TO REBUILD POTTERY BUILDDING AT VICTORIA

Pottery Bldg. Victoria—Gen. Mgr. A. T. Monteith, of the B. C. Pottery Co., whose plant was destroyed by fire at Victoria, Sunday, announces that work of rebuilding will start next week.

The loss on the plant aggregated $100,000, with insurance amounting to $30,000.

ABATTOIRS AND COLD STORES AT CRANBROOK

Abbatoir, Cranbrook—J. H. Frankel, of Pincher Creek, Alta., proposes to erect in Cranbrook an abattoir and cold storage plant at a cost of about $20,000. The machinery and interior equipment will involve from $60,000 to $75,000 additional.

Mr. Frankel has placed his proposition before the City Council.

FUNDS ARE PROMISED FOR MUNICIPAL WORKS.

One financial offer was offered and turned down while another was accepted at the last meeting of the Burnaby council, and within the next three weeks it is expected that the municipality will be in a position to commence operations on work laid out in the plans of the engineer for 1913. The total sum to be available will be $1,143,750.

NEW WESTMINSTER ITEMS.

The work on the foundation for the extension of the Dominion building has commenced.

The excavations for the new recreation hall at George and Kyle streets began Monday, and will be pushed ahead with all the rapidity possible.

Yesterday building permits were issued to J. A. Motherwell, Fifth avenue, for a seven-room, two-storey residence at a cost of $3,900; to M. E. Dean for a frame garage on Eighth avenue at $200; and to Mrs. Woods, Eleventh street, for alterations at $100.

The city council has laid down the rule that the conferring upon committees the power to act shall not confer power to sign contracts, and that that must be done by the whole council. This is the outcome of Alderman Bryson's probe into the harbor committee's letting a contract where he understood day labor was to be employed.

HARDWOOD LUMBER YARD.

The Seaman, Kent Co., Ltd., contemplate, at an early date, opening in connection with their hardwood flooring warehouse in Vancouver a department for handling various kinds of eastern hardwoods and possibly special lines from Japan and Australia.
