Municipal Elections Go by Acclamation

No Change in Constitution of City Council or of School Board

There is to be no municipal election in Kelowna this year, all the Aldermen, School Trustees and Police Commissioner having been returned by acclamation. As such a situation was to some extent anticipated, the announcement will cause no surprise.

The council, consisting of mayor and six aldermen, which now enters upon another term of office unchanged, is, it might be well to recall, made up as follows:—

MAYOR—D. W. Sutherland.

ALDERMEN—D. H. Rattenbury, W. C. Duggan, J. B. Knowles, W. J. Mantle, W. Lloyd-Jones and G. A. Meikle.

The School Board will consist of the same five members as before: Messrs. J. A. Bigger, W. R. Trench, and Mrs. Calder, who were retiring but have been re-elected, and Messrs. G. A. McKay and G. Ritchie.

Police Commissioners must be elected according to a recent amendment of the Act, and Ald. Rattenbury was the retiring member of that body this year. He agreed to stand for re-election, but at the same time Mr. Geo. Rowcliffe appeared as a candidate. Both were nominated and it looked as though a poll would have to be taken. Ald. Rattenbury prevented this, however, by withdrawing, leaving the election by acclamation to Mr. Rowcliffe.

Basketball Games Prove Popular

Described by a spectator as "a fine game for the young people," the basket-ball matches arranged by the scouts took place last Friday evening in the presence of about one hundred onlookers, including the scouts and cubs. Not a little interest has been aroused of late in the game, which was introduced to the scouts three years ago by the scoutmaster; and this winter the ladies were invited to try their hands at it with the result that the big item on Friday's programme was a match between the "Lady Blues" and the "Lady Reds." This game was preceded by a contest between two junior scout teams, the resultant score of 10 points to 5, however, not being a fair indication of the skill shown by both sides after a good game.

The ladies then took the field, Miss Florence Cooper leading the Reds, composed of Misses Mantle, Gaddes, Perry and Moubray, and Mrs. H. G. M. Wilson the Blues: Misses E. Cooper, Williams, DeHart and Atkinson. Mr. E. C. Weddell acted as referee and his services were frequently called for, although nothing more serious than a little playful scratching took place. The superior weight and reach of the Red's captain helped them a great deal, but many spectacular runs were stopped by the tenacity of one of the younger Blues, who frequently sat on the ball rather than part with it, much to the delight of the audience and the chagrin of her opponents. The half-time score was 4-6 in the Red's favor. Resuming, the ladies played a faster and better game, Miss Mantle scoring a very neat goal whilst Mrs. Wilson made strong endeavors to retrieve the loss to her side with the result that at the close of play the score stood at the very satisfactory figures of 9 points to 8 in favor of the Reds.

The seniors' match which followed was an excellent game and very fast, C. Gaddes, Lloyd Day and Jim Calder doing some splendid work. Gaddes' team won with a score of 10 to 4, but, as in the first game, the result as shown on the score board was no criterion of the play. Summerland will have to get a very strong team to beat the local combination in the senior games they are to play in the near future.

STOCKS—On Sunday, December 29th, to the wife of Private Arthur M. B. Stocks, at Penticton, a son.

Special Programme at Knox Church Sunday

The services at the United church next Sunday will be of an especially inspirational and interesting character. Rev. Dr. C. A. Eby, a minister of high standing in Canada, assisted by his son, Mr. C. A. Eby, will give a lecture-recital on "The Vision of Isaaih." This is the presentation of the message of the great Hebrew prophet in dramatic form and the singing of many of the more sublime passages of the book. Dr. Eby is a man of ripe scholarship and an elocutionist of merit. For the past two seasons he has been on the Chautauqua lecture platform. Mr. C. Eby possesses a baritone voice of good quality and renders the exquisite lyrical passages with sympathy and dignity.

The first part of the programme as given below will be given at the morning service and the second part at the evening service:

Part 1—The Great Assize

1. Foreword and Argument
2. The Touch with the Infinite "Holy, Holy, Holy" ..... Tandy
3. The Ideal and the Actual "The Parable of the Vineyard" .. Tandy
4. Pride Must Fall "Sevenfold Woe on Sevenfold Sins" [Tandy
5. The Hopeless Tragedy "For all this His anger is not turned away" ..... Tandy

Part 2—Darkness and Dawn

1. The Terrified King.
2. The Sign Immanuel "Make an Uproar" ..... Tandy
3. The Breaking Storm "The Lord is my Light" ..... Allitsen "And He shall lift up an ensign" [Tandy
4. The Dark Before the Dawn "And they shall pass through" .. Tandy
5. Jehovah's Controversy
6. The vision of Day "But the thick Darkness shall be driven away" ..... Tandy
7. The Psalm of Hope "Unto us a Child is Born" ..... Tandy
8. Through Centuries to the Present "The Recessional" (Kipling) .. DeKoven
9. The New Jerusalem "The Holy City" ..... Adams

