VOL. X. NO. 33 KELOWNA BRITISH COLUMBIA, THURSDAY, JULY 4, 1918.—4 PAGES $1.50 Per Annum

Will Enforce Laws Against Speeding

The city council held a brief meeting last Thursday evening, principally for the purpose of carrying through to the final stage certain by-laws connected with the annual assessment. The first of these was the by-law fixing the tax rate at 33.8 mills gross on land values only. This was finally disposed of as was also another fixing the rate of discount for prompt payment at 10 per cent., the last day upon which such discount could be obtained being November 30th.

A temporary by-law was also passed to borrow $10,000 from the bank against current taxes.

There was some discussion relative to the speed of automobiles, it being pointed out that excessive speeding was becoming so general as to constitute a grave danger to the public, and if it were allowed to continue it was only a question of time before some serious accident would occur. It was decided to instruct the police to see that the regulations were more strictly complied with.

An application was granted to Mr. A. Johnson to move the gasoline tank from Water Street north and instal it near his barn on Lawrence avenue.

A letter was read from Mr. Heggie, of Vernon, agent for the C.N.R., advising that he would be down shortly to make final payments of taxes due the city.

The meeting was then adjourned until Monday, July 8th.

Dairymen's Picnic is Successful Event

Last Thursday the dairymen and farmers of the Kelowna district gathered in the pretty spot near the Belgo bridge over Mission Creek at a picnic which combined the business of hearing instructive addresses by agricultural experts with the pleasure of a most enjoyable outing. The affair had been well organized by a local committee under the auspices of the B.C. Dairymen's Association, and free transportation was given to all who cared to go by the local Automobile Club. The weather being fine a large party had gathered by noon, when luncheon was spread on tables under the shade of the trees There were good things in abundance (though of strictly wartime variety), and with the help of a plentiful supply of tea and coffee and milk from the cows brought along for demonstration purposes, a hearty meal was enjoyed.

Following the luncheon the party arranged themselves on the slope of a hillside, while Prof. Mc Lean, of the animal husbandry department, Prof. Boving, agronomist, and Prof. Lunn, of the new poultry section, all of the B.C. University, successively gave most instructive talks on their various subjects.

Mr. J. W. Jones acted as chairman, referring in the course of his remarks to the great success of the local Creamery which was now turning out some of the finest butter in the province, thanks to the skill of the manager, Mr. S. Thomas. The creamery had done more than anything to help develope the dairy industry in the district.

Prof. McLean, by means of some fine animals brought from the K. L. O. Co. farm, Mr. J. Spall, and Mr. Coventry, demonstrated the most desirable type of dairy cattle. He urged in addition the need of keeping accurate records of milk production, if herds were to be developed in profitable directions. It was the intention to try to systematize cow testing by having a man who could spend a whole week every month in the neighbourhood working four Okanagan districts in succession. He urged the employing of only pure-bred ewes as the only means of improving stock.

As the outcome of his remarks a meeting was arranged for the following day for the purpose of getting twenty farmers to agree to purchase pure-bred young stock as a basis for pure-bred herds. This meeting was quite successful and the stock when purchased will probably be exhibited at Vancouver Exhibition with a card indicating its destination.

Prof. Bovine gave an interesting talk on soil fertility, emphasizing the need of conserving all manure and preventing waste He also spoke on seed growing, which had made a very satisfactory start in the valley. There was no reason why the Okanagan should not become the great seed garden of the Dominion.

Prof. Lunn expressed his regret at the scarcity of poultry in a valley so well suited to the industry. Eggs were so high priced that given good management they were bound to pay in spite of the high cost of feed. He hoped that the new department of the University would become of great assistance to all poultry keepers.

During the afternoon demonstrations were given with the Cleveland tractor which was brought down last week from Vernon. Its wonderful performances and the ease with which it could be handled were a a surprise to all.

After votes of thanks to the ladies who had prepared the luncheon, to the speakers who had come so far to address the gathering, and to the local committee, the party gradually dispersed about 5.30.

Boys Unfortunate in Holiday Sports

The boys of the baseball and lacrosse clubs have been up against a succession of defeats during the weekend sports. This run of reverses began last Thursday when the baseball club went up to Vernon to meet the team there as part of a programme of field sports arranged for the day. It was a a good game and a close one, but Vernon managed to end up in the lead, with 5 to Kelowna's 4.

On Monday the team was at Penticton, where, as is usual with the end of the lake town, a big day was in progress. The programme of events included a baseball tournament, in which teams from Princeton, Keremeos, Summerland, Penticton and Kelowna figured. In the drawing of lots for games it fell to the Kelowna boys to meet Princeton. Without attempting to make excuses for the local boys or indulge in useless explanations of why they did not win, it is only fair to say that conditions were not exactly in their favor.

In the first place they had only five of their number there to go the field, and had to pick up some youngsters from Summerland and Peachland to make up a team, though the latter did some good work. The Princeton team, too, was composed of much older and more seasoned players. In spite of this, however, the boys managed to keep the score even until the very last innings, when by a run of lucky play the Princeton team added three to their score of six, making the final score 9 to 6 against Kelowna.

Although no excursion was run by the C.P.R., quite a number of Kelowna people went down to see the game and to take in the rest of the programme of "round-up" and races. not forgetting the flying machine which seems to have created a favourable impression. The dance in the evening kept some of the visitors there until the following day.

