defeated by Miss Coburn and Mrs. Pickard of Ladysmith, in two straight sets.

In the mixed doubles Miss Kitchin and Mr. E. H. Bird (Nanaimo) defeated the crack Ladysmith team, Miss Morrison and Rev. C. J. Bowen in two straight sets.

In the ladies singles Miss Ramsay (Ladysmith) won from Mrs. Peto after a hard-fought contest that required three long hard sets to decide the supremacy.

In the mixed doubles Mrs. Peto and Mr. Summers (Nanaimo) were defeated by Miss Ramsay and Mr. Cornwall (Ladysmith) after one of the longest and best contest of the day.

In the men's doubles, the locals won one and lost one. Messrs. Bowen and Kitto (Ladysmith) being defeated by Messrs. Teague and Fulcher (Nanaimo) in two close sets, whilst Messrs. Cornwall and Frost (Ladysmith) were successful against Messrs. Bird and Hodgson.

In the most important event of the afternoon matches, Nanaimo won from Ladysmith in the men's singles Mr. Cornwall representing Ladysmith, being defeated by Mr. Fulcher (Nanaimo) in two straight sets.

The ladies' doubles also furnished one of the afternoon's most exciting events. The Misses Coburn and Ramsay (Ladysmith) defeated Miss Kitchin and Mrs. Peto (Nanaimo) after the longest and closest game of the tournament. This match also required three long sets to decide the winner.

HUNTING VACANT LANDS.

A situation is developing along the line of the Kaslo and Slocan railway that promises sensational developments before the summer is over, says the Nelson News.

The K. & S. road obtained a land grant from the provincial government of some 190,000 acres when the road was to be selected in alternate blocks along the route covered by the line, but the road twists and turns so much over its short run that when the lands were mapped out, they included pretty nearly all the land available. Much of the country was taken up as mineral claims and pre-emptors had also staked off a good many claims. When it came to selecting their lands under their land construction grant of 190,000 acres, the railway company, really the Great Northern, notified the government, it is said, that part of their grant han already been taken up and it was estimated that about 42,000 acres had either been pre-empted or staked as mineral lands. Apparently the company's statement was accepted and a further grant of 42,000 acres of other land was granted the company to make up for the lands so staked.

As is very well known many lands originally pre-empted are dropped and revert to the crown and the same thing happens in the case of mineral lands which are not crown granted and which, when abandoned revert to the government. It is now stated that a large section of the 42,000 acres allowed out of the land grant to the K. & S. has been abandoned, and, of course, is open to re-location or pre-emption as wild lands of the crown. The last story from Sandon is that quite a number of persons are endeavoring to search out some of the lands in question and make application for them. Probably in the long run some good lands may be got hold of and a title to them finally perfected.

MONEY FOR THE CHILDREN

Mr. Geo. Cassidy, provincial constable, today received a letter from Mr. J. Haigh, who is at present in Victoria. Mr. Haigh intends leaving shortly for the Hot Springs, and in his letter states that he understands Ladysmith is celebrating here on Dominion Day. He enclosed $5.00, which he requested Mr. Cassidy to give to some children whom he thought needed it to buy candies with on celebration day, stating that he would like the children to have some pleasure, and as he had not contributed towarde the sports, he took this method of remembering the little ones. Mr. Cassidy will dispose of the money as requested, and some children will be made happier by the kind remembrance of Mr. Haigh.

CHALLENGES THICKEN AS DOMINION DAY DRAWS NEAR

Camp 5, June 23, 1906.

Editor Ledger—

I hear that W. Hilbert has accepted my challenge to box at Ladysmith providing I deposit $25 at the Ledger office. My money will be placed in your hands by the 10th of July. Kindly publish the above in your next issue, and oblige,

W. R. BAYERS.

Extension, B.C., June 25, 1906.

Editor Ledger:—

Sir,—In consequence of the underground employees failing to take up Mr. Burk's challenge, we, the mechanics and office hands at Extension, will play the officials the various games mentioned by Mr. Burk. They will find us at the Portland Hotel, at 2 p.m., July 2nd.

Yours truly,

SHORTY McKENZIE.

Some time ago a challenge was published to the effect that Mr. Harray Kay is willing to row any man in Ladysmith in a matched race on Dominion Day for any sum from $50 up to $500. This challenge has not until today been accepted. However Dave Johnson is to the fore with the information that he has found a man, and has the money to back him with, who will row Mr Kay on that date for any sum from $50 up. Mr. Johnson refuses to disclose his man's name, but is willing to put up $10 as a guarantee that he is a bona fide resident of Ladysmith, and therefore competent to accept the challenge of Mr. Kay.

