TALK TO FARMERS

Assistant Provincial Horticulturist Speaks on Pruning and Spraying

Will Give Demonstrations in the Orchards Here Next Spring

M. S. Middleton, assistant horticulturist of the provincial government, delivered a lecture to the members of the Kettle Valley Farmers' Institute on Mouday evening last in the city hall, his subject being "Horticulture." There was a good attendance of members, and at the close of his address Mr. Middleton was tendered a hearty vote of thanks

The speaker devoted his opening remarks to the treatment of frozen fruit trees. When this occurred, he adviced cutting the trees back to sound wood. If this was done, they would be as good as they were before they were frozen.

He advocated closer pruning than is now the custom, and the planting of more trees to the acre. The ideal distance to plant apple trees was 15 x30 feet. The reason some orchards did not bear as early as they should was because the trees were not properly pruned. A great many people in their ignorance even cut off the fruit spurs. He claimed that by leaving three or four inches of the cut-off branches on the trees, fruit spurs would form on these stubs, or suckers. By this method the weight of the fruit would not all be on the branches. If this method is followed little pruning should be necessary after a tree has attained an age of seven years. More fruit, he said, could be produced by a system of summer pruning than by pruning in the spring.

Spraying, both for aphis and canker, should be done in the fall as soon as the leaves fell. The aphis eggs, deposited on the limbs of the trees, were softer and more susceptible to spraying in the fall than later in the season, when they had become hardened. He recommended a lime and sulphur solution in proportion of 1 to 15, adding a little lime. It was not necessary to use this solution as hot as some of the fruit growers supposed. The only reason they used it as hot as they did, was because it passed through the nozzle easier.

Mr. Middleton concluded his address by saying the provincial government had appointed a chief horticulturist and two assistants. The chief horticulturist had been assigned the coast district, and one of the assistants the Okanagan, and the other the Kootenay and Boundary. The latter district had been assigned the speaker. He hoped to be able to spend two or three weeks here next spring, when he would give practical demonstrations in the orchards, which should prove more beneficial than talks from the lecture platform.

Percy McCallum, who has been teaching in New Westminster since midsummer, is expected home for a fortnight's holiday.

Amalgamation Not Likely

A. B. W. Hodges, local manager of the Granby Consolidated, in a recent interview, denied that his company had made any overtures to acquire the British Columbia Copper company. The opening negotiations looking to that end will not come from the Granby. He quoted past instances to show it was not in line with the policy of the Granby. So far as the probability of a merger being completed, he did not care to discuss it, as that was a matter for the directors to decide.

Will Not Be a Candidate

To the Editor of The Sun.

Will you kindly allow me space in your valuable paper to thank the many friends who have urged me to permit my name to go before the people as candidate for mayor for another term.

Although appreciating the confidence so freely expressed I wish to explain that when tendered the nomination for a second term last year I then stated that I would accept for anotqer term only; as the second year draws to a close, and in order that there may be no uncertainty in the mind of the public, I wish to state that it is my intention to adhere to the determination then expressed.

I assumed the responsibilities of office two years ago from the sense of duty, a duty that I believe every citizen owes to the community in which he lives. At the time I took office there existed factions and divisions among our citizens and civic life that were not conducive to the best interest of the town. I am glad to relate that these have largely disappeared. It has been my privilege to hold office during a critical time in the history of our town; a disastrous fire that taxed the energy and emphasised the responsibilities of the council, has been followed by a year of new life and building activity of a character that places our town in first rank with the cities of the interior. It is a pleasure for me to state that the finances of the town are in a healthy condition, as evidenced by the fact that we are yearly setting aside from $6000 to $7000 in our sinking fund, in addition to payment of interest on indebtedness. In view of unsettled conditions consequent upon the fire the council wisely refrained from undertaking public work, other than absolutely necessary; the crisis, however, now being passed, necessary improvements can gradually be made.

Improvements in the moral condition of the town, although severely criticised from some quarters, have, in my opinion, been made in the best interest of the town, and are such as any home town should encourage.

In closing I wish to thank all citizens who have so kindly given their support to the respective measures put through by the council, and especially to the individual aldermen of the two councils over which it has been my pleasure to preside.

