Regular Meeting of City Council

Fire Brigade Makes Further Protest Against Rigs Tied in Street

In the absence of Mayor Sutherland Monday evening, Ald Rattenbury was elected to preside at the regular meeting of the city council. There was little business of an important nature, however, and the attention of the meeting was taken up for the most part in consideration of correspondence.

The Fire Brigade wrote a little indignantly concerning the reception which had been give a suggestion made recently regarding the number of rigs tied up in the neighbourhood of Lawson's corner and possible difficulty in getting near the hydrant to make hose connection in case of fire. The recommendations were made quite seriously, the letter stated, and the conditions complained of constituted a serious danger to life and limb of the public as well as the Brigade, as well as a serious menace to the efficiency of the Brigade. In view of the stand the council had taken, the letter stated, the Brigade desired to notify the council, that they would not be responsible for any damage to the apparatus, men or public vehicles arising from those conditions, which in the opinion of the Brigade could very easily be remedied without damaging in any way the appearance of the city as a busy-looking town, and without working any hardship on the driving public. Ald. Meikle was delegated to discuss the matter with the Fire Brigade.

Ald. Mantle expressed the opinion that at the last meeting it was practically decided to make a charge for pumping to the sewerage disposal grounds the liquid emptied into the sewers by the canning and evaporating plants, but he noticed that nothing had been said about this in the letter to Mr. Hayes.

The city clerk pointed out that although the matter had been discussed no definite decision had been made. Owing to the absence of the Mayor it was decided to leave the question over until the next meeting.

A discussion as to whether all owners of buildings fronting on the sewers should be served with notice to connect up at once if they had not already done so, also resulted in no action being taken.

Mr. G. A. Chick sent a request that the council should make some repairs on Wilson avenue.

A resolution was passed raising the salary of sewer foreman Sabine to $105 per month.

Ald. Mantle reported that it was the intention of the Public Works Committee to have a cinder walk constructed on Water street north, of the C.P.R. tracks. He also stated that one of the packing houses had constructed a driveway which had filled the street gutter to a depth of three feet, thus flooding adjoining property. The council decided that such obstructions could not be permitted.

Mr. D. Leckie came in this afternoon after a lengthy visit east.

Pte. Gore of Westbank and a son-in-law of Mr. Balsillie is expected back in Kelowna tomorrow.

THEODORE ROBERTS
LASKY-PARAMOUNT

Appearing at the local theatre Tuesday

Rutland News

(From our own Correspondent.)

Mr. J. S. Fleming has been visiting his brother here this week on his return to Summerberry, Sask., after spending a holiday in California.

The Girls' Enterprise Club are going to serve tea and hold a sale of work in the Prisoners of War tea room on Saturday, March the 30th.

Mr. Mills paid a flying visit to his sister, Mrs. W. H. Fleming, last week-end, leaving for the coast intending to travel as far north as Prince Rupert and then across the Peace River country back to Edmonton.

At the Womens Institute meeting on Friday afternoon March 16th a very practical demonstration of beauty culture was given by Mrs. Browne of Kelowna, which included face massage, scalp and hair treatment. &c. Unfortunately there was not time for the manicuring lesson, but the members are hoping to be favoured with another visit from Mrs. Browne soon.

Mrs. G. Monford, assisted by her daughter Lella, Miss J. Clever and and Miss K. Campbell, served a dainty tea. The proceeds amounting to $7.60, were given to our Fund for Prisoners of War. This institute now has forty members.

Mr. W. G. Schell sold his residence and twenty acres last week to Mr. Hamel of Edmonton, who, with his family are already in possession.

The Young Peoples Society have decided to join with the members of the Womens Institute, in the adoption of a private of the 172nd Battalion, who is now a prisoner in Germany.

The Red X Committee would like to receive donations of old linen and cotton, white flannel and blankets. Parcels should be sent to the Store, c.o. Mrs. Hardie.

There was a good attendance at the United Farmers meeting on Monday evening in the school, but only seven ladies were present. Mr. L. V. Rogers gave an interesting talk on Proportional Representation.

Mr. and Mrs. W. Ashbridge arrived from Toronto on Tuesday.

Miss Blanche Ford returned on Wednesday after an extended holiday in the East.

Benvoulin Notes

Mr. and Mrs. A. Burrell have taken up their resideece in the Ferguson house at Bankhead.

