LOCAL TENDERS WANTED
General Contract

Hotel, Vancouver—Archts. Parr, McKenzie & Day, Vancouver bldg., are now taking both general contract and separate tenders covering the various trades required in the erection of a 5-sto. and bsemt. brk. and terra cotta hotel bldg., to be erected at the corner of Pender and Main Sts.

The excavation for this site was completed some time ago. The estimated cost of the bldg. is not given until after tenders are received, but the structure will be fully modern and equipped as an up-to-date hostelry.

The archts., as stated, will receive both general contract and separate tenders, but in each case proposals must come from fully responsible parties.

Bridge, Vancouver—It is announced that the Dominion government officials have approved the plans for the Second Narrows bridge. This probably means that tenders will be invited shortly for a general contract.

Residence, Shaughnessy—Archt. J. H. Bowman, Crown bldg. has completed plans and will be prepared to receive general contract tenders on and after Monday, June 16, for the construction of a 2 sto fr and stucco residence for F. P. Wilson, on 21st ave in Shaughnessy Heights; approximate cost $7000. Hot water heat and modern equipment. No separate tenders will be taken.

Sub-Contracts and Materials

Tenders wanted for floor oil for South Vancouver schools. All tenders must be accompanied by samples. For further particulars apply at secretary's office, Cedar Cottage.

School, Vancouver—Archts. Tegan & Vezina, Metropolitan bldg., are now taking figures on excavating the site for the proposed Church of the Holy Rosary school and club bldg. on Haro St., and as soon as the financial arrangements are all completed, will receive proposals covering the several trades entering into the proposed construction work.

General contract tenders were closed some time ago, but owing to subsequent delay, new tenders will be received when construction is definitely arranged for, on the basis of separate trades. This bldg. will be a 5-sto. brk. structure, 125x68, of reinf. concrete, with brk. facing and mill construction floors.

The same archts. will soon demolish that portion of the old bldgs. of St. Paul's Hospital that will not be required for future use. The new bldg. is practically completed. The section of the old bldg. facing Burrard St. will be torn down entirely, while the Nurses' Home, Isolation Hospital, and parts of structures to be retained will be refitted throughout.

As a result of The Building Record's protest at the action of Archts. Burke, Horwood & White advertising for equipment tenders for the Vancouver Hudson's Bay bldg in a Toronto publication without giving local people an opportunity to tender, the local officials of the Hudson's Bay Co. have obtained an extension of time in receiving tender until June 30, and will advertise for proposals in local publications.

The tenders will cover the following equipment:

Steam-fitting, electric wiring, plumbing, refrigeration, vacuum cleaning, sprinklers, steam-driven generating units, turbine generating units, steel smoke stack, suction ash conveyor and pneumatic cash tubes.

Grading, Edmonds—J. J. Miller, 418 Abbott st, Vancouver, will receive tenders until July 1 for cleaning and grading property near Edmonds fronting on New Westminster road, containing 6.64 acres.

Tenders are invited for supplying fuel oil to the Board of School Trustees for the period of one year from August 1st, 1913, to August 1st, 1914.

Particulars to be had from the secretary, Gerald Upton.
