VICTORIA NEWS.

BUILDING PERMITS.

VICTORIA, Feb. 13.—Building permits were issued yesterday as follows: N. H. Canfield, frame res, Fernwood road, $3000; Wm. Dunford & Sons, frame res, Trutch st, $4,000.

CONTRACTORS WILL BUILD MODERN APARTMENT

VICTORIA—Moore & Whittington, contractors, have commenced work for their own account on an apartment house and store bldg of brick and concrete at Oak Bay Junction, on the corner of Fort and Pandora streets. Luney Brothers have been awarded the contract for the masonry. The other contracts will be taken by the owners. The bldg will be 3-stories and a basement. On the ground floor there will be four stores and the remainder of the bldg will be laid out in apartments.

CORRECTION.

VICTORIA—Through an error in the correspondence from this city it was stated in these columns a few days ago that Matthew Dow & Co. of Seattle were erecting the wharf and warehouse for R. P. Rithet & Co. The Record wishes to make the correction that E. R. Doe, 522 Sayward bldg, is the general contractor for this work and that Mr. Doe is making a record in construction.

FIRE DESTROYS LAUNDRY.

VICTORIA—Fire of unknown origin last Sunday afternoon destroyed the plant of the Victoria Laundry Co. on Yates st, with a loss of $15,000, fully covered by insurance. The property had been recently sold, and the company is now erecting a new concrete bldg for their own use.

CONTRACT TO BE LET.

VICTORIA—The contract for the new Hibben block on Government st is expected to be let tomorrow. It is understood that Luney Bros. and another firm are the two lowest bidders. Thos. Hooper archt.

COUNCIL MAY OBJECT TO BUILDING SCHOOL

NEW WESTMINSTER—The city council may object to the proposal of the School Board to erect a high school on Tipperary Square.

On the recommendation of the Board of Works it was decided to macadamize Carnarvon st from 10th st to the B. C. E. R. tracks, and to grade Burnaby, Carfield and Richmond sts, at an estimated cost of $1250. Braid st, Sapperton, will also be opened and planked south of Brunette st, at an estimated cost of $500, to accommodate two new industries which propose starting operations in the course of a few months.

The engineer was instructed to prepare plans and estimates for a permanent bridge on Clarkson st.

The tender of Gilley Bros. for 20,000 yards of crushed rock was accepted at $1.70 per yard, and the contract will be let accordingly.

As soon a s arrangements can be made the Sapperton District, below the 200-ft line, will receive their water supply from Queen's Park reservoir. This will relieve the upper or high level reservoir.

The city engineer was instructed to prepare plans and estimates for increased reservoir capacity.

The question of laying a duplicate pipe line under the Fraser River to supply Lulu Island will also be looked into by the engineer.

It was decided to stake the land at Silver Creek, to send an engineer to complete the survey started by the Silver Creek Water Power Co.

The Temporary Loan and the West End Sewer Local Improvement Assessment bylaws were finally passed.

CITY OF VERNON WANTS TENDERS FOR SEWERS

VERNON—Tenders will be received by D. C. Tate, city clerk, until March 11, for construction of vitrified pipe sewers in this city. Plans, etc., may be obtained from city engineer.

BEST BUILDING BRICK

THE process of manufacturing brick is a very important matter. Every brick turned out of our latest improved Berg press is made under a pressure of 400 TONS. They are also cured in cylinder under 120 pounds steam pressure.

ABSORPTION of moisture is only from 8 to 10 per cent. This is a very important feature in this climate. Our brick is being used in many important buildings.

WE can supply brick of all kinds and colors. Our prices are right. Be sure to get our figure before closing order. You will save money.