However, unless Mr. Kay is informed as to his challenger's name, he will likely take no steps.

Mr. Johnson states that his man will row any distance wished, from one mile up to three. If Mr. Kay cares to take the challenge up, he will likely be heard from shortly.

POLICE SERGEANT WHO LIVES IN DREAMLAND

A good joke on Vancouver Police Sergeant Keeler Fulton is told by the Vancouver Province, which gives its readers a preparatory warning not to ask Fulton why he thought it necessary to empanel a jury for the purpose of holding an inquest on a man who has been dead and buried for the past two years.

It was this way. Fulton was laboring under one of his "This is my busy day" moods on Thursday, and during the spell he was rummaging through some papers which were on his desk at the station. One of them seemed to draw his attention particularly.

"Hell, what's this?" he said rather audibly to himself as he saw it concerned a drowning of a man named John Ross. "Well well; so Ross was drowned, was he? Is Officer Lee out there?" he called.

"Yes, sir," said Officer Lee. "I'm coming," and he went into Fulton's office.

"Take this," said Fulton handing Officer Lee the paper, "and empanel a jury to investigate the death of this man Ross."

"All right," answered Lee and he hurried out. He looked at the paper a minute and then made haste to gather together a jury at the parlors of a well known undertaking firm.

About two hours later the telephone bell at the station rang.

"Is Sergeant Fulton there?" came a voice over the telephone.

"Speaking," answered Fulton.

"Well, this is —— —— talking. I am at So-and-so's undertaking parlors with the rest of the jury. How do you expect us to hold an inquest on John Ross when he was drowned about two years ago and has been buried ever since?"

"Oh, never mind holding the inquest," said Fulton as he grasped the telephone to keep from falling. "just dismiss the jury and don't say anything about it. Of course, you all smoke, Well, come up and see me, anyway."

The possessors of unstable nerves generally are so destructive of public comfort and the health and sanity of their progeny that inspectors of nerves are needed almost as much as inspectors of nuisances.—Annesley Kenealy, in "The World and His Wife."

MAIDENS OF A CONVENT RECEIVE A SCARE

Montreal, June 25.— Seven hundred girl pupils in a convent school were thrown into a panic yesterday afternoon when one of their number rushed in screaming that she had been chased by a man with a knife. The cry disorganized the classes and the girls, despite the efforts of the nuns to quiet them, rushed from one room to another. Their screams attracted passers-by who, fearing that the building was on fire, called out the fire brigade, who were followed by police patrols.

A coal carter with blackened face who climbed through a window into one of the class rooms to rescue the inmates from what he thought to be a burning school, increased the fears of the terrorized girls. Thinking the carter responsible for the trouble, a police captain ordered his arrest and when he was led from the school, the crowd set upon him. Despite the efforts of the police, he was roughly handled. At the police station the unfortunate victim of circumstances was able to convince the police that he was playing the role of a hero, and not the villian. The nuns found it necessary to dismiss the school owing to the nervous condition of the girls.

RUFE TURNER IS BEATEN BY HOLLY

The Seattle "P.-I." gives the following account of the Turner-Holly fight: Rufe Turner, of Seattle, will hereafter be known in these parts as Rufe Turner, of Stockton, Cal. Last night Dave Holly, a pugilist of yellowish hue, gave him the money punch in the twentieth round at Pleasant Beach, and it took fifteen minutes to bring Rufe to his senses. Turner was clear gone when he received the series of punches that marked the finish. It terminated rather suddenly, as nearly every one of the 2,500 persons in the pavilion thought the affair would go the limit.

Holly is a long, rakish looking fellow, with a face that is enough to frighten an opponent. Turner is short and chunky, but there was a couple of pounds, if any difference in their weight.

It was fighting from the time the gong was sounded, and Referee Jas. W. Morrison had his hands full all the time. It was seldom that any one needed to call "fight," but there were a number there who insisted that the men should go faster.

Holly's policy was to beat his opponent down and then finish him with a series of punches. This he did.

At in-fighting Holly was Turner's master and inflicted great punishment in the clinches. It was the terrific kidney punches that did much to bring Turner down. Holly kept him going with trip-hammer speed, and the blows told on Turner in the end.

