Big Drive for Red Cross Funds Next Week

Meeting Saturday to Organize for a Collecting Campaign

A big drive for funds in support of the work of the Canadian Red Cross has been scheduled for the week of Dec. 9th to the 15th. The work of the Red Cross, of course needs no explanation at this late day. There are thousands of wounded soldiers who have been cared for through its agency who are only too eager to testify to the splendid work it has done, is doing and must continue to do for some time yet. For the work of the Red Cross has not ended because of the armistice.

Here are some of the responsibilities the Red Cross still has to support: (1) Care of Canadian prisoners of war on German soil during the period of demobilization, transport, home-coming, and repatriation in Canada; (2) Care of sick and wounded Canadian soldiers and sailors in field hospitals, base hospitals, convalescent homes, and specializing hospitals in England and France so long as any such remain; (3) Care of sick and wounded Canadian soldiers and sailors in Canadian hospitals; (4) Maintenance of complete Red Cross establishments, with personnel and supplies for the Canadian army of occupation in Europe for so long a time as any Canadian forces remain in Europe; (5) Care, service and comfort for Canadian forces during demobilization; (6) Demobilization of Red Cross active service establishments in England and France and the return of surplus Canadian Red Cross workers overseas to civilian life. (7) Maintenance of complete Red Cross establishments with personnel and supplies for Canadian forces in Siberia under the direction of Lt.-Col. Dennis, recently appointed Red Cross commissioner to Siberia. (8) Relief for the destitute sufferers of the war.

This list covers a sufficient programme to justify a most urgent appeal for funds, and it is hoped to raise a sufficient sum next week to enable the Red Cross to carry on its work fully and efficiently.

Kelowna did well with the Victory Loan and will do so again in this smaller way. The returns from Red Cross work are not measured in terms of interest-bearing coupons, but are a record of the most unselfish efforts by the splendid women and men who in every hamlet, town and city throughout Canada have for more than four years given of their time and substance in an endeavor to alleviate the pain, hunger and distress of the gallant boys who, at what sacrifice we well know, have blazoned the name and spirit of Canada upon every fighting field in this great war.

This is probably the last great effort in the direction of raising funds. Indeed, it is in Kelowna the first, for no really organized effort has ever been made to secure funds, the money for materials, &c., having been supplied by a faithful few who have stood by the local committee generously.

British Columbia is asked to raise $250,000, much less than one per cent. of the amount asked for the Victory Loan, and Kelowna's quota will possibly be in the neighbourhood of $2,000. Surely there should be no difficulty in raising such a sum here for such a purpose.

A meeting is to be held Saturday afternoon in the Methodist church for the purpose of organizing forces to make the collection. The notice has been very short and the weather is beginning to present some difficulties. The public are therefore asked to make things as easy as possible for the canvassers.

Deaths from influenza in England and Wales, including London, aggregated 5108 last week and more than 32,000 in the last six weeks. At Sunderland, where there were 9000 cases, the election campaign was seriously impeded and canvassing and other features were abandoned.

Letter from Health Officer

To the Editor Kelowna Record,

Dear Sir,—Now that the epidemic of influenza seems practically a thing of the past so far as the city and surrounding district is concerned, I would like, as medical health officer, to tender my sincere thanks to all who assisted in various ways to minister to the wants of those stricken by the disease.

I would like especially to thank the nurses and young ladies who voluntarily took part in the actual nursing of the sick in the emergency hospital, and in many of the homes of the city. Their intelligent and untiring devotion to most arduous duties was most commendable. Miss Rankine as matron, with her staff of nurses and volunteers, Miss Measures, Nurse Edgell, Miss Metcalf, Miss Reichenbach, Miss Caldwell, Miss Davies and Miss Haug, gave most excellent service, as did Mrs. T. Pitt, Miss Bullock, Miss Page and Miss Thompson, with the cooking and domestic arrangements.

Nor must I forget Mr. Gordon and ven. Archdeacon Greene in assisting and overseeing the nursing in the Chinese hospital This work called for much personal sacrifice and self-denial.

I wish to thank the ladies of Kelowna and the head of the executive, Mrs. J. N Thompson. for their prompt work in organizing and producing sufficient quantities from the first day of all pneumonia jackets, smocks, gowns and other articles and nourishment for the sick, and to the ladies of the town who so freely responded to the committee's request for the same.

I wish to thank the Emergency Health Committee for their splendid work in supplying beds, stoves and autos to bring patients to hospital; autos to give the nurses an airing, since they could not walk freely about the streets, and to thank the citizens of the town who responded so willingly to their request.

I wish to thank the people of the town for so conscientiously observing the laws of quarantine, and even in homes not quarantined in observing strict precautions in not exposing others to infection.

I think, sir, we have reason to be proud of the way the women and men all pulled together so quickly and promptly in doing their best to overcome the epidemic, and it is in a very great measure to this splendid spirit exhibited by all that we are now free of the ravages of the disease.

I do not wish to close without thanking the press of our city for their generous and very efficient help and the free use of their columns to items of warning on how to guard against infection, and how to care for health, &c. The press is ever the quickest way to reach the majority of the people and therefore wields an immense influence.