Quoted parts sung

Successful Red Cross Sales of Work

The ladies of East Kelowna have demonstrated before that they can do things when they set out with that intention, and the "Jumble Sale" which they conducted Saturday last in aid of the Red Cross was another proof of this. In all the magnificent sum of $995 was raised, made up as follows:

Receipts from sale	$740
Tags	50
Teas	55
Raffle of Victory Bond	150

This is only an approximate statement as the returns are not yet all completed, but it is near enough to show what a magnificent success was achieved. Most of the goods sold were the work of the East Kelowna ladies, and great ingenuity and talent was displayed in many instances.

The proceeds are to be divided between the local Red Cross and the "Drive" now in progress.

The annual meeting of the East Kelowna Red Cross is to be held next Saturday. The retiring presedents, Mesdames Carruthers and Reekie desire to have as good an attendance as possible at this meeting.

Mrs. Weir returned from the old country today.

Messrs. Casorso Bros. are making a fine window display this week of their home-grown onion and alfalfa seed, which is attracting much attention.

The skating rink at the tennis courts on Harvey Ave. is being put into shape again by the Athletic Club, and weather permitting skating will start in about a week. The Committee is going to a lot of trouble and expense and it is hoped the public will give their support and help make it a success. The K.A.A.C. has several hockey teams and expects to have games with towns along the lake. A fancy dress carnival will also be held in the near future.

Seed Fair Attracts Much Interest

District Shows Up Well in the List of Prizes

The Mainland Provincial Seed Fair which has just come to a close here has undoubtedly been the most successful yet held. The fair, which is held under government auspices by the Soil and Crop division of the Department of Agriculture, is a comparatively recent development, but is performing a very useful service in educating and interesting the farmer and gardener in the production of better seed, and the necessity of supplying the home market.

That the Fair was held in Kelowna at all was due to the energy of Mr. R. L. Dalglish, who canvassed so vigorously for the entries and, indeed, upon whom most of the arrangements fell. Mr. E. Hogan, soil and crop instructor, is sick in the east, and Mr. P. W. Ankatell Jones, of Chemainus, who came to judge the potatoes, had to take his place.

The building opposite the court house occupied by Rowcliffe's, proved a convenient place for the Fair, and after a little decorating with flags and streamers and the erection of suitable stands, the exhibits were displayed in a very attractive fashion. Plants has been supplied by Messrs. Palmer & Rogerson and Paul Knippel. There were in all 201 entries of which 104 were from Kelowna growers, who, it might be mentioned, succeeded in carrying off 34 of the prizes.

There were 43 classes in all, and these with few exceptions were well represented. Grain was a good showing, considering this is not a grain growing country. Of corn there was a magnificent display both in flint and dent. Beans and peas also made a good showing. The potato classes were small largely, it was pointed out by the judge, from an apparent lack of knowledge as to what was required in a good seed potato.

An interesting corner of the building was that devoted to the display sent by the Summerland, Agassiz and Sydney Experimental stations, these being of a high educational value to all seed growers.

An automatic lantern with changing views furnished amusement for the youngsters, but also showed a lot of instructive views on various phases of seed growing. Several machines and contrivances were also shown in operation, cleaning and threshing different varieties of seed.

The Bankhead Orchard Co. had a splendid display of home-grown seeds, chiefly the Dent Corn for which they have already won a considerable reputation.

The Farmers' Institute stand was well supplied with bulletins and all information likely to be of use to seed men. Mr. Dalglish, who was in charge of this, had also his own little seed display, consisting of some particularly fine prize-winning beans, grown on the Bartholomew place at the Mission.

C. Casorso had a display of onion seed of which he had grown a large quantity very successfully this year receiving commendations from Prof. Bovine and others. Considering the superiority of home-grown seed over imported stuff he should have no difficulty in disposing of his 1500 lbs within the district.

A display of tobacco and seed was shown by Mr. L. Holman, and close by was a collection of photographs by Mr. Willis, which are destined for the Canadian agency in London.

Both Tuesday and Wednesday the attendance was very good, and many expressions of approval were heard from the many visitors.

The judges were Prof. L. Stevenson, and Mr. P. W. Ankatell Jones.

Following is a complete list of the prize winners:

Registered Spring Wheat
1, William Rogers, Tappen, B.C.

Registered White Oats
2, M. Hereron.
(Both above prizes withheld pending receipt of certificates.)