Turner had the best of the early part of the go, closing Holly's left eye and drawing blood. Holly started the heavy work, however, in the ninth round, when he landed a right on Turner's jaw that put him down. Turner got up quickly, but Holly was at him again, and downed him with a left hook to the stomach. Turner took the count, and got up fighting, but it could be seen that he was hurt.

For a few rounds Turner fought on the defensive, but began to recuperate soon, however, and started aggressive work.

It was a fairly even thing until the nineteenth round, when Turner began to lose his strength and took some punishment.

After the men had shaken hands at the opening of the twentieth round, Holly began to fight like a demon. He rushed Turner to the ropes, and by a series of punches to the body and jaw wore him down. The blow that put him out was a left right to the jaw.

Turner's seconds carried him to his corner, where it took fifteen minutes work to revive him.

Chic Hudson and Cecil Hatfield, fought a fast ten-round preliminary, and Referee Murphy called the go a draw, Murphy gave as pretty an exhibition of how a match could be handled as has ever been seen here.

SCHOOL TRUSTEES HOLD REGULAR MONTHLY MEETING

A full board of school trustees, with C. H. Rumming in the chair, met in Secretary Stewart's office on Saturday evening. Several communications were received asking for positions on the teaching staff, which were read and laid over for future consideration. The resignations of Messrs. Dakin and McDonald, were handed in and accepted, although with regret, the secretary being instructed to furnish each gentleman with excellent references.

Principal Dakin, in addressing the board, stated that he finds it impossible for him to be in Ladysmith. His resignation was not due to insufficient salary, or unpleasant surroundings at all, but family matters required his presence in the east, and he could not remain here longer under any consideration. However, before leaving, he wished to state his feelings towards the board, and to thank them for the most capable manner in which they had dealt with school matters while he has held the position of principal of the Ladysmith schools. Never in his experience as a school teacher, had he seen a more capable body of men appointed as trustees. Each one of them seemed to take a great deal of interest in the school work, and he had never found a subject on school matters which members of the board could not intelligently discuss. He wished, before leaving, to thank them sincerely for the pleasure which they had accorded him in all their business dealings.

Mr. McDonald also thanked the board most heartily for their many kindnesses, while in Ladysmith, and while he regretted exceedingly his departure he would certainly take a most kindly interest in the progress of the Ladysmith schools.

Accounts amounting to $597 were passed, and after some further discussion of various matters the meeting adjourned. Another session will be held in the near future to discuss the applications in for positions on the teaching staff for next term.

NELSON NEWS NOTES.

The dates for holding the annual regatta of the North Pacific Association of Amateur Oarsmen which this year will be held at Nelson, has been officially announced. The races will come off on Friday and Saturday, July 27 and 28th.

E. M. Hand, of the Ymir mine, is at the Strathcona. He says that good miners are badly wanted at the property just now, and it is almost impossible to get them. Thirty stamps are dropping at the mill, and if men could be got, 40 stamps would be working. The mill started up on June 6, having been closed down since Feb. 20. About 90 tons of concentrates are turned out daily, equal to 630 tons a week. This output would be considerably increased if labor is available to push on work at the mine.

George Tierney arrived from Grand Forks last night. He says that no difficulty has been experienced in obtaining all the labor necessary for starting the construction of the Kettle Valley railway extension to Franklin camp, for which his father, W. C. Tierney, has the contract. At present plenty of men are available for the work in sight and applications for jobs have come in from all over Canada. These are simply filed and when more men are wanted the applicants will be notified. A good start has been made, but as the work extends many more men will be employed than it is expected to find room for just now.

We have been earthquaked, fired, dynamited and looted, but we're still very much on the map, and have a splendid display of pianos at our Oakland store, etc.—Ad. in "News-Letter," San Francisco.

Half a text, a sprinkling of aristocrats, a sin or two, and a quantity of good clothing are the familiar ingredients of serious play-writing, and it is wonderful to see what varied and interested results can be still obtained from the recipe.... The Outlook.

COL. TRACEY WILL ARRIVE TO-MORROW

City Clerk Stewart has received word from Col. Tracey to the effect that that gentleman is leaving Vancouver today for Ladysmith and will probably reach here tomorrow morning. This is in reply to a letter written by Mr. Steward upon instructions from the council, asking Col. Tracey to come to Ladysmith for the purpose of taking water measurements on Bush and McLeod creeks to ascertain if a sufficient quantity of water is obtainable for installing an electric light plant to be run by water.

