Still Dissatisfaction Felt Over Road Work

Board of Trade Invites District Engineer to Meet Committee

Road matters still continue to hold the attention of the Board of Trade, and much discussion took place on this subject at Tuesday's meeting.

A letter from the Hon. J. H. King, minister of public works, was in answer to the Board's suggestion that an official be appointed solely in charge of the roads in the Kelowna district. Dr. King did not see the necessity for appointing further officials as the government now had a competent and efficient staff in district engineer Gwyer and road superintendent McAlpine. He was satisfied they were doing all in their power to take care of the road situation in the district so far as the money granted them would allow. He was of opinion that the roads were being taxed with heavier traffic than was anticipated when they were constructed, but it was the intention to improve them from time to time to take care of this traffic.

This raised a good deal of protest, especially from Mr. Hereron, who claimed that much of the road work being done was useless.

Mr. S. T. Elliott said that nine-tenths of the people in the district would not agree with Dr. King as to the competency of the staff, as resolutions had been sent in from all sides asking for the road superintendent's resignation. One had only to look at the roads, he said, to prove they were right. He contended further that they were not putting the proper material on the roads.

It was finally decided to ask Engineer Gwyer to pay a further visit to Kelowna and meet the Transportation Committee of the Board.

Mr. L. V. Rogers reported the result of an interview with the district road engineer, Mr. Gwyer, respecting the new road from Wilcox's corner to the Postil Ranch. He said that notwithstanding the protest of the Board the road would be built along the new line laid down by the engineer. Mr. Gwyer also stated that as soon as the ordinary grant for roads had been expended the emergency grant would be used and the money spent on the main travelled roads. The engineer had not been enthusiastic over the prospects of a Kelowna-Naramata road, but had promised to look into the feasibility of its construction.

A letter from the chief inspector of fisheries stated that an effort was to be made to introduce the fry of Kamloops trout into Okanagan Lake.

A number of delegates were appointed to attend the convention at Vernon regarding the hydro-electric development at Shuswap Falls.

Mr. Knowles reported that the special committee appointed to consider the advisability of the Board making exhibits at various exhibitions during the year, had recommended that only the provincial fair at New Westminster be selected for this purpose. It was admitted that even in this case little enthusiasm had been shown, and it was decided to take no action until next meeting.

The publicity agent of the C.P.R. gave notice that a cup would be offered for the best half bushel of hard spring wheat exhibited at the Kansas City Exposition on September 24th, and it was decided to advertise the fact for the benefit of local farmers.

The Vernon Board of Trade asked for a contribution of $7.50 toward the expense of putting up signs at Sicamous calling the attention of passengers to the Okanagan This was agreed to.

A complaint that the destruction of beavers had something to do with the shortage of water, it being maintained that their dams served to hold back supplies of water in the hills, was referred to the Game Association.

A letter from the Hon. Martin Burrell enclosing a communication from the Dominion Minister of Public Works made it clear that no post office would be erected in Kelowna this year, as no public buildings were being erected in the small cities owing to financial demands created by the war.

Replying to a complaint regarding rubbish by the roadside on Bankhead hill, Supt. McAlpine stated that it was the intention to do some grading and filling at that point and the rubbish would be either burnt or covered, and further deposits prohibited.

Some further discussion arose regarding the probable location of the suggested union station in Kelowna, some favoring asking the railway companies to place it on the Main street. As a difference of opinion existed on this point, however, no definite action was taken.

R. D. Sullivan was elected a member of the Board.

Will Consider Important Hydro-Electric Scheme for Okanagan Valley

A convention is being held in Vernon to-day to consider the matter of developing hydro-electric power from the Shuswap Falls east of Vernon and the Adams river in the Kamloops district.

The idea is to start a campaign to develop the power at these two points by means of the co-operation of the Dominion government and the various municipalities interested, with the object of providing electric energy for lighting systems and industrial purposes, with the possible ultimate object of electrifying the Kamloops-Kelowna branch of the C.N.R.

