PORTLANDER BUILDING LARGE APMT HOUSE

A Portland dispatch says that Archt A. C. Ewart of that city, is preparing the plans and specifications for a two story and basement frame apmt house, to be built in Vancouver, B. C., by a former resident of Portland.

The bldg will be of colonial style of architecture, with colonial porch and balcony, and is to be 40x85 ft in size. It will contain 5 2-room suites and one 3-room suite to the floor and provision is made for the location of several suites in the basement or on the ground floor.

The suites are arranged for housekeepink purposes, each suite containing large living rooms and kitchen of sufficient size to be used as a breakfast room if so desired. In addition all of the 2-room suites on the two upper floors will have sleeping porches and several will contain dressing rooms.

The building will be heated by steam and each suite will contain a private bath room and the usual built-in conveniences. Electric dumb waiters will be installed and both the "Murphy" and "Holmes" disappearing beds will be used.

The bldg is to be modern and up-to-date and will cost in the neighborhood of $20,000.

BRIDGE PLANS HELD UP THROUGH BLUNDER

Through an error the source of which has not yet been traced, the plans for the proposed Second Narrows bridge have failed to reach the dept of public works, Ottawa. Word to this effect has been received from the east. Drawings were submitted to the dept of marine and fisheries which controls matters affecting navigable waterways, but another set should have gone to the dept of public works. The mixup necessitates an indefinite delay, but an investigation has already been instigated and it is hoped to straighten the tangle before long.

NEW CONTRACTING FIRM READY FOR BUSINESS

The contracting firm of Wemyss Watts & Co, formerly of Lethbridge, Alberta, have removed to Vancouver and are now prepared to estimate upon all classes of building work. Offices have been opened in the Empire bldg. While operating in Alberta the concern was among the most widely known in the prairie province, successfully completing a number of large contracts.

PROTEST AGAINST HEALTH BOARD RULING

NEW WESTMINSTER—The board of works has decided to send a deputation to Victoria with a view to secure the reversal of the decision of the Provincial board of health that no crude sewage should be allowed to pass into the Fraser River. This decision seriously affects the city's plans for the sewerage of Sapperton district.

The deputation will probably consist of Mr. Thomas Gifford, M.P.P., Mr. J. D. Taylor, M.P., Acting Mayor Gray, Ald. Kellington, chairman of the board of works and City Engineer Blackman.

CONTRACT FOR SCREENS

NEW WESTMINSTER—The Vulcan Iron Works have the contract for renewing the screens at the top of the big burner at Fraser mills.

MATERIALS TO BE USED.

The following material is mentioned to be used in the structures called for in the permits above, whose numbers correspond to those preceding the following items.

2848—2000 br, 650 yds pl, 9 bbls cmt.
2850—27,000 br, 500 yds pl, 10 bbls cmt.
2851—700 br, 250 yds pl, 4 bbls cmt.

VANCOUVER BUILDING PERMITS

Only Permits amounting to less than $1000 will be found under this head.

2849—Dr. McKinnon, 1614 Keefer st, fr garage; owner; $100.

2851—A. Honess, 413 Granville, 1 sto fr res; R. Cooksey; $850.

2852—P. Rimice, 1 sto fr res, 2533 27th ave; owner; $250.

A. V. ALDER FORMS NEW CONTRACTING FIRM

A. V. Alder, formerly associated in architecture with M. D. Campbell in the Exchange bldg, has withdrawn from the firm and is now engaged in general contracting under the firm title of A. V. Alder & Co. The new concern's office is in room 30, Exchange bldg.

Tenders are now wanted by A. V. Alder & Co for corrugated galvanized iron, sash and doors and composition roofing for the Dominion Bed Company's bldg. Bids will be received until July 15. The same concern is also furnishing the contract for the Jenckes Machine Co's plant on Mt. Pleasant.

WORK PROGRESSES ON METHODIST CHURCH

Archts Horel & Roberts, Dom Trust bldg, will probably call for tenders this week for the proposed Methodist church at West Pt Grey. Excavations are now being made and construction work will start shortly. The structure is being erected on the corner of Tolmie St and 8th ave at a cost of $4000. Provision is made, however, for additions to be built as required. The date of taking tenders for genl contr will be announced later in these columns.

WEEK'S PERMITS REACH SATISFACTORY TOTAL

Building permits in Vancouver for the week ending Saturday, July 6, amounted to a grand total of $763,855. The permit for the Birks bldg is included in this lot, but aside from this the record is a good one, particularly in view of Saturday being a half holiday and Monday, July 1, a whole one, leaving but four and a half days of actual bldg activity.

C.P.R. PLANNING MORE HOTEL ACCOMMODATION

The Royal Alexander hotel at Winnipeg will be enlarged by the addn as quickly as the work can be done, of 300 rooms, according to a wire received this morning by officials of the C.P.R. from Hayter Reed, manager of the C.P.R. hotels. The same dispatch announces that a new C.P.R. hotel will be erected at Revelstoke, B.C.