If Col. Tracey arrives in the morning he will likely be accompanied to the creeks by the Mayor, and one or two of the aldermen, as they have expressed their intention of learning all possible on this question. It is calculated that two days will be required by the expert to make the measurements, thus by Friday, Ladysmith should know whether or not it is, according to expert advice, possible to install a water-power system of electricity.

CHILD HEROISM.

Little George Munro, nephew of the Rev. Donald Munro, of Point Douglas Presbyterian church, is at the present time the hero of Dawson City, owing to his rescue of his younger brother from the icy waters of the Klondike a few weeks ago.

It appears that the two boys, aged respectively 11 and 3 years, were on the river bank, the older boy pulling a toy wagon in which the younger was riding. The tongue of the wagon unexpectedly broke loose and the younger boy was precipitated into the river. The older boy at once plunged into the icy waters, got his feet on a rock, grasped his brother by the head and managed to get him ashore.

At the same point where the incident occurred six men were precipitated into the river a few years ago and although fifty spectators were on the bank, four of them were drowned, only two of the bodies being recovered.

The two boys involved in the present incident are children of Mr. and Mrs. George Munro, of Dawson City, where Mr. Munro is keeper of records at the gold commissioner's office.

A Hero at Killarney.

But for the presence of mind and prompt, intelligent action of a little lad barely five years old, Mr. and Mrs. Wm. McKay, west of the lake would today be mourning the loss of their little two-year-old boy Gordon, says the Guide Killarney.

Gordon and his five-year-old brother Douglas were out on the prairie some 75 or 80 rods from the house near a pond or small ravine. Douglas all at once missed his brother who had wandered some distance away. He ran back and found him helpless in 2 or 3 feet of water. Without any ado he set about a rescue, and by great effort he managed to drag the child to the shore. Then taking him in his arms, he half dragged, half carried the limp body of his brother towards the house, and although the burden was great for his young years, he manfully persisted until, about half way home, he was seen by his mother, who ran to the rescue.

NANAIMO WINS BALL GAME

Yesterday on the Bunker Grounds, the Nanaimo Eagles, an Intermediate team, composed of seniors and intermediates, defeated the Ladysmith Intermediates by a score of 15-13. The locals were leading until the fifth, when the ascension took place, and from that time on, the visitors had things pretty much their own way. On Saturday afternoon the name of one of our numerous staff of reporters was placed on the assignment book with instructions to attend the game yesterday, but for some unaccountable reason he failed to cover his assignment, hence a detailed account of the match is impossible. However, it is stated that although the score was large, the play was interesting, and it was anybody's game until the last inning.

AMERICANS BARRED.

Henley, June 23.—The regatta stewards resolved today in view of the action of the American National Association of amateur oarsmen, regarding the visit of the Vesper crew of Philadelphia to Henley in 1905 that no further entries shall be accepted from the Vespers.

Mr. Fletcher, the Oxford coach, gave notice of a motion to the effect that no further entries from any American club shall be accepted.

KILLED BY REVOLUTIONISTS

Kerbach, Russia., June 23.—A captain of gendarmes named Sherkingof was killed on the street here today by revolutionists. His wife, who accompanied him, was seriously wounded.

CLOSE CALL FOR ALFONSO.

Lagranja, Spain, June 23.—At the moment when the royal automobile containing King Alfonso and Queen Victoria arrived here from the theatre last night a well dressed individual evaded the guards and fought to intercept the royal cuple. He was arrested and gave the name of Jose Maria, of Madrid.

THE LONG OF IT.

London, Ont., June 23.—Private "Long Joe" Lawrence, of Guelph, very thin and seven feet nine inches tall, who has been attending militia camp here, was taken to the hospital last night with appendicitis. It is said there was not a cot long enough to accommodate the patient.

MEMORIAL DAY.

Headed by the Silver Cornet Band, the members of the local and Ladysmith lodges of Odd Fellows, Knights of Pythias, Rathbone Sisters and Daughters of Rebekah, will march to the cemetery and will theee decorate the graves of departed brothers and sisters.

All members are requested to meet in their respective lodge rooms at 12.45 so as to form in line of parade at 1.30 sharp, when the procession will leave from in front of the Free Press Hall for the cemetery.

