VICTORIA NEWS.

VICTORIA—It is understood that as soon as the bldg at the corner of Fort and Douglas st is ready for Mr. Campbell, the start will be made of the new Dominion Trust blk, which has been under contemplation for some time. The valuable site from which Mr. Campbell is removing will be occupied by a substantial bldg in keeping with the ambitious projects of the company elsewhere.

An arrangement has been reached between the Dominion Glazed Cement Pipe Co and the city with regard to the balance of the order which the company has on hand for the city under contract, and delivery will be made from the company's yards at Vancouver in the course of the next two weeks.

The northeast sewer will be completed this week and will connect Victor street with the Oak Bay trunk sewer at Foul Bay road.

The next year's program will probably provide for a new school in the Hollywood section and extensions to some of the existing schools where the accommodation is already overtaxed.

COMPANIES INCORPORATED

VICTORIA—Certificates of incorporation have been issued to Barriere Land Co. Ltd; Builders Supply Co, Ltd; Cariboo Power Co, Ltd; Forest Mills of British Columbia, Ltd; Independent Securities, Ltd; Land Lumber Co, Ltd; Martins Ltd; Vancouver Cut Glass Co, Ltd; Whitman & Shofner Ltd. Registration as an extra provincial company has been granted to the Ballard Drop Forge Co.

NARROWS BRIDGE PROJECT APPROVED

Cleveland & Cameron, Rogers bldg, consulting engineers for the Second Narrows bridge project, have received word from Ottawa that the plan involving a span of 225 ft has been appoved. This removes the last serious obstacle to the undertaking.

Orders have been given to complete the bridge plans and specif at once and it is thought likely that tenders can be invited and a contract awarded within two or three months.

WILL DISCUSS STADIUM

The board of park commissioners have asked the members of the local chapter of architects to attend their meeting on next Monday when the question of the proposed stadium at Coal Harbor will come up for discussion. Mr. Frank Heath, of Tacoma, the designing architect, is now in Vancouver.