The invitation to this convention has been extended to all the municipalities, boards of trades, and all farmers' organizations from Kelowna to Kamloops.

Pretty Garden Fete Held at Benvoulin

Under the auspices of the United Farm Women of British Columbia, a most enjoyable garden fete was held at the home of Mrs. J. B. Fisher of Benvoulin on Thursday night last. Owing to the lovely evening a splendid crowd turned out. Mr. Trenwith had kindly installed the Delco light and lanterns which added greatly to the setting of the programme, which was lengthy, and to which many musical numbers were kindly contributed by Kelowna and Rutland.

Mr. J. W. Jones, M.P.P., opened with a few remarks which were followed by a Japanese song and dance by the Misses Bouvet and Black. Patsy Anderson and three others of the small pupils of Mrs. P. Anderson added considerably to their already enviable reputation during the five numbers which they contributed, of which the toe dancing was a special feature. Miss E. Fleming in a solo and Miss Ritchie and Mr. Bamling in a duet gave great credit as pupils of Mrs. Herga Ambler. Three solos given by Mr. McKenzie were enthusiastically received, as were those rendered by Mr. Brown. Other solos were contributed by Mrs. Gordon Scott, Miss Dalziel and Mr. Connell. Everett Fleming favored with a reading and Miss W. Homuth contibuted a splendid pianoforte solo. Accompaniments to the various solos and choruses were played by Mesdames Braden and Ambler to whom thanks are due.

Another splendid feature of the evening was the playette "From 'way Down East" put on by five members of the club. Following the play, Mrs. DeMara, retaining her costume as "Jeremiah Pike," recited "Grandpa's Toot to the City," which was well received by her many hearers.

Altogether the evening was a most successful one, both with regard to programme and refreshments which were served by twelve little Dutch girls, as well as from a financial standpoint. The proceeds which amounted to $109, will go towards the building of a community hall (Benvoulin's war memorial), which the farm women of the district intend to erect this fall.

Preparing to Float New Victory Loan

Preliminary preparations for the Dominion loan which is to be floated in the fall are under way. Now that the war is over and financial conditions are normal, it is regarded as probable that the loan will not be tax-exempted, as was its war-time predecessors. Should the government decide to follow this course, there is little doubt that the rate of interest will be made quite attractive as compared with the rate at which Victory Bonds can now be bought in open market.

The terms of the new loan and getting the organization together for making it a success will be one of the first problems to be taken up by the new minister of finance, when he is appointed.

Many Returned Men Arrived This Week

Returnd men have been coming in fast during the past week, every day's boat bringing one or more.

On Saturday Sergt. Chas. Kirkby and Capt. T. Leader came in. The former enlisted with the 48th early in the war, and the latter joined the Imperial Army in England.

On Monday J. H. Thompson of Okanagan Mission was the arrival. He has been with the Canadian Railway Corps in England.

On Tuesday Lt. Claude James, S. Neil, W. Easton and G. Reith, jnr., arrived. The former has had many exciting adventures with the motor boat patrol and has also served on a British destroyer. L-Corp. Easton has served for over three years with the Medical Corps in France, leaving here in 1915.

Yesterday Serg. Hirst, formerly second engineer at the power house, returned. He left in 1915 to join the Imperial Officers' Training Corps, but transferred to the 16th Canadian Scottish. He was wounded at Ypres and again at the Somme. He is staying with E. Fowler on Manhattan Beach for a few weeks.

Training has commenced for the bigger events in the regatta programme, and almost every evening either the light fours or the war canoe are to be seen. Much training will be needed for the crews of the former especially.

The British dirigible R. 33 Tuesday began final preparations for her flight to India. She expects to leave this week. She will go via France, Switzerland, Italy and Egypt, landing at Rome and Cairo.

Keep Friday, 18th free for the dance in the Glenmore school house given in aid of the Kelowna District Memorial Fund.