THE VERY BEST REMEDY FOR BOWEL TROUBLE

Mr. M. F. Burroughs, an old and well-known resident of Bluffton, Ind., says: "I regard Chamberlain's Colic, Cholera and Diarrhoea Remedy as the very best remedy for bowel trouble. I make this statement after having used the remedy in my family for several years. I am never without it." This remedy is almost sure to be needed before the summer is overf Why not buy it now and be prepared for such an emergeney? For sale by Ladysmith Pharmacy.

NATIONAL CHAMPION.

Philadelphia, June 23.—Miss Helen Thomas of New York won the women's nationa, tennis championship today defeating Mrs. Barger Wallach of New York in the final of the woman's singles.

AN ALL ROUND CHAMPION.

Brooklyn, June 23.—T. F. Kiely, of Tipperary, Ireland, won the national all-round championship of the national amateur athletic union here today with 6,274 points. He broke two weight records.

SENATE'S RESOLUTION.

Washington, June 23.—The Senate today adopted the following joint resolution:

"That the people of the United States are horrified by the reports of massacre of Hebrews in Russia on account of their race and religion, and that those bereaved thereby have the hearty sympathy of the people of the United States."

HOW TO BREAK UP A COLD

It may be a surprise to many to learn that a severe cold can be completely broken up in one or two days' time. The first symptoms of a cold is a dry, loud cough, a profuse watery discharge from the nose, and a thin, white coating on the tongue. When Chamberlain's Cough remedy is taken every hour on the first appearance of these symptoms, it counteracts the effect of the cold and restores the system to a healthy condition within a day or two. For sale by Ladysmith Pharmacy.

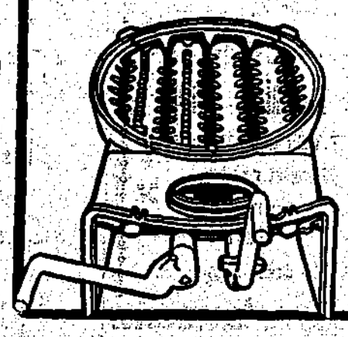
Sunshine Furnace

The "Sunshine" furnace and "sunny" ways are synonymous.

The cold, dreary winter days can be made cheery and warm with a pure, healthful heat if you have a "Sunshine" furnace.

Is easier to operate, cleaner, uses less fuel and "shines" in many other ways over common furnaces.

Two shakers are used to shake the heavy, triangular-shaped grates. This just cuts the work of shaking-down in half, besides being easier on the furnace than the old one-shaker style.



Sold by enterprising dealers everywhere.

Booklet free.

NOTICE TO CONTRACTORS.

Ladysmith Wharf.

SEALED TENDERS, properly endorsed "Tender for Ladysmith Wharf and Approach," will be received by the undersigned up to noon of the 30th inst., for the erection and completion of a wharf and approach at Oyster Harbour, Ladysmith, B.C.

Drawings, specifications and conditions of tendering and contract may be seen at the office of the Public Works Engineer, Victoria, B.C., at the office of the Government Agent, Nanaimo, B.C., and at Ladysmith, B.C., on and after June the 18th.

Each proposal must be accompanied by an accepted bank cheque or certificate of deposit on a chartered bank of Canada, made payable to the undersigned, in the sum of two hundred ($200) dollars, which shall be forfeited if the party tendering decline to enter into contract when called upon to do so.

The cheques of unsuccessful tenderers will be returned to them upon the execution of the contract.

The successful tenderer will be required to furnish bonds himself and two sureties, satisfactory to the Chief Commissioner, in the sum of eight hundred ($800) dollars each.

Upon the execution of the bond the cheque above mentioned will be returned to the contractor.

Tenders will not be considered unless made out on the forms supplied and signed with the actual signature of the tenderer.

NEWS NOTES FROM NANAIMO

Nanaimo, B.C., June 24.—The funeral of Eunice Davis, the infant daughter of Mr. and Mrs. C. Davis, of Mt. Sicker, took place yesterday afternoon from the residence of Mr. and Mrs. Walter Jones, Kennedy street, the burial taking place in the Nanaimo cemetery. Funeral services were conducted by the Rev. John Robson of the Wallace Street Methodist church, the funeral arrangements being in the hands of McAdie & Son.

