Provincial Elections Fixed for Sept. 14

The dates of the forthcoming provincial elections have now been definitely fixed. Nominations will take place on August 3rd, and the election will be held on September 14th. The unusual length of time between nomination and election days is to allow for the taking of the votes of the soldiers on active service.

Referendum votes will also be taken on the questions of Woman Suffrage and Prohibition. The period for voting on these two questions will, in the case of the soldiers, be extended to the end of December.

Rutland News

(From our own Correspondent.)

Mr. W. H. Fleming returned last week from his visit to the prairies.

* * * *

Mr. Everett Fleming came back Tuesday from his school at Coalmont, for the summer holidays.

* * * *

Private George Longstaffe returned Monday to Vernon after a few days leave. Mrs. Longstaffe accompanied him, they having rented a home there for the present.

The regular monthly meeting of the Women's Institute will be held next Thursday evening at 7.30, on the lawn at the home of Mrs. W. Gay. Labor-saving Sunday dinners, summer drinks and cool desserts will be demonstrated by Mrs. Mugford and other members of the Institute.

* * * *

Last Thursday afternoon and evening a strawberry and ice cream social was held in the Presbyterian church grounds. There was a good crowd out and the afternoon was pleasantly spent in games and fun generally. In the evening a short programme was rendered. Refreshments with strawberries and ice cream were served and thoroughly enjoyed by all.

* * * *

The Methodist Sunday School held its annual picnic yesterday afternoon on the banks of Mission creek. Although stormy in the morning, ithe weather cleared up in the afternoon, and the youngsters had a good time—and their elders too. A feature of the sports was a baseball game between the married ladies and the married men, which caused no little amusement.

STRAWBERRY AND ICE CREAM SOCIAL TUESDAY NEXT

If you are fond of a good feed of strawberries and ice cream and a general good time, you should make a special note of the date of Tuesday, July the 11th. On the evening of that day you are invited toattend a grand strawberry and ice cream festival and lawn social which will be held on the lawn of Mr. W. B. Pearson, Ethel Street, north, beginning at 7.30 under the auspices of the I. O. G. T. Two good prizes are being offered to the ones who guess closest to the weight of a huge cake, and the number of beans in a jar. Every ten cent purchase will entitle you to a guess on each.

Local Ladies Form Volunteer Reserve

The Kelowna Ladies' Volunteer Reserve, which was organized a couple of weeks ago, will meet for drill at 7.30 this evening. This interesting body of recruits is at present going through the regular drilling, and will later take up ambulance work. The officer commanding is Capt. Jenny Stephens the other officers being Lieut. Mae Wilson and Sergt. Mabel French.

The usual Church of England service at East Kelowna on Sunday afternoon next is postponed as Arch-deacon Greene is taking part in the parade service and consecration of colors at the Boy Scouts' camp at 3 o'clock.

Interesting Local Wedding

A quiet and pretty wedding was solemnized at noon on Wednesday, July 5th, at the home of Mr. and Mrs. W. A. Hunter, Pendozi Street, when their daughter, Ruby Margaret, was united in the holy bonds of matrimony to James M. Brydon of Victoria, by the Rev. J. C. Switzer.

The bride, who was given away by her father, entered the prettily decorated drawing room to the strains of the Bridal March from Lohengrins, played by Mrs. Leslie Dilworth. The bride looked charming in a gown of white crepe-de-chene, trimmed with shadow lace and with conventional veil and orange blossoms, and carried a boquet of white roses and fern. She was attended by her twin sister, Miss Annie Hunter, who made a lovely bridesmaid, attired in a gown of crepe-de-chene,and carried pink roses. The groom was supported by Private Evans Hunter, of the 172nd Battalion C.E.F.

After the ceremony a dainty breakfast was served in the dining room, the decorations being white shasta lilies and ferns.

The happy couple left on the afternoon boat, the bride wearing a smart costume of saxe-blue garbadine, with hat to match. After a tour of the Wenatchee and Walla Walla Valleys in Washington, Mr. and Mrs. Brydon will make their home at Royal Oak, near Victoria, B.C.