The lacrosse team fared even worse at Armstrong Monday, at which place another July 1st celebration was in progress. They had expected to play the Armstrong team but were met instead by a picked bunch from Armstrong, Enderby, Vernon and Lumby, and were trimmed to the tune of 7 to 3. However, they had a good trip and an enjoyable time, reaching home again in the early hours of Tuesday morning.

Mention was made last week of the probability of a new doctor locating in Kelowna. This has now been confirmed by the arrival of Dr. Telford, Monday, and he has already taken up his residence in Harvey Avenue, and has made arrangements for the opening of an office near the post office. Dr. Telford leaves a large practice in Vancouver on account of ill-health. After spending three months in California with his family he visited the Okanagan some few weeks ago when he decided that Kelowna climate was particularly favorable to his complete recovery.

Miss Hutchinson, of Vancouver, arrived yesterday afternoon on a visit to her sister who is a member of the Kelowna hospital staff.

Public and High Schools Promotions and Honor Roll

Following are the promotion lists of the Public Schools. It should be noted that the named are arranged alphabetically and not in order of merit.

To First Primer:

Kate Bower, Ella Cameron, Janet Corbett, Madeline Druesne, George Dunn, William Frost, Eva Jenkins, Robert Morrison, Florence McCarthy, Donald Maguire, Frances McKinley, Leslie Pearson, Joyce Stewart, Vincent Varney, Harry Weatherell.

To Second Primer:

Miss Wood's Class.

Robert Band, Joyce Crichton, Muriel Day, Felix Mallet, Evelyn McDonald, Stuart Webster.

To First Reader:

Miss Bullock's Class.

Marian Askew, Kate Avender, Geraldine Alexander, Margaret Blackwood, Ervin Cass, Lloyd Dobbs, Alga Dobbs, Rene Druesne, Anna Gauvin, Robert Gore, Sidney Hill, Maurice Jensen, Nicholas Krimmer, Elsie Lanfear, Mary Laplante, Alfred Maranda, Harry Murrell, Sylvia Macready, Maxwell Maguire, Charles Pellman, Donald Poole, Chelta Reid, Wallace Ryder, Leonard Sear, Constance Todd, Robert Tracy.

To First Reader:

Miss Davies' Class.

Ivy Ashworth, Alice Band, Orvel Curts, Phyllis Hookham, Louisa Marty, Greta Sanders, Wilma Tredgold.

To Junior Second Reader:

Miss Davies' Class.

Peter Avender, Cedric Boyer, Olive Brown, Margaret Crawford, Abel Gagnon, Grace Good, Joyce Hayman, Muriel Jenkins, Leslie Lanfear, Doris McKinlay, Eric McMillan, Audrey Oliver, Mabel Pettigrew, Flora Sewell, Walter Sinkinson, Isobel Stewart, Harry Witt, Jack Witt, Kiyomatsu Yiyomatsu.

To Junior Second:

Miss Ritchie's Class.

Martin Akeroyd, Eva Blackwood, Norman Cass, Beth Crawford, Gordon Cooper, Susette Cosens, Betty Crichton, Ethel Duggan, Archie Hanlin, Edna Hardy, Leonard Leathley, Marian Meikle, Isobel Murray, Ruth Morrison, Jack Packham, Madeline Poole, Earl Swerdfager, Raymond Webster, Lloyd Williams, Ida Wilson, Iwamatsu Yamaoka.

To Senior Second:

Miss Ritchie's Class.

Harry Allen, Katherine Black, Margaret Corbett, Donald Duggan, Richard Dore, Bessie Hawes, Caroline Joyal, Muriel Marshall, Allan McGibbon, Henry Murdoch, Philippa Oliver, Robert Ritchie.

To Junior Third Reader B:

Miss Thomson's Class.

Alf Alsgard, Claire Brunette, Margaret Burtch, Harry Campbell, Alexander Corbett, Alma Cooper, Constance Cosens, Winnifred Craze, Kathleen Crichton, Virginia Dobbs, Irene Forsythe, Marcel Gagnon, Daniel Hill, Constance Knox, Alan Lloyd-Jones, Lillian Marshall, Jean Morrison, Peter Murdoch, Iris McKay, Eleanor Palmer, Mary Stillingfleet.

To Junior Third A:

Miss Thompson's Class.

Sidney Good, Willie Longley, Bertie Marshall, Louise Marshall, Gordon Meikle, Jean Rowcliffe, Florence Webster, Russell Williams, Lillian Webster.

To Junior Third A:

Mrs. Bowser's Class.

Daisy Birch, Eva Blackwood, Frank Burrell, Alice Clement, George Ellis, Frank Fumerton, Margaret Gore, Harry Gorman, Clifford Graham, Elfriede Knippel, Erna Knippel, William Knowles, Roy Ludlow, Howard McCarthy, James Sutherland, Dorothy Thomas, Edith Thompson, Evalene Tracy. Dora Wilson.

To Senior Third B:

Mrs. Bowser's Class.

Cyril Askew, Harold Cunningham, Helen Faulkner, Vera Hill, Dorothy Marty, William Morrison, Lyle McKinlay, George Sutherland.

To Junior Fourth B:

Miss Renwick's Class.

William Allan, Harold Dore, Stanley Duggan, Wealthy Grigg, Catherine Krimmer, Norman Patmor, John Ryder, William Stewart.

