DETENTION BUILDING PLANS PROVIDE $50,000 STRUCTURE

Detention Bldg., Victoria—The William Head detention bldg., proposals for which close at Ottawa, November 17, from plans by Archt. Wm. Henderson, of Victoria, call for a concrete structure, modern in every way.

The general design of the building shows a centrepiece and two wings, the former being utilized for assembly functions, such as dining and meeting, the latter representing the various cabins and sleeping accommodation. Extending over a length of 152 ft. the building has two storeys at the wings and 3 sto in the center.

All the individual cabins are fitted up hot and cold water, individual baths, electric light, etc.

The feature of the central portion of the structure is the great dining hall, which occupies the entire width of the block and almost the entire depth, the margin of the latter being reserved for the kitchen.

Immediately above the dining hall there is provision for another great hall, and it is likely that this hall will be utilized for assembly purposes. Of course it can also be used for many other purposes, medical and judicial.

EXPECT TO INVITE SEWER TENDERS SOON

Sewers, Vancouver—Chairman Frank Bowser, of the Greater Vancouver Sewerage Commission, says that the commission will consider inviting contract tenders for sections of the proposed Canoe and China Creek trunk line sewers, at its next meeting, in November.

This work is expected to cost between $350,000 and $400,000.

Next spring it is explained that an additional $2,500,000 will be obtained for the proposed sewerage improvements, through the sale of bonds guaranteed by the government.

The Balaclava trunk sewer will probably not be taken up until next spring.

ASK APPROPRIATION TO PREPARE THE PLANS

The North Arm harbor commission will ask the municipalities of Point Grey, Richmond, Burnaby and South Vancouver for an appropriation of $1,000 each with which to have plans prepared covering proposed improvements of the North Arm of the Fraser.

The government has appropriated $200,000 to carry out these betterments, principally dredging and constructing a jetty.

GET FLOOR CONTRACT ON VANCOUVER CLUB BLDG.

The B. C. Hardwood Floor Co., Ltd., has been awarded the contract for the laying of the whole of the hardwood and fir floors of the above club.

The specifications of the architects, Messrs. Sharpe & Thompson, call for a very high grade of material and workmanship, the floors being an exceptional feature of the interior finish; that of the large dining room 50ft. by 60 ft., will be the finest in British Columbia.

We understand that the B. C. Hardwood Floor Co., Ltd., was selected for this new task because of the highly satisfactory work put in by that company on the floors of the new St. Paul's Hospital, and of the new Merchants' Bank of Canada, Hastings st. for the same contractors, the Norton Griffiths Steel Construction Co., Ltd.

The B. C. Hardwood Floor Co. has recently been acquired from the Executors of the late Mr. T. B. Walker, by Messrs. Conway & Ross, who have added the "Limited" to the name of the Company, and are now moving it to 2635 Granville st, Fairview, close to Broadway and Shaughnessy Heights, where they are equipping offices, workshop, etc., especially for the flooring business.

Mr. Ross has been all his life in the flooring business and has been manager of the B. C. Hardwood Floor Co. for some time past and is now manager of the new company.
