COMPLETING PLANS FOR APARTMENT AND SCHOOL

Victoria Architect Will Want Tenders Soon on Two Jobs.

Apartment Building, Victoria.

Archt. C. E. Watkins is completing plans for an apartment house to be erected at the corner of Cook and Collinson St., to cost about $45,000. Tenders for the construction will be called early in September.

Bldg. is to be of brick construction, frame interior; 3 sto. in height, containing 34 suites of two and three rooms each. Disappearing beds will be used, gas stoves will be placed in each suite, and there will be a well equipped laundry in th basement for general use.

Mr. Watkins is also completing plans for the new Quadra St. school. This bldg. will have brick walls and fireproof staircases, containing 8 class rooms and a large assembly hall about 50 ft. square.

PLANS COMPLETED FOR PORT MOODY CITY HALL

City Hall, Port Moody—Plans for the City Hall were produced before the Council at its last meeting. Should they be finally accepted the building will be an ornate one, and a credit to the city when completed. The plans propose a single storey structure with a large basement in which will be housed furnace room, kitchen, spare rooms, and, it is expected, police headquarters. A large hall, suitable for dances, theatrical performances, concerts will take up most of the available room on the main floor. Dressing rooms will also be located on the main floor.

Archt's. name is not given.

VICTORIA ARCHITECTS WIN SCHOOL COMPETITION

In the competition for plans for the proposed Hollywood school, in Victoria, final award has been made by Archt. W. B. Young of Vancouver, to to whom the plans were submitted.

Plans submitted by Archts. Spurgin & Wilkins, 465 Times bldg., Victoria, were awarded first place, and second place was given to Arthur Fleet, 21 Winch bldg., Vitcoria.

It is intended to invite tenders and undertake construction without delay.

PREPARING PLANS FOR ADDNS. TO BUILDING

Hotel Addns., New Westminster—Plans are now being prepared by Archts. Gardiner & Mercer, Westminster Trust bldg., for addns. and alterations to the Occidental Hotel on Columbia St. in this city, to cost about $20,000.

The hotel has been purchased by A. O. Hansen and Justice (Gus) Swanson.

Two stories will be added to the building and an elevator installed, together with new furnishings throughout.

ISSUE PERMIT FOR BIG SHAUGHNESSY RESIDENCE

Residence, Shaughnessy—A permit has been issued for the proposed $30,000 residence for H. Bingham at Alexander St. and Angus Ave. in Shaughnessy. Plans are now being completed by Archt G. B. Kauffman, Davis Chambers, who will probably invite general contract proposals within the next week or so.

AWARD CONTRACT FOR TELEPHONE EXCHANGE

Telephone Bldg., Port Coquitlam—The B. C. Telephone Co. has awarded a contract to Charles Davies, of Port Coquitlam, to erect a fr. telephone exchange bldg. in that city, to cost about $5,000. Work is under way on the concrete foundations.

Nelson Street Paving.

Paving, Nelson, B. C.—Continuing its policy of making all the public improvements possible out of revenue, Nelson city will shortly commence the construction of the first cement street by paving the block leading from steamer wharf.

NO CONTRACT AWARDED YET ON COQUITLAM HOTEL

Archts. Parr, McKenzie & Day deny the story appearing in a New Westminster paper to the effect that a contract had been let to E. J. Ryan & Co. to erect the proposed Coquitlam hotel bldg. for the Coquitlam Terminal Co.

"We have let no contract yet on this job," said the archts. yesterday, "and you can say that the story is not true."

Tenders were closed on this bldg. several weeks ago. The structure will be fireproof, costing possibly from $40,000 to $50,000.

No contract has been let as yet for the 5-sto. brk hotel to be erected at Pender and Main Sts. from plans by the same archts.

CALLS FOR PROPOSALS FOR NEW SCHOOL BLDG.

School, Somenos, B. C.—Proposals for constructing a 1-room fr. school bldg. at Somenos, in the Cowichan district, will be received by the Dept. of Public Wks., at Victoria, until Sept. 15.

Plans, specifications, contract and forms of tender may be seen on and after the 25th day of August, 1913, at the office of Mr. J. Maitland Dougall, Government Agent, Duncan; Mr. J. W. Dickinson, Secretary to School Board, Duncan, and the Department of Public Works, Victoria.

WILL DECIDE SOHRTLY ON HARO ST. SCHOOL

School, Vancouver—The foundations for the proposed brk. school and club bldg. on Haro St. for the Church of the Holy Rosary are practically completed and the question of going ahead with the bldg. will probably be settled without a delay. New tenders will undoubtedly be invited if it is thought best to go ahead now. Otherwise the work will be held over until next spring. The plans were prepared by Archts. Tegen & Vezina, Metropolitan bldg.