Yours sincerely,

G. M. Fripp, Mayor.

C. A. S. Atwood and family left on Monday for a visit to their former home in Ontario. Mrs. Atwood and the children will remain in the east until next spring, while Mr. Atwood will return home shortly after the holidays.

CALL FOR TENDERS

V., V. & E. to Build Between Hope and Abbotsford

Also an Extension From Princeton to Tulameen

A Vancouver dispatch says that tenders are now being called for the construction of the V., V. & E. railway between Abbotsford and Hope, a distance of 78 miles, and also between Princeton and Tulameen. The gap between Tulameen and Hope is to be covered, it is expected, by the proposed eight-mile tunnel. Messrs. Charles F. Folliott, of Guthrie & Co., of St. Paul, and J. A. Kellut, of Foley, Welch & Stewart, are now in Vanconver in connection with the tendering, and J. H. Kennedy, chief engineer of the V., V. & E., is also there.

SUNSET SAUNTERINGS

An excellent program of drills, dialogues, music and speeches is being prepared by the pupils of Knox church Sunday-school for their Christmas entertainment to be held in the opera house, on the night of Dec. 23rd. All the friends of the boys and girls are invited to come to watch the young folk perform, aud to share their enjoyment. A collection will be taken up, but no admission fee is charged. A Christmas tree will be a very important feature of the doings.

Owing to a breakage in transit of one of the important parts of the Chronophone, which arrived at Dreamland a few days ago, the management state there will be no talking pictures till next week. The date will be announced by handbills whenever the new part arrives.

At a representative gathering of hockey enthusiasts on Thursday, December 16th, in the city hall, Harry Mann was elected to the position of secy.-treas. to the Grand Forks hockey team and Roy Curran chosen as a delegate to go to Phoenix to arrange the schedule of matches for the season.

The engineer on the Kettle Valley line refused to go to work one day this week. owing to a disagreement between himself and the superintendent. As a consequence traffic the entire system was temporarily disarranged.

GRANBY DIVIDEND

$270,000 to Be Distributed Among the Stockholders of the Company

Payable on December 31st Out of the Net Earnings

Last week the Granby Consolidated Mining, Smelting & Power company declared a dividend of 2 per cent of the par value of the stock, payable out of the net earnings on December 31st. The dividend amounts to $270,000. This will be the eleventh dividend paid by the company. Of these seven were at the rate of 3 per cent, one of 2 per cent and an extra dividend of 1 per cent, and another extra dividend.

"As You Like It"

Patrons of Dreamland theatre were agreeably surprised on Monday last to find that Mr. C. P. Walker's Winnipeg company of English players were to show Shakepeare's great comedy "As You Like It" that evening. It appears there was some misunderstanding over the engagement of the opera house, and rather than disappoint those who had looked forward to this great attraction the Dreamland management placed their theatre at the disposal of the company. Although the stage was rather small, the acting was very creditable, prominent being Miss Eddy as Rosalind and Mr. Yule as Touchstone. Miss Eddy's interpretation of Rosalind's part was exceedingly pleasing and showed great talent, while Mr. Yule as Touchstone, was the right man in the right place. He was really funny and his fun seemed perfectly natural. The balance of the caste was of a standard seldom seen in Grand Forks and should guarantee a good house the next time Mr. Walker's company plays here. The next attraction will most likely be the Bonnie Briar Bush, in which the whole caste is composed of Scotch people.

SATURDAY, DEC. 18, 1909

There are a number of citizens in Grand Forks who favor doing away with the aldermanic board, and to have the affairs of the corporation administered by one man on a purely business principle. Public sentiment in favor of this method of municipal government is gaining strength all over the continent, and Grand Forks might do warse than to fall into line with those cities which are adopting it.

In Butte, Montana, they have had marathon waltzing contests, and as a result some of porticipants kept up the nonsense until they were taken to the a hospital for medical treatment. This incident only emphasizes the fact that crazy people eventually land in some kind of hospitals.

Death of Mrs. Kate Hoffman

Mrs. Kate Hoffman, aged 55 years, died very suddenly in Spokane on Friday morning, December 17th, the cause of death being heart failure. She arose in the morning in the best of health, but an hour later, without the slightest warning, she passed from life to the shadow of death. The remains will be shipped to this city, and the burial service will be held at the Grand Forks cemetery next Monday afternoon at 3:15 o'clock, or immediately after the arrival of the Great Northern train from Spokane.