Mr. D. McEachern left Saturday for his wheat farm on the prairie. He was accompanied by his mother as far as Vernon.

Mr. J. Kennedy from Miami, spent a week-end recently with Mr. T. Renwick and family.

Miss M. Patterson spent the week-end with Mrs. E. A. Day.

Pte. Roy Fallis arrived home recently and has now received his honorable discharge on account of poor health.

Miss K. Conlin arrived home on Friday morning having resigned her position with the Trail Smelting Co.

The spring is here it is indeed,
Farmers are planting tomato seed;
The birds have come, just hear them sing—
They are the harbingers of spring.

Mrs. Lee, sister of Mrs. Brent, who was here for a short visit left Monday for Vancouver.

TENDERS

Are called for collecting and delivering cream to the Creamery for the district along the main Vernon Road from Mr. Dickson's Ranch to Mr. Renfrew's corner, for six months from the 1st of April 1918; three trips a week to be made, and the cream to be delivered to the Creamery by 10 o'clock a.m. Tenders to be in by the 27th March 1918, and the price to be quoted per pound cream.

In 1917 the number of cans was 13. The total weight of cream was 84,296 lbs. The highest month averaged 525 lbs. per trip, lowest month 184 lbs. per trip.

Useless to Further Ask For Free Ferry

Board of Trade Desides to Urge for Increased Subsidy

The question as to whether the Board of Trade should persist in its endeavors to induce the government to grant a free ferry service between Kelowna and Westbank, or drop the idea as impracticable and seek instead to have the annual subsidy increased so as to allow for a lower scale of charges was the subject of a lively discussion at Tuesday's regular meeting.

Although this question of a free ferry has always been heartily supported by the Board, there seems to be a strong feeling at the present time that as there is not the slightest chance of the government acceding to the request for a free ferry, it is not wise to continue asking for it.

Following upon a resolution at previous meeting, the roads and transportation committee had submitted a resolution as follows:—

Whereas the ferry connecting Kelowna and the westside of the lake is the only link in the main trunk road between Vernon and Penticton, and is also the only public means of transportation for those settlers in the vicinity of Bear Creek;

And whereas, the tariff on vehicles crossing by this ferry is so high as to make it practically impossible for these settlers to bring their produce to market, at Kelowna, on their vehicles, thereby making it necessary for them to truck their fruit and empty boxes, on this side, on hired drays at an additional expense of from seven to ten dollars per load.

And whereas, we are informed that the Provincial Government maintains and operates a free ferry service at Sorento, Mission City, and other places throughout the province;

And whereas, this matter, on previous occasions, has been submitted to the Government without results;

Therefore be it resolved, that the Kelowna Board of Trade should strongly protest against the discrimination thus shown this district, which materially retards the development of the district, and also the increased production so needed at present; and should urge that a free ferry service similar to that at other points in the province be established and maintained by the Provincial Government, at Kelowna. Provided that if at the present time it is found that conditions will not permit the granting of service equal to that of other districts, previously mentioned, we would strongly recommend that the subsidy be increased to an amount which would cause the existing tariff to be raduced to a more equitable basis, until the time when conditions will warrant the placing of this district on an equal basis with other districts of the province which have a free service.

Mr. H. F. Rees objected to making an alternative request. He believed the Board should ask for either one thing or another. Personally he thought the Board would be wiser in view of the circumstances, in asking for an increased subsidy and dropping the other part for the present.

This suggestion met with decided opposition from Mr. Hereron, who made a vigorous protest against this treatment of the report of the Roads and Transportation Committee, of which he was a member. This was the second time they had brought in a recommendation which had been turned down, and if that was the treatment they were going to get he for one was through with it. He disclaimed the latter part of the resolution altogether, which, he said, had been added by the resolution committee, and believed that if the Board were to go after the government vigorously for a free ferry something would be done.

Mr. L. V. Rogers spoke at some length on the matter. He did not think the committee had any reason for offence if their suggestions were not adopted, as any suggestion they might make was subject to the approval of the whole Board. He felt that in view of financial conditions in the province it was quite impossible to obtain a free ferry, and therefore advocated asking for the increased subsidy. It had been estimated some time ago that the operation of the ferry by the government would mean an expenditure of not less than $5,000 a year and with the increased traffic sure to come if it were free, this would be no doubt very much increased. There was only a limited amount available for public work in the district and if it was spent in providing a free ferry it would not be available for putting the roads into shape, a purpose which was quite as necessary as the ferry. He moved that the request of the Board be for an increased subsidy.

