NEW WESTMINSTER—Building permits for the month of March called for the construction of buildings valued at a total of $134,800, which amounts to $22,070 more than the corresponding month in 1911, and brings the total for the first quarter of the present year up to more than $355,000.

TENDERS BEING TAKEN ON STREET ARCADE

VICTORIA—A novelty street arcade is being planned and will be known as the Trounce Arcade, to occupy the entire width of that old private thoroughfare from Government st to Broad. The plans have been drawn by Archt. P. Rixford.

The arcade will be undoubtedly the attraction of the shopping district, and should become a popular promenade. It will be constructed of a light metal framework supporting the curved roof of clear wire glass. This glass will be of different textures, and will be used for decorative effect. The terminations at either end will be of pleasing and attractive design, constructed of wrought iron and glass. The arcade will be perfectly ventilated.

On either side will be stores, with a continuous line of display windows. Some of these stores will run through from View st to Trounce ave.

Tenders are now being received for the work, and it is expected that the contracts will be let in a very short time. The cost is estimated at $10,000, to be borne by McPherson & Fullerton, owners of the Central bldg, the Union bank, W. and J. Wilson and Lee Wow.

BUILDING PERMITS FOR MARCH ALMOST A MILLION

VICTORIA—With the exception of February last, in which the permit for the extensions to the parliament bldgs, to cost $1,000,000 was taken out, March returns are higher than in history, the permits aggregating a total of $61,770, compared with $271,945 during the same month of the previous year. To date the total value of permits issued since the year began is $2,852,725, an increase of 365 per cent over the same three months last year, when the total was $614,340. The aggregate value of structures erected last year in Victoria was $4,026,315, and the permits this year have been more than half the total last year already. The total permits in March was 64, including that for the Belmont block, to cost $400,000.

TENDERS CLOSED ON OAK BAY SEWER

VICTORIA—Tenders closed Monday at the Oak Bay Municipal offices for the supply of water pipe and for the construction and completion of a main trunk sewer from the intermunicipal boundary to the outfall at Bold Point, Shoal Bay.

There were seven tenders for the cast iron water pipe, and six for the sewer contract, which represent a large sum, and has attracted competition from the mainland. The contracts will be considered at the next meeting of the Oak Bay council. The sewer itself costs $65,000, and there is also the outfall and connections, a bylaw for $275,000 for the sewerage of the municipality having recently been approved by the ratepayers.

BEST BUILDING BRICK

THE process of manufacturing brick is a very important matter. Every brick turned out of our latest improved Berg press is made under a pressure of 400 TONS. They are also cured in cylinder under 120 pounds steam pressure.

ABSORPTION of moisture is only from 8 to 10 per cent. This is a very important feature in this climate. Our brick is being used in many important buildings.

WE can supply brick of all kinds and colors. Our prices are right. Be sure to get our figure before closing order. You will save money.

VICTORIA STREET PAVING WORK BEING RUSHED

VICTORIA—Two new concrete mixers have been ordered by the Canadian Mineral Rubber Co. from Vancouver, and these are expected to arrive early next week. With their advent the company will be in a position to proceed much more rapidly with the concrete laying on their contract, operations in connection with which were resumed recently. During the present week the company has been making progress with the work on Niagra st and Menzies st with one mixer, and also on Superior st. The new mixers, its is planned, are to be placed first on the Puadra st work, north of Hillside ave, continuing the paving of that thoroughfare from the point where it was left off. The paving of Hillside ave will not be taken up until later on in the year where a large part of the foundation has been laid. In Victoria West work is going on on several streets. The re-surfacing of Kingston st, where the paving developed some faults, was begun Friday and will not take long to finish. Fairfield road, from Cook st to Moss st, will be undertaken within a few days. In addition to the mixers which are on foundation work there is another on curb and gutter work. Within ten days the streets will once more wear the appearance of activity which was so notably a feature of the company's operations last year.

CORRECTION OF PREVIOUS STATEMENT

It was stated in the Monday issue of the Record that Archt. J. W. Keagey submitted plans for the Vancouver Club competition. That statement was erroneous and we wish to make that correction.

HOTEL IMPROVEMENTS.

VICTORIA—Miss Jean Mollison, who has purchased the Strathcona hotel at Shawnigan, proposes to spend $12,000 in May in additions and improvements there.