CONTRACT GIVEN TO GENERAL SUPPLIES, LTD.

Calgary—The council has awarded a contract totalling $26,900 to the General Supplies, Ltd., of this city, for steel valves and fittings, and erection of same in the new power plant which Power Expert Ross designed. Mr. Ross recommended that the tender of the Pittsburgh Valve Company, although slightly higher, $27,600, be accepted.

General Supplies also got the contract for combination trolley and light poles to cost $4,182.50.

Coquitlam District School.

The Maple Ridge school, tenders for which close Sept. 1, has two rooms with entrance in the centre of the building. The rooms will measure 32 by 27 feet each, while the building will be air-heated. The South Lillooet school (tenders close Aug. 29) which will be a one-room building, will stand high, and will have a splendid basement to be used as a re-creation room. The room will be 25 feet by 27 feet, while the class room will measure 27 feet by 33 feet. The floor of the basement will be made of concrete, while the room will be lofty.

AWARD CONTRACT FOR EXPOSITION CHANGES

Exposition Addns., New Westminster—A contract covering addns. and alterations to the bldgs. of the Provincial Exhibition in Queen's Park has been awarded to John Calbick. The work will cost from $15,000 to $20,000.

Immigration Shed, Vancouver—Plans were filed yesterday at the office of the local building inspector for the proposed immigration shed building, which will be erected in this city by the Dominion government, at a cost of about $300,000, at the foot of Victoria Drive. The building will be 4-storey, or reinforced steel beam construction, 212x64 feet.

In the basement will be a laundry, fumigation room and cook rooms.

On the first floor will be a reception room, waiting, examination, inspectors and guards rooms.

On the second floor will be men's dormitory for Chinese men and women, recreation room, discharging room, etc.

The third floor quarters are intended for immigration officials.

Heating, St. Paul's Hospital—Archts. Tegen & Vezina, Metropolitan bldg., are now receiving proposals covering alterations to the existing heating equipment in the old portion of the St. Paul's hospital bldgs. on Burrad and Nelson Sts.

The work embraces alterations of the heating system to the nurse's quarter, to provide for more nures; also connecting up the old heating system with the boilers of the new plant.

The archts. are considering the job of demolishing a part of the old hospital bldg. and will either give the job for the salvage alone, or let it by contract and keep the salvage receipts for the owners.

Residence, Vancouver—R. Bowman will erect a 2-sto. frame residence bldg. on Osler Ave. near Balfour Ave. on Shaughnessy Heights, to cost in the neighborhood of $5,000, and wants proposals for the following trades.

Plumbing, plastering, shingling, heating, electric wiring, sash and doors.

The bldg. will be entirely modern and work has just started. Mr. R. Bowman can be seen at the job today.

Residence, Shaughnessy—Archt. G. B. Kaufman, 615 Hastings W, is now engaged in completing plans for a hollow tile, frame and stucco residence for H. Bingham, a local capitalist. The cost of the structure will be from $30,000 to $35,000.

Mr. Kaufman has the plans for excavating, grading and concrete work completed now and will take figures for the sub-contracts until August 16, as the contracts must be let by Aug. 18.

The residence will be entirely modern throughout and equipped in a thoroughly uptodate manner throughout, with hot water heat, a good deal of hardwood finish, etc.

No figures have been have been taken as yet on the general contract and it will be about three weeks before the plans are completed sufficiently for general building tenders.

The exterior construction will be of bellow tile blocks, with stucco finish. This is the residence of which mention was made last week in the Building Record.

Residence Sub-Contracts — Kennett-Tinney & Co., general contrs., 1927 2nd Ave. West, who are erecting a 2-sto. fr. residence at 3504 15th Ave. W., for F. L. Hackling, of the Fairfield bldg., are taking figures covering the lumber, heating, brick work, painting, plastering and wiring on the structure. The excavating has been let to Campbell Bros. Cost of bldg. is $7,000.

Designs of a general character will first be submitted and from this number the best six will be selected and the authors of these will be asked to elaborate their designs. The one finally selected will get the job of superintending the work based on his plans and will be given a five per cent commission. The cost of the buildings will probably aggregate five million dollars.

The other five competitors who will be asked to develop their general designs will each receive $3,000. The sketches will be received up to January 2 next. Then three months will be given for the best half dozen to develop their plans.

The competitors whose plans are accepted will be given a further period of four months to prepare working plans. Afterward tenders will be called for, but, in view of the time allowance, this will not be before next autumn.

The cost of the building will aggregate $5,000,000 dollars. The other five competitors will be asked to develop their general designs and each will receive $3,000. The sketches will be received up to January 2, next. Then three months will be given for the best half dozen to develop their plans.
