The Evening Sun.

Vol. II. (Columbia Postoffice) Grand Forks, B. C., Friday, August 7, 1903 No. 80

HARMONY LODGE

Grand and Impressive Consecration Ceremonies Were Held.

The consecration of Harmony Lodge No. 37, A. F. & A. M., took place in their hall Wednesday evening, the M. W. the Grand Master of British Columbia, the Rev. C. Ensor Sharp, of Esquimalt, presiding, assisted by James H. Schofield, of Trail, District Deputy Grand Master; George Hering, of Rossland, Past District Deputy Grand Master, and Rev. E. P. Flewelling, of Phoenix, Past Grand Chaplain.

The hall, which was elaborately and artistically decorated, was taxed to its utmost to accommodate the large assemblage of Masons and their wives, daughters, mothers and sisters.

The ceremony was very impressive, and was much enjoyed by those who were fortunate enough to be present.

Miss Covert presided at the organ, and the consecration odes were sung with great heartiness.

The installation, which was private, followed, when the Worshipful Master, Bro. John Westwood, was installed W. Master, and the following brethren as officers: Geo. Pattison, S. Warden; Wm. J. Cook, J. Warden; Homer N. Galer, Treasurer; John Rogers, Secretary; Edward R. Northrop, Director of Ceremonies; Geo. D. Clark, S. Deacon; Finley A. Sinclair, J. Deacon; Herbert C. Kerman, S. Steward; Harry H. Spinks, J. Steward; Peter R. McRae, Inner Guard; Thomas Halliday, Tyler.

After the installation the company adjourned to the Biden opera house, where the ladies had prepared a sumptuous repast, which was heartily enjoyed. The visiting brethren were loud in their praise of the splendid manner in which the tables were decorated, and it speaks well for the artistic taste of the ladies. The costumes worn by the ladies were very handsome, and, with the decorations, made up snch a pretty scene as one is seldem privileged to see.

The toast list was as follows: "The King and the Craft," proposed by Dr. Westwood; "M. W., The Grand Lodge of B. C. and Grand Master," proposed by Dr. Westwood, and responded to by the M. W. G. M. in a very pleasant manner; "The D. D. G. M., Past and Present," proposed by Dr. Westwood, and responded to Geo. Hering and J. H. Schofield; "Sister Lodges," proposed by W. J. Cook; "Our Brethren Across the Line," proposed by W. H. Covert; "The Ladies," proposed by Dr. Kingston, and responded to by W. H. Covert.

After songs had been rendered by Wm. G. McMynn and James D. Sword, of Greenwood, the company joined hands and sang "Auld Lang Syne," and then dispersed, everybody expressing themselves as naving spent a most enjoyable evening.

SUNSET SAUNTERINGS

F. H. Hale, M. P. of Carleton county, New Brunswick was in the city last Wednesday. He was accompanied by his wife and W. P. Bull, of Toronto, a member of the legal firm of Gallagher & Bull, of Nelson. Mr. Hale was piloted through the Granby smelter by G. M. Fripp. Like all visitors who inspect that great reduction works, he was amazed at the completeness and modernness of the plant. He also expressed himself as being well pleased with the future prospects of this section, predicting most prosperous times when our varied and unlimited resources are more fully developed. Mr. Hale is the senior partner of Hale & Murchie, probably the largest lumber dealers in the Dominion, who have extensive interests in Ontario and the maritime provinces, and there is good reason to suspect that this trip through this section, his first visit to the west, will result in their acquiring timber limits and beginning operations on a large scale in this province.

C. C. Tilley, of the "Club," returned last Tuesday from Vancouver, where he had been attending the Eagles's convention as a delegate from the local Aerie.

Anniversary services will be held in Knox Presbyterian chutrch next Sabbath. Rev. Irving Armstrong, of Liverpool, England, will preach the anniversary sermon in the morning. In the evening the pastor, Rev. J. R. Robertson, B. A., will occupy the pulpit. Special and appropriate music will be rendered at both services.

The Ladies' Aid of Knox Presbyterian church will give an ice cream on the lawn at the church next Monday evening.

A NARROW ESCAPE

A Kettle Valley Lines Brakeman Loses Part of His Foot.

About 5 o'clock this evening Billy Williams, a brakeman on the Kettle Valley lines, while riding on the pilot of the engine, lost his hold and fell, and had the three middle toes of his right foot cut off. The accident occurred at the Winnipeg avenue crossing. Although Williams was thrown about ten feet from the track, he was still conscious when picked up. The shoe was completely torn from his foot, and it and the three toes were found lying on the inside of the rail.