Continued on page four

Seed Growers Organize for Marketing

Interesting Addresses Given on Different Phases of Industry

The British Columbia Seed Growers' Association came into existence just a year ago to meet the necessity which had arisen for an organization to ensure the development upon right lines of an industry which had grown up in consequence of the seed shortage brought about by the war. Already much good work has been accomplished, and the convention which has been taking place this week in Kelowna has still further advanced that movement by laying the foundation of an organization that wil take care of the all-important marketing end of the business.

The series of meetings, which will be dealt with more fully next week, commenced Tuesday morning in the Methodist church under the able chairmanship of the president, Prof. L. Stevenson, of the Sydney Experimental Farm. Addressing the delegates at the opening session, Prof. Stevenson drew attention to the importance to all seed growers of the present convention, which was charged with the duty of perfecting their organization and placing the whole seed business on a better basis.

The policy of organization, which contemplates the establishment of seed districts, each district having an organization of its own with a representative on the Provincial Association, was discussed. Later the following were selected to compose the Provincial board: Prof. L. Stevenson (president), and Messrs. R. M. Palmer, Vancouver Island, H. M. Eddie, Lower Mainland, W. H. Hayhurst, North Okanagan, D. W. Strachan, Kamloops, L. E. Taylor, Central Okanagan, A. Agur, South Okanagan, and Attwood, Grand Forks.

In the afternoon Dr. M. O. Malte, of the Ottawa Experimental Farm, and an eminent authority on seed growing, delivered a valuable address on the outlook for the Canadian seed industry.

Mayor Sotherland, who had been unavoidably absent during the morning, then delivered a brief address of welcome to the delegates.

Mr. J. R. Fryer, of the Dominion Seed Laboratory, Calgary, was the next speaker his subject being, "Experiences in Field Inspection and Seed Testing," and Mr. P. W. Ankatel Jones, of Chemainus, a well-known authority on potato culture, gave an interesting address on "Practical Potato Raising," whilst in the evening Mr. R. H. Helmer, of the Summerland Experimental Farm, related his experiences in growing carrot and mangel seed.

The Hon. E. D. Barrow, Minister of Agriculture, was present at the meeting and spoke encouragingly of the prospects for seed growing in the province. It was apparent that certain districts possessed natural advantages for seed production and where such was the case there was no fear that the industry would progress. He admitted that the department had been open to some criticism in that their arrangements for assisting in seed threshing had not proved adequate to the large crop. The fact that there had been such large production, however, was a matter for satisfaction, and would no doubt enable the growers to take care of their own crop another year.

He suggested the need for adequate marketing arrangements, and read a telegram received from Mr. G. H. Clarke, of the Dominion Seed Branch, outlining a plan for a co-operative organization on the lines of the Saskatchewan Grain Growers. To this the provincial department would be pleased to give every assistance.

Later in discussing this matter the meeting appointed as a provisional committee Messrs. L. E. Taylor, A. Agur, C. E. Weeks, J. Stores and W. Hayhurst.

Prof. Stevenson spoke of the need of protective legislation to prevent cross pollenization and ensure the purity of seed crops.

A smoky stove in Knowle's jewelry store gave rise to an an alarm of fire Tuesday evening. The boys were on the scene promptly but fortunately no damage was done.

The absent members of the school staff, Miss Page, Miss Leckie and Miss Woods all commenced their duties Monday, having recovered sufficiently from the "flu."

In a letter received this week by Mr. J. Harris the news is conveyed of the death at the coast of E. H. Soady, well-known in Kelowna up to a year or two ago. Deceased in fact was in Kelowna about two months ago after having completed an engagement with the Cawston Canning Co. He then left for Nanaimo, and during a visit to Vancouver during Christmas week he contracted "flu" and died within a couple of days of being admitted to hospital. He leaves a wife and two children who are at present over in England.

Dairymen in Convention Here this Week

The B. C. Dairymen's Association commenced its annual convention yesterday. Following an address of welcome from the Mayor, the president, S. H. Shannon, delivered his address, touching upon many important features of the dairy business during the year. He was pleased to visit Kelowna, and believed the policy of holding the convention in different districts each year a wise one, enabling the delegates to get in touch with fresh people, and to extend their knowledge of the province.

A report of the year's work of the Association was read by Mr. T. A. F. Wiancko, the secretary.

The meetings were continued in the afternoon, when the speakers were Prof. Westover, of the Oregon Agricultural College, and W. H. Hicks of the Agassiz Experimental Farm.

In the evening the Hon. E. D. Barrow addressed the convention other speakers being Prof. W. T. McDonald, acting deputy minister, Prof. L. Stevenson and J. W. Berry of Langley Prairie.

To-day's programme includes a report from the secretary on the recent Dairy Conference at Ottawa, addresses by Prof. Sadler of the B.C. University, Prof. E. L. Westover, P. H. Moore, of the Colony Farm, and the consideration of a number of important resolutions.

Meetings have also been held by the B. C. Woolgrowers' Association, of which lack of space prevent extended mention this week.