To Senior Third B:

Miss Renwick's Class.

Elizabeth Andison, Mary Birch, Marion Brown, Lloyd Cunningham, Robert Croft, Annie Curts, Mabel Dore, Cecil Duggan, Roy Duggan, Rehecca Frost, Gordon Haug, Henry Hubbard, Donald Loane, Harry Miller, Bartlett McCarthy, Murray McKenzie, Irene Parkinson, Verne Patmor, John Powick, Agnes Thomlinson, Frances Trench, Wiunifred Tutcher, John Williams.

To Senior Third A:

Miss McIntosh's Class.

Douglas Buckland, Janet Clarke, Bert Cooper, Louise Cunningham, Thelma Dillon, Hector Duggan, Florence Laplante, Ian McMillan, Alice Palmer, Ada Poole, Ellis Todd.

Mr. Davis, of the Water Rights Branch, is in town this week.

To Junior Fourth B

Miss McIntosh's Class.

Bert Adams, John Aitken, Mary Andison, Frances Baylis, Evelyn Barber, Kathleen Campbell, Dorothy Cramp, Muriel Dillon, Victor Fowler, Mabel Graham, Lily Hoare, Maud Kincaid, James Laidlaw, Harry Mantle, Jessie Paisley, Florence Ryder, Ryder Small, Margaret Sutherland, Bertha Thompson, Frances Tredgold, Elwyn Williams, Cyril Weeks.

To Senior Fourth

Miss Page's Class.

Percy Andrews William Akeroyd, Jack Buckland, Baye Burtch, Alice Byrns, Winnifred Dibb, Christine Ferguson, Margaret Fumerton, Denis Gore, Alice Jensen. Audrey Knox, John Krimmer, Wallace Meikle, Laurance Morrison, Grace McCarthy, Joe O'Neil, Margaret O'Neil, Charlie Richards, Ruth Rowcliffe, Ruthea Reid, Reba Willets, Earl Wilson.

To Senior Fourth

Miss Caldwell's Class.

Frances Anderson, Winnie Andrews, Willie Birch, Arthur Brunette, Clifford Cunningham, Minnie Curts, Mabel Davies, Howard Leathley, Dorothy Morison, Hazel McCallum, Hugh McKenzie. Arthur Packham, Nellie Paterson, Frank Sinkinson, Edward Small, Iris Webster, Gordon Wilson, Rosalie Wilson.

Passed Entrance by Recommendation

Miss Caldwell's Class.

Ralph Ball, Jack Groves, George Mantle, Claire Rowcliffe, Ralph Silver, Cecily Tutt, Stanley Whitehead.

Principal's Class.

Danald Balsillie, Jeannie Black, Isobel Crawford, Bay DeHart, Violet Dillon, Bessie Duggan, Fred Duggan, Graham Evans, Dorothy Graham, Hazel Graham, Ivy Laws, Winnie Longley, Dan McMillan, Nelson Marshall, Effie Neill, Evelyn Packham, Jack Parkinson, Jessie Roger, Mary Ritchie, Margaret Sanders, Myrtle Swerdfager, Bessie Thompson, Henry Tutt, Ralph Weddell, Nellie Whitehead.

PUPILS RECEIVING HONOR ROLLS

For Proficiency:

Ronald Todd, Theodore Neish, Ralph Ball, Grace McCarthy, Maud Kincaid, Roy Duggan, Margaret Gore. Eva Blackwood, Jean Morrison, Olive Brown, Robert Tracey, Felix Mallet.

For Deportment:

Bessie Haug, Winnie Andrews, Winnified Dibb, Frances Baylis, Irene Cooper, Raymond Webster, Alan Lloyd-Jones, Doris McKinlay, Anna Gauvin, Vincent Varney, Dorothy Marty.

For Perfect Attendance:

Jeannie Black, Violet Dillon, Myrtle Swerdfager, Iris Webster, James Laidlaw, John Aitken, Marian Small, Muriel Dillon Alice Palmer, Ronald Weeks, William Akeroyd, Ada Poole, Florence Ryder, Ellis Todd, Louise Cunningham, Winnifred Tutcher, Lloyd Cunningham, James Sutherland, Harold Cunningham, Martin Akeroyd, Alma Cooper, Eleanor Palmer, Alf. Alsgard, Irene Forsyth, Ivy Ashworth, Grace Good, Mabel Pettigrew, Flora Sewell, Wilma Treadgold, Harry Witt, Jack Witt, Victor Adams, Harry Weatherill.

Promotions in High School

The promotion from first year to second year class at High School are based on the work at school throughout the year and not on a final examination. All promotions are conditional upon conscientious work in the second year class. The following are recommended for promotion. The names are arranged alphabetically, not in order of merit:—

Marie Atkinson
Carrie Batt
Edna Clarke
Gilbert Clarke
Anna Conroy
Beth Conroy
Kathleen Crowley
Pearl Downing
Evelyn Fletcher
Charles Gaddes
Leonard Gaddes
Nellie Jones
Dick Parkinson
Isabelle Reid
Catherine Ritchie
Doris Teague
Florence Weeks
Hazel Williams

German General Von Liebeit, in an interview, said that Germany was about to strike another surprise blow. He described the Austrian drive as a "painful failure."

The street railways systems of Vancouver and the Island are tied up again as the consequence of a strike of electrical workers.

