"Sleeping Beauty" Was Successful Affair

Crowded Theatre Delighted with Clever Children's Production

One of the most pleasing and successful children's entertainments which has ever taken place in Kelowna was carried out Tuesday evening in the Empress Theatre, when Mrs. P. C. A. Anderson and Mrs. Herga Ambler with their respective pupils presented a pantomime based upon the fairy story of "The Sleeping Beauty." The theatre was filled to capacity but in spite of the ordeal it must have been to such young children to face so large an audience, the whole affair went off almost without a hitch, an eloquent testimony to the skilful training through which they had been put.

The plot or story of the play was of minor importance, but it served as a vehicle for the display of an abundance of talent which gives great promise for the future of these youthful artists.

There was a King of Kelowna (Frank Fumerton) with a Queen (Maud Kincaid), resplendent in royal robes. Their daughter, Princess Cherry Blossom, about whom was all the fuss, was well played by Bessie Hawes, while Muriel Dillon appeared as Prince Charming. Patsy Anderson, whose dancing and versatile acting was the chief attraction, made an excellent Puck, King's Messenger and head of the gnomes. Biddy, the washerwoman, and Mayor Butterbun (Harold Brown and Hugh McKenzie) supplied the comedy. Donald Poole was the Royal Nurse, Hazel Purvis the Fairy Godmother, Margaret Fumerton, the Wicked Fairy, Jack Barrett, her cat and Dorothy Armstrong, her lady help. Other characters appearing in the various dances were Dick and Jack Benmore, Florence Barrett, Mary and Alan Poole, Ada and Madeline Poole, Gwelda Symonds, Winnie Roberts, Francis Treadgold, Annie Allan, Clara Roberts, Evelyn and Gertrude McDonald, Grace McCarthy, Thelma Dillon, Miriam Small, Dilly Neish, Margaret Sutherland, Ola Anderson and Jean Rowcliffe.

Preceding the pantomime was a musical recital by the pupils of Mrs. Ambler which furnished no small part of the evening's attraction. Mrs. J. Trenwith led with a finely-rendered solo, Miss Amy Fleming, Miss Hazel Ritchie and Mr. Bamling also contributing vocal numbers. Piano solos were given by Frances Treadgold, Jean Morrison, Margaret Fumerton and Miss V. Tutt, while Mrs. DeMara gave a clever monologue.

It was evident at the close of the evening that the audience were fully appreciative of the efforts of those who had worked so untiringly and skilfully to produce so enjoyable an affair. As a result of the entertainment the hospital will benefit to the extent of about $100.

Four Italian laborers were killed and one fatally injured Friday evening by a dynamite explosion at Padgett's camp near Salmon river, about 25 miles from Vernon. The men were working at a rock cut on the construction of the Kamloops-Kelowna branch of the C.N.R.

Mr. R. Whillis made a somewhat belated return from overseas service last Monday, after an absence of five and a half years. He saw a good deal of the fighting, and was severely wounded several times. While away he has taken to himself a wife and Mrs. Whillis accompanies him on his return to Kelowna.

Local Firm Wins Case in Court of Appeal

Upholds Contract for Sale of Fruit from Vernon Orchard

A judgment was recently handed down in the Court of Appeal of considerable interest to Okanagan fruit shippers and growers, dealing with a contract for the sale of the fruit crop of the Kidston ranch at Vernon to Messrs. Stirling and Pitcairn, Ltd., has now decided this long-standing dispute definitely in favor of the local shipping firm. The case was occasioned by the plaintiff Kidston breaking his contract to sell fruit to Messrs. Stirling & Pitcairn, and in July of last year the latter applied for and obtained an injunction restraining Mr. Kidston from selling his fruit away until the matter could be tried before the Supreme Court. At the trial in September the Court dissolved the injunction on the technical grounds that no contract existed. Messrs. Stirling & Pitcairn appealed and the injunction was continued until the trial of this present month when the Court of Appeal unanimously allowed the appeal of Messrs. Stirling & Pitcairn with costs on the ground that a contract mutually carried out for five years must exist, and also that the document as to terms, &c., was quite consistent and legal.