Mr. R. B. Kerr said there was no such thing as a free ferry. If it was not paid for out of the fares of the travelling public it had to be paid for out of taxes. He questioned whether there were sufficient people interested in a free ferry to warrant taking the large sum which would be required to maintain it out of the appropriation for the whole district. On that account he would second Mr. Roger's motion.

Mr. Hereron, however, held to his original idea, and withdrew in great disgust when the amendment carried.

WORK ON MISSION CREEK

The president's report also related what was being done in regard to protecting Mission Creek from floods. Late in February the farmers affected by an overflow of Mission Creek asked the assistance of the Board in formulating some scheme to assess land owners to pay for improvements in the creek bed and banks. The council appointed vice-president Mantle to meet with the farmers and he reported later that a plan of assessment had been arrived at by which promise of over $600 had been received. At a later meeting of the council the road superintendent, Mr. McAlpine and the new road engineer, Mr. Gwyer, were present, and when the matter came up for consideration the latter stated that he had authority for promising that the government would put up an amount equal to that raised by the farmers, and that the spending of the money would be in the hands of a committee appointed by themselves.

An effort was made by the Publicity Committee to induce a party of farmers who were reported to be leaving Portage la Prairie for B.C., to visit Kelowna, and an invitation was wired to the Board of Trade of Portage la Prairie to that effect. It was learned later that the party had not materialized.

A letter from the Kamloops Chamber of Commerce asking for support in a project to have the P.G.E. Ry. link up with the C.N.R. at Kamloops instead of Ashcroft was laid on the table, no action being taken owing to lack of information.

AUTO CLUB BEING FORMED

A report was made of some preliminary work which had been done toward the formation of an Automobile and Good Roads Club for Kelowna. The committee, which consisted of Messrs. L. V. Rogers, P. DuMoulin and M. Hereron, had a few days ago issued circulars pointing out the advantages of such an organization, and had already received about forty favorable replies. It was decided that there must be at least 75 members before going ahead with definite organization. It was stated that the club would not be confined to owners of cars only, but all who were interested in good roads might join.

Next Dairymen's Convention to be Held Here

That the next convention of the B.C. Dairymen's Association would be held in Kelowna was the information received in a brief letter from Mr. T. A. F. Wiancko this week. This decision has been arrived at by the executive of the Association after careful consideration of the claims of various other districts, and it is no small tribute to Kelowna and its advantages from a dairyman's point of view, that this district should have been selected. The convention is the most important event of the year to British Columbia dairymen, and as such it has usually attracted from 250 to 300 visitors from all parts of the province. To entertain so large a number of delegates will no doubt involve considerable preparation and co-operation, and although the time is yet far distant there is no doubt that local committees will need to plan well ahead if the event is to be a success. Last summer a smaller supplementary convention were well entertained in Kelowna but the main annual convention is a much larger affair and will need careful organizing. It is usually held in January or the early part of February, the last one having taken place only a few weeks ago at Chilliwack.

This is "Enlistment Week" for the "Soldiers of the Soil" and all boys between the ages of 15 and 19 should give in their names at once to Mr. Rogers. As already stated this is a movement in which all boys too young to fight can still do their bit at home in helping to increase production. A medal will be awarded for three months service.

The Importance of Seed Testing

In these days of stress it is important that no labor shall be lost in agricultural production, therefore we must be sure that none is wasted at the start of production, viz., with the seed. Few in normal times take the trouble to do any seed testing—just taking a chance that the seed has good germination power. To-day when stocks of seeds are low, it is known that seed of fairly low vitality is being put on the market the world over, so that it is very essential that germination tests be made.

Seed testing is a very simple matter. Count out 100 seeds, place them between folds of moist flannel or blotting paper, and place these between two plates; keep in a warm room and count the sprouts at from three to six days and so determine the percentage of germination. Beans, corn and large seeds should be tested between folds of flannel, ordinary vegetable seeds and grain between blotting paper. Start the children off at seed testing, it will interest them to procure this useful information. Official certificate of germination can be obtained by sending samples of seeds to J. A. Fryer, Dominion Seed Analyst, Calgary.

Mr. Johnson, lately from India, and now of New Westminster, is on a visit to his mother and sister this week.

Miss Lena Wilson returned this week from a visit to Chase, where she has been staying with Mrs. McDonald (Fanny Copeland).