Dr. Northrop was has hastily summoned, and dressed the wounds. The injured man exhibited considerable nerve during this painful operation, telling the doctor to save all he could of the foot.

Williams is between 30 and 35 years of age, and single. He boards at the Granby hotel.

SUNSET SIGNALS

It is now announced that the Grand Forks riding Liberal convention will be held in this city on Monday, the 17th inst. The delegates will be elected next Monday evening.

The advertisements of N. McLellan & Co. and C. C. Tilley appear for the first time in this issue of THE SUN. If you get thirsty eating Mr. McLellan's feed, you will probably need some of Mr. Tilley's goods.

Capt. Disbrowe is constructing a fence along the river bonk on upper Bridge street.

The grade on Winnipeg avenue near J. B. Henderson's residence is being materially improved by lowering the hill a few feet by means of the city team and a scraper. The chairman of the board or works has promised to make the grade easy enough to enable THE SUN man to climb it on his wheel. This practically means a 2 per cent grade.

Hon. E. J. Davis, H. E. Irwin and Chas. C. Van Norman, of Toronto, and W. Blakemore, of Montreal, who went went up to inspect the coal measures of the B. C. Coal Co.. 55 miles north of this city, last week, returned a couple of days ago, and immediately left for the Nicola valley, where they are interested in other coal lands. After they have examined the latter property they will make a statement regarding their intentions respecting operations up the North Fork.

The Grand Forks Conservative association will hold a meeting in the Biden opera house next Thursday evening for the purpose of electing delegates to attend the nominating convention, which will be held in this city on Saturday, August 15. At the various primaries the following number of delegates will be elected: Grand Forks, 12; Phoenix, 8; Columbia, 6; Cascade, 2; Gladstone, 2.

The brethren of Harmony Lodge No. 37, A. F. & A. M., will attend divine services on Sunday evening, August 9th, at Holy Trinity church. The M. W. the Rev. C. Ensor Sharp, grand master of British Columbia, will preach. The Masons are requested to meet at their hall at 6:45. Transient brethren are invited.

Rev. J. F. Betts will exchange pulpits with Rev. T. Green, of Phoenix, next Sunday. Mr. Green will conduct services in the Methodist church in this city in the morning, and in the evening Rev. Irving Armstrong, of Liverpool, England, will deliver the sermon.

POSTPONED TILL AUG. 31

The reopening of the Grand Forks public school, which had been fixed for Monday next, has been postponed till Monday, August 31st, on account on of one or two cases of scarlet fever among the children of the city. On the 31st, however, the school will be reopened, with the following staff:

Senior Grade—W. H. M. May.

Intermediate Grade—Miss McGill and Miss Sinclair.

Primary Grade—Miss Winter and Miss Hewton.

All children who are, or who will be, six years of age before January 1st, 1904, are requested to enrol on the opening day.

All those who passed the recent high school entrance examination will receive diplomas on the opening day. Their attendance is therefore asked for on the 3st inst.

The school trustees desire THE SUN to state that they were too late to notify the *News-Gazette* of this postponement, and the announcement published in that paper is therefore incorrect.

UNION LABEL

FRIDAY, AUGUST 7, 1903

REGISTER YOUR VOTE.

The near approach of the day when the voters' lists will be closed makes it imperative that a special effort should be made to make the them as complete as possible while there is yet time. The more complete the lists are the more likely is it for the will of the people to be supreme when their votes are polled on election day. It is to the popular interest that every man qualified to exercise the franchise should have his name enrolled as a voter. Every man should make it his personal duty, and esteem it a privilege, to see that his neighbor and his fellow workman does not neglect or postpone until too late a duty which he should be all eagerness voluntarily to perform.

Geo. Massie's show window has been liberally decorated with the prizes to be given to the winners of the sporting events at the union picnic of the Odd Fellows, Knights of Pythias and the Ladies of the Maccabees at Loon lade next Wednesday. The prizes were all donated by the local merchants, and are both varied and numerous. Ex-Alderman Sheads says that the big ham offered as fi st prize in the fat men's race is virtually in his kitchen now.

The nominations for aldermen to fill the vacancies in the East and Centre ward delegations were held last Wednesday. For the East ward M. S. Martin, the carpenter and contractor, was proposed by N. McLellan and seconded by W. J. Morrison; for the Centre ward M. R. Feeney, the blacksmith, was proposed by Dan O'Ray and seconded by W. D. Davis. As there is no opposition to these nominees, a poll will be unnecessary.