To night the various delegates with the local farmers and business men are to be entertained at a banquet in Morrison Hall

Baptists Hold Annual Business Meeting

The members of the Kelowna Baptist church held their annual business meeting last Wednesday evening, the Rev. W. Arnold Bennett, pastor, occupying the chair. The reports of the various departments were read and adopted and officers elected for the year. Light refreshments were served after the business had been disposed of.

The clerk, Mr. H. W. Swerdfager in tendering his report stated that the year had been wonderfully successful, 47 new members having been added to the church roll, and 34 converts baptized upon confession of their faith. The church had sustained a loss of three by death; namely, Mr. T. Duggan, Mrs. Rosa Henning and Mr. Neil Dalgleish. The pastor had made over 300 visits into the homes of the members and others.

Miss M. I. Reekie, the treasurer, reported that in spite of the influenza ban, the year had been unprecedented financially no less a sum than $1,911 representing the income from all sources, and that, with all current accounts paid, they were able to look the world in the face with a balance in the bank. Mutual appreciation was manifested by all present at so encouraging a report, representing, as it did, much self-denial on the part of many of the small congregation.

A strong Sunday-school had been built up after much exacting labor, and the membership now stood well over 100. Much regret was expressed at the retirement of Mr. Angus McGregor from the position of superintendent, which he had held for three years, owing to precarious health

The election of officers resulted as follows: deacons, Messrs. McKeown, Reekie, McGregor, Harris, Weeks, Good and Patmore; Advisory Board: Mesdames Brown, Patmore and Weeks, together with the deacons; Clerk: Mr. Swerdfager; Treasurer: Miss Reekie; Financial secretary: Mr. Brown; Finance committee: Misses Lena Wilson, Reekie, and Messrs. Brown McGregor, Patmore, Day and Harriss; Sunday-school superintendent, Mr. House; Asst., Mr. Good; Auditor: Mr. Reid; Ushers: Messrs. Swerdfager, Patterson, Gill, Ingles, Harriss, Duggan and Patmore.

More Kelowna Men Return this Week

Capt. Hoy and Lieut. Kincaid are given Hearty Welcome

The powerhouse whistle is being kept busy these days sounding welcome to Kelowna soldiers who are returning now every few days. Capt. E. Hoy and Lieut. Graham Kincaid were the arrivals Monday.

The former was at one time a member of the Fire Brigade, and in consequence the members of that body turned out in strength, bringing along the fire engine to convey the returning one.

Capt. Hoy has passed through some varied experiences overseas. He enlisted from Kelowna in Feb. 1915 with others of the fire brigade boys, serving with the infantry for nearly two and a half years. Later he transferred to the Flying Corps and it was while engaged in flying over the Germans only a few months ago that an accident to his propellor compelled him to descend, to be taken prisoner by the enemy. Fortunately his captivity was brief for the signing of the armistice enabled him to return home. He is visiting Kelowna in company with his sister, Mrs. J. H. Fraser, of Vancouver.

Lieut. Kincaid was also heartily welcomed. He has had a most successful career as a soldier, and is to be congratulated upon the promotion and distinction which he has earned. He enlisted in Winnipeg in January 1916 when only 19 years of age and went overseas in May of that year. For some months he was with the Canadian Arms Inspection and Repair department in London, but was afterwards transferred to the 53rd Canadion Field Artillery, going over to France with that unit in 1917. He was recommended for a commission the following year and finally gazetted in August. He was in England acting as instructor in machine gunnery when peace came.

Ladies' Hospital Aid Annual Meeting

The annual meeting of the Ladies' Hospital Aid was held in the Board of Trade rooms on Monday last, with thirty-six ladies present. The President, Mrs. Willits, being absent, the meeting was taken by the vice-president, Mrs. W. Lloyd Jones. The financial reports were very good, considering how little had been asked for the hospital.

The following officers were elected: President, Mrs. J B. Knowles; 1st Vice-Pres, Mrs. W. Lloyd-Jones 2nd Vice-Pres., Mrs. H. J. Hewetson; Secretary, Mrs. Lynch; Treasurer, Mrs. Anderson; Executive, Mesdames Duggan, Cameron, McKay, Rowcliffe, Rogers and Miss Reekie.

It was decided to hold a "shower" at the hospital on Thursday, Jan. 23rd. A general invitation is extended. The aid will serve tea. A partial list of articles desired are: flower vases, cups and saucers, small bread & butter plates, sugars and creams, sauce dishes, small soup bowls, water glasses, dresser covers, stand covers, baby blankets, wash cloths, dish towels, kitchen utensils, books, magazines, etc. As this is the first shower in two years, we hope people will be generous. The hospital needs our help and we need the hospital.

