VANCOUVER ARCHITECTS DISCUSS DUTY ON PLANS

At a meeting of the Vancouver chapter of the B. C. Society of Archts, held in the club rooms, 625 Pacific bldg., Thursday night, the chief topic of discussion was that of export and import duty on architectural drawings. At the present time the import duty is in excess of the export and the local archts. hope to institute a movement equalizing these duties and adjusting on a fairly proportionate basis. The subject will be broached to other societies with a view to obtaining the desired legislation.

The next meeting of the local chapter will be held Thursday, August 22. The provincial society will convene in this city on Sept. 6, and preparations are being made for the entertainment of visiting members.
