Regular Meeting Of City Council

Pendozi Street Bridge is Again Topic for Discussion

The proposed repairs to the Pendozi street bridge again formed the subject of discussion at Monday morning's meeting of the city council. In accordance with the plans and specifications submitted at the last meeting, tenders had been obtained from several local contractors. The lowest of these was $590 for the whole of the work as laid down in the original plan, namely, concrete retaining walls or abutments built with a view of some day reducing the length of the bridge by filling in behind thewalls with earth. The price given for an alternative plan of merely putting in concrete mud sills andtimber supports was $230.

Several of the aldermen seemed to be of the opinion that the latter arrangement, though not so permanent as the other would probably serve the purpose for many years, and avoid the extra expense at the present time. Ald. Harvey, however, contended that the former, though involving at first a greater outlay, would in the end be more economical.

Finally Mr. F. W. Groves was called in for a consultation, and it was decided to place the matter in his hands to report to the council as to the best plan to put the bridge into a satisfactory state of repair.

It was decided to call for tenders for the operation of the street sprinkler for the season.

Ald. Harvey reported that his committee had made an investigation into the request of Mr. D. McMillan for permission to run an irrigation ditch down the lane north of Bernard apen. from Ethel street in order to put water on to his land on Richter street. The committee believed the ditch could be put in without inconvenience to any property owner, and recommended that the permission be given.

A resolution was passed to that effect.

An application from Messrs. Crowley & Co. for the cancellation of a subdivision of Blocks 45 and 46, Map 462, which had been passed by the council but never registered, was received and a resolution passed as desired.

Ald. Harvey reported that a request had been made by Mr. G. Chick for some improvement work to be done on Willow avenue, but as the work would cost considerable money, and only two people would be served, it was decided to inform Mr. Chick that his request could not be granted at present.

Mention was made of the discussion which had taken place at a previous meeting on the feasibility of reducing the water rate for gardening purposes. Ald. Buck stated that he had talked the matter over with the chief engineer and had found that it was not possible to do anything in the matter. Ald. Rogerson, however, suggested that the whole council should pay a visit to the power house and make an investigation.

An offer from Mr. Cal. Blackwood accompanied by a cheque to redeem his property, forfeited at the tax sale was accepted, and arrangements made for the execution of the necessary documents.

Several items of correspondence were dealt with, and a list of accounts passed for payment.

Annual Meeting of the South Okanagan Liberal Assn.

The annual meeting of the South Okanagan Liberal Assn. was held on Saturday in the Board of Trade room, at 10 o'clock. Mr. W. C. Kelley, of Summerland, president, was in the chair, and fifty-four delegates from all parts of the riding, were in attendance.

The election of officers for the coming year resulted as follows: Hon Pres., Premier H. C. Brewster, hon. vice-pres., L. V. Rogers, pres. D. W. Sutherland, Kelowna; vice-pres., A. Town, Peachland; 2nd vice-pres., K. Hogg, Summerland, sec.-treas., C. H. Jackson, Kelowna. Executive: T. J. Garnett, Summerland; P. S. Roe, Naramata; J. H. Herrington, Peachland; J. L. Dobbin, Westbank; H. C. Chaplin, Bear Creek; H. Hill, Okanagan Mission; J. E. Reekie, East Kelowna; D. McEachren, Benvoulin; S. T. Elliott, Rutland; J. F. Guest, Ellison; G. C. Hume, Glenmore; D M. Clarke, Woods Lake.

Various matters referring to the irrigation problems were dealt with as well as the general welfare of the riding.

It was decided to arrange a new constitution and the executive were empowered to arrange the details to be ratified by each of the local organizations.

A unanimous resolution was passed endorsing the government's proposal to pass a Civil Service Act.

The matter of recommendations for government appointments was under discussion, but resulted in a resolution being given effect that no recommendations for appointments were to be made, as it was felt that the government's hands should not be tied and that such matters should come under the new civil service regulations. A recommendation was also approved of that the Association take steps to enable women to become members.