Home Grown Seed Gives Best Results

Experience has shown conclusively that crops produced from seed grown in the same locality are much superior in yield and quality to those produced from imported seed. The most satisfactory explanation of this is the obvious one that the seeds have become acclimatized, and by the time they are called upon to produce plants, are so fitted to their surroundings as to make the most of the conditions in which they are placed. Several recent instances have been quoted in which a fair comparison has been possible, and the difference is certainly startling.

All changes in contract advertisements must be in the hands of the printer by Tuesday evening to ensure publication in the next issue.

The holding of so many meetings and conventions in Kelowna this week has introduced an air of bustle and activity into a usually quiet period of the year. It is not often so many visitors favor our city with their presence at one time, and it is to be hoped that they will go away feeling that they have been made welcome and have enjoyed their stay. Certainly it is the earnest desire not only of the local committees looking after the comfort of our guests, but of every individual citizen that this may be so, and every effort is being made to ensure such a happy result.

• • •

As to the conventions themselves, much lasting benefit is looked for as the result of their being held in this district. The seed industry, for instance, has received a tremendous stimulus from the Seed Fair and the Seed Growers' meetings. Many people who were either frankly ignorant or lukewarm about the possibilities of seed-growing have undoubtedly seen a light. It is admitted as beyond question by all the experts on the subject that this district presents almost ideal conditions for profitable seed production, and is branch of farming which offers great promise of success. A good deal has been accomplished at the conveniion, too, in the way of taking the initial steps towards putting the marketing end of the industry on a sound basis. If the advice of one of the speakers to "make haste slowly" is followed, the not distant future should see a steady and profitable new source of revenue develope in the valley.

• • •

Dairying has already taken a firm root here, and the importance of good stock, careful testing, and up-to-date methods realized to some extent. The dairy convention, however, and the excellent addresses of some of the speakers, cannot but tend to deepen this conviction, and to bring others into line.

The members of the Wool Growers' Association, which also meets this week, have been facetiously referred to as "wool-gatherers," but their deliberations and their insight into the possibilities of the sheep business have easily refuted this insinuation. No doubt they also will take many paces forward this week.

Orders for Local Scouts

Kelowna Troop
Troop First; Self Last

Edited by Pioneer. Jan., 14 1919

ORDERS by command for week ending Jan. 25, 1919.

DUTIES: Orderly patrol for week and also for week following, Owls; next for duty, the Beavers.

PARADES: The combined troop will parade at the club-room on Wednesday, Jan., 22at 7.15 p.m.

The usual basket-ball practices will be held on Monday and Friday.

• • •

CUBS: The evening for the weekly parade of the Cubs has been changed from Wednesday to Friday and the next parade will therefore be held on Friday of this week, the 17th instant. At this parade certain badges won by different Cubs will be presented and a bun-feed will be held.

• • •

A.S.M. Keown is now back in Vancouver and expects to be up here on a visit very soon.

• • •

The spectators who saw the basket-ball matches on Friday evening last all seemed to like the game very much and we have received several requests to furnish such another evening's sport. We shall be glad to do so.

• • •

At the Fall Fair this year a prize will be given for the best map of the city, meeting the requirements for the Pathfinder Badge, and drawn or brought up to date this year.

• • •

The following New Year's greetings have been exchanged with Provincial Headquarters:—

From the Chief Scout for Canada: "I avail my self of this occasion to congratulate the Boy Scout Officers and Scouts of Canada on the helpful part which they have been privileged to take in support of Canada's part in the Great World War. I am sure that this Association will also take a worthy part in the difficult tasks of reconstruction which the war has given rise to. Please convey my cordial best wishes to all ranks for the New Year. (Sd) DEVONSHIRE."

Our reply: "On behalf of all members of the Boy Scout Association in British Columbia and Yukon I most heartily thank Your Excellency for your very kind and much appreciated New Year's message. We in our turn respectfully ask Your Excellencies to accept our loyal and respectful good wishes for 1919.
(Sd) T. R. HENEAGE, A.C."

From Manitoba: "Manitoba Scouts and Officers send heartiest Season's Greetings.
(Sd) A. T. MACINTOSH."

Our Reply: "Your kind greeting for 1919 most heartily reciprocated by all ranks in British Columbia and Yukon Territory.
(Sd) T. R. HENEAGE."

Benvoulin Farmers Hold Annual Meeting

The annual meeting of the Benvoulin Local U.F.B.C. took place in the Mission Creek school on January 7th, with a good number of members present.

The president, Mr. C. E. Weeks, in a brief address pointed out the advantages that the local offered to the community as a channel through which communications, resolutions, &c., could be discussed and action taken. With the work the U.F.B.C. brought about on Mission Creek as an instance of repaid endeavor he reminded the members that it was only by united action that they could accomplish any desired object. He also showed how things indicated that proper co-operation would be an absolute necessity sooner or later.

