ALCOLAC - Pratt & Lambert
The 20th Century Shellac
An article of unique merit which may be used as a primer or first coater over hard or soft woods. It forms a hard, impervious coating which prevents suction and holds out the finishing coats of varnish to a remarkable degree. Is superior to spirit shellacs, liquid Fillers and similar preparations. Alcolac works easy under the brush, is pale in color so as not to darken the lightest woods. Dries to sandpaper over night.

ARCHITECTS, NOTICE.

Official copies of the South Vancouver Building Bylaws for 1912 may now be had free of charge on application at this office.

THEATER PLANS FOR THIS CITY ARE PROGRESSING

Plans for the erection of the theater for the local syndicate, which will be located on Georgia, are rapidly progressing, and it is understood that definite statements with regard to the choosing of an architect and plans will be announced by Feb. 15.

Kingsley & Eastman of Seattle, who prepared the plans for the Spokane theater for Sullivan & Considine, will probably be the architects for the local house for that company, and it is reported from Seattle that this firm already has plans nearing completion. It is also reported that a local contractor will erect the building.

TENDERS WANTED FOR 1912 CITY SUPPLIES

James Stuart, city purchasing agent, will receive tenders until Jan. 27 for supplies for the ensuing year, as follows: C. I. castings, cement, sand and gravel, sewer pipe and fittings, pig lead, lead pipe, galv. pipe fittings, lubricating oils and greases, hardware, engineers supplies, etc. Specif, blank tender forms and all information may be obtained from the office of the above, city hall.

WILL PROBABLY REBUILD.

The Terminal Const. & Manfg. Co., whose mill at 11th ave and Yew st was destroyed by fire about ten days ago, are considering rebuilding their mill, and will hold a meeting of the officers in the next day or two to consider plans. Details will be given this week. In the event of rebuilding, a larger and more modern plant will be erected.

WILL SUPPLY POLES.

J. H. Galbraith has been awarded the contract by the B. C. Telephone Co. for supplying 30 and 33 ft poles for the company's use during the present year.

ENGINEERS MOVE.

The firm of Macdonell, Gzowski & Co., engrs and contrs, have removed their offices from the B. of N. A. bldg to room 15, Winch bldg.

WILL ALTER STORES.

A. Clummins has awarded the contract to Hugh Morrison for alterations in the premises at 66 Hastings st E, to cost $225.

WILL ALTER STORE.

A permit has been issued to H. Harvey, 224 Abbott st, to alter the front of a store at 29 Cordova st W. The cost will be $70.

MARCH WILL SEE START ON MILLIONS IN WORK

Every indication at the present time points to the fact that the month of March, or at least as favorable weather conditions are had, will se the start of several millions in work in and about the city. Among the work which will start in that month are a 15-story office bldg on Hastings st, the permit for which was issued some time ago, and which will therefore be able to go beyond the present limit, to cost about $510,000, and for which plans are completed; a ten-story office bldg on Hastings st, to cost $400,000, and for which plans will be completed this month; a 9-story office bldg on Pender st, for which plans will be completed and tenders on the general contract call for by the 25th of this month; another office bldg to go 8 stories, and to cost about $100,000, excavation for which is already completed; the beginning of the Great Northern False Creek terminals; the Seymour Creek water extension; a rooming and store bldg on Richards st, to cost $30,000; and at least ten others which will cost up to $250,000. Never in the history of the city has the outlook looked so bright, and if one-half of the work contemplated goes through this year the result will be astonishing.

LAST BARRIER TO G. N. FALSE CREEK WORK GONE

Conveyances were exchanged between the city and the G. N. Ry. yesterday morning, removing te last obstacle in the way of the procedure by the railway company with their False Creek work.

A. H. MacNeill, solicitor for the railway company, states that the balance of the contracts will be let in a few weeks, and that work will be in progress by April 1.

APARTMENTS AND STORES WILL GO UP SHORTLY

Plans have been filed with the bldg inspector by H. S. Schlomer, 319 Pender st W, for a 2-story frame store and apartment house bldg to be erected for Thea Gaerdes, of 1729 Venables st. Further details will be given within the week.

ALTER CONTRACT LET.

J. N. Harvey & Co., Ltd., 27 Hastings st W, have awarded the contract for extensive alteration in the above premises, consisting mainly of new store fronts, to the B. C. Screen & Mnfg. Co., 266 Dufferin st E, at approximately $3000.

CHINESE WILL BUILD.

George W. Dunlap is preparing plans for a 2-story frame store and rooming house, the location of which is not decided, for Wong To Loy. Plans are nearly completed.

WEEK'S BUILDING RETURNS.

SOUTH VANCOUVER, Jan. 9.—Although the weather has been unsatisfactory from the builders' standpoint the building inspector has had a fairly busy time and the total value of the buildings for which permits have been issued during the past week amounts to $15,600. In every case the permit has been for a residence, and the average cost is about $1500.

BUILDING DELAYED.

Geo. E. Woodcock, 537 Broadway E, who is contemplating the erection of a store and rooming house bldg at 782-6 Hastings st E and has had plans prepared by A. J. Bird, announces that he will not be ready to go ahead with the work for a short time, and will not receive tenders until announced in a few weeks.

WILL BUILD ELEVATOR.

VERNON—A conc storage elevator, to cost $500,000, is to be erected by the G. T. P. at Fort William. Its capacity will be 2,500,000 bushels.

If your copy of the Record is not delivered regularly, you will confer a favor on the publishers by notifying them of that fact, by phone.

You will save two dollars by paying a year in advance for the Record, besides saving considerable time and the annoyance of paying a small bill each month. Sixteen and two-thirds per cent is pretty good interest on your money, isn't it? Worth saving! The price for one year paid in advance is ten dollars.