In accordance with the royal proclamation churches throughout the Dominion observed Sunday last as a day of special prayer and intercession on behalf of the war.

Rutland News

(From our own correspondent).

Mrs. Sexsmith is visiting her sister, Mrs. J. Brown.

The Girls' Enterprise Club met at Mrs. Ford's home on Tuesday evening and made arrangements to take part in the parade at the Patriotic Carnival on July 6th. Their next meeting will be at Mrs. W. Gay's, July 9th.

Just as Mrs. Stonehouse and Mrs. Tippen were starting off to town on Saturday the horse took fright and careered around the orchard. Both ladies were thrown out, Mrs. Tippen being severely bruised, but Mrs. Stonehouse fortunately escaped unhurt.

Picnics seem to be the order of the day, the next one being in connection with the Rutland Methodist and Presbyterian Sunday-school. This is the annual community gathering and everyone should turn out to the Belgo bridge on Friday, July 12th, with a good full basket of war-time cookery. Transportation will be supplied to all who have no other means of conveyance. leaving the Rutland store at 10 o'clock.

The Young People's Club met for a social evening on Friday, June 29th. After playing a game on the school lawn the company went inside the building.

The question of contributing something towards the carnival programme was again discussed but much as it was regretted it was felt by one and all that nothing feasible and appropriate could be arranged for.

As the editor of the "Tatler," Mr. Ralph Campbell, resigned owing to press of business, it was decided to suspend the paper for the summer months.

Numbers were then distributed for an impromptu programme, the person holding the number corresponding to the one called by the president was expected to contribute something towards the evening's entertainment. There was an excellent response, and some songs, instrumental selections and recitations were given.

Saturday's Big Carnival

The committee in charge of arrangements for the Patriotic Carnival on Saturday afternoon now report all in readiness for the big event, which, it might be mentioned, is for the local branch of the Patriotic Fund. So many attractions and surprises have been prepared by the energetic workers that it is impossible to mention them all here. A baby show, side show of several kinds, brass bands, boys' sports and races, ice cream and popcorn, and—well, ask the ladies. There is to be a business men's luncheon at 6.30 in the park, but don't be afraid to join in, as the term "business man" is very elastic!

The children's sports will begin at 4 p.m., and will be in charge of Mr. J. Gordon. Foot races, three-legged, sack, potato-and-spoon races will be arranged, entries for which should be made on the ground to Mr. Gordon.

Given fine weather there should be no doubt about the success of the affair.

Sunday is the annual "Decoration Day" for the Oddfellows and Rebekah Lodges, when the members pay their respects to the memory of departed brethren and sisters by visiting their last resting places and placing flowers upon their graves. The lodges will meet at the room at 2 p.m., and will welcome all visiting members of the order.

To see a young lady sitting in the body of a buggy, minus the wheels and with no horse attached in the middle of main street is not a sight met with every morning. At first it appeared to be mere rehearsing for the great carnival on Saturday, but upon the return of the horse and wheels in charge of the person who had stopped them in flight, the fair driver, Miss Rosalind Butler, was at once assisted with the work of putting the halves together and making a neat little driving outfit. It's surprising what the difference a bolt and nut can make to a buggy.

Bankers' Competitions for Boys and Girls

Through the action of the Minister of Agriculture, the Hon. T. A. Crerar, arrangements have again been made to have the Canadian Bankers' Association co-operate with the Department of Agriculture in providing a liberal sum of money to be offered in prizes for calves and pigs exhibited by boys or girls under 17 years of age, at one fair in each district—either a country, township or school fair.

These competitions are known as the "Canadian Bankers' Competition," and are linked up with the activities of the Live Stock Branch of the Dominion department of agriculture. They represent an effort to increase interest in live stock, and constitute a part of the active campaign for more and better stock inaugurated and carried on by that department. The generous support accorded to the movement by the Canadian Bankers' Association affords a practical demonstration of the attitude of the banks towards the live stock industry. and the active participation of the Association in this campaign is bound to strengthen and create general interest in farm livestock.

A Canadian Bankers' Competition will be held at the Kelowna Exhibition on the 11th and 12th of September next, and boys and girls should lose no time in finding out all about them. The calves and pigs must be fed at least six weeks by the boys and girls who exhibit them, so that it is very important to act promptly in securing a copy of the rules and other information.

Full information regarding the competition may be obtained from the managers of the local banks or from the Secretary of the A. & T. Association, Mr. H. G. M. Wilson.

Girl's Sudden Death Awakens Sympathy

The sudden death Wednesday of Flora Ball, the fifteen year old daughter of Mr. and Mrs. J. Ball, has stirred the sympathies of the whole district, not only because of the loss of so promising a young girl, but because of the sad circumstances connected with it. Mr. Ball himself is at the present moment away in Rochester, undergoing several serious operations, and knows nothing of the sad event which has cast a gloom over the whole city.

Although never physically strong Flora was apparently in her usual health until so recently as last Saturday, when she began to complain of a sore and ulcerated throat. Medical advice was at once secured, but the trouble rapidly developed into an abcess affecting the brain. After consultation it was decided to secure aid from the coast for an operation, though the chance of saving the girl's life seemed remote. Mr. J. W. Jones met the specialist at Salmon Arm and brought him down by car in order to save a little time. These prompt efforts however were all unavailing, for the unfortunate girl expired on her way to the hospital.