The president again referred to the onion question stating that on a recent trip to the coast he saw in some of the wholesale houses some Kelowna onions which were anything but a credit to the district, and that the U.S. were supplying the wholesalers with a superior quality of onions. Unless better methods of curing and grading are adopted we may lose the sale of 150 to 200 thousand dollars worth of onions which the present market takes annually.

In the discussion which followed a committee was appointed who would report at a future meeting on the most up-to-date and efficient method of handling onions. All onion growers are invited to attend at this meeting.

Mr. W. A. Scott introduced the subject of road inspection. This subject was felt to be an important one and Mr. R. Hall was appointed to deal with the question at the next meeting.

A hearty vote of thanks was extended to the retiring officers for their work during the year.

The new officers elected were: C. E. Weeks, pres.; D. McEachern, vice.-pres; A. S. Patterson, sec.-treas., and E. A. Day, A. W. Cooke and A. L. Patterson directors.

School Column

By Principal Gordon

The school started on Monday morning with the complete staff.

The work, already seriously hindered, is being retarded still further by the number of colds that have developed. On Monday there were no fewer than fifty-four pupils absent, nearly all with colds. Still it means a good deal to be moving once again.

The more I see of the condition of the pupils the more I think we should repeat a great part of the work. We can perhaps avoid loss of time to those who are bright and have had good health but I very much fear that the larger portion of the school will require to repeat the term's work. It would be very unwise to try to drive or force the younger pupils and in many cases the older pupils are weakened by colds to such an extent that they can work only with the greatest difficulty.

If we are compelled to take in a new Receiving class this term matters will be made much worse; for in that case another room would be required. This would necessitate a re-organization and all that that means. However, if the parents of those little children that attain school age between now and the end of June would not send them till August, we could avoid a great deal of trouble and leave the children with their present teachers.

It seems to me the height of folly to attempt to make up two months at the expense of the pupils' health. Of course we must try to make up the loss in the Entrance classes as far as possible. But as far as I can see now there will be a good many more failures in these classes than ordinarily no matter what is done.

• • •

The chairman of the School Board, Mr. Biggar, and the chairman of the Management committee, Mr. Trench, visited the school last week.

Such Women Just Have to "Give Up"

"Man may work from sun to sun, but woman's work is never done." That's why women are overworked, nervous, all run down, no appetite, and can "hardly drag around." Vinol creates a hearty appetite, strengthens the digestive organs, induces sound sleep, invigorates the nerves, and in this natural manner creates working strength.

Narragansett Pier, R.I.
"I was all run-down, back ached, and tired all the time. I keep house for my husband and four children and could hardly keep around. Finally I tried Vinol and it has restored my health and helped me wonderfully, so I recommend it to others who are in this condition." Mrs. Hannah Randall.

Jacksonville, Ill.
"I keep house for my little family, but got into a weak, nervous, run-down condition, tired all the time and no ambition. My doctor told me to try Vinol, and in a week I felt like a new person. I am now strong again, look after my baby, and do all my housework."—Mrs. G. H. Lamson.

For all run-down, nervous, anaemic conditions, weak women, overworked men, feeble old people and delicate children, there is no remedy like Vinol.

TOWN AND COUNTRY NOTES

ANNOUNCEMENTS

Church of England service will be held next Sunday afternoon at 3 o'clock at the East Kelowna schoolhouse.

A firemans' dance will be given by the Kelowna Volunteer Fire Brigade, on Friday, March 7th. Keep this date open. Now that hostilities are over the firemen hope to recommence their annual ball.

Next Sunday morning in the Baptist Church the Rev. W Arnold Bennett will preach on "The Peace of God, no man-made thing." At the evening service his topic will be "The Reason in Divine Love." The Breaking of Bread will be observed after the evening service.

Okanagan Ambulance League

During the month the following articles were sent to the provincial headquarters: 36 shirts, 42 pyjama suits, 12 personal property bags, 88 pairs of socks, 2 pairs of bed socks, 18 towels, 28 handkerchiefs, 1 pair of mitts.

The following articles were received from Okanagan Mission during the month: 12 pyjama suits, 2 pair of bed socks, 7 pairs of socks, 12 personal property bags.

Benvoulin sent in 4 pairs of socks, 16 handkerchiefs. The Girls Red Cross sent in 18 towels and 12 handkerchiefs.

The following contributions are gratefully acknowledged: Mrs. H. Williams, 1 pair socks; Mrs. J. W. Jones, 1 pair socks; Miss Nellie Jones, 1 pair socks; Mrs. Bagley, 1 pair mitts.

