COMPETITION IS FOR VICTORIA ARCHTS ONLY.

The school competition of which announcement was made several days ago in the Record, is for Victoria architects only. The official "ad" published by the Victoria school board makes no mention of this fact, but the "conditions" mailed to inquiring architects gives the information that only Victoria architects resident in that city for six months past are eligible to compete.

Why the competition, if open at all, should only be open to Victoria architects only, does not appear entirely clear to the members of the profession resident elsewhere in the Province.

PREPARING TO START NEW COQUITLAM SCHOOLS

Port Coquitlam, Schools. — Mayor Mars and W. D. F. Godwin, chairman of the school board, during their trip to Victoria early this week, arranged to have work started at once on the city's two new schools, one on the site of the old Central school and the other a new one, at James park.

SEEKS ARRANGEMENT TO FINANCE PAVING WORK

Paving, Victoria.—As the city is not in immediate possession of funds permitting the completion of the underground work on Brooke, Stannard and Arnold sts, the contracts for the paving of which have been let to the Worswick Paving Company, a temporary financial arrangement will be made with the company wh reby the work may be proceeded with and the three streets paved. The company has secured a large paving contract in Saanich, and, with the three above named streets the only work it has under contract for the city, it is desirous of completing it so that its plant can be moved to permit of it making an immediate start on the Saanich work.

COMPETITION OPEN.

Public Bldg., Ottawa—Conditions of the completion which is invited for the preparation of plans for the new Government block on Wellington St., are in course of preparation by a special commission recently appointed by the Government, which began its session here today.

The commission is composed of Messrs. Colcutt, of London, England, Marchand, of Montreal, and Russell, of Winnipeg, each of them an expert architect.

The intention is to indicate on general lines the designs and the layout desired and to invite detailed plans for the proposed buildings. The competition will be open to architects throughout the British Empire, and substantial prizes will be offered to those of the highest in the competition.