A vote of thanks was extended to the retiring president, Mr. W. C. Kelley, for the very efficient work he had done.

Review of Valley's Financial Condition

Well Attended Meeting Hears Interesting Address by Mr. W. G. Benson

There was a large attendance Tuesday evening at what was one of the most interesting meetings of the Board of Trade held for along time past.

An interesting feature of the meeting was an address from Mr. W. G. Benson on the subject of the present financial condition of the valley.

In discussing the financial situation, he said, we had to bear in mind that this was an agricultural district, and that our prosperity depended entirely upon the products of the farm. Twenty years ago the total value of agricultural products was comparatively small, but probably the per capita value was greater than it is today. This value was derived principally from cattle, grain, and hay. The farmers were prosperous, and that prosperity in its limited way would probably have continued had not later events wiped out the two main sources of income—cattle and grain. With the coming of the land speculator the herds of cattle disappeared, and grain growing was abandoned. For a few years after, the money in circulation was brought in by new-comers, and by remittances and borrowings from abroad. Credit was easy. Merchants ran up large accounts on their books, and money could be obtained from the banks almost for the asking.

Most of the money was spent in development work by companies and individuals, and created a prosperity which in itself was not lasting, but which should have laid a solid foundation for our agricultural industry. Unfortunately the real estate boom which swept over the whole country, inundated this valley, and especially the city, with all its evils. Real estate broking became the popular pursuit of many men who by training and experience were unqualified to handle matters of this kind. To their incompetence can be traced many of the losses which are being carried today.

The declaration of war, continued Mr. Benson, created a financial panic throughout Canada, and great credit was due to the Bankers' Association, who practically control Canadian finance, for the manner in which they had mastered the situation. Credit was tightened everywhere, merchants endeavored to collect in their accounts and to get on to a cash basis, and the banks exerted pressure to call in loans, and practically ceased making new ones.

This forced the people back to the land and the products of the soil to pay their debts and to earn a livelihood. The year 1914 was the hardest in the history of the district, and the outlook in 1915 was farfrom reassuring The Cannery, however, was reorganized and a Creamery established, and these two institutions were responsible for a large proportion of the money circulated at that time.

In 1916 high prices prevailed and were taken full advantage of by an increased production. A notable fact was that for the first time for many years, beef, pork, and local made butter were sold on the coast markets. The importance of this could scarcely be exaggerated, as showing that we had overcome the adverse trade balance, having previously imported large quantities of these products.

The season of 1917 promised a very heavy crop, and it seemed likely that high prices for farm products would continue for some eime after the war Mr. Benson believed that the financial position of the district was on a sounder basis than ever before, the foundation having been laid intelligently in hard times, and with a better appreciation of the value of money.

He did not believe that a return to good times would mean that real estate prices would return to their boom level, but would mean increased business activity in all lines. Properly handled the increased production would mean increase of population, and the general prosperity to follow would be of the soundest kind.

He referred to the problem which would be created by the returned soldiers, and heartily approved of suggestion of Mr. J. S. Dennis, of the C. P. R., that the army should not be disbanded immediately upon it return, but that no soldier should be discharged until he had secured employment. This was a most practical and economical solution of the difficulty, and would avoid the evils sure to follow if inexperienced men were placed upon the land and left to depend upon their ability to make a farm pay.

In conclusian he emphasized the importance of the irrigation question, for if the water were allowed to fail, it would mean the bankruptcy of the valley, and set us back to the days of twenty years ago when cattle and grain were the only products.

Mr. Benson was heartily thanked for his interesting address.

A report from the executive mentioned the fact that the Board had now over $300 on hand with a paid membership of 68. Satisfactory secretarial arrangements had been made at a cost of $10 per month, and the publicity committee was procuring data for the issuing of a new booklet, which was much needed to satisfy the many enquiries which were being received almost daily.

