BOARD OF TRADE

Steps Taken to Rejuvenate the Organization---Aggressiveness Needed

A meeting of the Grand Forks board of trade was held in the city hall on Tuesday evening, President Hood presiding. P. H. Donaldson was appointed secretary pro tem.

The president, in opening the meeting, made a strong plea for a better attendance at the meetings. The board had been enthusiastically organized two years ago. At the first few meetings the attendance had been fair. Then interest in the organization gradually died out, until it became difficult to secure a quorum. An active board of trade would benefit any community. It was needed here to take part in the fall fairs and the national apple show at Vancouver. He advocated securing permanent board of trade rooms, and hoped the members would take more interest in the organization in future than they had in the past.

Mayor Clark was also of the opinion that a more aggressive board of trade was needed here. He was constantly in receiptsof letters from people looking for locations for new enterprises, but he did not always have the time to give them the attention they deserved. He had a letter from Mr. Kistler, of the Great Northern railway, offering to make displays of Kettle valley fruits in the company's exhibition cars which are to make a tour of the large American eastern cities. This was a matter the board should give immediate attention. We were also to have a Dominion geological survey party in the North Fork district this fall, and the board should furnish them any information they might require. Mr. Clark closed his remarks by saying it was his candid belief that an active board of trade could double the population of Grand Forks during the next three years.

W. K. C. Manly was also of the opinion that a live board of trade would do more than anything else to advance the interests of the community, and John Donaldson thought the ranchers of the valley should be invited to become members of the board.

On motion of Messrs. Clark and Manly, the monthly membership fee was fixed at $1, and a committee was appointed to solicit members and report at a meeting to be held on Monday evening, August 29th. The committees was also instructed to secure promises from prospective members to attend the next meeting, and also to interview the business men and get nominal subscriptions from them for the purpose of securing permanent rooms. If suitable quarters were found the committee, acting in conjunction with the president and vice-president, was empowered to take immediate possession, provided sufficient funds were available. The president appointed Messrs. Gardner, McIntyre Hood as such committee.

H. A. Sheads offered the premises recently vacated by the Royal bank free of charge to the board until a permanent tenant was secured. On motion of Messrs. Clark and McIntyre, Mr. Shead's offer was unanimously accepted by a rising vote.

A. B. Hood offered his resignation as president of the board, but it was laid on the table until the next meeting, when an entire list of new officers will be elected.

After various other topics had been discussed in an informal manner, the board adjourned until Monday evening, August 29th.

NEWS OF THE CITY

The city band held its first meeting at the new quarters in the Cosmos hotel on Thursday evening. The evening was principally devoted to properly fitting up the rooms, and very little business was transacted. On Tuesday evening, the 23rd inst, the first practice will be held at the above mentioned place. A leader is also to be selected on this occasion, and all members are requested to be present.

Al. Farquhar, proprietor of the Dreamland theatre, has leased the Miners' Union opera house in Phoenix, and will run it in conjunction with the Dreamland. Up to the present he has about a dozen traveling troupes booked for the two houses. On Thursday evening he gave his first moving picture show in Phoenix to a large and pleased audience.

A Vancouver dispatch states that the contract for the extension of the Kettle Valley railway from Rock creek to Bull creek, on the west fork of the Kettle river, a distance of thirty-five miles, has been awarded to L. M. Ryo & Co., contractors, of Vancouver and Seattle. The grade has already been completed from Midway west for ten miles. Construction work, it is said, will be started within three weeks. J. J. Warren, of Toronto, president of the company, is now on his way from Vancouver to Midway.

Mike Bauer and D. Haninan were accidentally killed at the Snowshoe mine on Wednesday afternoon. They were running a machine in a glory hole when, without warning, a large quantity of roak caved in, carrying men and machine down the stopes below. In order to recover the bodies, ore was drawn from the chutes. They were in a mangled condition. Both were experienced miners. Bauer was a single man, and had worked at the mines in Phoenix camp for the past five years. He has a brother at Milwaukee, Wis. Haninan has worked at the Snowshoe mine for the past eighteen months. He was a native of Finland, and leaves a wife.

The Phoenix Pioneer office was destroyed in the big fire on Friday, and the paper was not published on Saturday. Mr. Love, the proprietor, is spending his vacation in the east, and no one in the camp appears to know what the future plans of the paper are.