Yours truly,
W. J. KNOX,
Medical Health Officer

Okanagan Ambulance League

During the month of November the following articles were sent to headquarters: 42 shirts, 36 suits of pyjamas, 108 pairs of socks, 36 stretcher caps, 36 personal property bags, 1 dozen face cloths, 2 dozen handkerchiefs.

During the month Okanagan Mission sent in 13 suits of pyjamas, 6 pairs of socks, 12 personal property bags, 13 stretcher caps; Benvoulin sent in 2 dozen handkerchiefs, 1 dozen face cloths, 8 pairs of socks.

The following contributions are gratefully acknowledged: Mrs. Stirling, 1 pair of socks; Mrs. J. W. Jones, 1 pair of socks, Mrs. Leigh, 1 pair of socks.

Cash contributions were as follows: J. Ball $1, a friend $5. Mrs. Cameron $1, Mrs. Curts $5, with a balance from Oct. of $497.15, making a total of $509.15. Expenses for Nov. were $242.30, leaving a balance in hand of $266 85.

The following was omitted from the Oct. report; Mrs. G. Steele $5, L. O. Brown $2, Dominion Cannery $1.

The government shorthorn bull which has been held for the past three years was shipped Tuesday to Summerland.

Thanksgiving Service is Memorable Event

Impressive Music is Rendered by United Choirs

Though the seating capacity of St. Michael's church is the largest of any building in town it was quite inadequate to accommodate the crowd which turned out to the united service of "Praise and Thanksgiving for Victory" which Kelowna held last Sunday in common with all other cities throughout Canada. In the hearts of everyone there is a feeling of fervent thankfulness that the great and terrible struggle has ended, and above all that it has ended so successfully and triumphantly for the cause of justice and liberty. It is therefore but natural that any outlet for the expression of this feeling should be popular and awaken general enthusiasm.

Long before three o'clock, the time scheduled for the commencement of the service, the church was filled, and those in charge were doing their best to devise means of seating the later comers who continued to pour in. At length no more room could be found and many had to be disappointed by not gaining admission.

The service had been carefully arranged, the prayers, hymns and psalms all being distinctly appropriate and expressive of the thankful yet humble spirit which dominated the hearts of every one. The Ven. Archdeacon Greene had charge of the service he being assisted in the reading of the psalms and prayers by the Rev. W. Arnold Bennett, of the Baptist church and the Rev. T. Griffiths, of the Rutland Methodist church, Mr. J. R. Beale, the Anglican lay reader, reading a portion of Scripture.

Special care had been devoted to the arrangement of the musical part of the service, which was under the direction of Mr. H. Tod Boyd, who presided at the organ. A large combined choir gave an excellent rendering of the stirring Smart's "Te Deum" and the triumphant "Hallelujah Chorus." The hymns also were well chosen, and the tunes being well-known ones, the hearty singing of so large a gathering was particularly impressive.

The Rev. E. D. Braden delivered the address. The purpose of the gathering, he said, was a general thanksgiving for victory and peace but the real thanksgiving was the joy and thankfulness which filled every individual heart. He reviewed briefly the events of the past four years; the causes which led up to the world war, and the early struggles of the Empire and her allies against the well-organized and almost irresistible advance of the enemy, who sought by force of arms to secure world domination. The terrible menace had roused the dormant spirit of the nation, and with a firm belief in the righteousness of their cause, they had struggled on to ultimate triumph.

He spoke of the way in which Canada had thrown herself into the war and the sacrifices which had been made in blood and treasure. All this had meant the awakening of a new spirit and a new conception of life, which could not be dropped now that the war was over. It was impossible to return to the same condition as before the war. The problem of keeping alive and guiding this newly-awakened soul of the nation was the great problem which now confronted all earnest-minded people. In some respects the after-the-war problems were more difficult and urgent than those involved in organizing for war, and all the forces of righteousness would be needed to cope with them.

With a prayer for the divine guidance of the coming peace council and the singing of the National Anthem, one of the most impressive services ever held in Kelowna came to an end.

The marriage took place at Vernon Tuesday by the Rev. E. P. Laycock at All Saints Church, of Arthur May and Miss Katherine Dorothy Ford, both of Kelowna.

Company Will Instal Ferry Telephone

After a long period of agitation and negotiation with the Government and Okanagan telephone authorities the efforts of the Kelowna Board of Trade to secure telephone connection between Westbank and Kelowna in connection with the ferry have been rewarded by success. Mr. G. H. Dobie, manager of the Okanagan Telephone Co., has intimated that satisfactory arrangements have been made with Mr. Hayman whereby a public pay station giving full service over all the Okanagan system. This plan will be tested out for a period of one year.

Steamship Commission Resumes Its Sessions

The royal commission investigating the differences between shipping companies and the Canadian Merchant Service Guild on the coast, and in British Columbia, will resume sittings soon, according to Mr W. E. Burns, the chairman. The delay has been due to the influenza ban, and also to the fact that the board of commissioners is awaiting information from the British minister of marine regarding the status of the Imperial Merchant Service Guild. Mr. Burns stated this morning that no further action had yet been taken concerning the holding of sessions of the commission at Nelson as requested by the guild.