Messrs. Baldwin, Lysons, Cox, Burns and Trench were accepted as new members of the Baard.

A resolution was passed urging the government to take steps to clear Mission Creek of loose timber and rubbish which would be a source of dan-

(Continued on Page 4.)

Rutland News

(From our own Correspondent.)

Mrs. S. T. Elliott and Pearl left on a visit to the coast yesterday.

C. H. Craig has enlisted in the Foresters.

The Enterprise Club has decided to postpone indefinitely the concert and dance which they were arranging.

Miss Jennie Clever had the misfortune Tuesday to slip on the ice and injure her knee.

News was received Tuesday that Clarence Whittaker had been wounded in France. He sustained a slight bullet wound in the wrist.

The Wanless family and Mr. Milton Bird returned this week from the prairie to take up their residence again in Rutland.

On Friday evening while driving away in the darkness from the concert in the schoolhouse, Mr. Coventry met with an unfortunate accident. In the mix-up the shafts of the buggy were broken, but happily no one was seriously hurt.

At a meeting of the United Farmers Monday a plan was discussed of increasing the number of telephone subscribers in the district with a view to getting a reduction in the rate. A movement was also started to secure improvements in the mail service.

A very successful banquet and concert was held Friday evening in the Rutland school-house to raise funds for disabled soldiers. There was a large attendance from town and the surrounding district. Mr. S. T. Elliott presided, and following the excellent dinner, toasts were proposed to "The King," "The Army and Navy," to which Mr. D. Leckie responded; "Our Boys at the Front," the Rev. T. Griffiths making a very sympathetic response; and "The Ladies," to which Mr. L. V. Rogers replied. Following the dinner an enjoyable concert was held. The handsome sum of $15.65 was realized over all expenses. The committe desire to thank the people of Rutland, Ellison, and Kelowna for their kind contributions and help, and also the girls and boys who acted as waiters.

Commence Operations On New Raymer Block

A start is being made this week in clearing the site for the rebuilding of the Raymer block. Though the plans have not yet been definitely decided, it is understood that Messrs. Lawson, Ltd., will have their old store again, though the layout ofthe ground plan may be rather different. The old Opera House is to be eliminated from Water street, and the stores extended back to the lane. The site of Crawford's old store will probably be reserved for a new Opera House, and between this and Lawson's will be another store. Modern store fronts are to be put in, and the appearance of the whole corner will be greatly improved. It is not yet decided whether the building is to include second storey or not.

WAR LOAN

DOMINION OF CANADA

Issue of $150,000,000 5% Bonds Maturing 1st March, 1937

Payable at par at Ottawa, Halifax, St John, Charlottetown, Montreal, Toronto, Winnipeg, Regina, Calgary, Victoria, and at the Agency of the Bank of Montreal, New York City.

INTEREST PAYABLE HALF-YEARLY, 1st MARCH, 1st SEPTEMBER.

PRINCIPAL AND INTEREST PAYABLE IN GOLD.

ISSUE PRICE 96.

A FULL HALF-YEAR'S INTEREST WILL BE PAID ON 1st SEPTEMBER, 1917.

THE PROCEEDS OF THE LOAN WILL BE USED FOR WAR PURPOSES ONLY.

THE MINISTER OF FINANCE offers herewith, on behalf of the Government, the above-named Bonds for Subscription at 96, payable as follows:—

10 per cent on application;
30 " 16th April, 1917;
30 " 15th May, 1917;
26 " 15th June, 1917.

The total allotment of bonds of this issue will be limited to one hundred and fifty million dollars, exclusive of the amount (if any) paid for by the surrender of bonds as the equivalent of cash under the terms of the War Loan prospectus of 22nd November, 1915.