Cash contributions were as follows: Mrs. E. Langille $5, Mrs. G. Rowcliffe $6, J. Ball $1, Mrs. Gaddes $4, a friend $3.50, together with a balance from November of $266.85, making a total of $286.35. The expenseese for December were $81.40, leaving a balance in hand of $204 95.

Rutland News

(From our own correspondent).

Ralph Campbell is home from Brookmere on a short holiday.

Mrs. Fred Carpenter is visiting her mother, Mrs. Elliott.

Mr. and Mrs. Ben Petch and family left yesterday for the coast, Mr. Petch having lately sold his ranch here.

Mr. Clarence Duncan returned Monday from Calgary, where he had been attending the funeral of his sister, Mrs. John Woolsey.

The Rutland Local U.F.B.C. have decided to hold their meetings twice a month during the winter. The next meeting will be held in the school on Monday, January 20th, at 7.30, when the officers will be elected for 1919.

Change in Kettle Valley Schedule

Some changes in the Kettle Valley train service at Penticton are to be made next Monday, which Kelowna travellers should note. The west-bound train will leave for Vancouver at 3.10 a.m. on Wednesdays, Fridays and Sundays, instead of 8.40 p.m. It will thus be necessary to go down to Penticton the previous day to catch this connection. The same applies to passengers for the east-bound which will leave at 1.35 a.m., Mondays, Wednesdays and Fridays.

School Inspector Anstey is a visitor in town this week.

Mr. J. W. Jones returned Monday from a visit to the coast.

Mr. J. Linton, of the Kelowna Growers was a passenger to Vernon Wednesday.

An important meeting of the G.W.V.A. is called for Saturday night next at the club room. A good attendance is expected.

Bear in mind the hospital shower to be held at the hospital next Thursday.

Prov. constable Graham left on a visit to New Westminster yesterday.

The mild soft weather which has been experienced during the past few days has been very pleasant for the many visitors who are attending the various meetings in Kelowna this week. A little more snow to make sleighing good would be welcomed, however, by those who have hauling and logging.

Nurse Edgell, who is leaving shortly for a few months holiday in California, was entertained last week at the home of Mrs. F. E. Small, when she was the recipient of a presentation from the choir of St. Michael's Church.

Mr. and Mrs. A. H. J. Carruthers left Tuesday on a visit to London, Eng. Mr. Carruthers, who came from Hong Kong, has been in Kelowna for some months on a visit to his brother, E. M. Carruthers.

The Rev. W. Arnold Bennett left on Monday's boat for Penticton, where he will assist in special revival services to be held in the Baptist church there. Mr. Bennett will return at the end of the week for duty on Sunday.

A timely sermon was preached by the Rev. E. D. Braden last Sunday evening, his subject being, "Roosevelt—the man and his message."

Last week at Knox church the marriage took place of Arthur Henry Povah to Miss Mabel White both late of Winnipeg but who have been residing in Kelowna for a short time. The ceremony was performed by the Rev. E. D. Braden. After a honeymoon spent at Penticton the couple will reside across the lake.

The Wolf Cubs are holding their semi-annual bun feed and presentation of stars and badges to-morrow night (Friday). Any weird sounds or strange noises that may float on the air during the performance may at once be attributed by the neighbours to the event stated. No concern need be felt for scout or cub masters as their training gives them immunity from such after-supper effects!

We have been asked by Mr. T. Morrison, of the Osk Hall Clothing Co., to draw attention to a couple of errors which he overlooked in his two-page ad. appearing in last issue and in the bills around town. Men's Suits at $24.75 should read: "Reg. price $35," not $30; and lower down, Men's Heavy Wool Socks at 75c pair should read: "Three pairs for $1.50," not $1. The sale commences on Saturday.

Mr. F. J. Dawson, from the department of soldiers' vocational training and civil re-establishment of B.C., was in town this week in the course of a trip through the valley. Mr. Dawson states that the department has already placed some 400 disabled men in the way of training for a career more suited to their disabled condition. The choice of training includes some 70 different vocations. Any disabled soldier may take advantage of this work by applying to the department at Vancouver, or in the case of local men by communicating with Dr. Knox who is the medical representative here.

Athletic Club Holds Annual Meeting

A meeting of the Kelowna Amateur Athletic Club took place Jan. 9th in the Board of Trade rooms.

The most important item was the election of officers for 1919. Mr. L. V. Rogers was re-elected President, Mr. E. C. Weddell, Vice-President; N. E. DeHart, secretary. Mr. Chas. Shayler was elected Treasurer in place of L. J. Kelly, who has left town.

An executive of Mr. G. A. Meikle for base-ball, H. G. M. Wilson for aquatic sports, Mr. J. J. Davies football and Mr. F. Small for lacrosse was appointed. T. Treadgold was appointed trainer for base-ball; G. N. Kennedy, lacrosse and Albert Raymer, hockey.