Deceased leaves a family of five children—Wm. Hoffman, of this city, and Fred, Rose, Lily and Kate, of Spokane. She was one of the first pioneers to settle in this valley, the family having moved here from the state of Washington in 1894. She conducted the Clarendon cafe in this city till about three years ago, when she moved to Spokane. Her husband died about ten years. She leaves a wide circle of friends and acquaintances in this city, all of whom extend their profoundest sympathies to the bereaved family.

SUNSET SAUNTERINGS

With an increase of wealth amounting to about $115, made by their sale of work: the ladies' aid of Knox church, have given up their needlework for the holiday season. The bazaar and tea held on Saturday afternoon was successful in every way and merchandise to the extent of $150 was sold. The Averill hall was decorated with foliage and flags, and booths and tea tables were tastefully arranged. Mrs. Whiteside, Mrs. Goulund, Mrs. Morrison and Mrs. Truax were in charge of the needlework booth; Mrs. Gaw, Mrs. Sweyne and Mrs. McIntyre the cake and bread booth; Mrs. Kingston and Mrs. McKim the candy booth; Mrs. Wright, Mrs. Hodgson, Mrs. Miller, and the Misses Ross, Wasson, Kennedy and McCallum were in charge of the tea-tables; Mrs. Ployart, Mrs. Massie, Mrs. Ardiel, Mrs. P. T. McCallum, Mrs. Munro, Mrs. Donaldson, Mrs. Kennedy and Mrs. McKee refreshments. Miss Elliott was cashier.

Rev. F. W. Auvache and family left on Thursday for Penticton, where they will reside permanently. Mr. Auvache has been pastor of the Baptist church in this city for the past three or four years, and during their residence here the family have gained a wide circle of warm personal friends, all of whom will regret to learn of their departure from the city.

William Kiscoin, an Austrian, who was seriously injured at the Granby smelter on the 28th of October last, died at the Cottage hospital on Thursday night. The funeral was held this morning at 10 o'clock under the auspices of Grand Forks Union No. 180.

Mrs. M. D. McKee's reception on Thursday and Friday was largely attended by the ladies of the city, who wished to make the acquaintance of new mistress of the manse. She was assisted by Misses Christina McCallum and Louise Kennedy.

Miss H. Olding of the teaching staff, left on Friday to spend the Christmas vacation with her sister, Mrs. Hunter of Princeton.

Edna Stuart, Dorothy Covert and T. H. Fraser, three pupils of the local school, wrote for entrance to the high school this week. There were no candidates present from outside points.

Miss I. Moore, of the teaching staff, left yesterday for Kaslo, where she will spend the Christmas holidays with Mrs. W. H. Hudson.

David Whiteside, J. W. Rutherford and D. McCallum are mentioned as candidates for school trustees.

When you hear a woman say she would like to be a man, it's a pretty good sign that she is full of bottled-up cuss words.

Some men are wise enough not to try to make others believe they know it all.

The best isn't too good for the man who can pay for it with honestly acquired coin

It's all right to try, try again, but it is berter to make good the first time.

After a woman makes up her mind it doesn't take her long to make up her face.

The hay-fever victim appreciates anything that is not to be sneezed at.

A writer of epitapgs should be conversant with the dead languages.

It's so much easier to gossip about people than to pray for them.

People seldom appreciate good advice unless they have to pay it.

Lots of people say things they ought to be ashamed even to think.

No man dies of spiritual indigestion from swallowing his spite.

Fortune Telling

Does not take into consideration the one essential to woman's happiness—womanly health.

The woman who neglects her health is neglecting the very foundation of all good fortune. For without health love loses its lustre and gold is but dross.

Womanly health when lost or impaired may generally be regained by the use of Dr. Pierce's Favorite Prescription.

This Prescription has, for over 40 years, been curing delicate, weak, pain-wracked women, by the hundreds of thousands and this too in the privacy of their homes without their having to submit to indelicate questionings and offensively repugnant examinations.

Sick women are invited to consult Dr. Pierce by letter *free*. All correspondence held as sacredly confidential. Address World's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y.