The instalments may be paid in full on the 16th day of April, 1917, or on any instalment due date thereafter, under discount at the rate of four per cent per annum. All payments are to be made to a chartered bank for the credit of the Minister of Finance. Failure to pay any instalment when due will render previous payments liable to forfeiture and the allotment to cancellation.

Subscriptions, accompanied by a deposit of ten per cent of the amount subscribed, must be forwarded through the medium of a chartered bank. Any branch in Canada of any chartered bank will receive subscriptions and issue provisional receipts.

This loan is authorized under Act of the Parliament of Canada, and both principal and interest will be a charge upon the Consolidated Revenue Fund.

Forms of application may be obtained from any branch in Canada of any chartered bank and at the office of any Assistant Receiver General in Canada.

Subscriptions must be for even hundreds of dollars.

In case of partial allotments the surplus deposit will be applied towards payment of the amount due on the April instalment.

Scrip certificates, non-negotiable or payable to bearer in accordance with the choice of the applicant for registered or bearer bonds, will be issued, after allotment, in exchange for the provisional receipts.

When the scrip certificates have been paid in full and payment endorsed thereon by the bank receiving the money, they may be exchanged for bonds, when prepared, with coupons attached, payable to bearer or registered as to principal, or for fully registered bonds, when prepared, without coupons, in accordance with the application.

Delivery of scrip certificates and of bonds will be made through the chartered banks.

The issue will be exempt from taxes—including any income tax—imposed in pursuance of legislation enacted by the Parliament of Canada.

The bonds with coupons will be issued in denominations of $100, $500, $1,000. Fully registered bonds without coupons will be issued in denominations of $1,000, $5,000 or any authorized multiple of $5,000.

The bonds will be paid at maturity at par at the office of the Minister of Finance and Receiver General at Ottawa, or at the office of the Assistant Receiver General at Halifax, St. John, Charlottetown, Montreal, Toronto, Winnipeg, Regina, Calgary or Victoria, or at the Agency of the Bank of Montreal, New York City.

The interest on the fully registered bonds will be paid by cheque, which will be remitted by post. Interest on bonds with coupons will be paid on surrender of coupons. Both cheques and coupons, at the option of the holder, will be payable free of exchange at any branch in Canada of any chartered bank, or at the Agency of the Bank of Montreal, New York City.

Subject to the payment of twenty-five cents for each new bond issued, holders of fully registered bonds without coupons will have the right to convert into bonds of the denomination of $1,000 with coupons, and holders of bonds with coupons will have the right to convert into fully registered bonds of authorized denominations without coupons at any time on application to the Minister of Finance.

The books of the loan will be kept at the Department of Finance, Ottawa.

Application will be made in due course for the listing of the issue on the Montreal and Toronto Stock Exchanges.

Recognized bond and stock brokers having offices and carrying on business in Canada will be allowed a commission of three-eighths of one per cent on allotments made in respect of applications bearing their stamp, provided, however, that no commission will be allowed in respect of the amount of any allotment paid for by the surrender of bonds issued under the War Loan prospectus of 22nd November, 1915, or in respect of the amount of any allotment paid for by surrender of five per cent debenture stock maturing 1st October, 1919. No commission will be allowed in respect of applications on forms which have not been printed by the King's Printer.

SUBSCRIPTION LISTS WILL CLOSE ON OR BEFORE THE 23rd OF MARCH, 1917.

DEPARTMENT OF FINANCE, OTTAWA, March 12th, 1917.

REVIEW OF VALLEY'S FINANCIAL CONDITION

(Continued from Page 1.)

ger at the time of high water.

The roads and transportation committee submitted a revised list of recommendations regarding road work in the district. These included the oiling and dressing of the macadam road from the city to Barlee's; the dressing with crushed rock of the road from Barlee's to Renfrew's corner, and the grading of the road from there on to Wilcox's corner; the replanking of the main bridge at Five Bridges, and th one near Dilworth's, and the repairin of the bridge near the Belle Vue Hotel

A proposal regarding a new stretch of road from Wilcox's corner north through the Bulman property was referred back to the committee on account of the unexpected opposition of Mr. Bulman himself, who pointed out that it would work a serious hardship by cutting a valuable piece of land in two. The road had been started some years ago, but owing to representations which he had made to the government it had been abandoned. He deprecated the action of the committee in reviving the scheme without consulting him as owner of the property.