Vernon Man Takes Over New Theatre and Moving Pictures

A deal has been closed this week by which Mr. H. E. Berry of Vernon becomes proprietor of the local moving picture theatre, and in addition, of the large new modern opera house which is in course of erection. Purchase of the business from Mrs. Raymer has been under consideration for some time and final arrangements were made at the beginning of the week. The deal is an interesting one to Kelowna people for many reasons. Mr. Berry is in the "movie" business on a large scale, having control of the theatres in Kamloops, Vernon and Penticton. The acquisition of the local house will therefore complete a strong circuit which will no doubt enable the management to bring in many attractions otherwise beyond our scope.

The building is now being pushed forward again, some changes having been made to suit the views of the new proprietor.

The opera house in Kelowna has been associated with the Raymer family ever since the town could boast anything of the kind. The first Raymer's Hall was upstairs in the old wooden building which occupied the corner where Lawson's store now stands. Later the late H. W. Raymer built the Opera House fronting on Water street and recently destroyed by fire.

The moving picture business was first started about nine years ago by a man named Farquhar in what had been Campbell Bros. electric shop and now the Bowling Alley. After a few months the business was taken over by J. I. Campbell and later purchased by Robt. Duncan, who also leased the Opera House and combined the two.

Lady Visitor is Drowned Whilst Bathing

Efforts of Friends on Shore to Save Her Unsuccessful

Just as we go to press the news comes of a sad drowning accident off the city park, in which Miss Alice Stuart, a lady visitor, lost her life. Miss Stuart, who was a teacher in Saskatoon, has been spending her vacation here with her cousins, the Harveys. Shortly before six o'clock she had gone down as usual to bathe and chose a place about fifty yards beyond the Aquatic Association grandstand, possibly unaware that that is a most dangerous place, as the beach drops off so quickly into deep water. She was accompanied by Mrs. Jim Harvey and Miss Peggy Harvey, but these two ladies had not joined her in bathing. Apparently Miss Stuart got beyond her depth and not being a good swimmer took fright and sank almost at once. Her two companions made desperate efforts to reach her, Miss Harvey herself almost getting into difficulties several times. Being beyond the regular bathing place no help was at hand and by the time Mr. Foote, caretaker from the aquatic pavilion, and others could be summoned, the unfortunate young lady had been lost sight of. Mr. Foote dived in several times but was unable to locate her. Finally Reg. Weddell caught sight of her lying in deep water and she was brought up with grappling irons, having then been under water about twenty minutes.

Dr. Knox was in the pavilion at the time and Dr. Campbell was also summoned, and they used every means to restore her but without success. Naturally the unfortunate occurence has caused the greatest distress.

A telegram has been sent to Mr. Robert Stuart, of Vancouver, brother of the deceased lady, and he will no doubt be here as quickly as possible to make funeral arrangements.

Miss Stuart was well-known in Kelowna, having paid similar visits previously. She was to have left to-morrow for the coast.

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining rights of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the Northwest Territories, and in portion of the Province of British Columbia may be leased for a term of twenty-one years at an annual rental of $1 an acre. Not more than 2,500 acres will be leased to one applicant.

Applications for the lease must be made by the applicant in person to the Agent or Sub-agent of the district in which the rights applied for are situated.

Each application must be accompanied by a fee of $5, which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

In surveyed territories the land must be described by sections or legal subdivisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

The person operating the mine shall furnish the agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns shall be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to the Agent or sub-Agent of Dominion Lands.

W. W. CORY.

Deputy Minister of the Interior

Rutland News

(From our own correspondent).

Miss Olive Gaythorpe returned to her home in Vernon on Monday after spending a short visit with Miss Annie Gay.

A service to celebrate the signing of peace is to be held on Sunday, July 20th, in the Methodist church. There is to be special music and if the hot weather continues the service will probably be held on the parsonage lawn.