The groom's gift to the bride was a pearl and diamond brooch, to the bridesmaid, a pearl and emerald pendant, and to the groomsman a pearl stick-pin.

The out of town guests were Miss J. Brydon, of Victoria, sister of the groom, Mr. and Mrs. Glen Ives, of Armstrong, and Private A. C. Anderson, of the 172nd.

The bride was the recipient of many pretty and useful gifts, testifying to the esteem in which she is held.

Kelowna Volunteer Reserve

At an adjourned meeting of the Kelowna Volunteer Reserve held on monday evening last after drill, it was unanimously decided to allow the executive consisting of Mrssrs. Jones Crawford and Dennison, to retire from their positions for the present, or until greater interest is taken in the movement, and turn the entire charge of the drill and management over to Sergeant Chaplin.

Sergeant Chaplin, although recalled to Kamloops, has made arrangements to remain in Kelowna as he expects to obtain his discharge from the militia on account of ill health. This will enable him to continue drilling any men who desire instruction.

The executive regret being obliged to take this step, but feel that the movement which has done so much for the town in the past is no longer looked on with favor by the people of Kelowna.

The lacrosse boys went up to Armstrong Saturday last to play the team there, but were unfortunate enough to get beaten by 7 to 5, making a win sofar for each team. Three cars of the boys and their supporters left Kelowna at 5 a. m., returning the same day, and the thanks of the team are due to Messrs. T. Bulman, A. Day and H. Renwick for theirpleasant trip. The next game will probably be in Kelowna during the Regatta.

THE RED CROSS

The following vers s were handed in along with a subscription to the local Red Cross Society.

Once on a time, exactly when, 'tis rather hard to say,
A goodly seed by love was sown, which bears rich fruit today.
The little seed became a tree with branches far and wide
Dispensing its life-saving fruits. and turning death aside.

'Twas Love that sowed the little seed, 'tis love that makes it grow.
True love begets self-sacrifice, as all true lovers know.
And this tree thrives on sacrifice, though none would call it loss,
The tree is known in every land, by all, as the Red Cross.

A nickel here and two more there, a dime some other place,
"Two bits" from one and "four bits" more, the dollars grow apace;
A piece of linen, cotton, wool, some thread and needles too,
Spare moments and a skil ful hand, what wonders they will do!

If ever there was need of it, there's need of it to-day.
The good it has already done no one can ever say.
But listen to the imploring cry that ... each day grows more loud,
tree! Oh save us from death's "The Red Cross tree! The Red Cross shroud."

New Egg Marks Act Is Now In Operation

The Egg Marks Act is now in force, and it is up to poultry keepers and others to observe its provisions.

Under this Act, the receptacles in which eggs are offered for sale must be marked in letters four inches high. In the case of Canadian eggs the mark must give the province and grade, as "B.C. Fresh," or "B.C. Cold Storage." In the case of foreign eggs, the country of origin must be shown, as "U.S. Fresh." The cases of eggs sold in case lots need not be marked, but immediately the case is opened it becomes a receptacle in which eggs are offered for sale. All preserved eggs must be stamped with the word "preserved" on each individual egg, and this applies equally to the eggs put down by the ranchers in water glass and the eggs from China.

"Let me see, now," said the minister at the christening, dipping his pen into the ink to record the event, "is not this the twenty-seventh? "I should say not," replied the indignant mother; "it is only the ninth."

Disastrous Fire Sweeps City of Ashcroft

Fragmentary messages from Ashcroft state that last night a disastrous fire swept the town, entirely destroying a large section, particularily on the east side, which is said to have been almost entirely burnt out. Two hotels, the government building, and a large number of business and residential blocks are included in the conflagration. Communication is at present cut off.

Garden Fete at Okanagan Mission

Large Gathering Attend Pretty Event in Aid of Red Cross

A most delightful entertainment in the shape of a Garden Fete, in aid of the Red Cross, took place on Friday afeernoon last in the grounds of Mr. and Mrs. Walker, kindly lent by them for the occasion.

The main feature of the programme given by the school children was a series of old world and fairy dances, for which the charming garden lent an ideal setting.