It was pointed out that the committee had been under the impression that the road was already gazetted, but as there was no desire to ride rough-shod over anyone's interests, it was agreed to refer the matter back for further information.

The committe had also made investigations regarding the road from Mc Cullough to Carmi, and believed that the total 19½ miles could be put into good condition for $10,000.

The Board decided to endorse the action of the B. C. Dairymen's Association in seeking better facilities from the Dominion Express Co. for the shipment of milk and cream.

Mr. P. B. Willits pointed out that in Alberta farmers were given special rates up to 200 miles, while in B. C. the radius was restricted to 75 miles. The Kelowna Creamery, which was urgently needing more cream in order to satisfy demands for its product, had lately had enquiries from prospective shippers from Princeton and other points to Penticton. As Penticton was counted 65 miles by the boat, most of these places were outside the radius. In this connection there was also the difficulty regarding the boat connection at Penticton, cream having to stand over for twenty-four hours at that point.

It was decided to send a delegate to present these matters before the Railway Commission at Nelson.

A good deal of discussion arose out of the situation created by the British apple embargo, concerning which action was being taken by the B. C. Fruitgrowers' Association.

Mayor Sutherland suggested that the Board take up the question of through telephone connection with the coast, and Mr. J. Ball recommended that an attempt be made to make the weekly half-holiday more uniform, as some were now observing Thursday and some Saturday.

Orders for Local Scouts

Kelowna Troop
Troop First; Self Last

Edited by Pioneer. Mar. 20, 1917

Orders by command for week ending 31st of March.

DUTIES: Orderly Patrol for week, Beavers; next for duty, Curlews.

PARADES: The combined troop will parade at the club room on Wednesday, the 28th instant at 7.15 p.m.

The rule applicable to Second class scouts, published in last week's column mean that all must pass at least five of the tests for First class badges by the end of next June, or obtain one proficiency badge. As an alternative within that time and by the end of January next year, they must either have completed the first class tests or have obtained two proficiency badges. We hope that we shall have several badges before the end of June, to present at the concert which will be held about the end of April or beginning of May.

Patrols wishing to have time to practice basket ball by themselves, should arrange with the scoutmaster for this immediately. The Beavers are out with a challenge to any other patrol in the troop for a game. The troop is also out with a challange to any other team in town.

On Friday of this week at 7.15 p.m. we shall have a game between two teams of small scouts, and at 8 o'clock between two teams of bigger boys. We shall be glad if any friends of ours interested in the game will attend at these times and see how it is played, as well as any others who wish to learn how it is played.

We publish below some more of the new B.C. Rules:

Procedure prior to enrolment:

1. A boy wants to join.
2. Give him a recruit form, and tell him to bring it back, filled in next meeting.
3. On receiving back recruit form, give him a membership card, explaining that he will not be registered until he has been enrolled as a scout (see rule 15-investiture of scouts.)

He must pass his tenderfoot examination within three months from date of joining. He must have perfect attendance and good conduct marks.

(All tenderfoot instruction must be given by or under the supervision of the leader of the patrol to which he is attached.)

Examination - verbal.

Standard necessary to pass - 85 per cent.

4. When he is formally enrolled, the troop secretary shall enter his name on the troop register, together with other particulars required. His troop number will be the next vacant number.
5. A troop number does not effect any case of seniority.

Procedure after Enrolment.

Tenderfoot Scout. A tenderfoot scout must pass an examination (verbal or written) in at least four of the required tests in second class work ithin four months from date of becoming a tenderfoot scout, and within 9 months he must pass a full examination in second class and tenderfoot work - standard necessary to pass second class examination, 75 per cent.