The club has had a very successful year, both financially and in the sports. They have a cash balance in the bank of $104. Citizens will this year, as last, be asked to become members at the rate of $1 a year. The club expects this year to have a large membership. The boys coming home from overseas are all strong for athletics, and Kelowna should have some good sports.

It was decided by vote that the athletic club revive the skating rink, and a committee was appointed to look after this, and expect to have the rink ready in a week's time. The executive committee is also charged with the duty of making arrangements for a club room. It was also decided that a dance be held on Thurs. Jan. 30.

NOTICE

IN THE MATTER of the estate of Christopher Hargreaves, formerly Colliery Manager, of Springhill Mines, Cumberland County, N.S., and latterly of Kelowna, British Columbia, deceased.

NOTICE is hereby given that all creditors or other persons having any claim or demand against the estate of the above deceased, who died at Kelowna, B.C., on the 8th day of September, 1918, and probate of whose Last Will and Testament was on the 19th day of November, 1918, granted by the Supreme Court of British Columbia, to Elizabeth Hargreaves, Thomas J. Hargreaves and Samuel Jones, the Executers, are required to send in their claims to the undersigned, on or before the 15th day of February, 1919, after which date the estate will be dealt with having regard only to the claims and demands then received.

Any claim over $5 must be verified by statutory declaration.

Dated the 19th day of December, 1918.

R. B. KERR,
of 7, Rowcliffe Block, Kelowna,
British Columbia,
6-0 Solicitor for the above Executors.

NOTICE

In the matter of the Estate of Charles Edwards, late of Rutland, near Kelowna, B.C., Private Soldier, deceased.

NOTICE is hereby given that all creditors or other persons having any claim or demand against the estate of the above deceased, who was killed in action on or about the 8th day of April, 1917, and Letters of Administration to whose estate were on the 10th day of September, 1918, granted to The Royal Trust Company, are required to send in their claims to The Royal Trust Company, 732, Dunsmuir Street, Vancouver, B.C., the Administrator of the estate, on or before the 27th day of January, 1919, after which date the estate will be dealt with having regard only to the claims and demands then received.

Any claim over $5 must be verified by statutory declaration.

Dated the 12th day of December, 1918.

R. B. KERR,
of 7, Rowcliffe Block, Kelowna, B.C.,

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining rights of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the Northwest Territories, and a portion of the Province of British Columbia may be leased for a term of twenty-one years at an annual rental of $1 an acre. Not more than 2,560 acres will be leased to one applicant.

Application for the lease must be made by the applicant in person to the Agent or Sub-Agent of the district in which the rights applied for are situated.

Each application must be accompanied by a fee of $5 which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

In surveyed territory the land must be described by sections or legal subdivisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

The person operating the mine shall furnish the agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns shall be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to the Agent or Sub-Agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior.

Land Settlement Board Apportion Holdings

The Land Settlement Board have announced that on February 10th they will open the first allocation of holdings in settlement areas No. 1 and No. 2. A committee composed of three members of the board and four returned soldiers, representing the Army and Navy Veterans, Comrades of the Great War, Great War Veterans and the Provincial Returned Soldiers' Commission, will make the allotments and applications from returned soldiers posessing an honorable discharge are to have the first preference.

There are about ninety-five parcels in the first offering ranging in size from 18 acres to 320 acres, and in price from $3 to $15.40 an acre. The average run of the offerings is 160 acres at $6 to $7 an acre.

The applications under the board have to furnish information about their nationality, size of their families, previous farming experience and military service, if any. Owing to there being snow on most of the allotments at present, returned soldiers receiving allotments are to have the privilege of exchanging their land or having their money refunded up till April 1, 1919.

Printed Butter Wrappers

According to the new Dominion Government regulations all farmers who sell butter either to the stores or privately, are required to have it properly covered in a wrapper on which MUST appear in prominent letters the words "DAIRY BUTTER." The fact is also emphasized that all butter in such packages must be of the full net weight of sixteen ounces, and in default of same a fine of from $10 to $30 for each offence is imposed. Whey butter must be so labelled even when mixed with dairy butter and dairy butter retains its label though it be mixed with the creamery product.

You can be supplied with neatly-printed wrappers for your butter at the Kelowna Record Office, for the following prices:

100	PAPER & PRINTING INCLUDED	$1.50
200	" "	2.00
500	" "	3.15
1000	" "	4.50

These prices include Both the Paper, which is the best obtainable for the purpose, and the Printing of same. Please note this.

Owing to the extraordinary rise in the price of butter parchment (which has gone up over 100 per cent) we have been reluctantly obliged to raise our prices slightly. Nearly all this paper was previously manufactured in Belgium, and needless to say this supply has been entirely cut off. Unfortunately there is no guarantee against further increases, indeed, they are more than likely.

Kelowna Record