Mr. G. A. Melville, of Glenmore, has this week moved into town with his family having rented his farm for a while.

A dance has been arranged for Easter Monday in Morrison Hall in aid of the Red Cross.

Mr. D. Leverington and Mr. M. Edie of Glencoe, Ontario, who have been spending the winter in Kelowna visiting the former's aunt Mrs. Grigg, left by Monday morning's boat for Rosetown, Saskatchewan.

HARKER—To Mr. and Mrs. A. N. Harker, at Harewood House, Birkdale, a son. (By cable.)

Income Tax Forms

Are now available

Returns must be filed on or before 31st March

THE Dominion Income War Tax Act requires you to fill in one or more of the five special Forms provided before 31st March, 1918. In order to assist the public to understand just what is required of them, information on each Form is given below. Read carefully, then get three copies of the form that fits your case and fill them in. Answer all questions fully and accurately. For making false statements, **a penalty of $10,000 or six months' imprisonment, or both, is provided.**

Individuals.—All persons unmarried, and all widows or widowers without dependent children, whose income is $1500 a year or more, must fill in Form T1. All other persons whose income is $3000 or more, use the same Form. Where any income is derived from dividends, list amounts received from Canadian and Foreign securities separately. Fill in pages 1, 2 and 3 only. Do not mark on page 4. Partnerships, as such need not file returns, but the individuals forming the partnerships must.

Corporations and Joint Stock Companies, no matter how created or organised, shall pay the normal tax on income exceeding $3000. Use Form T2—giving particulars of income. Also attach a financial statement. Under Deductions, show in detail amounts paid to Patriotic Fund and Canadian Red Cross or other approved War Funds.

Trustees, Executors, Administrators of Estates and Assignees use Form T3. Full particulars of the distribution of income from all estates handled must be shown as well as details of amounts distributed. A separate Form must be filled in for each estate.

Employers must use Form T4 to give names and amounts of salaries, bonuses, commissions and other remuneration paid to all employees during 1917 where such remuneration amounted in the aggregate to $1000 or over.

Corporation Lists of Shareholders.—On Form T5 corporations shall give a statement of all bonuses, and dividends paid to Shareholders residing in Canada during 1917 stating to whom paid, and the amounts.

Figures in every case are to cover 1917 income—all Forms must be filed by 31st March. For neglect, **a fine of $100 for each day of default may be imposed.**

In the case of Forms T1 and T2, keep one copy of the filled in Form and file the other two with the Inspector of Taxation for your District. In the case of T3, T4 and T5, keep one copy and file the other two with the Commissioner of Taxation, Dept. of Finance, Ottawa.

Forms may be obtained from the District Inspectors of Taxation and from the Postmasters at all leading centres.

Postage must be paid on all letters and documents forwarded by mail to Inspector of Taxation.

Department of Finance,
Ottawa, Canada

Orders for Local Scouts

Kelowna Troop
Troop First; Self Last

Edited by Pioneer. Mar. 12, 1918

ORDERS by command for week ending March 30, 1918.

DUTIES: Orderly patrol for week Eagles; next for duty, the Otters

PARADES: The combined troop will parade at the clubroom on Wed. and Sat. Mar. 27th and 30th at 7.15 and 2.15 respectively.

• • •

At the Wednesday parade with the assistance of Miss E. Jones at the piano and Mr. Geo. McKenzie as instructor, we shall hold our first singing practice for the concert. As the time is short we therefore wish to make the most of the time our busy friends are able to give us. We are putting on four songs this year and the Cubs another, so shal. have lots of music. Whether the Kazoo Orchestra materializes remains to be seen.

At the moment of writing we have been neither able to borrow nor rent a piano for our rehearsals and it looks serious, but we live in hopes.

• • •

The time has been extended to the last of this month for those Scouts who have failed to obtain their First Class or two Proficiency Badges within the year, and at that time they have to report further to the Court of Honour. We have difficulty in always finding examiners for those who wish to try tests so it is not altogether the fault of the scouts. Scout Robert Duncan of the Otters passed his signalling and Kim's game tests for the Second Class badge last Saturday. Miss Miller of the Kelowna Hospital was also good enough to give a demonstration of the requirements for the Missioners Badge to several scouts on Saturday, and will take the tests later. We appreciate very much indeed the assistance Miss Miller is giving us in this respect and the call it makes upon her busy time.