The marriage took place last Monday at the Catholic church of Mr. Duncan Tutt and Miss Nellie Hereron, eldest daughter of Mr. Michael Hereron. The bridesmaid was Miss Helen Brunette while Willie Hereron supported the groom. Mr. and Mrs. Tutt are to reside in the Ellison district.

Col. Edgett Gives Interesting Report of Montreal Meeting

On Monday last Col. Edgett, who represented the Okanagan and Similkameen at the Dominion Convention, addressed a large and enthusiastic meeting at the club. He first of all congratulated the members on the splendid quarters they have and the way they were furnished. The first thing that impressed him at Montreal was the earnest spirit in which the delegates got down to work. The work was a great physical strain, so much so that several delegates had to go to hospital. In meeting representatives from all over Canada one's vision was broadened and there was an evident desire on the part of everyone to see the other fellow's view-point.

The first resolution brought up dealt with pensions. The principal changes recommended were $1 for every one per cent. of disability thus giving a totally disabled man a pension of $100 per month, and a pension to a widow or dependent mother without children of $75 per month. The Government was also requested to pension the dependents of men who may die within the next ten years. It is justly claimed that there are many men who, while not pensioners, have returned with much lower vitality, and distress is already occurring amongst those who have lost their husbands since their discharge from the army.

The next subject was Re-establishment. The Convention was very united on the best means to accomplish this, viz., by a cash bonus based on an additional $1 per day for every man who saw service on a belligerent front, and a proportionate bonus to those who saw service in Canada or England. The committee appointed to interview the Government pointed out that only a small per centage had been able to avail themselves of existing re-establishment measures. It was pointed out that the ex-soldier could more effectually re-establish himself by this means and that it would be more economical than setting up government machinery to enquire into the need of individual cases. The committee pointed out that the money could be obtained by taxing war profits, and that in 1917 Sir Robert Borden had promised to conscript wealth as well as men. Sir Geo. Foster admitted that large fortunes had been made during the war, but the difficulty was to get at them. He stated that the matter would be finally dealt with before the house prorogued.

At the convention man after man stated the difficulties facing their re-establishment. Debts and taxes had accumulated, business rivals had taken their clients, farms had run down, the wage earner found his family on his return often heavily in debt and it would take a long time for the average man who went overseas to reach the position of those who stayed at home. It was further pointed out that while nearly everyone in Canada received increased wages the soldier's remained at $1.10 per day. It is estimated that it will cost two hundred and thirty millions to meet this request of $1 per day extra, and that while individuals who made money out of the soldier's sacrifice will be hit, yet that on the whole the country will benefit.

G.W.V.A. Notes

We have to thank the local Red Cross Society through Mrs J. W. Jones for the gift of a refrigerator, which is much appreciated.

A whist and cribbage match with the Sons of England will take place next Saturday at the club.

The Dominion Convention adopted our resolution re the leasing or ownership of lands by orientals. Copies of the resolutions adopted at Montreal will be sent to all members in good standing. The provincial convention at Fernie has been postponed to June 5th and 6th.

Rutland News

(From our own correspondent).

Clarence Duncan returned Monday from the prairie and expects to remain here for some time.

The Rev. E. D. Braden delivered a very interesting lantern lecture in the school last Friday on Mission Work.

What is the matter with the Young People's Society these days? Perhaps the officers are not aware that the "flu" ban has been lifted yet!

Jas. McIvor returned Monday from his native land of Ireland. During his absence he has spent much time in Belfast and has formed the opinion that Ireland is a good place to stay away from just now.

The football game scheduled to take place Saturday between Ellison and Rutland, had to be abandoned, the Ellison boys not being able to place a team in the field. A match with Kelowna is taking place to-day in the school grounds.

Some mean thing was asking during the week if the Rutland Rustlers have ceased from rustling and the weary (tongues) are at last at rest. Surely, he said, this organization had not giggled themselves out of existence entirely. Of course we treat such remarks with the contempt they deserve.