Dr. Westwood went to Phoenix yesterday to participate in the consecration of the Masonic lodge, which took place in that city last night.

C. M. Melville and son Will, who have been engaged in the construction of a barn for Vaughan & McInnes, near this city, have returned to their home at Midway, the carpenter work having been completed.

Born—In Grand Forks, August 5th, to Mr. and Mrs. Chas. Dahnden, a daughter.

Born—In Grand Forks, August 6th, to Mr. and Mrs. Joseph Semard, a son.

Ross S. Craddock, the local mining engineer, yesterday went down to Burnt Basin, where he will examine aud report on several properties.

W. H. Itter and Stanley Hull returned last Tuesday from a week's camping-out and fishing trip to Christina lake.

There were 850 names on the voters' list for Grand Forks riding last night.

It is rumored that Ald. McLellan is the latest candidate in the field for the Conservative nomination.

THE RECORDS

Following are the locations, certificates of work, bills of sale, etc., recorded at the office of the Grand Forks Mining Division at Grand Forks, July 29th to August 4th inclusive:

RECORDS OF LOCATION.

Blue Bird Fraction, Wellington camp, Oscar Gendron.

Friday, Brown's camp, relocation of Midnight, P. J. Byrne.

Pathfinder No. 2, relocation of Oneida Fraction, Edgar E. Burr.

Innesfail, two miles easterly from Gladstone, Wm. O'Donnell.

CERTIFICATES OF WORK.

Florence, Seattle camp, M. R. Feeney.

Criterion, Brown's camp, Wallace Bentley.

Windfall, Wellington camp, Jas. Drum.

New Jack of Spades, Central camp, Boundary Creek Mining Co. et al.

New Jack of Spades (survey), Johnson and Boundary Creek Mining Co. et al.

McKinley, Franklin camp, McKinley et al.

CERTIFCATES OF IMPROVEMENT.

Bonanza, Brown's camp, Chas. Hay and Neil McCallum.

Mayflower Brown's camp, Chas. Hay and Neil McCallum.

Cleopatra, Brown's camp, Chas. Hay and Neil McCallum.

Best, Brown's camp, Chas. Hay and Neil McCallum.

Grand Forks Belle, Brown's camp, Chas. Hay and Neil McCallum.

Napoleon Bonaparte, Brown's camp, Chas. Hay and Neil McCallum.

Eureka, Christina lake, John Forsythe Miller.

TRANSFERS.

Bristol (all), Orion mountain, James Cameron to Wm. O'Donnell.

NOTICE.

A meeting of the Grand Forks Conservative Association will be held at the Biden opera house, Grand Forks, on Thursday, the 13th of August, at 8:00 p.m., for the purpose of electing delegates to attend the nominating convention of the party, to be held at Grand Forks on Saturday, the 15th of August. All Conservatives are specially requested to be present.

Dated at Grand Forks the 3rd day of August, 1903.

A. C. SUTTON,
Sec. G. F. Conservative Association.

All the voters' lists have been cancelled, and everyone who wishes to vote at the approaching provincial election must re-register his vote. This should be attended to at once. The qualifications for voters: Applicant must be male sex, 21 years of age and a British subject; resident six months in the province and one month immediately prior to date of application in the electoral district where registration is desired. Applications for registration must be mads on the proper forms and must be sworn to before one of the following officers: Justice of the peace, mayor, reeve, alderman, councillor, notary public, collector of votes, provincial constable, special provincial constable, government agent, govesnment assessor, mining recorder, deputy mining recorder, judge of any court, stipendiary magistrate, municipal clerk, municipal assessor, postmaster, postmistress, Indian agent, commission for taking affidavits in the supreme court, registrar of titles, deputy registrar of titles. After being subscribeda nd sworn to the applications must be sent or handed to the collector of votes—for Grand Forks, S. R. Almond, mining recorder.

WHY GO EAST

Over the sun-burned, sage brush and alkali plains, when you may just as well take a delightful, cool and comfortable ride through the heart of the Rocky Mountains in view of the grandest scenery on the American continent?

This you can do by travei ng on the Rio Grande system, the far-famed "Scenic Line of the World," the only transcontinental line passing through Salt Lake City, Glenwood Springs, Leadville, Colorado Springs and Denver enroute to eastern points.

