SAYS MR. ROGERS IS IN NO HURRY TO BUILD

Mr. Johnston, private secretary for Jabez Rogers, of the British Columbia Sugar Refinery, tells the Building Record that at the present time it is not determined whether Mr. Rogers will build on his Shaughnessy location at once, or wait until later.

"Mr. Rogers has only had the land cleared up," said Mr. Johnston, "and it may be a long while before he undertakes actual construction."

It is understood that the plans for Mr. Rogers' future home call for an extremely elaborate bldg., among other items 21 bedrooms en-suite. The cost will be anywhere from $100,000 to $200,000. The name of the archt. has not been made public.

COUNCILLORS EXPRESS THANKS TO ARCHITECT

In taking over the three new schools from the contractors, the South Vancouver School Trustees passed the following resolution: "That this board officially accepts the reports of the school board architect in regard to Secord, Gordon and Sexsmith schools. Now that our buildings are all completed, we take this opportunity of complimenting Mr. Bowman on the general outcome of the work he has undertaken on our behalf. The schools, we are convinced, are a credit to our municipality, and do justice to the community's aspirations for adequate buildings providing the most efficient facilities for the education of the rising generation."

INVITE TENDERS FOR VICTORIA BRK. STORES

Stores, Victoria—Archts. Coates & Fleet are calling tenders for brick stores for Sing Lee, to cost about $7000.

The same archts. have awarded the contract for a new residence for Mrs. B. M. Booth to James Notman at about $5000.

The same contractors are finishing the first residence for Mrs. B. M. Booth, the residence for Mr. James Hunter, the additions to the Burnside Hotel, the Victoria Motion Picture Theatre, and alterations to the residence of Mr. Kitchen.

RUSHING PLANS FOR UNIVERSITY BUILDINGS

University Bldgs., Vancouver—With the return of Mr. Sharpe, of the architectural firm of Sharpe & Thompson, London Bldg., archts. for the proposed University of British Columbia bldgs. at Point Grey, from an extensive Eastern trip, work on the bldg. plans will be accelerated.

It will be some time before tenders can be invited, but the intention is to have the work under way as soon as possible.

ASK ARCHITECT HOOPER TO DRAW SCHOOL PLANS

Schools, Chilliwack—Two new four-roomed schools are to be built in the valley this year, one at Rosedale and the other at Sardis. Thos. Hooper, architect, Vancouver, has been asked to submit plans for these, with the idea of adding to the buildings should at any time the ratepayers decide to consolidate the rural schools.

ARCHT. HOUGHTON HERE ON NEW THEATRE JOB

Archt. E. W. Houghton, of Seattle, who drew the plans for the $500,000 theatre under construction at Pender and Burrard Sts., for E. R. Ricketts and associates, E. J. Ryan, contr., was a visitor in Vancouver yesterday, in connection with const. work.

Mr. Houghton has other work under way in his office of which data will be available when the plans are ready.

AWARDS CONTRACT FOR SHAUGHNESSY RESIDENCE

Residence, Shaughnessy—A contract for the erection of a 2 1-2 sto. fr. residence with a garage in connection, has been awarded by Archt. J. W. Keagey, Rogers Bldg., to McNames & Rogers, Kerrisdale post office. The owner is J. A. Martin.

Bldg. will cost about $6,200, and will be fully modern. Specif. call for hot water heating.

VANCOUVER BUILDING PERMITS

Only Permits amounting to less than $1000 will be found under this head.

5647—Mrs. V. Welch, repair res, 3130 St. Catherines St, McMeekin Bros., contrs; $700.

5748—G. B. Woods, 1 sto. frame res, 717 11th Ave E, owner; $400.

PLAN EXTENSIONS TO WATER & SEWER PLANTS

Sewers, Oak Bay—The Oak Bay council, at its last meeting, decided to have a by-law drafted and placed before the people authorizing the sewering and water supply being extended to the whole of the municipality not at present served, with the exception of the Hudson Bay property. The engineer, Mr. Fowler, has already prepared plans and estimates, and the cost will be approximately $150,000. This, of course, does not mean that the work will be done at once, but will enable the council to proceed with it when the state of the money market allows of the debentures being sold and the needs of each locality warrant the work being done. This extension will mean the addition of 88,000 lineal feet of sewers.

EDMONTON NEWS.

Excavation is under way for two houses to be erected by the Duggan Building & Investment Co., on Garnau subdivision at a cost of about $5,000 each. Plans by Archt. W. D. Cromarty. The Duggan company handle the building themselves and will let sub-contracts direct.

STORES AND HALL.

Work is progressing on the two-story, 60x66 ft., $20,000 brick block at the corner of Syndicate Ave. and Short St., for E. S. McQuaid. It will contain stores below and a hall above. W. D. Cromarty designed this building and the contractors are McSporran & Co., of Edmonton.

NEW GRAVEL CO.

The Crushed Stone & Gravel Co., of Saskatoon, have opened offices at 600 Tegler block, in charge of Mr. H. Macdougall. This company purchased a gravel pit at Kinsella and are now taking out a mixed run of sand and gravel, but they intend putting in a screening plant soon after the first of the year.

BLDG. ONLY DELAYED.

Hotel, Port Coquitlam—The delay in awarding a contract for the proposed hotel bldg at Coquitlam from plans by Archts Parr, McKenzie & Day, Vancouver bldg., for the Coquitlam Terminal Co., is occasioned by waiting for the arrival of one of the stockholders from England.

Tenders are all in and a contract will be awarded without delay, unless something unforseen happens.

BISCUIT FACTORY BUILDING.

Archt. W. D. Cromarty has designed a three-story biscuit factory building to be erected on Griesbach St. for Wilson & Hughes, of this city. The owners are putting up the building for Harvey Shaw, of St. Joe, Mo., who will be proprietor and manager of the factory. The building will be of mill construction, with brick walls, 66x100 ft. in dimensions and will cost $25,000. It will contain a freight elevator. The owners have the letting of all contracts.

Work on the ground floor slab of the Northern Club building, designed by Archts. Magoon & Macdonald, Tegler bdg. is now under way, the basement having been completed, and work on two club floors and possibly one of the bedroom floors will be started next spring. Tenders will probably be taken early in the year for the contract. The building will be erected on Jasper st. near First, will be 50x150 feet in dimensions and is designed for 7 sto. Completed, it will cost $250,000, although it will not be erected to the full height at present.

ASKS APPLICATIONS FOR TECHNICAL JOB