...The stage "curtain" was a novel arrangement deserving special attention. It consisted of a row of fir trees set in the lawn, and at a given signal, and to the great amusement of the audience, these walked stately to the side of the stage, allowing the performers to dance through, and closed up again when each particular item was ended.

An exceedingly pretty fantasy was the "Butterfly Flower Dance," where the two little butterflies, in pale yellow dresses with mauve and silver gauze wings, flitted daintily among the hidden flowers, waking them to life and color as they did so. The next treat was a dance by maidens in flowing Grecian robes, who moved in graceful postures in and out with garlands and ropes of flowers, making a charming picture.

The last and most elaborate of all was a set of 18th century scenes in costume, where the minuet played an important part, and was danced with delightful stateliness and charm by the little ones. It is unfortunate that each of the twelve beautiful dresses cannot be separately mentioned, as there was an elaboration of careful detail worthy of it. One in particular was especially noticeable, the coat and breeches being in a soft shade of eau-de-nil, with ruffles of real Irish point (specially lent for the occasion) at throat and wrists, and a waistcoat of handsome Indian embroidery in heavy gold lace, a black velvet hat with sweeping white ostrich feather, gold buckled shoes and silk stockings. Another in delightful color harmony with this was in mauve with waistcoat of deep vieux rose satin, white silver buttons, a mauve hat with plume of deep purple, which was well set off by the white wig tied with black velvet ribbon. The ladies dress to correspond was in shell-pink satin, softly draped with fine lace and with panniers of delicate muslin in an old world design.

The programme consisted of:

Flag drill and song.
Sailors' Song and chorus.
Butterfly and Flower Dance.
Grecian Maidens' Dance.
Scenes from Olden Days.

The National Anthems of Belgium, France, Russia and Great Britain, the two former being sung in French by the pupils.

The visitors numbered about 250, and among them were His Worship, the Mayor, and the Ven. Arch-Deacon Greene, who heartily congratulated and thanked Miss Jardine and her pupils for a most delightful entertainment. The Mayor, in the course of his address, laid great stress on the crying need of a new school.

Other attractions of the Fete consisted of stalls which were artistically decorated in a scheme of pink and white, and picturesquely situated in various parts of the grounds, and a very popular spot was the tent of "Mme. Chiero," the celebrated palmist and clairvoyante, who laid bare the mysteries of the future before an appreciative clientele.

The financial success of the afternoon was in great measure due to the generosity and kindness of the merchants, and all thanks are due to them, and to all kind friends who helped in various ways to make the fete the success it was.

Gross receipts	$134.15
Expenses	17.65
Balance	116.50

The balance was handed to the Mission branch of the Red Cross.

Clover and Alfalfa Seed

The following letter from Mr. H. O. English, the chief soil and crop instructor under the provincial Department of Agriculture, has just been received by the secretary of the Kelowna Farmers' Institute, and is sufficiently self-explanatory. Should any farmer be desirous of taking advantage of the offer, and harvesting a crop of clover or alfalfa seed, they should communicate at once with Mr. R. L. Dalglish, the secretary, in order that an early reply can be sent to the Department.

Dear Sir:—

In view of the ever increasing demand for clover and alfalfa seed in all parts of the province, the scarcity of first-class seed of these crops, and the consequent high prices prevailing, we are considering the advisability of purchasing a clover and alfalfa thresher and huller this summer. This machine to be shipped about the province at the expense of the Department and operated in any districts where fields of clover or alfalfa have been saved for seed, a nominal rate per bushel being charged to defray operating expenses.

Usually the second crop of alfalfa or clover is saved for seed purposes. Hence there is yet time this year for any farmers of your district who wish to keep a part of their crop for seed, to do so.

Would you kindly make a few enquiries and ascertain the approximate acreage of the above crops in your district which would be saved for seed this year in the event of our purchasing such a machine. Advise us as soon as possible re this matter, and state in your reply whether or not the farmers of your district would appreciate a move of this mature.

Yours very truly,
H. O. ENGLISH,
Chief Soil and Crop Instructor.

Whiffs of Manhattan Breezes

By Our Special Camp Correspondent

Wonder what Cliff wants spark coils for?

Grandpa Ferrier is down as our chaperon.