Harvey Mahan, bookkeeper at the Granby smelter, has been confined to his home by illness during the past week.

The increased price of champagne has brought enforced sobriety to many a newspaper man in the Boundary district.

THE CITY COUNCIL

City's Agreement With Kettle Valley Line to Come Before Commission

All the members of the city council were present at the meeting on Monday evening last.

A communication was read from Wm. Bonthron, stating that he had received a contract from A. D. Morrison to build a sidewalk front of the latter's store, the walk to be one step lower than the concrete walk in front of the Royal bank and to slope toward the west. He wanted the council to sanction the plans. The chairman of the board of works recommended that the request be granted, and the council concurred in the recommended.

A number of letters were read from Alberta parties in answer to the advertisement in a Lethbridge paper for a team for the fire department. No selection was made.

A letter from the Municipal News, soliciting subscriptions and offering to publish the photos of the members of the council, was ordered filed.

A communication from F. H. Hutton and Leo Mader informed the council of the resolutions adopted at the citizens' meeting. The city solicitor stated that he had had a conference with E. Miller, who drafted the Kettle Valley line bylaw, and they had come to the conclusion that the penalties in the original bylaw had been eliminated from the one on file. Mr. Sutton was of the opinion that the only remedy the city had was to bring the matter before the railway commission. Mr. Sutton read the agreement which the Kettle Valley line entered into with the city in 1906. Mr. Hutton, who was mayor at the time the bylaw was adopted, explained the negotiations the city had with the Kettle Valley Line company. He was under the impression that there had been a heavy penalty in the bylaw for non-fulfillment of its provisions. The bylaw on file did not appear to him to be the same as the one which had been originally passed by the council. W. H. Dinsmore thought that before any action was taken in the matter, the city should ascertain what the company intended to do. He also wanted to know who was responsible for having the penalty struck out of the bylaw. Mr. Sutton again adviced laying the matter before the railway commission. He did not think the commission would accept Section 12 of the agreement as a sufficient excuse for the company not fulfilling its contract. On motion of Ald. Rutherford and Manly, the city solicitor was instructed to lay the matter before the railway commission at as early a date as possible.

The chairman of the board of works reported that the brick piles had been removed from the streets. Dan O'Ray was going to Alberta to purchase horses, and Mr. Rutherford desired the council to authorize him to buy a team for the city. On motion of Ald. Manly and Follick, the board of works was instructed to make arrangements with Mr. O'Ray to purchase a team for the city, the price not to exceed $600

The chairman of the water and light committee reported that the city electrician had tested the fire alarm system, and had found the same in good condition.

The mayor reported that the city band had been reorganized. On behalf of the city, he had promised the organization the use of the Cosmos hotel as a band-room, together with free water and light and fuel. On motion, the report was accepted and the mayor's promise was confirmed. A grant of $15 was also made for new music.

The mayor reported having had a conference with the health officer regarding an isolation hospital. Grand Forks, he had been informed by the provincial officers, was to have one of its own, located somewhere in the vicinity of the city. The cost should not exceed $700, and he thought the provincial government would contribute $500 of this amount. The matter was referred to health and relief committee and the mayor.

Ald. Henniger reported that the eemetery had been very shabbily taken care of this summer, partly owing to an inadequate water supply at the grounds.

The Greenwood Ledge was in a truth-telling mood when it said The Sun man is not included in the Grand Forks "siwash" list. But this is an assertion that can't be made of all newspaper men in the Boundary.

Word was received in Phoenix last Saturday from the head offices of the Granby company that a start was to be made immediately to rebuild the buildings destroyed by fire in Phoenix last Friday, and all hands were retained.

PERSONAL

R. J. Pettigrew, who has been visiting his sister, Mrs. W. J. McIntyre, in this city for a short time, returned to his home in Toronto this week. Mrs. McIntyre accompanied her brother east.

Mr. and Mrs. G. M. Fripp left on Thursday for the Hot Lake sanitorium, in Oregon, where Mrs. Fripp will receive medical treatment.

Mrs. A. Robinson and daughter last week visited at the home of Mrs. Robinson's parents, Mr. and Mrs. E. Mills, in Keremeos.

Misses Ray and Attenbury, the milliners, left today for Vancouver, where they intend to reside permanently.