Of a gentle, studious nature, Flora was held in the deepest affection by all who knew her. Her bright intelligence placed her in the front rank in all school work, and her loss removes one of the most promising pupils in the whole city.

The funeral is to take place this afternoon, service being held at the house at 2.30.

Mrs. Webster and son Stewart went down to Vancouver Friday.

Chas DePfyffer, of the Bank of Montreal staff, has been transferred to the Penticton branch and left for that point Wednesday.

With the closing of the schools several of the teaching staff left by Friday's boat for their various homes. Miss Wood went to New Westminster and Miss McArthur and Miss Eva Thompson, to Vancouver.

All changes in contract advertisements must be in the hands of the printer by Tuesday evening to ensure publication in the next issue.

Use Poison Bait for Grasshoppers

With the coming of the grasshopper pest, it becomes necessary for farmers to consider the best means of combatting the evil. Undoubtedly the simplest and most effective method is the use of poison, and in those areas which are subject to the ravages of these insects, no time should be lost in getting after them.

The formula for mixing poison bait for grasshoppers consists of twenty pounds of bran, one pound of Paris Green, one-half gallon cheap grade molasses, three lemons and enough water to moisten thoroughly without making the mixture soggy This mixture is best made in the following manner: Mix the dry bran and paris green together in a tight box. chop up the lemons finely and mix with syrup and water and then combine the two.

This quantity of mixture should be scattered broadcast over the affected area and should be sufficient to treat about three acres. It is better to apply the mixture in the early morning before the grasshoppers start feeding. If this procedure is followed two or three times during the summer the loss from these insects will be decidedly lessened.

The "Why" in Rationing

"Why couldn't the Canada Food Board order rationing?"

The answer is easy. It could make the order, but what power in Canada could see the order was carried out? There's the rub.

Rationing to-day could only touch city people. Fifty per cent. of our population live in the country and seventy-five per cent. of the rest in small towns. These get their food direct from the 600,000 farms. Rationing could not touch these. Only about 15 per cent. of our people could be rationed.

All food going into the United Kingdom goes through a few ports or doorways, and can be checked all the way down. In Canada the food is spread out in little lots and would want a host of policemen to trace to the tables. "The game would not be worth the candle."

If Canadians choose they can save food and so attain all that a rationing would, without its huge expense."

The Patriotic Parade, on July 6, will meet at Knox church corner, at 2 p.m., to start promptly at 2.15. Let there be no stragglers.

Four British destroyers engaged eleven German destroyers off the Belgian coast in a long range battle Thursday, the admiralty announced. Neither force suffered damage. The destroyer action had lasted 15 minutes when three additional enemy destroyers joined the fight. "We fell back to our supporting forces. The enemy did not follow, and the action ended. Our ships were undamaged," says the official report.

At the Baptist convention, held in North Vancouver, Mr. Daniels, missionary evangelist in his address which dealt with the question of home missions, said there were 5000 Baptists in the province, 138,000 in Canada and between seven and eight millions in forty-five countries of the world, making it one of the largest Protestant denominations in the world.

Notes from the Prairie Fruit Markets Bulletin

By Commissioner J. A. Grant, Calgary.

Preparation for the big fair is well under way. It opens on Tuesday next. The entries are reported to be greatly in excess of last year. Calgary's Annual Fair is reputed to be the best in the Candian Northwest. The town is rapidly filling with visitors. Welcome showers are reported from many points in Alberta. Calgary district could do with a lot more. Crop prospects are good and the people are optimistic. There is an increasing number of B. C. fruits daily arriving from B C. Cherries and strawberries are the principal leaders, with strawberries shortening up.

A very good package for gooseberries has been adopted by the B. C. Growers, Kelowna, B. C. It is the Ontario grape basket containing 10 lbs. gross. Some have appeared in two wholesale houses. One sold at $1.10 and the other sold for $1.40 per basket. This is the best container for gooseberries so far seen as they look splendid through the gauge cloth.

Mr. Turnbull, representing the purchasing department of the United Grain Growers of the prairies, will visit B. C. this week and will canvass the buying situation thoroughly before returning. He will first visit the Okanagan Valley. As Mr. Turnbull represents the great co-operative movement amongst prairie farmers, this seems a good opportunity for our B. C. farmers and fruit growers to glean information on the power and progress of organization. Besides they might be able to combine business with pleasure in the interview.

Mr. W E. Scott, the D puty Minister of Agriculture, who has been in a very serious condition, and whose life was almost despaired of for a time, is now recovering.

What is said to be the most valuable tree from a productive standpoint is a Gantor avocado, or aligator pear, near Whittier. Its average revenue to its owner is $3,000 a year. At one time it was insured in Lloyd's for $30,000, but the company insisted that a high lattice fence be built about it to avert damage from wind or carelessness, and it was feared that this might interfere with the health of the valuable producer and two years ago the lattice work was removed, causing a cancellation of the insurance policy.

Orders for Local Scouts

Kelowna Troop
Troop First; Self Last

Edited by Pioneer. July 2, 1918

Since the last column was written the sad news has come over the wires that Dr. Keller has succumbed to his illness in the hospital at Toronto, and through this column we wish to express our very deep sympathy to our former troop leader Rodney Keller and to his mother. Their loss is ours as well, for the doctor was one of the original backers of the scouts in Kelowna and was for a long time one of the vice-presidents of the local Association. The King's Colour which we carry was a gift of his to the troop and we shall continue to value it very highly indeed, now in memory of a valued friend.