DR. PIERCE'S GREAT FAMILY DOCTOR BOOK, The People's Common Sense Medical Adviser, newly revised up-to-date edition—1000 pages, answers *in Plain English* hosts of delicate questions which every woman, single or married, ought to know about. Sent *free*, in plain wrapper to any address on receipt of 31 one-cent stamps to cover mailing only, or in cloth binding for 50 stamps.

CHRISTMAS STAMP CAMPAIGN

THE 1909 BATTLE AGAINST THE DREAD WHITE PLAGUE.

Available Beds in the Muskoka Free Hospital for Consumptives Increased Three-Fold as a Result of Last Year's Sale of Christmas Stamps. The Number Can Be Doubled This Year If Everyone Will Help.

STIMULATED by the success of a year ago the National Sanitarium Association have made large preparations for the sale of the Christmas Stamp of 1909-10, issued on behalf of the Muskoka Free Hospital for Consumptives.

Nearly $6,000.00 was netted from last year's sale, making it possible for the trustees to increase the available beds for needy patients from an average of fifty-five a year ago to one hundred and forty, the accommodation

This trustees are hopeful that they may bring the accommodation up to 200 beds as the outcome of this year's sale of this little one cent messenger of hope and healing.

The Christmas Stamp, as a means of fighting the dread white plague, had its origin in Denmark in 1904, the sale from which has financed a hospital for consumptives in that country. The idea was taken up by the Red Cross Society of the United States in 1907, and interest has grown each year,

Last year a Christmas stamp of special design was put in circulation by the Muskoka Free Hospital for Consumptives with the success already indicated in this article.

The price of the individual stamp is only one cent, but what wonderful things can be accomplished by so tiny an instrument. There is no reason why everyone who writes a letter, addresses a postcard, mails a newspaper or parcel from this day out should not use one of these stamps.

The educational value of the stamp appearing on every piece of mail matter would be enormous. One can hardly figure up the material results. It would mean a routing of the enemy Tuberculosis that would bring hope and joy and gladness to thousands of homes and communities in all parts of Canada.

The stamp of 1909 is more beautiful than that of a year ago. The design is as shown in this article, but printed in red and green, and is of same size as the regular government postage stamp.

This Christmas stamp will not carry any kind of mail, but any kind of mail will carry it—and carry too the happy Season's Greetings from sender to receiver. The stamps will be done up in envelopes of ten, twenty-five, fifty and one hundred for ordinary selling, and large users will be supplied in quantities. The price for ten or for one thousand is a cent each.

The banks, departmental stores, drug stores, book and stationery stores and many other stores will sell them. Women's clubs, church organizations, bible classes and Sunday schools, public schools, and many other organizations and individuals will help this year as last year.

There would seem to be no reason why everybody everywhere may not help in forming an army of willing workers to sell these stamps all over the Dominion. The Muskoka Free Hospital for Consumptives is in the fullest sense a national institution caring for patients from every province in Canada.

The first issue of the stamp for this year is one million, and these will be put into circulation immediately, but there can hardly be any reason why the issue should not be increased many times over before Christmas.

The direction of the sale of Christmas Stamps is in the hands of Mr. J. S. Robertson, Sec.-Treasurer, National Sanitarium Association, 347 King Street, West, Toronto, who will give prompt reply to any enquiries regarding the stamp.

The Union Show

The big union show was in the Grand Forks opera house on last Monday evening as usual, but on account of illness the Jolly Fred Stansfield company, who have been running the vaudeville part of the show, were unable to take part. Starting with the New Year, this show will run three big vaudeville acts and two high-class illustrated songs and over 3000 feet of film pictures. Every monday evening till then the show will be running four reels of first-class film pictures, also the illustrated songs, etc. The new vaudeville after the New Year will mean a complete change of "star artists" at every Monday night's show, as now the Union show has a signed contract with the Webster Circuit company of Chicago. No set of artists will appear two weeks in succession. Next Monday night there will be a specialty in the shape of a bass solo by Chester E. Walton, of the famous three Walton Bros., entitled "When the Bell in the Light-house Rings Ding-Dong." The price of admission will be 25c, and for children under 12, 15c.