Mr. E. Farr, superintendent of bridge work, and bridge foundations for the Pacific coast division and of the E. & N. line, accompanied by two other railroad men, who have charge of the work at places along the line, were in the city yesterday, having come up the line on a hand car examining the road-bed and arranging for the beginning of work all along the line. This work will be commenced at once and pushed the entire season. At the Mill stream just above Nanaimo, a stone foundation will be laid and steam shovels will fill in. It is estimated by the engineers that the Millstream job alone will cost $60,000.

This large expenditure on road-bed alone speaks eloquently of the company's intentions regarding the extending of the line north, and building north means increased business for Nanaimo as well as all the Island points.

The Canadian Pacific has plenty of money to make extensions and they are anchored on Vancouver Island—the E. & N. Railway, the great Empress Hotel at Victoria, the extensive and increasing Asiatic and Australian commerce. The building of lines across Canada north of the company's lines all goes to show that the great railway corporation has decided to develop Vancouver Island and will build north and west. Nanaimo is the logical crossing point from Vancouver. It can be readily seen what this means to Nanaimo.

Yesterday Messrs. D. Moffat, J. Millar and R. Edwards, a committee from the local Orange Lodge, made a canvas of the business houses of the city in favor of a full holiday on Thursday, July 12th, in place of the regular half day off.

The following petition was carried around by the committee, and in only one instance was their request refused:

"We, the undersigned, hereby agree to give our clerks a full holiday on Thursday the Twelfth of July, instead of the regular half day, thus to allow any of our clerks to attend the Orange Celebration in Victoria on the above date

Vancouver, June 23.—Here is a chance for M. Matsuda, the local Japanese wrestler, who has thrown practically everything at his weight, to give up trying to defeat Sinclair Swanson of Nanaimo for a while and take on another man for a trial. The following challenge, which looks and sounds like business, was handed in to the sporting editor of the Province today:

"On behalf of Andrew Miller of New York, I hereby challenge M. Matsuda to a wrestling match for a side bet of $100 to $500; match to take place in July, either privately or publicly. An answer through the Province will lead to business.

"BILLY HERMAN,
"Manager for Miller"

A horse belonging to Mr. James Cartwright of the Five Acres, ran away last evening and was only brought to a stop when it ran into a telegraph pole in front of the C. P. R. ticket office. The horse was not much the worse for its run, but the rig showed the bad effects of its collision with the post. The shaft broke in several places, a number of spokes broken, and a number of minor breaks made it necessary to remove the vehicle to a blacksmith shop for repairs.

In the runaway, the driver, a son of Mr. Cartwright's, had a narrow escape from receiving serious injuries. In some manner one of the traces slipped off the single tree, this started the horse a-kicking with the result that the dashboard was demolished, young Cartwright receiving a nasty kick on the leg and being knocked out of the rig, the wheel of the buggy running over the boys left thigh. As the rig was empty, the injuries received by the driver were not very serious, so that he was able to follow up after his runaway, and caught up to it when it was in a mixup with the telegraph pole.

BUTCHERS VS. DRYGOODS.

The Butchers have accepted the challenge of the Drygoods men to a game of baseball, and the event will take place on the Caledonian grounds on Tuesday night at 6.30.

The butchers' team will be picked from the following: A. Turner, W. Little, J. Hardy, W. Randle, T. Teague, W. Tippett, W. Newberry, D.

UNKNOWN FRIENDS.

There are many people who have used Chamberlain's Colic, Cholera and Diarrhoea Remedy with splendid results, but who are unknown because they have hesitated about giving a testimonial of their experience for publication. These people, however, are none the less friends of the remedy. They have done much to make it a household word by their personal recommendations to friends and neighbors. It is a good medicine to have in the home and is widely known for its cures of diarrhoea and all forms of bowel trouble. For sale by Ladysmith Pharmacy.

Synopsis of Canadian Homestead Regulations.

Any available Dominion Lands within the Railway Belt in British Columbia, may be homesteaded by any person who is the sole head of a family, or any male over eighteen years of age, to the extent of one-quarter section of 160 acres, more or less.

Entry must be made personally at the local land office for the district in which the land is situate.

The homesteader is required to perform the conditions connected therewith under one of the following plans:

(1) At least six months' residence upon and cultivation of the land in each year for three years.

(2) If the father, (or mother, if the father is deceased), of the homesteader resides upon a farm in the vicinity of the land entered for, the requirements as to residence may be satisfied by such person residing with the father or mother.

(3) If the settler has his permanent residence upon farming land owned by him in the vicinity of his homestead, the requirements as to residence may be satisfied by residence upon the said land.