J. B. K. moved down after dark—wonder what's wrong?

Miss McLaughlin and Miss Corbett are visitors at Mrs. Rowcliffe's.

Master Davis scalded his leg badly, necessitating the doctor.

Harry says he prefers his wife's fist in his eye to the hammer handle.

Mrs. DeHart and Madame Rogers paid a friendly visit to the camp Tuesday evening.

Say, Billy Lloyd Jones, you should have seen your tent taking a trial flight by itself.

Mrs. Meikle was a visitor at the correspondent's camp, and longs to be back at dear old Manhattan.

An organized search party is to look for worthy J. W.'s stove pipe. He insists the wind blows from the south.

Our palatial residences are being installed with electric light, and a telephone pay station is to be provided. We'll provide our own water!

Prince, our beach mascot, took possession of Mr. Renfrew's auto., and the chink respected his teeth so much, he couldn't summon enough courage to put the tarpaulin on.

We are not without the khaki, as we have an A1 sample with our friend W. B. M. from Idletown camp—pants fit like the boots our soldiers used to get.

George R. is a good sport. He pulled Bob out of the mud. It seems he must be Irish judging from his capacity for buttermilk. The creamery is doing a large business in buttermilk for the folk at Shamrock Villa are imbibing.

Dear Editor: Will you kindly tell me the present six best sellers.?

The present six best sellers are clothes for women, booze, clothes for women, bread, tobacco, and then more clothes for women.

Orders for Local Scouts

KELOWNA TROOP

Troop First! Self Last!

The week ending July 15th will be spent in camp. The general events of which were announced in last week's column. The Scout Flag arrived from the coast this week, so we are now able to state definitely that a service for the consecration of our Colours will be held at the camp on Sunday, July 9th, at 3 o'clock.

We hope that by the time we go to camp, nature will have finished her weeping, and we think that there will hardly be any moisture left in the clouds by then. A Vancouver officer now in the camp at Vernon, remarked the other day, that while it might "rain" there (at Vancouver) sometimes, they had to come up here to find where it "flooded." Do not forget your bathing suits though, in case we have to rely upon them as our constant uniform, and each scout would also be wise to bring some reading material with him.

The daily routine orders show that nearly an hour each morning is set apart as "free to patrols, in bounds," and Patrol Leaders and Seconds are expected to take every advantage of this time for some definite work with their own patrols. Plan out your work beforehand. There are thirty-one Tenderfoots in the troop who should be Second Class Scouts, so there is one field of work. Let us see what initiative our leaders have.

...A prize of the value of $2 has been offered by the Troop for the best ten out of twelve photographs of the camp to be taken by any scout, and we expect strenuous competition. The films will all be developed by Scout Master Keown, and the pictures are to become the property of the troop.

Scout Master Thomas was unfortunate enough to burst a blood vessel a short time ago which has necessitated his going down to Vancouver for an operation. We wish him a quick and safe recovery, and are very sorry that his misfortune may prevent him from being with us at camp.

Remember that all parcels for camp may be left at Mr. Mantle's office, whose launch will leave town for camp daily, except possibly Sunday and Thursday, at about 4 o'clock in the afternoon. Also that all mail posted in care of the Scout Camp will be placed in Mr. Mantle's box and thence taken to Cedar Creek.

Some scouts in practically every troop in Canada have either won or are planning to win the special "War Service Badge," and we therefore give particulars of what is required to obtain it. The badge will be granted on the recommendation of the Scout Master, approved by the commissioner, to all scouts and scout officers who have performed or shall perform before the end of the war, 28 days Special Voluntary Service, for the Naval, Military, Police and other Public Authorities, and private societies and individuals of at least three hours per day.

An allowance, for rations, not exceeding 40c. per day, does not disqualify.

The Bombs Thrown From Zeppelins

Some interesting particulars concerning the size and power and general character of the bombs dropped during the Zeppelin raids are zupplied by the "Scotsman." The incendiary bombs are comparatively light missles, They are torpedo shaped, have a cast iron casing and their total weight is about 15 lbs., while the radius of the danger area on explosion in the open is about 100 yards. Two kinds have been found. One containing a magnesium star mixture is two feet long with a width tapering from five inches The other containing some phosphorous, but chiefly filled with thermit and star composition, is only fifteen inches long with a width tapering from ten inches, and having at the narrow end a calico streamer. This latter type is more vicious in its action than the other.