• • •

We go to camp this morning, and while we have had several disappointments, still we shall leave the readers of this column to judge for themselves whether it has been worth the candle or uot, because they will later have the opportunity of reading the First Prize Camp Diary to be written by one of the scouts attending. Mr. Lloyd-Jones has come along as usual with his good turn to the troop and has made it possible for three of our scouts to attend who are in his employ, and is also lending his scow to Mr. Hayman, so we shall be able to go down by his ferry.

Mrs. DuMoulin has come to the rescue in our quandary over a cook and is permitting her cook Fong, to attend, and if for nothing more than to find out we have such friends, it seems worth while to have a camp. Captain Barlee, of the B.C. Horse Regiment, Vernon, has also been good enough to loan us four bell tents, so three of our worries hvve been very happily ended—a way to get there, a dwelling place to live in when we get there, and something to eat there. Mr. Cunningham - also, is again practically equipping us with stove and cooking utensils. Mr. Groves is lending us a big canvas fly ,for our kitchen, and Messrs. Sutherand and Poole are giving us all the bread we shall require. To these our friends we certainly express our very deep sense of gratitude.

• • •

Remember the two visitors' days are the afternoons of Sunday, the 8th, and Thursday, the 11th of July. On the former day there will be a camp service at 3 o'clock and a "Trooping of the Colour." We also hope to have the whole of the Summerland Troop as our guests on Sunday, and we only wish we might have the whole of our troop there to welcome them. We trust that as many of our scouts as possible who are on S.O.S. work will endeavor to be present in uniform on that day.

• • •

Anyone wishing to send mail or parcels to camp should leave the same at either the offices of Mantle & Wilson or Burne & Weddell before noon if possible. Mr. Mantle has kindly consented to take charge of our lines of communication.

The Wolf Cub Pack will meet at the cub room on Wednesday, July 10th, at 7.15, to make final arrangements for camp. It is very important that all who wish to attend camp should be present at this meeting.

And now a word about the tests. There has been a little confusion in dates, and some of the Cubs are thinking they have been overlooked. However, this is not the case, and every boy who is prepared to pass a test will be given opportunity whilst at camp. This extra time should enable all who were backward with the left hand throwing to get in lots of practice.

Okanagan Ambulance League

During the month of June the following articles valued at $584, were forwarded to Headquarters by the local Red Cross organization: 48 shirts, 3 ties, 54, suits of pyjamas, 270 pairs socks, 48 stretcher caps, 16 personal property bags, 28 trench candles.

The following articles were received from Okanagan Mission; 9 suits pyjamas, 1 pair socks; Benvoulin: 36 stretcher caps, 28 trench candles, 14 pairs socks.

The following contributions are gratefully acknowledged: Mrs. Grote Stirling 1 pair socks, Mrs. Jones 1 pair socks.

Cash contributions are as follows: J. Ball $1, Mrs. Bagley $1, Miss Whale 25c, Mrs. McGregor $5, Archdeacon Greene $2, L. O. Brown $1, Sale of rags (Mrs. Cameron) $5.20, Mrs. J. J. Campbell $1, Mrs. Allan Wilson $2.50, Mrs. Boyce $2.80, K. L. O. Benches Garden Party $200, Prisoners of War Fund $45.60, with a balance from May of $528.07 which makes a total of $795.42. Expenses for June were $228.31 leaving a balance on hand of $567.11.

"Sock Day" was a great success. No less than 150 pairs of the much needed soldiers' footwear were received. This is a record "Sock Day" for Kelowna The League takes this opportunity of thanking the many who helped to make this possible.

Gramaphone Records For the Soldiers

"If the people could really know how much genuine satisfaction sick soldiers actually receive from phonograph records, I am sure that every citizen who owns a machine would willingly go through his cabinet to-night and choose a selection of records to help bring gladness and cheer to the hearts of the stricken men who have so willingly done their bit," said Mr. Fred A. Mulholland, Hon. Assistant Secretary of the Toronto branch of the Red Cross.

"We will also accept old phonographs, gramophones or graphonolas," he said. "While we need all the records we can get, we can put any number of second-hand machines to excellent use. I wish the people could see the wan, furrowed faces brighten out into smiles as some old-time melody reaches the ears of those who have been long, weary weeks suffering from wounds they cheerfully received for the sake of duty."

Doctors and nurses in military hospitals agree that nothing can equal the sweet strains of music for soothing the nerves of wounded and broken men during their convalescence.

This fact being established, the officials of the Red Cross Society are making a request to the people to send all the phonograph records they can possibly spare to the Red Cross.

From among those received a number of sets will be made up into packages. One set will be sent to each local military hospital and convalescent home. After they have been provided for, the balance will be distributed to various hospitals overseas for the use of wounded soldiers in England and France.

The whole scheme is the outgrowth of many expressions from returned men and those in touch with returned men "that nothing can beat 'canned' music for driving away dull gloom from sick bedsides."

Any Kelowna people having records to spare might leave them with the local Red Cross or at the store of Mr. Crawford.

Hurry up and enter your baby for the Patriotic Baby Show July 6 —Saturday next.

When peeling onions begin at the root and peel upwards. The onion will then scarcely affect the eves at all.

CREAM PRICES
from May 1st, 1918
Kelowna prices: No. 1 - 48c per lb. butter fat
No. 2 - 46c " "
KELOWNA CREAMERY, LTD.