• • •

At the basket-ball matches on Friday last the Eagles and Wolves defeated the Otters and Beavers respectively. Penticton says. she will be able to give us a game if we can field a senior team against them. We do not mean the Penticton Troop but the city generally. We hope to be able to arrange a game with them, and we again challenge any has-been, present or would-be basket ball players to a match.

• • •

You must all have read and heard of the Soldiers of the Soil movement during the last few weeks, and this week sees the close of the enlistment period. We understand the movement has "caught on" in great style amongst the boys at the coast, and it remains to be seen whether the farmers of the province also take up the plan. It is not meant as a remedy for the high price of Oriental or alien labour by providing a cheaper substitute therefore—the interference with the boys' education by taking them from school is far too serious a thing for that—but it is meant as a plan to keep up or increase the production of those food stuffs and products which are necessary to the winning of the war, by providing help where there is none to be otherwise had. In our particular district the help is generally required more in the latter half of the season in connection with the harvesting of the crops, but whenever it is required of us we must be prepared to give it with a will. If during the first two weeks in July, when we always hold our troop camp, local production is suffering a want of labour, then we shall not hold a camp. It is therefore of the utmost importance to us that the farmers should let us know whether and what help they require of us through lack of available labour. The more serious question is the leaving of school now, but we understand that even if you sign the enlistment forms, your leaving school is subject to your parents' consent and your attaining a certain standing at school. We trust. therefore, that every member of our troop attending school who is of the required age will sign the form, and work hard to reach the standing which will enable his services to be used if called upon. As you will be remunerated for your work it cannot count in connection with our War Service Badges, but it is war work of vital importance just the same.

MOTHER GAVE THIS DELICATE CHILD VINOL

And He Got Well and Strong. That's True

Monaca, Pa.—"My little boy, who is the youngest of three, was weak, nervous and tired all the time, so he was most unfit at school, and nothing seemed to help him. I learned of Vinol and gave it to him. It has restored his health and strength and he has gained in weight."—Mrs. Frederick Sommers, Monaca, Pa.

Vinol is a constitutional cod liver and iron remedy for delicate, weak, ailing children. Formula on every bottle, so you know what you are giving them. Children love it.

P. B. WILLITS & CO., Kelowna
Also at the best druggist in all British Columbia towns

Famous Danish Violinist Coming

"Skovgaard," Denmark's greatest violinist, and the Metropolitan Company will appear at the Kelowna Theatre next Monday, March 25th. This eminent artist needs no introduction to the music lover of Canada. In the past nine years he has filled more than 1,500 engagements through America and his name is as well known as Ole Bull's and Rememji's. He is a pupil of Joseph Joachim, the king of violinists. He has appeared before King Christian, king of Denmark, King Oscar of Sweden and won honors at the Royal Academy of London. His recent tour through the United States has been most successful, playing to packed houses in every city.

Alice McClung, who will appear with "Skovgaard," is a pianist of national reputation. She appeared in concert at the age of seven. Her early instructions were received from her mother, a noted Danish pianist. Alice McClung is a great ensemble player having a thorough acquaintance with the chamber of music of the great composers. On many tours through the United States and Canada she has won for herself a large following of musical people and is an established favorite wherever she appears.

LAND REGISTRY ACT

Re Block 35, Map 462, City of Kelowna

NOTICE is hereby given that I shall at the expiration of one month from the date of the first publication hereof issue a Certificate of Indefeasible Title to the above mentioned lands in the name of the Royal Trust Company (Trustee) unless in the meantime valid objection is made to me in writing. The holder of the following documents relating to said lands, namely:

1. Release, dated 14th day of July, 1894, of Mortgage, S. Mcl. F. McIver Campbell to Leon Lequime of one half interest in Block 35, Map 462.
2. Deed, dated 2nd July, 1894, Bernard and Leon Lequime to William Haug of Block 35, Map 462.
3. Mortgage, dated 4th July, 1894, William Haug to Thomas Willing Stirling of Block 35, Map 462, and RELEASE of said Mortgage dated November 5th, 1895.
4. Mortgage dated 19th March, 1901 Colin Simson Smith to Rose Hadfield of Block 35, Map 462, and Release dated 18th October, 1905, Rose Ann Hadfield to Colin Simson Smith.

is required to deliver the same to me forthwith.

Dated at the Land Registry Office, Kamloops, B. C., this 14th day of March, 1918.

