CONDITIONS ON NORMAL SCHOOL COMPETITION

For the information of those who did not receive notice of the architects competition for plans for the Provincial Normal School at Victoria, below are practically all of these conditions. Plans are to be submitted by Aug. 31, with no names attached, as usual. There will be two assessors to be appointed. Conditions provide for very little. They do not provide for any scale, but state that the bldg must have at least ten rooms, to cost from $125,000 to $150,000, and manual training, domestic science rooms, and library are to be provided. An up to date heating and ventilating of some approved type must be shown. The site comprises 7 1-4 acres, sloping to the south, and at the corner of Lansdowne ave and Mt. Tolmie road, Mt. Tolmie district. The competition is limited to architects practicing in this province.

DRAWING PLANS FOR SHAUGHNESSEY HEIGHTS HOUSE

Archts Perry & Nicolais, Pacific bldg, are engaged in the preparation of plans for a large residence for Shaughnessey Heights, but no figures are wanted until announced. The same archts are now engaged on plans for a fine frame bungalow to be erected in North Vancouver. Plans on this will be finished in a few days.

They are also designing a Presbyterian church for Point Grey to be of frame and rough cast, Mission style. Plans are not completed on this bldg.

The case will likely be appealed.

BEST BUILDING BRICK

THE process of manufacturing brick is a very important matter. Every brick turned out of our latest improved Borg press is made under a pressure of 400 TONS. They are also cured in cylinder under 120 pounds steam pressure.

ABSORPTION of moisture is only from 8 to 10 per cent. This is a very important feature in this climate. Our brick is being used in many important buildings.

WE can supply brick of all kinds and colors. Our prices are right. Be sure to get our figure before closing order. You will save money.