MAY OPEN OFFICE

J. W. Bowerman, Central bldg, of the firm of Bowerman & McCloy, Seattle, is spending a few days in the city with a view to opening an office here. The firm are consulting engineers, specializing in steel structures and bridge work.

CONTRACT LET FOR TEMPORARY BUILDING

VICTORIA—In order to make provision for the staff of several of the depts of the provincial service until the additions to the parliament bldgs are completed the minister of public works, Hon. Thos. Taylor, has had plans prepared for a temporary office structure which will accommodate all the officials now temporarily housed by the legislative wing. A contract has been let to Williams, Trerise and Williams for the erection of the bldg, which will cost $8500. It will stand on the northwest corner of Government and Superior sts, beside the old Plimley garage. The plans have been praper d by Frank L. M. Owen and call for a 2 sto bldg, one hundred feet by forty. The forestry dept will occupy the top floor and the hydrographic dept including the water commissioner's office, the ground floor.

Each dept will have a large draughting room and several offices. The entire bldg will accommodate about 100 officials. There will be fire-proof vaults on each story and every precaution against fire will be taken.

The permanent addns to the bldgs will be, it is expected, ready for occupancy in June, 1913, six months ahead of contract time.

INEFFICIENCY CHARGED BY CITY ENGINEER

VICTORIA—No cost system, too many blacksmiths, too many incompetent foremen who are unable to figure costs of their work, more rock below the surface of the streets than was expected, and the fact that the city went into its large schemes of paving and sewering without having definite plans of the undertakings, were given this morning by Engt C. H. Rust as the cause of the turmoil created in civic affairs and the large hole in the sewer loan bylaw of $450,000. Mr. Rust spoke freely, his statement amounting to a criticism of the manners in which the works had been undertaken.

MANY APPEAL FROM VICTORIA ASSESSMENT

VICTORIA—One hundred and one appellants have notified the city assessor of their intentions to appeal before the court of revision on Tuesday against the assessed value of their properties. The sum total of the assessments in this list makes a very large sum involved, there being some of the largest properties in the city limits against which appeals are entered. The value of the property affected will exceed three-quarters of a million dollars.

VIGOROUS PROTEST AGAINST GRAND TRUNK

PRINCE RUPERT—In a lengthy resolution drafted by the city solicitor and passed in council the city council protests against the government's granting any further waterfront or foreshore privilliges to the G.T.P. whether in return for a grant of a site for feredal bldgs or not. The resolution sets forth that the G.T.P. already has more waterfront than it should have and suggests that the government had better buy a site and proceed at once with the erection of the promised federal bldgs than dicker further with the G.T.P. The mayor expressed himself thoroughly dissatisfied with the way in which the G.T.P. had only technically fulfilled the terms of their agreement over the disputed assessment.

FORT GEORGE—A number of building contractors have signified their intention of making Saturday a half-holiday.

GIGANTIC MEXICAN ENTERPRISE PLANNED

SEATTLE—An English syndicate has signed a contract to purchase controlling interest in the Mexican Pacific Co's railroad and plantation properties and government concessions on the west coast of Mexico for a consideration running into several million dollars.

The project also includes the construction of two $1,250,000 cement docks at Elhuataenjo and at Capaulco, which will be capable of accommodating the largest vessels on the Pacific. It is said that English and French financiers have agreed to put up $30,000,000 into the project and that six thousand men will be employed within a few months.

Several Seattle, Portland and Vancouver, B. C., capitalists besides Mr. Thomsen, are interested in the Mexican Pacific Co, although he has been the prime mover in the enterprise from the first. Mr. Thomsen expects to leave for Mexico about July 20.

PATIENTS TAKEN FROM BURNING BUILDING

NEW YORK—While fire was eating its way down from the top floor of the Pathological Institute, a hospital and library bldg on Ward's Island, over 400 women patients were safely removed from the structure. Excellent discipline was maintained, tactful work by the institute authorities preventing any sign of a panic, and no one was injured. The 3 sto brick bldg was completely destroyed.

ACCEPTED, BRIDGE COLLAPSED

CONCONULLY — Okanagan county must pay for the building of the bridge over the Okanogan River, whic hfell almost immediately after its acceptance by the county, a year ago. The plaintiff was Mary A. Oliver, widow of William A. Oliver, who built a draw and delivered the keys to the county just a few days before its collapse. The verdict of the jury gives Mrs. Oliver $4888. The county will probably ask a new trial.

NANAIMO PERMITS

NANAIMO—The value of permits issued by the bldg inspector, Allan Waters, during the month of June was $36,853 as against $22,675 for the month of June last year, an increase of $14,178. The total value to the end of June this year is $125,992 as against $82,386 to end of June last year, an increase of $43,606 or over 50 per cent.

CEMENT WORKS INQUIRING

NEW WESTMINSTER—It was learned here from a reliable source that within the last few days a manufacturer of cement has been investigating conditions here and is very favorably inclined towards establishing a big industry of that kind on Lulu Island.

BUILDING NEARLY FINISHED

NEW WESTMINSTER—The new 3 sto $10000 bldg which is under const on the waterfront for the Pacific Chocolate Co is progressing rapidly and will soon be ready for the installation of the machinery.