A dance is being arranged for Friday, July 25th in the Rutland schoolhouse. The affair is being arranged by the young people and any proceeds are to go to the Athletic Club. Refreshments will be provided, and the services of a Kelowna orchestra have been secured.

The annual meeting of the Rutland school district was held last Saturday evening and was very poorly attended. The retiring trustee, Mr. Barber, was induced to stand again, though he at first declined to do so. Other nominations being withdrawn he was declared re-elected by acclamation. The estimates of expenditure for the coming year were presented and amounted to $3,000.

The monthly meeting of the Women's Institute was held at the home of Mrs. W. McDonald last Thursday evening. Several important matters were discussed. Mr. D. McDonald, who has been keeping bees in this district for eleven years, gave an interesting talk, which should prove a great help to those who intend taking up this industry. A hearty vote of thanks was given the lecturer. Refreshments were served by Miss Gay and Mrs. Gray and a collection taken up for the Special Comforts Fund, which realized $4.

The baseball game last Saturday between Rutland and Ellison was cut short somewhat by the late start. Only five innings could be played and even then the last one had to be finished by moonlight. Moonlight, of course, is all right for certain pastimes, but it is not just the thing for baseball, and the game was a very ragged and uncertain one. Ellison got off with a good lead at the start and although Rutland pulled up considerably towards the end, they could not quite regain all the advantage they had lost, and the score ended 9-8 in favor of Ellison. Carney and Ferguson made a good battery for the Ellison team while Rutland had Quigley and Armstrong. An effort is being made to make arrangements for a series of alternate football and baseball games.

Don't forget the garden party to be held on Thursday, July 24th on the lawn of D. Lloyd-Jones, Bernard ave., in aid of the I.O.D.E.

Kelowna Troop.

Troop First; Self Last

Edited by Pioneer. July 15th, 1919

The 1919 troop camp has now passed into history, with its six preceding ones, and while we missed some of the old familiar faces, particularly a certain patrol leader who always used to sit as far away from the head of the table as he could, still it was a good camp. We had fine weather, if anything a little too fine, as some rain would have helped to cool things a little and lay the dust.

The trip to the railroad was most enjoyable and as one scout said, worth a whole camp in itself. Twenty scouts with the scoutmaster and Messrs. Barnes and Sulivan took part in this two day trip, and 14 of them went as far as Chute Lake. We are very grateful to Messrs. Barnes and Sulivan for getting in there with the packhorses, and as we propose publishing the winning camp diary in this column we shall say no more here about the trip or the camp. While the mountaineers were away the camp was left in charge of P.L. Taylor and Mr. H. J. Hewetson. We wish to thank Mr. Hewetson for his kindness in this respect.

Some kind friend whose name we do not know sent us down one day a box of black Bing cherries, whom we wish to thank very much. We also wish to thank the following: Mrs. J. W. Jones for 2 cakes; Mrs. Calder for a pot of baked beans; Mr. E. Weddell for a box of cherries; Mrs. Aitken for lettuce; Mr. Cunningham for more potatoes; Mrs. Boyce for two boxes of candies; Mr. Poole for bread, and Mr. R. L. Dalglish for a donation of $2.50 towards the camp expenses. We also wish to thank the following gentlemen for further car trips to camp since the last column was written: Messrs. F. C. Buck, L. V. Rogers, Geo. Harvey, Chas. McCarthy, F. A. Taylor, G. W. Cunningham, Geo. Rowcliffe and J. W. Jones, and Mrs. Windsor for notifying the different ones of our friends who had offered to make the car trips and arranging for the same.

As we left camp on Saturday the Cubs came in, and we left behind our camp outfit, including Fred the cook, for whose good work and never failing good temper we also wish to express our thanks.

There will be no further regular troop meetings for a time, but we hope that there will be many tests to take. Now is the time particularly for obtaining the Swimmer's and Rescuer's badges.