Friends of Wilfred B Davenport a former Rutland young man, will regret to hear of his death last Wednesday at the Tranquille Sanatorium. He came out from Southport, England, about eight years ago and spent most of his time at Rutland, being employed as water bailiff and also at the store. About two years ago it was deemed advisable for him to enter the sanatorium at Kamloops in the hope of overcoming the tubercular disease which threatened him. He gradually grew worse, however, and for some time no hope had been entertained of his recovery. He had no relatives in this country. The funeral took place at Kamloops, Mr. S. Wade who had been an intimate friend of the deceased, attending. All inquiries regarding the affairs of the deceased should be made to Mr. Wade.

The people of East Kelowna are now moving with the idea of forming a water municipality to take control of their irrigation water supply.

Board of Trade Monthly Meeting

Small Prospect of New Post Office Yet, writes Senator Bostock

The Board of Trade meeting on Tuesday evening was an unusually brief affair, there being apparently rather a scarcity of matter just at present for discussion.

Mr. L. V. Rogers presided dealing first with the report of the executive council which had held a meeting during the month and dealt with various matters which had arisen since the last meeting. A suggestion had been received from Mr. Denison that a rule be adopted fixing the time allowed for the discussion of any subject. This was left with the chairman to deal with according to the spirit of the suggestion.

It was also suggested that all resolutions intended for the government be also sent to the local Liberal Association and to the defeated Liberal candidate as well as the local member. It was agreed that this be done.

Further effort was being made to secure a correspondent for the Vancouver Province.

A letter from Senator Bostock expressed the view that he did not see the least chance of the government at present undertaking the building of a new post office in Kelowna as the need of financial retrenchment was so urgent. It was decided, however, not to drop the matter as it was understood that several other cities were having buildings erected. It was arranged io send photographs of the present building to Ottawa.

The matter of the much desired tourist hotel came up, Mr. Ballard reporting that he had received a letter from Mr. J. Crehan stating that after consulting with financial houses in Vancouver he could state that if support for the hotel project to the extent of $50,000 could be obtained in Kelowna, it would be quite feasible to raise an additional $150,000. A rough estimate had been made that a 60 room modern hotel would cost about $135,000.

In discussing the prospects of the C.N.R. operating their Kelowna branch this year, Mr. Pitcairn mentioned that the government railway had sixty or seventy miles completed with steel laid near Sooke on the Island, and that for over a year no train had run there. We had been repeatedly told here that construction was held up for lack of steel, and yet there was a large mileage lying idle.

Mr. W. Price mentioned that at a recent meeting of the farmers of Wood's Lake, a desire had been expressed to be linked up directly by telephone with Kelowna. The impression had seemed to prevail that Kelowna had rather neglected the people of that district. At present they were joined up with Vernon and had to pay long distance to speuk to Ellison, Rutland and Kelowna, where most of their business was done.

It was decided to arrange for a committee to interview the telephone officials on the matter.

The dumping of cans and rubbish along the road sides was again complained of and it was arranged to notify the provincial police of certain recent cases.

"Street Called Straight"

Unable to accept her fiance's offer and unwilling to marry him under such great obligations to a former suitor, Olivia finds herself facing a desperate alternative. From this point the story sweeps on to a remarkable ending in which a surprising and highly dramatic solution to the problem is presented. "The Street Called Straight" appeared originally in the Cosmopolitan Magazine, in which it was followed eagerly by almost a million readers. So great was its popularity, that it was later published in book form by Grossett and Dunlap, attaining a circulation of over one million copies.

This great story picturized by Samuel Goldwin and Rex Beach may be seen at the Empress on Friday and Saturday, April 23rd and 24th.

Items from Westbank

At the meeting of the Westbank Irrigation Co. held this week, the directors appointed Mr. Hannam as Water Bailiff for the coming season.

Mr. Gore made his first shipment of pie plant this week, which seems rather early considering the cold spring which seems to be keeping things backward.

There is a move in the water question, a committee having been formed to put the matter in shape as soon as possible. It looks as if Westbank was going to have a water municipality at last.

The Boys and Girls Club is now in full swing again with ten competing members and two honorary members. They have chosen S.C. White Leghons this year and Mr. Hicks of Langford Station is supplying the eggs. Miss Muriel McIntosh is president and Miss M. D. Hannam, secretary.