Printed Butter Wrappers

According to the new Dominion Government regulations all farmers who sell butter either to the stores or privately, are required to have it properly covered in a wrapper on which MUST appear in prominent letters the words "DAIRY BUTTER." The fact is also emphasized that all butter in such packages must be of the full net weight of sixteen ounces, and in default of same a fine of from $10 to $30 for each offence is imposed. Whey butter must be so labelled even when mixed with dairy butter and dairy butter retains its label though it be mixed with the creamery product.

You can be supplied with neatly - printed wrappers for your butter at the Kelowna Record Office, for the following prices:

100	PAPER & PRINTING INCLUDED	$1.50
200	" "	2.00
500	" "	3.15
1000	" "	4.50

These prices include Both the Paper, which is the best obtainable for the purpose, and the Printing of same. Please note this.

Owing to the extraordinary rise in the price of butter parchment (which has gone up over 100 per cent) we have been reluctantly obliged to raise our prices slightly. Nearly all this paper was previously manufactured in Belgium, and needless to say this supply has been entirely cut off. Unfortunately there is no guarantee against further increases, indeed, they are more than likely.

Kelowna Record

TOWN AND COUNTRY NOTES

Mr. R. F. Morrison was a visitor to Vancouver Friday.

Mrs. Ludlow and child left Friday last on a visit to the coast.

Miss Bateman, who has been staying with Mrs. Barrat returned to Vancouver Tuesday.

Mr. and Mrs. W. F. Muirhead and daughter motored over from Kamloops during the weekend on a visit to friends, staying over for the Sunday School picnic on Monday.

Jack Batt was in town for a few days last week on leave.

All those who are donating milk or cream for Saturday's carnival are requested to please leave same at the creamery on Friday.

Mrs. Moe and child, who have been staying for some time with Mrs. Simpson, left last Friday for Vancouver.

The sports for boys from 6 to 12 years will start at 4 o'clock on Saturday on the carnival grounds. First prizes 25c, second prizes 15c.

Mr. and Mrs. J. H. Trenwith and Mr. and Mrs. P. Harding went to Kamloops Sunday by car, returning Tuesday via Keremeos and Penticton.

The Glenmore annual school meeting will this year be held in the school house at 7 o'clock in the evening, on Saturday, the 13th inst. Taxpayers will please note the alteration in the time and will recall that these meetings were formerly held in the morning. The alteration has been made by the Education Department.

A most successful garden party was held at the home of Mrs. Crawford on Saturday last by the Women's Auxiliary of St. Michael's church, realizing $100 for parochial funds. A feature of the entertainment was a delightful concert got up by Mrs. Grote Stirling at which Mr. and Mrs. Soames, Mr. Drury Pryce, Mr. Boyd, Mrs. Barneby, Mrs. Ballard, Mrs. Dunn, Mrs. Temple, Mrs. Carruthers and Miss Amy Burne kindly assisted.

The complete returns of the registration for the district from Okanagan Centre to the Mission gives a population over 16 of 2850, 1590 males and 1260 females.

The proceeds of the Patriotic Carnival are to be given to the Canadian Patriotic Fund. Come and help the soldiers' wives and mothers.

Mr. W. B. Pearson, who has been freight agent at Kelowna for the past three or four years has received notice this week of his transfer to Vernon. He is to take up his new position in the course of a few days.

At the invitation of Mr. and Mrs. J. Reekie, the united clubs of young people from the Baptist church spent a most enjoyable evening last Thursday at their home on the second bench. A very drastic change was made this time in the means of transportation whereby the time-honored heavy wagon and team gave place to the limousine! The cherry trees were subject to very effectual raids, after which the party paid a visit to the canyon, which always proves an irresistible attraction, especially at this time of year. After light refreshments had been served the trip was made back to town by moonlight.

Miss Hazel Williams left for Vancouver Friday.

Master Billy Knowles left on Friday to spend his holidays with relatives at Vancouver.

Mrs. Gordon Scott was a visitor to Summerland Friday.

Miss Jardine, of the Okanagan Mission School is spending her vacation at the coast.

Mrs. G. Brown returned from the coast yesterday.

Miss Dorothy Evans came in this morning from Osoyoos to spend the summer vacation.

Mrs. Henry Burtch who has been visiting her sister at Peachland, returned home last Thursday.

Armstrong business men have signed up for a three-day Chautauqua during the winter.

News has been received that R. Whillis, formerly with the Royal Bank and later with Gaddes-McTavish, Ltd., has been wounded by shrapnel in the leg, arm and shoulder.

Entries for the Patriotic Baby Show must be made before 3 p.m. at the aquatic building on July 6th, or before Friday evening at J. B. Knowles.

The committee in charge of the arrangements for the picnic of the United Sunday-schools held on Dominion Day, desire to express their thanks to Mr. Clarence Burtch and Mr. Leslie Dilworth for the use of the grove, and those gentlemen who kindly lent their cars for transportation, and to all others who helped to make the affair a success.

The provincial government has instructed its engineers to go ahead with the project of providing the Grand Forks valley with an adequate irrigation system. The ranchers of the valley have suffered much lately from lack of water.

Prizes will be awarded in the Patriotic Parade for the following: Best decorated car; best float; best boy's comic get-up; best girl's costume; best impersonated character. Which of these will you try for?

