The Canada Hotel plans were drawn by Emil Guenther, North West Trust bldg, and those for the Bowser-Wilson bldg by Parr, McKenzie & Day, Vancouver bldg.

The contract for providing the government of British Columbia with a fleet of six fast launches, some of which are to be used in connection with the official duties of the timber inspectors and others by the fire wardens and officials of the Forest branch in their work in the coastal districts, has been awarded to the Hinton Electric company, 606 Granville st, at a price of $27,014. The first of the new launches are to be delivered by the end of April and the others not later than July 1. There were upwards of half a dozen prominent firms in competition for the order.

The plans have been delivered to the Victoria authorities.

FIRST STEPS TOWARDS NEW MUNICIPAL HALL

Two sites mentioned already are the Central School grounds and the old hospital site.

An innovation peculiar to this building is that all floors of offices are laid in white terrazzo with a handsome border around each room. This will do away with linoleum and makes a permanent floor. This is the largest terrazzo work in the Northwest.