Thos. Watts, electrician at the Granby smelier, returned yesterday from Rossland and Northport.

Mr. and Mrs. Gilbert Peone, of Greenwood, are the guests of Mr. and Mrs. Dennis Peone at Danville.

Mrs. H. C. Kerman and daughter have returned home from a short outing at Christina lake.

Rev. Calvert left this week for Victoria, where he is attending the Methodist convention

Mrs. Pullen, of Oakville, Ont., is visiting at the home of her daughter, Mrs. C. C. Heaven.

H. C. Kerman returned on Wednesday from a business trip to Spokane.

J. A. Bertois, of Cascade, was a visitor in the city on Wednesday.

R. G. Ritchie, the Cascade merchant, was in the city today.

Ernest Miller, M.P.P., went up to Phoenix last Sunday.

PRIZE LIST READY

Fair Directors Making Good Progress---Trophies for Sporting Events

The directors of the Agricultural association met in the city hall on Thursday evening, President Kerman presiding.

In behalf of transportation, Mr. Clark reported that rates of one fare and a third had been procured from the C.P.R. from Creston west and Arrowhead south.

Mr. Clark reported that the skating rink would be proffered to the association for exhibition purposes free of charge. Mr. Hood reported that the curling rink would also be offered the association gratis. The offers were accepted with thanks.

A resolution was adopted authorizing the preliminary expenditure of a sum of money for putting the race track in first-class condition.

It was decided to hold the exibits at the rinks and the sport at the race track. In the evenings on the 4th and 5th of October special attractions will be put on at the rinks. The firemen's wet test will take place at the race track on the morning of the 5th. A cup has been offered the association as a prize for the championship tug-of-war team of the Boundary district. This cup will be contested for annually.

It was decided to petition the mayors of Grand Forks and Phoenix, urging them to proclaim Wednesday, October 5, a civic holiday.

The secretary was instructed to write to the secretary of the Midway association, inviting them to join us in our fair.

The following committees were appointed:

Fruit—J. D. Honsberger, H. W. Collins.

Vegetables—A. B. Tweedle, Robert Hughes.

The secretary was instructed to notify the secretaries of the associations at Nelson, Kaslo, Creston, Arrow Lake, Midway and Keremeos, requesting them to send exhibits to our fair, the association to place men in charge of the various districts as per Nelson list. Prizes $100, $50 and $25, and $15 for transportation.

The meeting then adjourned till Thursday evening, August 25.

An excursion train will be run from the Boundary towns to Nelson on Monday, August 29, so as to give the people an opportunity to hear Sir Wilfrid Laurier. The fare for the round trip will be $3.25.

The rains on Saturday and Sunday nights cooled the air and damped the forest fires, much to the relief of Fire Warden Mix.

The provincial government has forwarded a special grant of $1300 toward a new school in Phoenix, the old school house in that city being destroyed by fire on Friday last.

The name of the Republic Record has been changed to The Paystreak. The paper has been greatly improved under the new management, and its news service is now excellent.

The public and high schools will open on Monday, August 29th.

While there is no longer any doubt as to the success of Grand Forks' first agricultural fair, to be held on October 4th and 5th, everybody should do his or her share to make it surpass our present anticipations. Our fruit and poultry exhibits we know will be creditable, because in these industries the Kettle valley leads the province. The mineral display should also be the best that can be gathered in this section of British Columbia. But there are other branches of industry, such as the handiwork of the artisan and the housewife, that should be well represented. The local merchants could also make attractive exhibits. In short, there is room for everybody to help. The more varied the displays, the greater will be success of the enterprise.

NEWS OF THE CITY

There were between fifteen and twenty persons present at the meeting of the Athletic association in the city hall last night. The rink proposition was discussed at length, and a resolution was adopted admitting those present to membership of the association provided they signed the roll and paid a fee of $1. Tom Cook was appointed a committee of one to procure a list of the old members, and to obtain new members. Any one can join the association by paying the regular membership fee, $1. The meeting adjourned till Friday evening, September 2, when new trustees and directors will be elected.

A workman named Kennedy, employed at Robinson & Lequime's sawmill, met with an accident this morning whereby he sustained a broken leg.