Mr. D. Gellatly, sr., expects to start on his new wharf this week or early next, and he states that he is going to lay down a double track for a car-slip at the same time. He has had a new Cletrac this week, believed to be the first in the district.

Major Smith and Mr. Hubbard, officials of the Okanagan Telephone Co., spent Friday night last at Westbank interviewing the residents as to having telephone communication established here. Mr. Hubbard gave a lengthy speech on the benefits to be derived by having the phone in your own home. Major Smith corroborating, then went on to state his own mission, which it appears is to sell stock in the Okanagan Telephone Co., the Company wishing to extend its operations and would like patrons to take up shares. After some discussion on the subject of the phone, about twenty residents agreed to have the phone put in, which is certainly a move in the right direction for Westbank, as it has been off the map long enough.

From north, south, east and west they came, i cars, wagons, buggies, etc., to the great masquerade ball held in the B.C. Packing House, over a hundred of them in fancy and comic costumes. It was a very pretty sight to see, whilst the music was supplied by the Summerland orchestra. Mrs. Fetherstonhaugh won the first prize for the ladies' costume and Mr. Read of Summerland took first for gentlemen, being dressed as a Spanish bull fighter, Harry Brown of Westbank being the next as an old Irish gentleman. Mrs. J. Nicholls as Knight Commander of the Bath was a close second. Messrs. Thacker and Gore were the judges. The ladies who provided refreshments and the untiring efforts of Mr. Jones, H. Alpin Moffat and George Brown made a very pleasant and long evening.

Local Boy Scouts

Edited by Pioneer. April 20th.

ORDERS by command for week ending April 29th, 1920.

DUTIES: Orderly patrol for the week, Beavers, and also for the week following; next for duty, the Wolves.

NOTICE: Friday, the 23rd inst. is St. George's Day and St. George is our Patron Saint. All scouts will renew their promise on this day.

PARADES: The combined troop will parade at the club room on Friday the 23rd and Tuesday the 27th inst. at 7.15 p.m. and the bugle band will parade at the fire hall on Thursday the 29th inst. at 7.15 p.m. for practice. An extra practice for the parallel bar squad will be held, of which notice will be given.

We are very fortunate in securing the services for the parallel bar squad of Lieut. Andrews, who saw considerable service overseas, latterly with the 27th City of Winnipeg Batt., C.E.F. He is kindly giving all the time we need to train this squad and so they should provide a most acceptable item for the concert, particularly as the last time we gave an exhibition of parallel bar work was in 1916. Mr. Thomson and Miss Winnie Jones have commenced the rehearsals for the songs and that ensures the success of that part of the programme. Mrs. Calder is also again kindly taking the rehearsals for the play, and the bugle band is still in the capable hands of Mr. Fred Gore.

• • •

The local association met on Thursday evening last and two important appointments were made to the cubs and scouts respectively. As previously reported Mr. Bartholomew, who has been acting as cubmaster since Mr. Gordon's resignation, has had to resign, although his services may be available again in the fall of the year, so we are very glad that we have been able to enlist in his place Lieut. Wedge, late of the R.A.F., who also saw considerable service overseas. He was appointed acting cubmaster by the local association and we wish him and the pack the best of luck. It was also decided that Mr. Bartholomew should be awarded a Thanks Badge in appreciation of his services, and which we might add he well deserves.

Then for the troop came well-earned promotions to two of our remaining three "old originals" of 1912 in the persons of T.L. Richard Parkinson and P.L. Leonard Du-Moulin, both of whom were appointed acting assistant scoutmasters. Under the rules of our organization all warrant officers must act under their appointments for three months before having them confirmed. These additional officers should assist the working of the troop very much and if we can now have the energetic support of every leader, second and scout in the troop, great progress should be in store for us.