An alarm of fire was turned in from the sawmill Saturday morning last, but fortunately outbreak was not very serious. It appears that a back draft up the feed pipe which carries the sawdust to the boiler fire box started a fire in the bin above. Had the trouble not been noticed, more damage might have been done, but as it was the staff at the mill were able to extinguish the blaze even before the brigade arrived.

Mr. J. Dayton Williams has every reason to congratulate himself on his escape without a scratch from what looked like a bad automobile smash. He was making the journey Friday last to Salmon Arm when his car skidded in the loose gravel of the road a short distance this side of Oyama. The road at this point runs along the shore of Wood's Lake, with a drop of several feet to the water. Before he could regain control of his car, it had overshot the bank and turning over rolled down into the water. Beyond a wetting Mr. Williams was entirely unhurt, and the only damage to the car beyond the wetting due to its submersion was a broken windshield. The car was hauled out and after a day spent in cleaning up and drying out Mr. Williams was able to drive it down to Kelowna Sunday.

The Drive Has Started

And Sure Enough I'm Selling Boots

Saturday saw the start, and it looks like keeping up. The large shipment from the east has arrived and contains a lot of stuff people have been inquiring for. Come in again. **There will be some values shown in my window that will make you stop and say "How DOES he do it?"**

Boots at a Sensible Price

I am doing an increasing business because my prices do not have to cover big overhead expenses. If you want to pay for a big store and fine fixtures no not come to me. But if you want good value at a reasonable price I can give it to you.

Rome cables declare that the Italian supreme command estimates the Austrian losses in the Piave drive at 270,000.

Unveiling at Ellison

Following the example of other churches, Whelan church, Ellison, unveiled its honour roll on Sunday. That this district has done a full share towards swelling the ranks of the fighters overseas is evidenced by the fact that no fewer than fifteen names appeared on the roll when the unveiling took place. Mr. Thos. Bulman presided being supported by the Rev. T. Griffiths, of Rutland.

Pte. George White, a returned soldier, was the first speaker, giving some of his experiences whilst engaged on front line defence. He said how impossible it was to attempt a description of the modern battlefield, and was glad that Canada had done her share in the fighting for had the Germans got the upper hand it would have meant fighting in Canada itself sooner or later.

Mr. J. W. Jones, M.L.A., was the next speaker, dwelling on Patriotism. There were days in peoples' lives, he said, as there were in the histories of nations, which meant much to them. He sketched the history of Confederation and showed that Canada of to-day was fulfilling the hopes of those who were its founders. It was his hope that in the future some memorial would be erected to the memory of those in Kelowna and district who had paid the great sacrifice on Europe's battlefields.

Mr. Iwashita was then called upon for an address on mission work in Japan in which he briefly outlined the work of the Christian missions of the past fifty years. Japan was rapidly coming to the fore in the commercial world and it owed much of its impetus to the training and influence of Christian men who whilst endeavoring to influence the people had the good sense not to meddle with the affairs of a nation to whom they were strangers.

The addresses were interspersed with two well-rendered solos by Miss Tully—"Sacrifice" and "Ninety and Nine." Following are the names as they appear on the roll, the first four having given their lives for the Cause: James Eastwood, Sydney Baron, Clarence Whittaker, Harry Clower, Leonard Seeman, Harry Schwab, Russell J. Bowes, Malcolm Boyd, Stanley F. Branton, G. Forbes Adams, Robert D. Booth, A. Ernest Teather, Amos Clower, Alex. McInnes, sr., George P. Silk.

Look to the Great North-West

All hopes centre on the 1918 crop of North America. Of all crops the wheat crop is the most vital. The Canadian wheat crop estimates for 1918, issued by the Census and Statistical Branch, put the increased wheat area at 1,324,950 acres and 425,600 acres increase in oats. Unofficial estimatates from those in close touch with conditions in the west place the increased wheat acreage at over 2,000,000 acres in the Prairie Provinces alone. Given rain there will be an immense grain crop in the west, in fact increased grain crops throughout the Dominion. The only anxiety then will be as to the harvest. Where are the men to come from? Some will come from the United States, no doubt, because their harvest operations are over earlier than ours, but it is said that 50,000 men will be needed in the west alone. People of towns will have to organize their affairs so as to get out on the farms when the time comes. Otherwise the harvest will be only partially saved and every grain of foodstuffs will be wanted. The acreage in Canada is the highest ever recorded.

Hurry up and enter your baby for the Patriotic Baby Show July 6—Saturday next.

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining rights of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the Northwest Territories, and a portion of the Province of British Columbia may be leased for a term of twenty-one years at an annual rental of $1 an acre. Not more than 2,500 acres will be leased to one applicant.

Application for the lease must be made by the applicant in person to the Agent or Sub-agent of the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections or legal subdivisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5 which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns shall be furnished at least once a year.

The lease will include the coal mining rights only, but the lease may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to the Agent or Sub-Agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior.

(N. B.—Unauthorized publication of this advertisement will not be paid for)

Dated this 24th day of June, 1918.

BURNE & WEDDELL,
32-6 Solicitors for the Executor.

It has been estimated up to a recent period that 4,790,000 people in Europe have been starved to death since the beginning of the war. Unless the 1918 harvest is saved starvation will become general throughout Europe and the suffering among the civilian populations of our Allies unprecedented in the history of the world.
