NEW YORK CONTRACTORS WILL BUILD C.P.R. STATION

Inquiries from H. Rindal, division engineer of the C.P.R. with regard to report that the Westinghouse, Church, Kerr Co. of New York City, have been awarded the general contract for the new station to be erected at the foot of Granville st, east of the present station, elicit the information that this statement is premature. Other officials of the C.P.R., however, state that the contract has been let, and that the above contractors are the successful tenderers. Workmen have been clearing up the park, removing trees and shrubs in preparation for excavation.

M. P. Cotton & Co have been awarded the contract for the excavation, though detailed information with regard to the plans for the bldg are not forthcoming at the present.

LOCAL ARCHITECT COMPLETING PLANS FOR KAMLOOPS BLDG.

Plans are practically completed for the store and office building for a Kamloops syndicate, which was originally intended for the Western Canada Trust Co., by Archt G. B. Kaufman, Davis Chambers, and the archt will shortly call for tenders for the general contract from Kamloops contractors only. The bldg will be 3 stories in height, of brick and stone, full basement, and hot water heat, and will be 50x120 in size. It is estimated to cost about $40,000. As soon as excavation plans are completed, the archt will call for tenders for this work, but on account of the distance from this city, local tenders will not be sought.

CONTRACT AWARDED FOR PENDER ST. BUILDING

Archt W. A. Doctor has awarded the contract for the 3 sto frame and brick veneer store and rooms bldg to be erected in the 1100 blk, Pender st, to John Saul. The bldg will be 28x80 ft, with 2 stores on the ground floor and 29 rooms on the upper floors. The genl contr will handle all of the minor contracts.

READY FOR STEEL TENDERS IN BIG BLDG.

Archts VanSiclen & Macomber, 51 Can. Life Bldg, are now ready for tenders for the structural steel for the McDougall & Cameron bldg to be erected on Hastings St E. Mr. VanSiclen left last night for Edmonton in connection with a large hotel which he will draw plans for there.

TENDERS FOR BUNGALOWS

Foster, Mutch & Harrison, 573 Seymour st, will take tenders until May 31, for the general contract on 8 bungalows to be erected in South Vancouver. Plans and specif may be seen at the office of the above. The bungalows will have concrete found, five rooms, bath, and modern conveniences. They will have shingled exterior, and will probably cost about $1,200 each.

CONTRACTORS MOVE

Clow & Collier, shingling contractors, have removed their office from 1155 Granville st to new and larger quarters at 1018 Granville st.

WINDOW DESTROYED

One of the large plate glass windows in Edgett's store, Cambie and Pender sts, was destroyed by a team late yesterday afternoon.

PROMINENT CONTRACTOR DIES AT PRINCE RUPERT

The death of Matthew Dow, president of the British American Contracting Co, occurred at Prince Rupert last Monday from heart failure.

Matthew Dow was 63 years of age, and had been one of the most prominent contractors of the Northwest for the past 23 years. He had just secured the preliminary work for the immense G.T.P. docks at Prince Rupert and had just removed his office and family from this city to the northern metropolis. Mr. Dow had built more wharfs than any other man or firm in the Northwest.

CONTRACT LET FOR WAREHOUSE BUILDING

Archts Braunton & Leibert, Exchange bldg, yesterday awarded the contract to Egdell & Dixon, Welton bldg, for the warehouse bldg for Brown & Howie, to be erected on Alexander st. The genl contrs will be ready for tenders on some of the sub contract, in a short time, but not until announced.

The contract was also let at the same time for the Haley & Sutton bldg to be erected on Richards st, though as the contract has not been signed, the Record is not at liberty to give the name of the successful contractors. The contract will be signed today.

WILL TAKE TENDERS FOR SCHOOL FITTINGS

C. W. Murray, secretary of the school board will take tenders until 5 p.m. May 27 for the supply of school desks for the year 1912. 25 per cent of the desks supplied must be adjustable, and a sample is to be submitted.

Tenders will also be taken, closing at the same time, for supplying linoleum for the General Gordon school. Particulars may be had at the office of N. A. Leech, school archt, 2nd floor, School Board offices.

CONTRACT AWARDED FOR FINE RESIDENCE

Archt R. Mackay Fripp, Hutchinson bldg, has awarded the contract for a 2 story log bungalow to be erected at Eburne, for Capt. C. Gardiner Johnson, to J. T. McNeill, Newport Hotel. The bldg will have stone basement, and will cost $16,000. The general contractor will take figures for the masonry work, labor only. Most of the materials are supplied by the owner.

BEST BUILDING BRICK

THE process of manufacturing brick is a very important matter. Every brick turned out of our latest improved Berg press is made under a pressure of 400 TONS. They are also cured in cylinder under 120 pounds steam pressure.

ABSORPTION of moisture is only from 8 to 10 per cent. This is a very important feature in this climate. Our brick is being used in many important buildings.

WE can supply brick of all kinds and colors. Our prices are right. Be sure to get our figure before closing order. You will save money.

LOCAL COMPANY GETS BIG RAILROAD CONTRACTS

Contracts have been awarded by the Canadian Northern for the construction of 331 miles of new branch line extensions in the prairie provinces. One of the most important is the contract for the Goose Lake Line, which has been awarded to the Northern Construction Co. This calls for the construction of a gap of 119 miles, from the end of the steel to Munson. W. J. Cowan has the contract for the completion of the Prince Albert-Battleford branch, on which there are 50 miles of steel to be laid, 30 miles of which have already been graded. W. J. Cowan will also build a 21-mile branch north from Canora to connect with the Thunderhill extension. This year the Northern Construction Co is to complete the Brazeau coal branch, a distance of 170 miles, 100 miles of steel being already laid on the line. The Northern Construction Co in addition to the above, has the contract for the construction of 100 miles on the Edmonton-Peace River Line. In reference to the construction of the yard extensions which are to be made on the site purchased in St. Boniface, M. H. Macleod, general manager, stated that the company would do this work itself, and a start would be made immediately.
