WILL ACCEPT AMERICAN CONTRACTS AND MATERIALS

At the last meeting of the council at Kerrisdale, a clause in specifications for waterworks extensions, providing for steel pipe of British manufacture, was stricken out, on the ground that American pipe of equal quality could be obtained at a lower price. At the same time it was decided that no objections would be offered to any contractor figuring on municipal work. This is the result of the recent discussion with regard to the award of the Section 5 water extension.

The council will shortly call for tenders for pipes for conveying from the reservoir to DL 472 and Shaughnessey Heights.

WILL TAKE TENDERS FOR SEWER MATERIALS

The Graff Construction Co, Keith Dr and Broadway, who have been awarded the contract for the China Creek trunk sewer, at $85,000, will take tenders at the above address for 5,000 yards sand, 5000 yds gravel, 5000 bbls cmt, about 120 tons of twisted reinforcing steel, 100,000 paving brick, and about 500 lin. ft of ordinary vitrified 6, 10 and 12 in. sewer pipe. Figures are wanted at once, as the time limit for the work is 6 months.

The Graff Const Co is completing the contract for the 12,000 yds of cement sidewalks at Kamloops, for which they were low bidders.

CONTRACT AWARDED—TRADE TENDERS WANTED

The genl contr for the store and apmt bldg to be erected at 11th and Main st, for J. B. Mather, has been awarded to Booker, Campbell & Whipple, Williams bldg, by the archt, W. P. White, Hutchinson bldg, at approximately $9,000. The genl contrs will take tenders, addressed to Jas. Bryan, Williams bldg, for a number of the trades and contracts. These may be found on page 4.

CLARK DRIVE IMPROVEMENTS AGAIN BEFORE COUNCIL

The Board of Works has again recommended to the council the widening and improvement of Clark Drive, the revised estimate of the cost now being $188,980. In addition to this sum there are damages which the city will have to pay amounting to $132,216. The city's proportion of the cost of the improvements will be $75,000.

CAR SHOPS FOR WINNIPEG

WINNIPEG—The New Era Transit Co of New York and Buffalo bought 1,000 acres yesterday from Aime Benard at Benard siding, 30 miles west on the main line of the C.N.R., for $100,000 and will erect on this property an extensive car manufacturing plant besides subsidiary concerns which will produce motor power. These plants will cost more than $250,000 at the outset, but the company says that the money to be spent within a year or two would run into millions. Work will be started at once.