Six months' notice in writing should be given to the Commissioner of Dominion Lands at Ottawa of intention to apply for patent.

Coal lands may be purchased at $10 per acre for soft coal and $20 for anthracite. Not more than 320 acres can be acquired by one individual or company. Royalty at the rate of ten cents per ton of 2,000 pounds shall be collected on the gross output.

W. W. CORY,
Deputy of the Minister of Interior.

Local Items

Mrs. C. Ramsay left on the noon train for Nanaimo.

Misses Morrison, Teague and Street were passengers on the down train today for Victoria, where they will attend the Teachers' Convention in that city.

Miss M. Ramsay arrived on the morning train from Nanaimo. She will leave in the morning for Victoria, where she will spend a few days.

Miss Annie Dunsmuir who has been attending school in Vancouver, arrived in Ladysmith Saturday evening, and will spend the holidays with her parents here.

Rate-payers are reminded that Saturday, June 30th, is the last day on which they may expect to receive rebates on their taxes.

After the council meeting this evening the Dominion Day Celebration Committee will hold a session, when the final details for celebration day will be dealt with.

None Better-Capital & Nugget Cigars

The collier Terje Viken is due in port this afternoon for a full cargo of coal.

Tug Flyer and schw were in for coal at the local wharves today.

The Ice Cream and Strwberry Festival to be held on the Pavilion Grounds tomorrow, offers many attractions. From 4 p.m., the ladies will sell Ice Cream, Strawberries, Candies, etc. The City Band will be in attendance. The object of this festival is worthy of support.

A letter received at this office today from Mr. Jas. Smart, secretary treasurer of the Dominion Day Race Association, Victoria, says in part: "I notice that Ladysmith is having a celebration of its own on Dominion Day, but I hope that some of your people at least will come to us on those days, as from the present outlook the Race meet will be very successful. We have at least twenty and probably thirty running horses coming from Seattle, and the harness races also I think will all fill."

Ask for Capital and Nugget Cigars

Unlike other golfers, King Alfonso smiles when he makes a bad stroke, and utters nothing more vehement than "Hi!" He intends to introduce the game into Spain.—Vanity Fair.

Keep Minard's Liniment in the house

LETTER FROM MR. J. ENO

Mr. Jas. Adam today received a letter from J. Eno, who, with Joe Sanderson is at present in Coal Creek, Alberta. Mr. Eno states that football is a great drawing card at present in Alberta, and gives descriptions of several games in which Mr. Sanderson and himself have played. He says that Joe has made a great hit with the players, and nothing is too good for them. Mr. A. Hutchinson, formerly of this city, acted as chairman of a smoker which the club gave there, and Mr. Eno states that a very entertaining evening was spent. Referring to other Ladysmith residents, Mr. Eno states that he recently saw Messrs. Hailstones and Scott playing full-back for the Coleman team. Mr. Eno says that work is very plentiful in that section and the cities generally are prosperous.

NANAIMO NEWS NOTES

(Continued from Page Three)

Quennel, E. Thorne, A. S...ith, J. Brown and L. Kelso.

The following is the line-up of the Drygoods men:

Catcher—Galloway.
Pitcher—Calderhead.
1st Base—Kirkman.
2nd Base—Nicholson.
3rd Base—Bergeron.
Shortstop—Chiswell.
Left Fiel—Oliver.
Centre Field—Anderson.
Right Field—Dick.

Mr. Sam Mottishaw, who has a splendid fruit garden on Fitzwilliam street, sent in a very acceptable sample of his McGoon strawberries to the Herald office yesterday, with also a sample of splendid fruits which were mildewed owing to the excessive and unusual amount of rain this month. This, Mr. Mottishaw explains, accounts for the scarcity of home-grown strawberries and the consequent price, which while not high now, in ordinary seasons is considerably lower. This season quite a large percentage of the strawberry crop of Nanaimo has thus been spoiled. Fortunately such excessive rainfall in June does not often occur. The McGoon's are a splendid variety of the vine fruit, large and luscious, firm and sweet, probably the best variety of strawberries grown on the Island.

Last evening Socialist orators were delivering speeches on the waterfront in front of the Nanaimo Club building. "Labor Slave," "proprogand," and "proletariat" as usual held the centre of the stage. The addresses seemed to please the speakers. The small but good natured audience had nothing else to do only smoke and listen and the meeting adjourned by gradual dissolution.