C. H. DUNBAR,
District Registrar.

LAND REGISTRY ACT
(Section 24)

In the matter of an application for duplicate certificate of title No. 5288D issued to Simon T. Elliott covering 79.61 acres of S.W. quarter of Section 25, Township 26, Osoyoos Division, Yale District.

Notice is hereby given that it is my intention at the expiration of one month from the date of first publication hereof to issue a duplicate certificate of title covering the above lands to Simon T. Elliott, unless in the meantime I shall receive valid objection thereto in writing.

Dated at the Land Registry Office, Kamloops, B.C., the 15th day of February, A.D. 1918.

C. H. DUNBAR,
14-8 District Registrar.

NOTICE

In the matter of the estate of Rembler Paul, late of Kelowna, in the province of British Columbia, deceased.

Notice is hereby given that all creditors or other persons having any claim or demand against the estate of the above deceased, who died on the 18th day of November, 1916, and Probate of whose Will was on the 31st day of October, 1917 granted to The Royal Trust Company, are required to send in their claims to The Royal Trust Company, 732, Dunsmuir Street, Vancouver, B.C., the executor of the estate, on or before the Tenth day of April, 1918, after which date the estate will be dealt with having regard only to the claims and demands then received.

Any claim over $5 must be verified by statutory declaration.

R. B. KERR,
of 7, Rowcliffe Block, Kelowna, B.C.,
16-0 Solicitor for the Executor.

WATER NOTICE

DIVERSION AND USE

Take notice that Francis J. Nicholas, whose address is Rutland Post Office, B.C., will apply for a licence to take and use 500 gallons per day of water out of Buck Creek, which flows South and drains into Mission River about centre of Lot 4086. The water is to be diverted from this stream at a point about one half mile north of Mission River and will be used for Domestic and Irrigation purposes upon the land, described as lot 4086. This notice was posted on the ground on the 18th day of February, 1918. A copy of this notice and an application pursuant thereto and to the requirements of the "Water Act" will be filed in the office of the Water Recorder at Vernon. Objections to the application may be filed with the said Water Recorder, or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B.C., within 30 days after the first appearance of this notice in a local newspaper. The date of the first publication of the notice is Feb. 21, 1918.

14-8 FRANCIS J. NICHOLAS.

TOWN AND COUNTRY NOTES

Miss Sarah Grant was a passenger Tuesday for Wolseley, Sask.

The name of J. Carter, Kelowna, appeared in Tuesday's casualty list as having been gassed.

Manager Henderson of the Bank of Montreal, Vernon, was in town Tuesday.

Messrs. J. E. Reekie and G. Chick left yesterday for Ottawa in connection with fruit business.

Mr. and Mrs. J. L. Pridham returned Tuesday from a visit to the coast.

Mrs. R. J. Sproule is giving the tea at the Prisoners of War room on Saturday.

Mr and Mrs. G. Barret, of Glenn avenue, returned Monday from Vancouver, where they have been spending the winter.

The drawing for the picture presented by Mrs. Brent to be raffled for the benefit of the Red Cross, was decided this week. Mrs. W. C. Cameron was asked to perform the solemn ceremony of selecting a number from the hat and strangely enough the number she picked out was her own!

In the terrific storm of wind and rain which sprang up unexpectedly Sunday night many people were aroused from peaceful slnmber to a feeling of uneasiness as to whether the roof would hold or the chimney maintain its perpendicular. Those with light, flimsy and alas! as is only too common, empty barns, got up at daybreak half expecting to see a vacant space instead of a building. Some little damage was actually done but fortunately not much.

In connection with the "Soldiers of the Soil" movement, the Department of Agriculture has issued application forms to be filled in by all those who require the help of these older boys during the summer. Mr. W. E. Scott asks that all who expect to need this help will fill in an application form which can be obtained at the Farmers' Institute.

Next Sunday morning in the Baptist church the Rev. W. Arnold Bennett will preach on "The Hidden Manna and White Stone." At the evening service his topic will be "The Quest for Divine Wisdom." At both morning and evening services the ordinance of believers' baptism will be administered.

The Rt. Rev. J. J. Doull. Bishop of Kootenay, came in Saturday last to conduct communion service at St. Michael's church. He left Monday on his return to Vernon.