• • •

S.M. Zimmerman of Summerland passed through Kelowna on Monday with Mrs. Zimmerman on their way to Enderby for a trip, and he reported a very successful camp for the southern troop at Osoyoos Lake. They had one exciting sport which we omitted from our daily routine, and that was rattlesnake hunting. They obtained a bag of 20 altogether, the last one of which had taken a stand in front of head-quarters tent.

• • •

We have received an offer at our request for the sale of the Cedar Creek site, and as camp sites such as we require on Okanagan Lake are not likely to become more numerous, it is a very important matter for the future of the Boy Scouts in Kelowna. At an early date therefore we propose to call a meeting of all our parents and friends to consider the question of permanently securing control of the site.

BURROUGHS

Benvoulin Notes

Mr. and Mrs. Burtch have visiting them, Mr. and Mrs. E. Hall from Sarnia, Ontario.

Mr and Mrs. Friar from Winnipeg, spent a part of their honeymoon at the home of Mrs. Friar's aunt, Mrs. J. B. Fisher.

In the Benvoulin Presbyterian Church on Sunday July 20th, Peace Sunday will be observed with appropriate music and special address.

Misses Lucy and Myrtle Brock left on Tuesday morning's boat for Revelstoke where they intend spending a few days before going on to Vancouver. Miss L. Brock will return to teach at Oyama.

Miss D. Day took her Sunday school class for a picnic in the park on Wednesday. Lots of good things to eat were provided and the girls enjoyed the day swimming and had all kinds of fun.

Monster Dirigible Under Construction

The British Government has begun the construction of the largest dirigible that has yet been undertaken in the world, one that will carry an equipment of six air planes for its own protection against heavier-than-air craft.

The dirigible and the two hangars to be built for it will cost $9,000,000. It will have a capacity of 10,000,000 cubic feet, will be 1100 feet long, 137 feet in diameter and capable of lifting 100 tons, which would be more than double the lifting capacity of the R34, which has just made a round-trip voyage across the Atlantic.

The cruising radius of the new dirigible, which will be finished in from eighteen to twenty months, is given as 16,000 miles, and could, it is claimed, easily undertake the voyage from England to Australia.

Half a million head of cattle in Southern Alberta are on the verge of starvation and their plight is such that immediate steps on a considerable scale must be taken if they are to be saved. Such is the pessimistic report of the delegates assembled at Winnipeg for the meeting of the Canadian Council of Agriculture. The continued drought has destroyed all feed and the council had under advisement what relief measures it could recommend to the Dominion government to save the industry.

TOWN AND COUNTRY NOTES

Mr. and Mrs. Haigh, of London, Eng., were in town last week.

E. Marvin, once a resident of Kelowna, was in town this week from Salmon Arm.

Mr. and Mrs. F. C. Johnson, of Saskatoon, were visitors last Thursday.

Mrs. W. M. Armstrong came in from Summerland Monday to stay for a while.

Billy Crawford left for the coast last Saturday, where he hopes to take part in the Peace Day Celebrations.

Miss Arbuthnot left Monday for a holiday in the east where she will attend millinery openings in some of the large centres. During her absence Miss Patmore will be in charge of the store.

Mrs. W. E. W. Mitchell and family returned to Kelowna Saturday. Mr. Mitchell is expected to follow from the old country as soon as possible.

Following the heat wave of the week, the winds of yesterday afternoon and last night were very welcome to cool things off. It blew a little harder than was necessary to accomplish that end, however, but it did the trick.

The Hon. J. H. King, minister of public wores, was in Kelowna last Friday and Saturday. Dr. King was accompanied by A. E. Foreman, provincial engineer, and W. K. Gwyer, district engineer. The purpose of the visit was an inspection of the road work which is being carried on in the district, and besides motoring in from Vernon the party covered some of the principal roads of the district.