There are also two kinds of high explosive bombs, and they vary in weight from 100 to 140 pounds, or from slightly under to considerably over a cwt.. each. The commoner or heavier of the two is spherical in form and over a foot in diameter. In the open the radius of the danger area is 600 yards. The casing is either cast iron or cast steel, and it contains about 50 lbs. of trotyl. The dimensions of the lighter high explosive bomb are approximately two feet in length by one foot, tapering to about three inches, with a thin steel case, and gun-metal vanes on the fuse. It probably contains about 60 lbs. of trotyl, and in the open the radius of the danger area has been estimated at about 400 yards.

IN THE COUNTY COURT OF YALE holden at Vernon.

IN THE MATTER of the Estate of James Meikle Ritchie, deceased.

NOTICE IS HEREBY GIVEN that all creditors and others having claims against the estate of the said James Meikle Ritchie, deceased, are required, on or before the 16th day of July, 1916, to send by post or deliver to Catherine Nielson Ritchie, of Glenmore, Kelowna, B. TOWN AND COUNTRY NOTES

Miss McIntosh came in yesterday from Armstrong.

Mrs. Newby left this week to visit her son in Alberta.

The Women's Institute are holding a picnic in the park this afternoon.

Mrs. H. T. Meugens and baby went down to Vancouver Friday on a visit.

Pte. Geo. Royle was in town last weekend on a visit to his brother.

Miss Birdie Thompson leaves today for a visit to friends in Vancouver.

Miss Katie Lloyd-Jones and Miss Conlin were visitors to Summerland Wednesday.

Lance-Corp. Raymer was in over the week-end, together with many other boys of the 172nd.

Miss Mabel French left Monday morning on a holiday at Olds, Alberta.

Mrs. H. C. Jenkins returned on Saturday from a visit to her parents at Mara.

Mr. J. E. F. Wanless and family, of Fort William, Ont., are visiting their farm at Rutland. Mrs. Wanless is a sister of Mrs. J. W. Jones.

The regular monthly meeting of the Merchants' Association is this month taking the form of a dinner to be held to-day at 1 o'clock in the Palace Hotel.

Miss Herkins, of the Rutland school, and Miss Borden, a visitor from Grand Forks, left Saturday for Halifax, N.S.

The annual church parade of the local Lodge of Freemasons takes place on Sunday morning. Service will be held in the Presbyterian church, conducted by the Rev. A. Dunn.

Mr. Whiffin is at present engaged in putting the finishing touches on and tuning the handsome organ erected in the English church, and expects to have it ready by the end of the month.

There was the usual general exodus of the teaching staff Saturday. Miss Caldwell left for Kingston, Ont., Miss Jenkins for Yarmouth, N.S., and Miss Wentzel, Miss Gilchrist and Miss Thompson, for Vancouver.

The members of the local Orange Lodge have arranged to hold their annual church parade next Sunday and will attend the Methodist church. Visiting brethren and all members and asked to meet at the Lodge room at 6.30, from which the parade will start.

The name of Serg. H. C. Stillingfleet appeared amongst the lists last Wednesday as having died of wounds. Serg. Stillingfleet was at one time a well-known figure in Kelowna and many of the older residents will hear of his death with genuine regret.

The Boy Scouts left this morning on the "Orchard City" for their camping ground at Cedar Creek. They looked very smart and well ordered as they passed the office on their way to the wharf. During their stay in camp Mr. Mantle's launch will make a trip each day to carry mail, &c.

The thanks of the Baptist Sunday school teachers and scholars are tendered to Mr. and Mrs. J. E. Reekie for their kindly hospitality shown to the school on Saturday, when the annual picnic was held. The Reekie home is an ideal spot for such an event, and what the elder folk missed by not descending into the beauty spots of the ravine, they made up in hearty laughter at the programme of sports, the most notable event of which was the foot race for "senior ladies." Altogether a most pleasant day was spent by all.