There was a very large attendance at the "Bird Lecture" given in the public school last Thursday by Mr. L. E. Taylor, and those who were fortunate enough to be there had the pleasure of listening to a most entertaining and instructive address. Some startling and unusual facts were learned about members of the feathered tribe, and the collection of mounted birds added still further to the interest. A sum of $41.50 was handed over to the hospital as the net proceeds

Kelowna Steam Laundry

Under New Management

On and after April 1st, Mrs. C. A. V. Butler intends taking over the business connected with the Kelowna Steam Laundry, free of all previous liabilities, from S. M. Gore.

The business will be run on a strictly cash basis and she hopes all former customers will continue to patronize the Laundry, and she and her co-workers will do their level best to give satisfaction. 18-9

Say, Men

Just leave off talking about the Shoes I am selling for a few days, so that I can get another consignment in. If you don't, well, all I can say is, you cannot be supplied by me

QUICK REPAIR WORK

DARK, the Shoeman

Opposite Royal Bank Kelowna

Mayor Sutherland and G. Ritchie left Monday on a visit to Keremeous.

Capt. (Dr.) B. F. Boyce was in town over the week-end, leaving Monday for Vernon.

Mr. and Mrs. E. Bigger were passengers for Calgary Monday.

Mr J. W. Currie left Monday morning on a visit to Calgary.

The regular monthly meeting of the Ladies' Hospital Aid will be held in the Red Cross room on Saturday afternoon, March 23rd, and will again take the form of a "sewing bee."

Mr. Jock Stirling left Saturday for the coast to join the militay draft, after having disposed of his household goods here. He will endeavor to enter an artillery unit.

The second of a series of war conservation demonstrations will be given by Miss Alberta M. Macfarlane on Monday next, the 25th, at 3 p.m. in the domestic science kitchen. Subject, "The Cooking of Tough Joints of Meat."

Mr. R. H. Helmer is holding a "pruning day" at the Summerland Experimental Station on Thursday, March 28th. The demonstration will be from 2 to 5 p.m. and a cordial invitation is extended to all who are interested to attend. The orchards at this station are younger than the majority in the Kelowna district; but there are sure to be interesting points under discussion and as the roads by that date should be good for cars, Mr. Helmer hopes that some of the Kelowna orchardists will motor over.

East Kelowna News

Messrs. Budgen & Taylor, of Edmonton, Alta., have moved on to their fruit ranch purchased from Mr. H. B. Lloyd.

Miss Kate Coubrough is preparing Easter eggs which will be sold at five cents each. These will be on sale at East Kelowna store, and the proceeds donated to the Red X. In order to still further swell the fund a doll's house, which will be exhibited in Thos. Lawson's window, will be raffled, tickets for the same being procurable at 15c each.

The ladies of the K.L.O benches who are Red X workers, are requested to attend afternoon tea at the home of Mrs. Carruthers at 3 p.m. Thursday, April 4th, when tea will be provided by Mesdames Reekie and Carruthers. All members that are able are requested to attend, as all articles will be on view after they are marked ready for their sale in Kelowna which will be held on Saturday, April 6, in the store near the post office recently occupied by Thos. Lawson, Ltd.

Corp. G. H. Fox is at present visiting his sister Mrs. A. H. S. Wright, and will leave in a short time for Kamloops or the coast where he has to go for six months' treatment. It will be remembered that Corp. Fox was wounded in the shoulder by shrapnel, also being badly gassed whilst in the trenches. He enlisted with the 54th and went overseas more than two years ago. Everyone extends a welcome to Corp. Fox, who is well known in the Kelowna district.

Pumps Water Anywhere for One Cent per 100 Gallons.

Why pump water by hand when a Leader Home Water System will deliver it under high pressure—anywhere—for less than 1c per 100 gallons?

There is a Leader outfit designed to fit every possible requirement—deep well—shallow well—cistern—lake—spring or river.

Leader
HOME WATER SYSTEMS

Pump and tank go in basement or other convenient place. Remember no personal attention is required for satisfactory operation of this outfit. At the turn of a aucet you will have plenty of water anywhere, any time.

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining rights of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the Northwest Territories, and a portion of the Province of British Columbia may be leased for a term of twenty-one years at an annual rental of $1 an acre. Not more than 2,560 acres will be leased to one applicant.

Application for the lease must be made by the applicant in person to the Agent or Sub-Agent of the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections or legal subdivisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of $5 which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns shall be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to the Agent or Sub-Agent of Dominion Lands.

W. W. CORY.
Deputy Minister of the Interior.
