NEW JAIL TENDERS ARE ALL REJECTED

Tenders were opened yesterday by the bldg and finance committee of the city council, covering the construction of the new jail bldg on Cordova st. All bids were rejected as the lowest tender exceeded the estimated cost. New tenders will probably be called for, but nothing is known definitely.

Tenders were as follows:

Rourke MacDonald & Moncreif	$249,950
Chas F. Perry	250,000
B. C. Granitoid Co	262,179
Robert McLean & Co	274,830
Skene & Christie	290,000

The estimated cost was $197,000 and this was later increased by the committee to $217,000.

COMPLETING PLANS FOR NEW WAREHOUSE

Archts Braunton & Leibert are completing plans for a 50x90, 2 sto brk and mill construction warehouse on Alexander st between Columbia and Main sts for Brown & Howie, to cost $16,000. Work is to start soon.

NEW BUILDINGS FOR TELEPHONE CO.

The B. C. Telephone Co is considering the erection of several sub-exchange bldgs in various parts of the city, and it is more than likely that the company's bldg department will very shortly order plans drawn for two and possibly three new bldgs, to cost in the neighborhood of $20,000 each.

Plans for the proposed 6 sto combination office and warehouse bldg, to be erected for the company at Yukon and Front sts, at a cost of $100,000, have been completed and within a short time the company will be ready for general contract tenders.

The total expenditures of the company planned in 1913 in British Columbia, principally in Vancouver, and which includes both new bldgs and general telephone line extensions, aggregate $1,000,000.

BUILDING TRADE WORKED BY NUMEROUS SCHEMES

Probably no other line of business has been worked so hard, especially since the great activity in real estate has died down, as the building trade. Every transient advertising solicitor who has some scheme out of which he thinks he can clean up a few "easy" dollars, and many of them are pure fakes, goes after the building trade. When some general magazine or newspaper finds that its advertising in other lines is falling off, no matter whether its circulation is one which reaches the right class of people or not for the builder and supply man, it proceeds to inaugurate a department called the "Builders' Page" or the "Home Buyers' Department," or some other such name, and solicitors are put out to "work" the building trade and too often they succeed.

In the long run, however, after having been "stung" two or three times, the man in the building or supply business falls back upon the reliable trade paper, whose entire circulation is among those who are constantly buying or specifying materials. Thus the advertiser is not paying for 75 per cent circulation that does him practically no good, and is using a publication whose entire efforts and entire news columns are devoted to the building industry.

A man takes a trade paper because he wants to read the news of the particular trade in which he is interested, and to keep posted as to what firms are handling various lines of materials. He knows that there he can find practically all the leading firms in that particular field without having to hunt through from 15 to 30 pages of dry goods, real estate, theatrical, grocery store, meat market and hundreds of other advertisements.

It has been proven in numerous older communities, and the building men in this community are coming to realize the fact, that in the long run it pays to stick to their trade paper, especially if it is worthy of their patronage, to leave all "schemes" and "fakes" alone entirely, and to spend very little, if any, of their advertising appropriation in publications whose field is so general that 75 per cent of their circulation is wasted as far as its value to the advertiser is concerned.

VANCOUVER BUILDING PERMITS

Only Permits amounting to less than $1000 will be found under this head.

READY FOR TENDERS ON EXCAVATING JOBS

E. J. Ryan, contractor, 768 Granville st, wants general contract tenders for two excavation jobs, one at the site of the proposed Canada Hotel bldg, at the intersection of the lane between Dunsmuir and Pender sts, on Richard st, and the other the site of the proposed theatre bldg for E. R. Ricketts at Burrard and Pender sts.

The contract for wrecking the old wooden bldgs on the theatre site has been awarded to B. Campbell.

Beginning next Monday Mr. Ryan will be prepared to take material and subcontract tenders on steel, lumber, brickwork, plastering, plumbing and heating, cornice and roofing and electric wiring for the Canada Hotel bldg, descriptions of which have already appeared in these columns.

An announcement will appear in The Record when tenders are wanted for materials and sub-contracts on the Ricketts theatre.

POINT GREY WANTS HYDRANT FITTINGS

The corporation of Point Grey is advertising for tenders until Jan. 6 for supplying valves, special castings and hydrants to be used in connection with water supply installations. Plans and specif from the clerk of the municipal council at Kerrisdale.

Tenders will also be received by the Point Grey council until Monday, Dec. 15, for clearing and contour grading on Bruce st from 29th to 31st aves and 31st ave from Bruce st to Crown st.

MANY TENDERS ON WESTMINSTER WORK

Many contracting firms of British Columbia entered tenders for the first unit of the Westminster waterway improvement scheme, which was closed yesterday by Capt. A. O. Powell, the engineer in charge. It depends upon the amount of the tenders whether the work will be done by general contract or day labor.

This first unit of the general scheme involves upwards of 3000 ft of cedar pile quay wall construction and 1,000,000 cu yds of back filling with rock rivetted slope.

SOUTH VANCOUVER BUILDING

SIOUTH VANCOUVER—Permits issued in South Vancouver for the month of November reached 156, valued at $117,400. The permits for the corresponding month last year were only 89 in number and amounted to $146,425. The reason for the decrease is that one permit issued during November of 1911 amounted to $20,000.

PLASTERING CONTRACT

C. C. Rice & Co. 1083 Richards st, has been awarded the contract for plastering the W. G. Westwood bldg, a 4 sto brk structure at Dunlevy and Harris st, by the Westwood Const. Co.

POINT GREY—$115,000 was the amt of bldg permits issued in Point Grey during November. The amount is the lowest since the winter months of the year.

ERECTING RESIDENCES

POINT GREY—A block of ten residence bldgs are being erected on 14th ave between Crown and Courteney by the General Administration Society. The total cost is $22,000.

TWO NEW BRIDGES

VICTORIA—Instructions have just been issued by the Public Works department for an immediate commencement of construction of the new high level traffic bridge at Granite in the Similkameen. The new bridge is to have two buttresses with concrete foundation, 2 40-foot spans and one of 125 feet in the centre.

Instructions have been given for the immediate erection as a provincial necessity of the new Cooper bridge at Grand Frks, spanning the main Kettle River near Cooper Bros.' ranch, the cost of which is estimated at $13,000. The bridge will be built by day labor.