Will Start Labor Exchange

The Kelowna Farmers' Institute have arranged to start a Labor Exchange to bring together those who want help and those who are looking for jobs. It will be run on lines similar to those of the British Labour Exchanges and the local exchange will be in close connection with the government exchange which they promise to start at the coast.

Mr. R L. Dalglish, the secretary of the Institute, will take applications each afternoon from employers needing help and from those who want employment. He will also be glad to have suggestions made to him as to how the labor exchange can be made most useful. It is proposed to keep in touch with all the lake points, the immigration officer at Penticton, and with other places from where labor can be brought.

If possible, the women of the district who are willing, will be organized for fruit picking and other light work, and the elder scholars also will be given a chance to volunteer for national service and help in the labor shortage.

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining rights of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the Northwest Territories, and in a portion of the Province of British Columbia, may be leased for a term of twenty-one years at an annual rental of $1 an acre. Not more than 2,500 acres will be leased to one applicant.

Applications for the lease must be made by the applicant in person to the Agent or Sub-Agent of the district in which the rights applied for are situated.

In surveyed territory, the land must be described by sections, or legal subdivisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5 which will be refunded if the right applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns shall be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10 an acre.

For full information application should be made to the secretary of the Department of the Interior, Ottawa, or to the Agent or Sub-Agent of Dominion lands.

W. W. CORY.
Deputy Minister of the Interior.

TOWN AND COUNTRY NOTES

The usual monthly Church of England service will be held at Rutland on Sunday next, at 3 p.m.

The W.C.T.U. have arranged to hold a sale of home cooking on Easter Saturday, April 7th.

A bridge and five hundred drive in aid of the Prisoners of War, is to be held April 11th. The time and place will be announced later.

Mr. and Mrs. Monford and family take this opportunity of expressing their sincere thanks for all kindnesses extended to them in their recent sorrow.

The annual meeting of the Kelowna Tennis Club is to be held next Monday evening, March 26, at 8 o'clock in the office of Messrs. Mantle & Wilson.

More names have been added this week to the list of casualties affecting the district. News came in Tuesday that Pte. Hartwick, of Rutland, Henry Berard, of the Mission, and Clarence Whittaker, of Rutland, had been wounded.

The first day of spring was heralded by a heavy fall of snow, which made things look as though we had stepped back into mid winter. The temperature, however, did not fall to any extent, and by night most of the beautiful had vanished.

The new school at Okanagan Mission is rapidly nearing completion, and a "house warming" in the form of a dance is to be held on Thursday, April 12th, in aid of Red Cross funds. Further details will be given later.

We have been asked to draw attention to the fact that the period fixed by the government for the filling in of the "National Service Cards" expires on the 31st of this month. There are still a large number of people in the district who have not yet filled in these cards, and notices are being sent out urging such to comply with the regulations without delay.

The regular monthly meeting of the Ladies' Hospital Aid will be held in the usual place on Monday, March 26th, at 3.30. As important matters are to be discussed all members are requested to be present.

A public lecture on "Japan and European Civilization," will be given by Mr. K. Iwashita (at the request of the Equal Franchise League), on Monday, March 26th, at 8.30 p.m., punctually, at the Board of Trade room. A collection will be taken at the door for Prisoners of War relief.

Recruiting officers G. L. Allen, E. W. Wilkinson and Lupton have been busy in the district for the past week seeking recruits, and as a result of their efforts a contingent of eleven left Monday morning for Vernon to go through the business of signing on. Bert Ellison, Douglas Hestor and H. B. Kennard (Náhun), are making application to join the Flying Corps, while W. McTavish, T. McNab and Wm. Woods, of East Kelowna, E. Small of the Mission, C. Craig, Rutland, Harry Williams, Ellison, and A. Smith, Kelowna, are joining the overseas draft of the C.M.R.'s. Bob Stillingfleet is joining as a bugler.