The wedding took place June 18th at Falmouth, England, of Thomas Drury Price, of Kelowna, B.C., eldest son of Mr. and Mrs. Thomas Price, of Falmouth, to Miss Irene Constance Cox. Mr. and Mrs. Price are leaving tomorrow for Kelowna where they will reside. It is good news to know for certain that "Dru" is coming back again, but still more pleasant that he will be bringing his bride with him.

The Okanagan Canning Co., which has been operating successfully at Benvoulin for the past two or three seasons under the ownership of Messrs. Duncan and Schell, is to make a considerable step forward this season. With the entrance of two new partners, Messrs. Jas. I. Campbell and Clarence Burtch, the concern has been regularly incorporated as a limited company. The plant is being reorganized to conduct a much larger business, and new plant is being added which will greatly increase the output and the range of products handled.

The Jack McMillan Chapter, I.O.D.E., are having a garden party on the lawn of D. Lloyd-Jones, Bernard Avenue, on Thursday, July 24th. Admission 25c. Excellent programme and amusements for the children.

The hospital authorities desire to thank the following for their donations during June: Ladies Hospital Aid, oxygen tank and $200 cash; Alex. McLellan, 2 sack potatoes; Mrs. R. Sweney, 3 lbs. honey; Watson Bros., 3 doz. eggs; Mrs. Temple, Groceries, 27 qts. canned fruit; Mrs. Benson, 2 doz. eggs; Mrs. F. Small, set of dishes for tray; a friend, chicken; Mrs. Small, rhubarb. Cash received from patients $446.25. Disbursements $981.49.

With the gallows already erected and the hangman through from the east, Alex. Ignace, of Kamloops, sentenced to pay the extreme penalty of the law for the murder of his wife, has been granted a reprieve by Mr. Justice Morrison for one month. In the interval petitions will go forward to the department of justice in a final effort to save the Indian from the hangman's noose.

Mr. Hay left this morning on a visit to Rochester.

Mr. and Mrs. H. E. Harvey, of Vancouver, were visitors Thursday last.

Miss Nilda Green, who has been visiting Miss Seon for the past month, left Tuesday for the coast.

Mrs. P. E. Wilson and daughters of Prince Rupert, were visitors in town last week-end.

The local stores are to stay open Friday evening on account of the holiday Saturday.

Mrs. Marvin is a visitor from Vancouver for a few weeks, and is staying with Mrs. Todd of Abbott street.

Ald. W. J. Mantle is a visitor at the coast this week. While there he will attend the hospital convention at Victoria.

H. W. Swerdfager has this week been promoted a step and will now be general agent for Kelowna, having charge of both passenger and freight services.

F. Winterford and family left this morning for the coast. Mr. Winterford had the misfortune to fall from the new theatre building some weeks ago dislocating his hip and is not yet able to undertake heavy work.

Judging of gardens in connection with the Women's Institute Flower Show will take place the beginning of next week. Entries in the gardens competition must be in the hands of the secretary by Saturday July 19th. Results will be made known at the Flower Show on August 2nd.

Capt. Brown, superintendent of the C.P.R. Lake and River Service for the province, passed through to-day on a trip of inspection. Special efforts are being made this year to handle the crop of the valley and no difficulty is anticipated. Plenty of men are now available to man the different boats and the service will be much improved in consequence. The s.s. Okanagan is to be put on again for fruit handling at the beginning of August.

The Okanagan Valley Lawn Tennis Association is holding an open tournament in Kelowna on the Club courts from August 4th to 9th. This event which has now been revived was an annual affair before the war and productive of much interest throughout the district. It is expected that there will be a large entry, representatives being looked for from Kamloops, Salmon Arm and Vancouver, as well as all the valley points.

There is a Refreshing Satisfaction

in wearing light, neat and comfortable well-fitting shoes in the summer time. They give one a relaxed feeling, which helps to make the fine days more enjoyable and the extremely hot weather more bearable. One must feel comfortable to be pleased, and the pleasure is increased with the knowledge that you are paying a FAIR price for your shoes. See my window.

