FURTHER DEVELOPMENTS OF SOOKE LAKE CONTRACT

VICTORIA—Saturday, at the meeting of the city council, the supplementary report from the water commissioner relative to the Sooke Lake contract was made and a recommendation as to the city's course submitted. Just what the nature of the report will be none of the city officials would divulge. It seems certain that the Westholme Lumber Co. must either carry out the work as stipulated or it will be given to some other contractor and the difference in price, should there be any, will be charged up against the Westholme Co.

The original tender was for $1,169,720, and the next lowest bid some $350,000 above that figure, but the city will, it is stated, sue for any amount which is in addition to the original bid.

It is said that the city will consult with a number of contractors who tendered on the work, with the idea of offering one of them the work on a percentage basis.

James L. Raymur, water commissioner, reports that he has received several tentative propositions for the work at Sooke Lake, but until they are completely formulated as to all details, and submitted to the city's legal department for careful consideration nothing further can be done at the present moment.

WORK ON BREAKWATER MAY BE STARTED SOON

VICTORIA—There was a meeting of the harbor development committee of the board of trade Thursday afternoon for the purpose of taking into consideration matters in connection with the projected federal undertaking at Ogden Point. It is understood that the surveys of the site of the proposed breakwater, which have been in the hands of D. R. Harris, have advanced to an extent which will permit of the department of public works calling for tenders for the execution of the work at an early date. The committee will, it is anticipated, be in a position to fix an approximate date as to when an actual commencement may be made on the big undertaking.

HOLMES DISAPPEARING BEDS FOR VICTORIA APARTMENTS

VICTORIA—The Holmes Disappearing Bed Co., Riggs-Selman bldg, Vancouver, has signed contracts for the installing of 13 beds in the 3-story, 50x55 brick apartment house for Mrs. M. E. Owens at South Gate and Vancouver sts; J. M. C. Keith, architect.

The company will put in 24 beds in the three-story store and apartment building for Moore & Whittington on the corner of Fort and Quadra streets.

In the 1-story store and apartment building for C. E. Sonley there will be six Holmes beds installed.

BURNED LUMBER MILL WILL BE RECONSTRUCTED

VICTORIA—Delbert Hankin, manager of the Canadian Puget Sound Lumber Co., announced last Friday, while the embers were not yet cool, that the company will rebuild its plant on a larger and more solid scale. The loss through fire is $80,000; buildings, $30,000, and a million and a half ft of lumber. Insurance on the whole plant is $216,700.

FISHERIES COMPANY TO COMMENCE WORK

VICTORIA—Wilfred Doughty, son of Sir George, the famous Grimsby fisherman, is here today and says work will commence at once on the canneries and other development work of the British Columbia Fisheries Co. He leaves for the Queen Charlotte Islands in a day or two to initiate the work. Sir George is coming out August.

GRADING WORK STARTED ON E.D. & B. C. GRADE

EDMONTON—Contracts for the grading of 17 miles of the line of the Edmonton Dunvegan & British Columbia railway, north and west from the Sturgeon river, have been awarded by Duncan McArthur, who is in charge of the construction of these roads. L. A. Johnson, Porteous Bros. and J. F. Cassils, all of whom have been engaged on McArthur contract in Alberta for some years, will carry out this portion of the work and their gangs will commence operations, it is expected, within a few days.

Next week construction will be in progress over some 26 miles of the company's right-of-way. The first nine miles of the road from Edmonton to Sturgeon will be graded by Mr. McArthur himself; Porteous Bros. undertake the next ten miles and J. F. Cassils the next three, giving connection with Morinville.

WEST VANCOUVER TO BUILD MUNICIPAL HALL

WEST VANCOUVER—The municipal council has selected a site for its new municipal hall, decided to call for application for the purchase of a ferry steamer, and to authorize the Board of Works to call for plans for a $3000 municipal hall. Three lots on the northeast corner of Lawson and Taylor roads, having a frontage of 230 ft on Taylor and 130 on Lawson, have been acquired for the site.

The provincial government notified the council, through the West Vancouver Ratepayers' Association, that it intended to spend $25,000 on the Keith Road addition this year, and that the same sum would be provided for in next year's estimates.

CALGARY TO HAVE IRON INDUSTRY

CALGARY—Within a month or two work will start on the building of a railway to the property of the Alberta & Canadian Iron Syndicates, 25 miles west of town. When the railway is completed a smelter and 400-ton stamp-mill will be built and iron will be mined. The whole project will involve an expenditure of about $5,000,000. P. Burns is behind the venture.