Mrs. Knight and her son Mack left Saturday morning for the coast.

Mrs. L. Richmond and family arrived this week from the coast.

Mr. John Hill left Monday on a a business visit to the prairie.

Pte. Harry Williams was here for a few days' leave last weekend.

A large number of Kelowna and Okanagan Mission residents made the trip to Vernon Saturday to see the play put on by Mr. and Mrs. A. L. Soames.

Mr. J. F. Beckett, of Regina, who owns property in Glenmore, is spending a vacation in the valley, visiting at the home of Mr. J. M. Vint.

Mr. Hunt, of Winnipeg, brother of Mr. R. E. J. Hunt, of Glenmore, spent Thursday and Friday of last week in the valley.

The Rev. E. D. Braden, who succeeds the Rev. J. C. Switzer as pastor of the Methodist church, will arrive with his family in Kelowna Friday.

There was an unusually large crowd of people on the wharf this morning to bid farewell to the Rev. and Mrs. Switzer and Mr. and Mrs. H. D. Riggs, the latter going to Winnipeg.

There has been the customary migration of Kelownaites this week to their summer resorts on Manhattan beach. As might be supposed, many amusing incidences occurred during transit and these are likely to be added to as the camp continues. Amongst those at present under canvas are: Messrs. Renfrew, Millie, Calder, Davis, R. Morrison, Ferrier, J. W. Jones, J. Rowcliffe, W. Lloyd Jones, and Knowles, together with their respective families.

The Dominion Day attractions at Armstrong and Penticton drew many Kelowna people to the latter place in particular. A special excursion was run from Kelowna south via the s.s. Sicamous, and though the weather was not so fine as usual quite a large number took in the excursion. Picnic parties could also be seen in most of the popular spots.

Amongst the passengers by Monday morning's boat were Miss Fullerton, late of the public school, who is returning to her home in Amhurst, N.S., Miss McNaughton of the high school, who is on a holiday tour east, and Miss Honeywell, who is returning to her home in Boston. The party will travel through the States and visit several of the points of interest.

The local Baptist church loses two valued and greatly-esteemed members this week, by removal, in the persons of Mr. and Mrs. H. D. Riggs. Mr. Riggs came to Kelowna from Vernon some four years ago, and was for some time interested in the Kelowna brickyard in company with Mr. Clement, afterward going into the dairy business. From the first Mr. Riggs associated himself with the Baptist church and from time to time occupied the pulpit, also conducting services in the surrounding districts. On Monday evening a large surprise party visited his home and bid farewell to the couple whose warm heartedness and kindly dispositions have gained a large circle of friends.

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining rights of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the Northwest Territories, and in a portion of the Province of British Columbia, may be leased for a term of twenty-one years at an annual rental of $1 an acre. Not more than 2,500 acres will be leased to one applicant.

Applications for the lease must be made by the applicant in person to the Agent or Sub-Agent of the district in which the rights applied for are situated.

In surveyed territory, the land must be described by sections, or legal subdivisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5 which will be refunded if the right applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns shall be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10 an acre.

For full information application should be made to the secretary of the Department of the Interior, Ottawa, or to the Agent or Sub-Agent of Dominion lands.

W. W. CORY.
Deputy Minister of the Interior.

Garden Hose

High Pressure Can't Harm

Here is a woven hose—called Nero—that can't kink—and so can't crack inside and soon spring leaks from water pressure. The cover and lining are made by a secret compound discovered by Goodyear experts. It is extra-tough and best repels attacks from water, wear and weather. Fierce forces that make average hose "bake" and crumble, have little effect on Nero hose.

GOODYEAR MADE IN CANADA

Nero Reliable

Goodyear Reliable Garden Hose is made by wrapped-fabric construction and excels all other hose of this type. One reason is this—the fabric edges are stitched together—not just stuck. The cover and lining, like Nero, outlast all ordinary hose.

Yet the prices are low—due to quantity production. You can pay less, but you'll have to pay oftener. You can pay more, but you can't get more.

Call or telephone for prices. Then say goodbye to grief that's caused by lesser hose.