The Fair Shoeman

Orchard City Evaporator Add New Branch

By the purchase of the aerated water manufacturing and bottling plant of the former Western Canners, Ltd., the Orchard City Evaporator has added a large and important branch to its growing business. The plant is a very complete one and though quite an extensive business has been done in the past, it is capable of considerable expansion. Bain Calder, eldest son of Mr. W. B. M. Calder, who lately returned from overseas, is to take charge of the outfit.

Lt. C. W. Stoess, R.N.V.R., left Tuesday for Vancouver after a stay in Kelowna of several weeks. He is returning shortly for the regatta and tennis tournament.

Rev. and Mrs. W. Riggs left on Monday for their home at Glen, California. Mr. Riggs occupied the Baptist pulpit last Sunday night giving a farewell address.

Printed Butter Wrappers

According to the new Dominion Government regulations all farmers who sell butter either to the stores or privately, are required to have it properly covered in a wrapper on which MUST appear in prominent letters the words "DAIRY BUTTER." The fact is also emphasized that all butter in such packages must be of the full net weight of sixteen ounces, and in default of same a fine of from $10 to $30 for each offence is imposed. Whey butter must be so labelled even when mixed with dairy butter and dairy butter retains its label though it be mixed with the creamery product.

You can be supplied with neatly-printed wrappers for your butter at the Kelowna Record Office, for the following prices:

100	PAPER & PRINTING INCLUDED	$1.50
200	" "	2.00
500	" "	3.15
1000	" "	4.50

These prices include Both the Paper, which is the best obtainable for the purpose, and the Printing of same. Please note this.

SEALED TENDERS addressed to the undersigned, and endorsed "Tender for Wharf at Okanagan Centre, B.C.," will be received at this office until **12 o'clock noon, Tuesday, August 5, 1919,** for the construction of a public wharf at Okanagan Centre, Yale District, B.C.

Plans and forms of contract can be seen and specifications and forms of tender obtained at this Department, at the office of the District Engineer at Chase, B.C., and at the Post Office, Okanagan Centre, B.C.

Tenders will not be considered unless made on printed forms supplied by the Department and in accordance with conditions contained therein.

Each tender must be accompanied by an accepted cheque on a chartered bank payable to the order of the Minister of Public Works, equal to 10 per cent. of the amount of the tender. War Loan Bonds of the Dominion will also be accepted as security, or War Bonds and cheques if required to make up an odd amount.

Note.-Blue prints can be obtained at this Department by depositing an accepted bank cheque for the sum of $10, payable to the order of the Minister of Public Works, which will be returned if the intending bidder submit a regular bid.

By order,
R. C. DESROCHERS,
Secretary.
Department of Public Works,
Ottawa, June 27, 1919. 34-5

WATER NOTICE

USE AND STORAGE

Take Notice that James Inglis, whose address is Kelowna, B.C., will apply for a licence to take and use 57 acre feet and to store 70 acre feet of water out of Duck Lake, which flows North and drains into Woods Lake about S.W. quarter of Sec. 22, Tp. 20.

The storage-dam will be located at outlet of Lake. The capacity of the reservoir to be created is about 538 acres. The water will be diverted from the stream at a point at the S.W. cor. of Lake, near the N.W. cor. of Dist. Lot 119, and will be used Irrigation purpose upon the Land described as Lot 2, being the North Easterly 23 acres of D. L. 122, Tp. 23.

This notice was posted on the ground on the 27th day of June, 1919. A copy of this notice and an application pursuant thereto and to the "Water Act, 1914," will be filed in the office of the Water Recorder at Vernon. Objections to the application may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliement Buildings, Victoria, B.C., within thirty days after the first appearance of this notice in a local newspaper.

The date of the first publication of this notice is Thursday, June 26th, 1019.

32-6 JAMES INGLIS, Applicant.

