IS COMPLETING PLANS FOR MUSEUM BUILDING

VICTORIA—The new Provincial museum which will complete the square of the Parliament bldgs along Superior st, on the site at present occupied by the temporary premises of the Forestry department, is designed by F. M. Rattenbury to carry on the general scheme of the quadrangle, the library being in the centre of the block, and the printing department along the Menzies st extreme. The museum bldg will cover an area of 100x200 ft and will have 4 sto, of which the lower floor will be used as a lofty lecture hall. The upper portion will be arranged as an exhibition hall for large cases, the upper part being a balcony, or gallery, intended for the displaying of such art treasures as the Province possesses. Hadington Island stone will be used for the exterior finish, in keeping with the rest of the bldgs and a very fine variety of marble will be used in the interior stairways and corridors. An English sculptor has already been commissioned to execute certain appropriate designs in the decoration of the spacious entrance hall.

VICTORIA MUNICIPAL EXPENSES PROPOSED

Victoria's estimated expenditure for the year amounts, roughly, to about $2,000,000, while the revenue from all sources other than the annual land tax aggregate about $537,500; leaving almost $1,670,600 to be raised by the rates due next September. Last year's expenditure was $1,730,905, and the land tax brought in $1,430,000. The large outlay of expenditure proposed for the coming year includes $44,000 for buildings, $220,580 for streets, bridges and sidewalks, $345,000 for waterworks, $496,000 for city institutions and $337,000 for education.
