VICTORIA NEWS.

VICTORIA PERMITS.

VICTORIA, Feb. 17.—Building permits were issued yesterday to G. W. Cromer, dwelling on Lewis street, $2,500; to Victoria Batavia Beveridge company, factory on Cedar Hill road, $800; to H. Bogert, dwelling on Oxford street, $2,500; to John E. Shenk, dwelling on Richardson street, $3,400; to Drummond Walls, two dwellings on Maple street, $4,200.

RAILWAYS RECEIVE EXTENSIONS OF TIME

The railways committee of the provincial legislature yesterday granted the desired extension of time for the initiation and completion of the Victoria Inner Harbor railway, also "passing" favorably the charter application of Nanaimo in connection with its proposed tramway system and relieving the corporation of the usual deposit required, a city being held to be in a different position from that of a speculative business corporation. The extension of time sought for the expenditure of 10 per cent of its capitalization by the Southeast Kootenay Railway Co. was also agreed to, the extension period being, however, reduced from three years to two. The application of the British Columbia & Alaska Railway Co. for a time extension and also for authority to make radical changes in its route, stands over until tomorrow for consideration.

VICTORIA—Wallace Bros., the cannery men, have taken a ship load of lumber and other materials to Naden harbor, where they propose the erection of another cannery. It is intended to have the cannery in operation by next season.

OAK BAY WILL USE MUCH SEWER PIPE

VICTORIA—There will be a market for considerable sewer pipe at Oak Bay, for the council of the suburb has decided to construct 3000 ft of sewer easterly from the western boundary by September 1st, and the completion of the further construction is to be carried out by November 30.

CONTRACT AWARDED FOR LAUNDRY MACHINERY

RAISE IN WAGE SCALE.

VICTORIA—The city laborers of Victoria are applying to the city council for the payment of a minimum wage of $3 per day on civic work. The application was made last year, but the council took objection on the ground that it was made after the estimates had been arranged for the various works. This year the application is made before the consideration of the estimates.

WILL BUILD HIGH SCHOOL.

VICTORIA—Hon. Dr. Young, minister of education, announces that a high school will be built shortly at Cumberland, B. C. Government assistance is also to be provided for the construction of sewers at the mining town on Vancouver island.

ERECTING BUILDINGS.

VICTORIA—The Thomas Catterall Co. is building two 2-story brick bldgs at either side of the company's offices on Fort st. The bldgs will have stores on the ground floor and apartments above. They will be rented by the contractors.

PERMITS MAKE RECORD.

VICTORIA—With but half of the month gone the value of the building permits issued so far this month has reached a total of $204,000, as compared with $183,000 last year during the whole month.

WILL SOON TAKE TENDERS.

VICTORIA—Jesse M. Warren, architect, has plans out for the remodelling of a store front on Pandora st, tenders for which will be invited shortly.

BEST BUILDING BRICK

THE process of manufacturing brick is a very important matter. Every brick turned out of our latest improved Berg press is made under a pressure of 400 TONS. They are also cured in cylinder under 120 pounds steam pressure.

ABSORPTION of moisture is only from 8 to 10 per cent. This is a very important feature in this climate. Our brick is being used in many important buildings.

WE can supply brick of all kinds and colors. Our prices are right. Be sure to get our figure before closing order. You will save money.

THE OUTLOOK FOR THE BLDG TRADES THIS SPRING

Although the building permits issued to date this year do not show the necessary average to make up the expected $20,000,000 for the year, there is little ground for pessimistic feeling in that fact. At the present time, in the offices of the architects of the city, there is work aggregating probably $50,000,000, and the only reason for the slow progress of this work seems to be that loans are so difficult to obtain. This is not strange in view of the fact that European money has poured into Vancouver in a flood in the last few months, and conservative investors are beginning to enquire where the returns are coming from. Like the man from Missouri they want "to be shown." There are several of the prominent business men of the city in England at the present time, and with ordinary good fortune they should bring back assurances of sufficient credit to proceed with much of the work that it now waiting for the necessary money. The great need of the city is manufactures, and while, for a young city, these are plentiful, yet with the splendid facilities for shipping, etc., there are not nearly enough of them. It is up to the Board of Trade and other boosting clubs to remedy this condition in so far as they are able, and in good time the golden stream will again be turned to this city.

The Record still predicts that the twenty million mark will be reached in the building permits, and that the building trades will see the most prosperous year in their history.