The personnel of the Boundary-Keotenay cricket team which will participate in the tournament at Victoria on August 22-27 is as follows: Herbert and Henley, Fruitvale; Butler, Stubbs, Kerr, Crauford, Bourke, Wilkinson, Wright, Nelson and vicinity; Wade, Trail; Mahon and Manning, Grand Forks. The executive of the local club wish to thank their friends for their liberal subscriptions towards defraying the expenses of the trip to the coast of the Grand Forks representatives on the team.

W. J. Keyes, representing Miller & Richard, typefounders, was in the city on Wednesday, and sold The Sun new material amounting to 25 cents, more or less. This will give The Sun the undisputed title as the leading office of the Boundary.

The Young Men's club will meet in the Presbyterian church next Wendesday evening.

Alex Robinson, of the Kettle River Lumber company, has been awarded the contract by the Kettle Valley line for one million feet of lumber. The lumber is to be delivered at Midway.

The Ladies of the Maccabees will give their annual ball in the opera house on September 21.

F. J. Miller will shortly move his undertaking parlors to the Averill building on Second street, recently occupied by Misses Ray & Attenbury.

The Methodist Sunday school will hold their annual picnic on Friday, August 26, at Grove park, below Frache Bros.' grounds.

The city's case against the Kettle Valley lines will come up for consideration at the next meeting of the railway commission in Nelson, which will be about September 12.

C. G. Russell and Miss Bessie Buckless, both of Greenwood, were married in Spokane on the 7th inst.

The annual picnic of the Presbyterian Sunday school will be held near the Columbia greenhouses on Wednesday next.

A well known young man of this city was in such a rush to get home last Sunday night that he stepped out of a second-story window instead of taking the stairs downstairs. It is said that he was mistaken for a burglar.

Some business men are so fond of being deceived that they even endeavor to believe that they can reach the consumers of this district with out advertising in The Sun.

Game Regulations

In another month hunters throughout the province will be preparing for an invasion of the game districts of the country, for according to the regulations issued by the government the first legal day when the quest of game may be undertaken is September 1st, when ducks, geese and snipe may be shot on the mainland and islands adjacent thereto, but on Vancouver island the season will not be open until September 15.

Blue and willow grouse may be shot in Kootenay from September 1 to Deeember 31. Prairie chicken may be shot throughout the province during October. Ducks and geese between September 1 and February 28. Deer may be shoot between September 1 and December 15.

TRY THE MONEY-BACK CURE FOR INDIGESTION

Nine times in ten stomach kerangements are responsible for sallow complexion, dull eyes and thin body.

It is the stomach that supplies nourishing blood to the muscles, the nerves, and skin. If the stomach is healthy, planty of nutritious matter will be absorbed by the blood. If it is not healthy, the food will ferment, and undigested, will pass along through the bowels, furnishing so little nutritious matter that the blood becomes impoverished, and the glow of health vanishes.

If you suffer from nervousness, sick headache, belching of gas, sour taste in the mouth, heaviness after eating, or any other miserable stomach disturbance, you need Mi-o-na, and the sooner you get it the quicker you will be healthier and happier.

It will relieve any distressed stomach condition almost immediately. It will cure if used according to directions. Woodland & Co. sells it for 50 cents a large box, and they think enough of it to guarantee it to cure indigestion.

AS YOU LIKE IT

Spenders make prosperity.

When in doubt, cut it out.

Some men walk like seatesmen.

Most love stories are white lies.

Never take a nod for a legal yes.

Great popularity has to be nursed.

Few women are as they are painted.

Love letters are certificates imbecility.

No battle is ever won by gorgeous uniforms.

Real prosperity can stand a lot of knocking.

Mighty little comes of trying to do too much.

Youth has the future as a solace for its mistakes.

Some men scent bad luck and stumble into good.

In some people procrastination is simply timidity.

Some women quit bad losers in winning a husband.

Before breakfast think something of the day before.

Most deals are easy to get into and hard to get out of.

There is a great deal of love-another-one spirit in divorce.

It's very lucky for a child not to take after its father.

Most men think banking is easier than carrying a hod.

No gift is better than the spirit with which it is given.

The best memories know how to forget to their advantage.

A big family can keep a man out of most other temptations.

Good fellows in the crowd are bad providers in the family.

Knowing good things to eat is no bar to the stomach ache.