Miss Marjorie Leckie returned from the coast yesterday.

Mr. and Mrs. W. T. Ashbridge arrived yesterday from Toronto on a visit to Kelowna.

Mrs. G. Patterson left this week on a visit to her daughter Rosa, in response to a telegram, announcing sudden illness.

A dance in aid of the Red X will be held in the Mission creek schoolhouse on Friday, March 30.

Mr. E. Newby, who has just undergone an operation for appendicitis in the hospital, is reported to be progressing favorably.

Reserve Good Friday evening, so that you can attend the "Messiah," to be rendered with a chorus of thirty, in the Methodist church.

That a second member of his family had given his life in the war was the sad news received in a wire Tuesday by Mr. D. K. Gordon. The information was brief and to the effect that his brother, Sapper John Gordon, with the British Expeditionary Force in Mesopotamia had been killed. Early in January another brother, from Summerland, was killed whilst serving with the Canadians in France.

Mr. Geo. Ward had a stroke of bad luck this week. Monday morning he started in with a gang of men to take down the remains of the opera house walls in preparation for rebuilding. He had mounted to the top of the front wall and was standing over the arched door, when a loose brick upset his balance and he fell a distance of some sixteen or eighteen feet. He sustained a broken arm and was considerably shaken and bruised about the head and body.

The Kelowna Women's Institute had a very gratifying attendance at the Shamrock tea given by them on Saturday last in the home of Mrs. L. V. Rogers. The house and tea tables were prettily decorated in keeping with the day set apart to the patron saint of the Emerald Isle. Dainty refreshments were served to the guests by Misses McNaughton, Weddell, Leckie and Sutherland. Solos rendered during the afternoon by Mrs. Ambler, Mrs. Trenwith and Miss Chesterfield, were greatly enjoyed. The total receipts amounting to $40 are being given towards aiding the Y.M.C.A. work among the soldiers.

The Right Rev. A. J. Doull, D.D. Bishop of Kootenay, visited Kelowna, on Monday last. He arrived by car with the Rev. H. A. Solly who motored over from Summerland and Peachland, where the bishop had been holding confirmations. In the evening he confirmed a class of nine candidates, who were prepared and presented by the rector. The bishop's address was on the Christian warfare, based on Eph. vi. 11-"Put on the whole armour of God, that ye may by able to stand against the wiles of the devil." The church was well filled with an attentive and deeply interested congregation. The bishop left Tuesday morning for Vernon. During his stay he was the guest of Mrs. W. C. Cameron, of Guisachan House.

Ferry, Kelowna, Okanagan Lake

In accordance with chapter 85, R.S.B.C., 1911, "Ferries Act," the government of British Columbia invite applications for a charter for a ferry to ply between Kelowna and a point on the opposite side of Okanagan Lake, known as Westbank Ferry Slip.

Applications, endorsed "Tender for Ferry, Kelowna, Okanagan Lake," will be received by the Honorable the Minister of Public Works, up to 12 o'clock noon of Monday, the 26th day of March, 1917.

The charter will cover a period expiring on the 31st March, 1918.

The ferry shall make two trips each way every day, weather permitting.

The time of departure from and arrival at Kelowna shall be arranged so that connection can be made with the Canadian Pacific Railway Company's steamers.

Applicant shall give a description of the vessel or vessels it is proposed to use, which must conform in all respects to the requirements of "The Canada Shipping Act, 1906," and amending Act.

All children who are travelling to and from school shall be carried free of charge.

Applicants shall state the tolls they propose to ask for—

Each adult passenger.
Each child (not in arms) under thirteen years.
Each head of cattle, horse, mule or donkey, etc.
Each calf, sheep, goat or swine, etc.
Each vehicle with one horse and driver.
Each cart or wagon with one horse and driver, loaded.
Each vehicle with two horses and driver, unloaded.
Each vehicle with two horses and driver, loaded.
Each automobile and driver.
Each parcel of 25 lb. and under.
Freight, per 100 lb. and under, non-perishable goods.
Freight, per 100 lb. and under, perishable goods.