Three daily express trains make close connections with all trains east and west, and afford a choice of five distinct routes of travel. The equipment of these trains is the best, including free reclining chair cars, standard and tourist sleepers, a perfect dining car service, and also personally conducted excursion cars, each in charge of a competent guide, whose business is to look after the comfort of his guests. No more pleasant and inexpensive means of crossing the continent can be found than is provided by these excursions.

For additional details address J. D. Mansfield, Gen. Agt., Rio Grande Lines, No. 124 Third Street, Portland, Ore.

The Grand Forks hotel, the oldest hotel in the city, has a capacity for 70 people. Everything up to date. Rates, $1 and $1.50 per day.

For a nice hair-cut or shave go to the City Barber Shop on Riverside avenue. Baths 25c.

Just What You Want
Just When You Want It

GOOD SERVICE is composed of two elements—excellence of the work and promptness in the execution. Bad work executed promptly is not good service—good work delivered behind time is not good service; but the two combine to make one of the most necessary, but hardest to obtain and often most expensive, requirements of the twentieth century business man. That we have learned the lesson in theory we have shown. Our customers will testify that we have also learned it in practice.

BOUNDARY MINES AND SMELTERS

Suit has been brought in Spokane by the Lucile Dreyfus Mining company, whose property is located at Danville, to cancel 982,000 shares of false and fraudulent certificates and raised certificates held by about 150 persons. The complaint makes 155 persons defendants and sets out in detail 1,109,000 shares of false certificates, raised certificates and stolen certificates upon which the court is asked to pass judgment. The action is brought to secure a legal solution of the difficulties caused by the criminal acts of Howard J. Kressly, the absconding secretary of the company.

During the month of July the Kettle Valley lines took out ore from Republic as follows: To Crofton, 290 tons; Nelson, 560 tons; Granby, 375 tons; total, 1225 tons. The Great Northern took 1728 tons to Tacoma and 352 tons to Nelson; total for the month, 2080 tons. The total shipments for July by both roads, 3305 tons. The tonnage during the month of July was considerably less than for the month of June. This was not due to the condition of the mines, but to the mability of the various smelters to take the ore. The mines have made substantial progress along the line of development. The Quilp has been operated at nearly its usual output, and would have exceeded its last month's figures had not the smelters called a half about the middle of the month. The output was light for ten days, but during the last few days of the month there was a gradual increase, and at the close daily average was up to the normal. The shipments to Tacoma were 1400 tons, and 300 to the Granby smelter. The contract with the Granby has expired and hereafter the output will be sent to Tacom. In the future the mine will load 60 tons per day only until the winze is completed.

Development work is being pushed ahead vigorously on the extensive coal measures of the International Coal & Coke Company's property, which is situated some three miles west of Blairmore, and extends from the railroad south, a distance of seven miles, says the Blairmore Times. Prospecting has been carried on upon this property for the past two years, and a large amount of development work accomplished, most of which has been confined to a point near the center of the property. This spring, however, work was started in several places near the north end of property, within a very short distance of the railroad, with most gratifying results to the owners. Two main entries have been started at this point, wagon roads built, the erection of tipples prepared for, and surveys run for the building of the necessary sidetracks, etc., to connect the mine with the railroad. The company have secured a section of land, through which the railroad passes, and have laid out yards for a large number of coke ovens. At present they are building a few ovens in which to test the coking qualities of the coal from their various coal seams. Manager P. A. Paulson, who has personal charge of the work, is doing everything possible to rush the work along. There are on the property nine seams of coal, which vary from a few feet to over twenty in thickness, and which have been traced and dug upon the whole length of the property, some seven miles. The quality of the coal, which has been thoroughly tested, has been shown to be of a very superior steam and coking quality. This property has now reached a stage in its development where it can be put upon a shipping and producing basis at any time, and will no doubt soon become one of the biggest producing mines.

The excursion to Loon lake, which will be held under the auspices of the local lodges of the I. O. O. F., Knights of Pythias, and the Ladies of the Maccabees, on Wednesday, the 12th inst., will undoubtedly be the biggest event of its kind of the season. Hundreds of people, young and old, will assuredly avail themselves of the opportunity of visiting the famous Washington summer resort, where over inreet. The owners of the resort also provide an excellent program. A Ferris wheel is in operation, and a celebrated diver will be engaged to make a 125-foot dive into the lake. Mayor Burrell has proclaimed the day a civic holiday.