These promotions left vacancies in the troop and so at the Court of Honour on Saturday last honourable and lengthy service in the troop was again recognized in the appointment of the other "old original" of 1912, P.L. John Groves, to the position of Troop Leader, which office he will hold together with that of Patrol Leader of the Wolves. Seconds Ball, Butler, Hunter and Small were promoted to be Patrol Leaders of the Otters, Owls, Beavers and Cougars respectively, and Scouts Clarence, Latta, H. Mantle and Neish were promoted to be seconds of the Otters, Beavers, Wolves and Eagles respectively.

Recruit D. Balsillie passed his tenderfoot tests on Friday the 17th inst. and was posted to the Owl Patrol, and P.L. Carl McKenzie and Scout J. Aitken being out of town, were given leave of absence. This leaves four of our six patrols under their full strength of seven and we have therefore now room for seven recruits. It is not likely that after the first of next month we shall take on any more recruits until after camp, so if there are any local boys who would like to join the troop their applications should be made immediately.

• • •

The purchase of Cedar Creek camp site is going ahead and we are now going to enlist the services of a surveyor to find out the acreage our promised money will buy. The more money we have the better site we can have so if there are any more of our friends who would like to do a big good turn to the growing boyhood of Kelowna for all time, and at the same time secure a beautiful camp site for themselves during their life time, now is the moment. They should get in touch with any of the scout officers or either Mr. Mantle or Mr. Rowcliffe of the special committee who have the matter in hand.

Mr. J. W. Jones, M.P.P. for the district, returned yesterday after a long and busy session of the legislature at Victoria.

The quarterly communion service will be observed at the United Church on Sunday morning next. A number of new member will be received at this service.

An amendment to the Weekly Half-holiday Act eliminates the King's Birthday from the list of public holidays. Power is also given to prosecute a merchant who does not give the half-holiday as required by law.

ANNOUNCEMENTS

The Young Girls' Club of the United Sunday-school are holding a tea on Saturday in the Wesley Hall to provide funds for the extension of the rooms of the Sunday school.

An exhibition of historical pictures is to be held under the auspices of the Jack McMillan chapter I.O.D.E., in the Wesley Hall on May 1st, 4th, 5th and 6th. The exhibition will be opened on Saturday the 1st, at 3 p.m. by Mrs. J. W. Jones and tea will be served. An admission of 10c for the exhibition will be charged.

High School Notes

The programme for sports on May 24th is now determined on. It includes a dash, a mile relay race and some jumping for the boys; also an egg and spoon race and some other running for the girls. This means practice.

The High School Literary Society will meet next Saturday evening, April 24th, at 7.30 sharp. A varied programme will be rendered, and refreshments served.

The pupils were delighted last week by the reappearance of our esteemed inspector, Mr. DeLong.

Miss Gertrude Perry left last weekend for a trip to England.

R. Haldane left Monday for Vancouver.

Mr. Bert Fenton, of Penticton, was a visitor in town Wednesday taking a look over the place. He had a lot of pleasant things to say about Kelowna and its immediate future.

The fire brigade were called out soon after midnight Tuesday to a fire at the brick yard. Mr. E. Hill happened to be returning home late in that direction and noticed the fire, which had apparently started around the sand dryer. He turned in the alarm and then went to work with a hose pipe, and succeeded in keeping the fire back from the boiler and engine room, until the brigade arrived to extinguish it. Very little damage was done, and this was repaired the following day. The brigade had a strenuous time with the truck, which got mired in a slough, and put in some hard work to get it out again.

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining rights of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the Northwest Territories, and in portion of the Province of British Columbia may be leased for a term of twenty-one years at an annual rental of $1 an acre. Not more than 2,500 acres will be leased to one applicant.

Applications for the lease must be made by the applicant in person to the Agent or Sub-agent of the district in which the rights applied for are situated.

Each application must be accompanied by a fee of $5, which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

In surveyed territories the land must be described by sections or legal subdivisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

The person operating the mine shall furnish the agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns shall be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to the Agent or sub-Agent of Dominion Lands.

W. W. CORY.

(N.B.— Unauthorized publication of this advertisement will not be paid for).

Notice is hereby given that the

Dominion Canners B.C.,

LIMITED

are open to receive tenders for the

Hauling and Disposing of Refuse

from their two plants during the coming season. Said tenders must be in before Friday, the 30th April.