To the successful applicant, the Government of British Columbia will pay, at the expiration of every three months of satisfactory service, the sum of two hundred and fifty dollars ($250).

The Government of British Columbia is not necessarily bound to accept the lowest or any application submitted.

J. E. GRIFFITH,
Deputy Minister & Public Works Engineer.
Department of Public Works,
Victoria, B.C., March 8th, 1917.

Westbank News

(From our own Correspondent.)

Mr. C. Butt, of Gellatly, paid a visit to Kelowna last week-end.

Miss L. Morrison, of Peachland, who has been here taking the place of Miss Weeks, returned to her home on Friday night.

Mr. Curtis Hitchner, of Glenrosa, was a passenger to Kelowna on Friday. He is expecting to go to the prairie in the near future.

Mrs. Masson Russel arrived home again this week after a prolonged stay on the other side of the lake.

Once again the packing school is postponed and this time indefinately owing to the sickness on the part of some friend of the instructer.

Westbank needs an express agent appointing for the coming season. Why not ask Mr. Jones to see to it while he is out there. Get busy somebody and see to it.

News has been received that Mr. Adams who purchased the Mandeville place some time ago, has done his bit at the front, and has been sent home to the convalescent hospital.

Mr. J. H. Campbell was over to Kelowna this week, taking with him his daughter Geraldine who had to pay a visit to the dentists again.

Miss F. E. Weeks who has been absent from school for about a month has returned to her duties again, paying, what we hope to be her final visit to the docter on Saturday.

Mr. Chesboro is in Westbank again looking after the orchard work in connection with the Dept. of Agriculture, meanwhile being a guest at the Lakeview Hotel. He has given pruning lessons in the Okanagan Centre district.

Mr. and Mrs. Linstrum and daughter, left on Fridays boat for Penticton, where they intend staying a short time, visiting friends, and seeing the orchards in that vicinity before their return to the prairie for the summer.

The piledriver has been busy this week on the new wharf Mr. D. E. Gellately is building on the Bushrie ranch. It will save a lot of hauling, to load the produce there and like the cellar will soon pay for itself.

Mr. and Mrs. J. Michells and son of Okanagan Landing are guests at the Lakeview, while Mr. Michells who is engineer on the piledriver is at work in the district.

Keep up the Food Supply and Help Make Victory Sure

"I AM assured that my people will respond to every call necessary to the success of our cause—with the same indomitable ardour and devotion that have filled me with pride and gratitude since the war began."

HIS MAJESTY KING GEORGE

OUR soldiers must be fed; the people at home must be fed. And—in spite of Germany's murderous campaign to cut off the Allies' Food supply, by sinking every ship on the High Seas—an ample and unfailing flow of food to England and France must be maintained.

This is National Service—
Not to the Farmer only—
But to YOU—to everybody—
This appeal is directed

WE must unite as a Nation to SERVE—to SAVE and to PRODUCE. Men, women and children; the young, the middle aged and the old—all can help in the Nation's Army of Production.

EVERY pound of FOOD raised, helps reduce the cost of living and adds to the Food Supply for Overseas.

For information on any subject relating to the Farm and Garden, write:
INFORMATION BUREAU
Department of Agriculture
OTTAWA

PLANT a garden—small or large. Utilise your own back yard. Cultivate the vacant lots. Make them all yield food.

WOMEN of towns can find no better or more important outlet for their energies than in cultivating a vegetable garden.

Be patriotic in act as well as in thought.

Use every means available—
Overlook nothing.

Dominion Department of Agriculture
OTTAWA, CANADA.
HON. MARTIN BURRELL, Minister.