When the devil invented money he found he had a sure thing

There is art in cutting out a tale of woe at the right moment.

Many a man tries to stand on his rights when he hasn't any.

One can't always disguise the breath of suspicion by spicy talk.

Much of our generosity is inspired by a passion for showing off.

It doesn't take much courage to talk back over the telephone

Much honesty comes from thinking how easy it is to be found out.

Many a young man is willing to *marry an heiress in spite of it.*

A woman is always a girl till she gets married, years or no years.

How one woman doesn't enjoy hearing another woman praised!

Often the answer to the question to take or not to take is, How much!

A fanatic is a man who will fight for his religion when he hasn't any.

Of course a woman can't remember very far back; she isn't old enough.

The silence of a man may be more eloquent than the speech of a woman.

Any man would rather be a great young man than the greatest old man

Some people die before they should, and others live after they should be dead.

Every time a man goes wrong the women in the neighborhood say, "I told you so."

When a man could lose money cheerfully at cards it would be somebody else's.

Occasionally a woman is unhappy because she thinks other women are not as happy as she is.

It is only when a person is very old *and very rich that he or she is re*garded as foolish for wanting to marry again.

Remedies are Needed

Were we perfect, which we are not, medicines would not often be needed. But since our systems have become weakened, impaired and broken down through indiscretions which have gone on from the early ages, through countless generations, remedies *are* needed to aid Nature in correcting our inherited and otherwise acquired weaknesses. To reach the seat of stomach weakness and consequent digestive troubles, there is nothing so good as Dr. Pierce's Golden Medical Discovery, a glyceric compound, extracted from native medicinal roots—sold for over forty years with great satisfaction to all users. For Weak Stomach, Biliousness, Liver Complaint, Pain in the Stomach after eating, Heartburn, Bad Breath, Belching of food, Chronic Diarrhea and other Intestinal Derangements, the "Discovery" is a time-proven and most efficient remedy.

The genuine has on its outside wrapper the Signature

R. V. Pierce, M.D.

You can't afford to accept a secret nostrum as a substitute for this non-alcoholic medicine OF KNOWN COMPOSITION, not even though the urgent dealer may thereby make a little bigger profit.

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules, easy to take as candy.

SUN OFFICE

Joe Martin

What do you think of the Ottawa government's proposal to form a Canadian navy? Hon. Joseph Martin was asked in Vancouver.

"I think that it is a waste of money. I think that a navy, instead of being any protection to Canada or the empire, will be a distinct menace. If Canada wants to help they should make a grant from year to year to assist the navy. Then the money would be made available—every dollar of it would count. As it is half of the money will go in graft, or at least one quarter of it, and the rest will be wasted on useless ships."

It is said that Hon. Joseph Martin, many years ago when he was attorney-general of Manitoba, made a 4 a.m. call on some American railway magnates in the yards at Winnipeg. Since that time, whether for the purpose of drawing a red herring across the scent or because of the brazenness of the propositions made to him, Joe has been continuously cried graft. Through piracy he became premier of this province. The people kicked him out of office as soon as they had an opportunity at the polls. Joe Martin is the last man who should pose as an examplar of purity in either private or public life. He is a disgruntled politician, with whom the people of Canada years ago became disgusted. The public men of Canada will compare favorably with those of other countries. There are some rascals among them, but the vast majority of them are above rdproach in public and private life. They are not blatant demagogues, shouting in unison with every mob. Joe Martin should be run out of the country. He has never attempted to benefit anyone but Joe Martin. He is not a statesman. He has never been elected on any national question. In all his politcal campaigns he was elected by advocating some temporary popular frenzy. Like the cheap clothing dealer, he doesn't expect to catch his man a second time. Sir Wilfrid Laurier has held the confidence of the people of Canada for fourteen years; Joe Martin never had the confidence ef any body of men except a frenzied mob, and then only for the few hours the frenzy lasted. True, he was attorney-general of Manitoba, but he wanted to be IT, and Premier Greenway accepted his "resignation." That was the end of Joe in Manitoba. He was attorney-general in British Columbia. Again he wanted to be IT He was premier for about three months, or until the electors had an opportunity to kick him out. Two of his cabinet were not members of the legislature, and never could be elected in an intelligent and justice-loving constituency. Joe is not even a has been—he never was.—New Denver Record.
