VANCOUVER CLUB PLANS WILL BE PREPARED IN CLOSED COMPETITION

Plans for the proposed new clubhouse for the Vancouver Club are now being prepared by a limited number of architects, who have been invited to compete. The competition is limited to practising architects of Vancouver and member sof the club.

It has not been definitely decided as to the exact location for the new clubhouse, but the old site on Hastings st adjoining the Metropolitan bldg will probably be chosen.

ARCHITECTS FORM FIRST OUTSIDE CHAPTER

VICTORIA—Victoria architects met Tuesday night and formed a local chapter of the B. C. Society of Architects. Officers elected are: F. M. Rattenbury, hon. president; S. M. McClure, hon. vice-president; Hoult Horton, president; J. C. Keith, vice-president; John Wilson, secretary and treasurer; R. Wilson, L. P. James and J. R. Cullin, directors. Norman Leach, president of the B. C. Association of Architects, and A. C. Hope, both of Vancouver, spoke of the necessity of forming associations in all towns in the province. It is proposed by the association that all architects shall be placed on the same footing as other professional men, and that standard examinations should be passed and certificates obtained by examination. A special committee was appointed to take up the matter of club rooms.

E. & N. FILES PLANS FOR DUNCAN BAY TERMINALS

VICTORIA—Telegrams from Ottawa yesterday announced the approval of plans submitted by the E. & N. R. Co. for its extension up the east coast of Vancouver Island, from Union Bay to Duncan Bay, north of the Campbell river. Copies of these plans were yesterday filed with the provincial authorities and indicate the location of the line as well as the intention of the company to establish extensive terminals at Duncan Bay.

It is understood that a very early commencement of construction is contemplated by the company, the clearance of right-of-way and a beginning of the grading of the line being already in hand.

BRANCH LINE WILL OPEN FIRST OF MAY

VICTORIA—The Cowichan Lake branch of the E. & N. will be ready for business by May 1, according to a statement of H. E. Beasley, supt. The branch is 18 miles long, running from near Duncan to the lake. The line will be principally used by the Empire Lumber Co., of New York, which intends the erection of a large mill on extensive holdings near the lake.

WILL CALL FOR TENDERS FOR MOTOR APPARATUS

VICTORIA—The finance committee of the council has decided to call for tenders for the $35,000 worth of fire apparatus required at once. This will include a combination hose and chemical wagon, an 80 gal gas chemical and chassis for the present truck and engine.

BUILDING FIGURES SHOW PROSPEROUS YEAR BEGUN

VICTORIA—To date the permits issued this month total $277,000, an increase of about 40 per cent over the whole of the same month last year. There are already filed plans for a number of buildings whose value exceeds this amount.

CONTRACT AWARDED.

VICTORIA—D. H. Bale has been awarded the contract for the erection of two cottages, one for Mrs. E. O'Rourke on Chester st, and one for Mrs. Fannie Thomas on Admiral's road.

BIG STEEL PLANT.

PORT ARTHUR, Ont.—Acting for Mackenzie & Mann and an English syndicate, J. H. Frazer, manager of the Atikokan Iron Company, a Mackenzie & Mann concern, submitted to the city an application for the establishment here of a $5,000,000 iron and steel plant. The city will give a site of 400 acres at Hare Point, and fixed the assessment for twenty years at $500,000, except for school and local improvement taxes.

BEST BUILDING BRICK

THE process of manufacturing brick is a very important matter. Every brick turned out of our latest improved Berg press is made under a pressure of 400 TONS. They are also cured in cylinder under 120 pounds steam pressure.

ABSORPTION of moisture is only from 8 to 10 per cent. This is a very important feature in this climate. Our brick is being used in many important buildings.

WE can supply brick of all kinds and colors. Our prices are right. Be sure to get our figure before closing order. You will save money.