IN THE MATTER OF THE INSOLVENT ESTATE OF THOMAS DUGGAN, late of Kelowna, British Columbia, Farmer, deceased.

NOTICE is hereby given that Clara Duggan, widow, and Thomas David Ossian Duggan, farmer, both of Kelowna, B.C., the administrators of the estate of the above-named deceased, have made a declaration dated the 11th day of June, 1919, under Part VII of the "Administration Act," that the said estate is insolvent, and have filed the same in the Supreme Court Registry, at Vernon, B.C.

NOTICE is further given that a meeting of creditors of the said estate will be held at the office of the undersigned at 7, Rowcliffe Block, Kelowna, B.C., on the 30th day of June, 1919, at 10 o'clock in the forenoon, for the giving of directions with reference to the disposal of the estate.

NOTICE is further given that all persons having claims against the estate of the said deceased are required to send in particulars of the same verified by statutory declaration to the undersigned on or before the 28th day of July, 1919, after which date the administrators will proceed to distribute the estate, having regard only to such claims as shall have been received by the said date.

Dated the 16th day of June, 1919.
R. B. KERR,
Solicitor for the Administrators,
31-5 7, Rowcliffe Block, Kelowna, B.C.

Random Remarks

By the Chiel

"A chiel's amang ye takin' notes and feth, he'll prent them."—Burns.

There are men with a marvellous faculty for finding out things. One of this species while discussing the war with a group of gossips recently, made the startling statement that our fighting men "were not fighting all the time;" that they played football and indulged and other sports behind the lines, &c. He capped this amazing assertion by intimating that he knew of men who were never nearer the fighting line than 40 miles! How these army secrets do leak out! It passeth all understanding. Incidentally, I would like to say here what everybody knows, that vast numbers of our troops, not much if any nearer the firing line, were killed and wounded. I was not there to see, but men who have been in the thickest of the fight have told me, that at certain times the reserve lines were not nearly so free from danger as the extreme front.

• • •

During the whole period of the war we were always hearing of German substitutes for food, cloth, leather and such like; also the ingenious not to say gruesome devices for procuring fats. Altogether our late enemies were constantly demonstrating the truth, that "necessity is the mother of invention," and, to amend the proverb, of deception. That country of camouflage is still proving its fertility of resource, even unto the finding of substitutes for the Kaiser with regard to his trial for crimes against civilization. If those highly-placed gentlemen are actuated by brave and chivalrous motives in offering themselves, the beauty of their action is marred by the known impossibility of the offer being accepted. Assuming that these parties are moved by such honourable feeling as here suggested, then they provide a surprise packet for the world in general. Such qualities as honor and chivalry were most successfully concealed by the enemy throughout the last campaign.

• • •

The building of the new theatre will go on now straight to a finish, and will prove a decided asset to Bernard Avenue and the city. Let's hope that in addition to the movies we will have some good vaudeville shows with an occasional production of the legitimate drama.

• • •

Where is the Kelowna Musical and Dramatic Society gone to? They used to present some fine programmes of music and drama. Perhaps this admirable combination will get together and let us have some of their first-class entertainments again. Looking ahead to such a possibility I would beg to suggest that we might have a presentation of that old familiar Highland drama entitled "Rob Roy." There is a big enough number of the canny folk in the district to ensure a bumper house, and the play itself affords great opportunity for the exercise of histrionic and musical talent which this town and district have in abundance.

• • •

There appeared in one of the coast papers the other day an amusing and illuminating article on Scotland and the Highlanders of that ilk. According to the paper in which it appeared, the article was written by a German for the Germans. As a mixture of fact and fancy, it might have been written by a cockney.

• • •

After a highly painstaking and scientific description of the methods and operations of a fish in swimming, the teacher of a class in a Scottish school asked any of the members to give in their own way, a short explanation of how fishes swim. One eager youngster on being invited to give his account of the operation replied: "They shoogle their thingummies."