New Influenza Cases Reported Today

It appears that Kelowna is not out of the wood yet as regards the influenza epidemic which during the past day or two has shown signs of returning. In conversation with Dr. Telford today we were informed that two new cases are under his care, and that one or two others are under observation as suspicious. He recommends that although the restrictions have been removed, care be still exercised to prevent a fresh outbreak as has occurred in many other towns.

The United States transport Orizaba sailed for Brest on Sunday with nearly 500 newspaper correspondents from all parts of the country on their way to "cover" the coming peace conference at Versailles. The party included several women and a score of motion picture men and news photographers.

The Kettle Valley line is getting material on the ground for the extension of its North Fork branch two miles above Lynch Creek to connect with the tram from the Rock Candy mine.

The British government will have a staff of four hundred persons in Paris for the peace conference. The government has taken the Majestic Hotel for its staff and will have a corresponding force of servants, Paris hotels were expecting fabulous prices; hence the food ministry had undertaken the catering for the delegation and the House of Commons had loaned many of its help for this purpose.

Four hundred mine sweepers, under Captain Lyons, commander of the British mine-sweeping squadron, have been mobilized for the task of sweeping the entire North Sea and the coast of England, Scotland and Ireland. Small fishing craft will supplement the work of the main fleet.

British civilian prisoners arriving from Ruhleben, Germany, say that when they were leaving the prison camp there, a long written document was handed them by the Germans, appealing to them to intercede with the British people in behalf of the people of Germany who "have freed themselves from the chains of a barbarous system, and not to hold the Germans responsible for the deeds of their former autocratic rulers, who are now utterly powerless."

Holstein Breeders to Incorporate

Purchasing High-class Sire from Colony Farm Herd

The movement towards the breeding of pure-bred Holstein cattle which has gradually been increasing in Kelowna during the past year or two received a fresh impetus Tuesday at a meeting in the Board of Trade room when it was resolved to incorporate the Kelowna Holstein Breeders' Association. The general object of the Association is to encourage in every possible way the breeding of these great dairy cattle, but the immediate purpose is to purchase a pure-bred bull. Mr. L. E. Taylor who acted as secretary pro tem., stated that an opportunity had presented itself of securing from the Colony Farm a splendid young animal of the very finest breeding. This bull, Colony Segis McKinley, was 8½ months old, and had a fine pedigree. He was a three-quarter brother of the sensational heifer Colony Aagie McKinley, one of the most perfect indivtduals in the famous Colony herd. His dam was one of the most promising daughters of the world's champion sire, Aaggie Cornucopia Newman. At two years and nine months his dam gave 19,462 lbs. of milk and 875 lbs. of butter in one year, and 579.4 lbs. of milk and 22.84 lbs. of butter in seven days.

The animal could be secured for $450. It was also stated that the Kelown Creamery had undertaken to make a loan of $500 to the Association to assist in the purchase, and it was resolved at once to take advantage of this offer.

In Fernie the influenza epidemic is subsiding There have been three thousand cases with sixty-three deaths. Scarlet fever has appeared and the hospitals are quarantined.

The faculty of law of the University of Athens has decided to confer the honorary degree of doctor of laws on President Wilson.

Bavaria has broken relations with the Berlin government, according to a message transmitted from Copenhagen. The despatch states that the message has been sent to the Berlin foreign office by Kurt Eisner, Bavarian Premier, stating that the Bavarian foreign office breaks its relations with Berlin "owing to the efforts of Berlin to deceive the people by withholding the truth about conditions."

Twelve thousand airplanes, 30,000 aviation motors (Liberty) and 700 kite balloons were produced in the United States during the war, it is officially announced.

Will Be Big Week for Dairymen and Farmers

January 13th to 18th will be Convention Week in Kelowna

The week of January 13th to 18th promises to about the busiest six days ever experienced by Kelowna. Four different conventions, a seed fair, and a farmers' banquet will all be crowded into that week, and from present indications it seems likely that the hotel accommodation of the city will be severely taxed to house the numerous visitors who will be attending these different events. Monday, Tuesday and Wednesday the Mainland Seed Fair will be held. Tuesday and Wednesday the members of the Seedgrowers' Association will sit in convention. Wednesday and Thursday the B.C. Dairymen's Association will hold its annual convention. This latter is usually a largely attended affair, with delegates from all parts of the province. Thursday evening the visitors will be entertained at a big farmer's banquet. On Friday it is expected, though not quite decided, that the B.C. Woolgrowers' Association will hold their annual convention here, while on Saturday the executive of the B. C. Fruitgrowers' Association will meet here.

It was for the purpose of making arrangements for the reception of these visitors and the ensuring them a pleasant visit to Kelowna that a meeting was held Tuesday in the Board of Trade room. Mr. M. Hereron, local director of the B.C. Dairymen's Association, was in the chair, and expressed the hope that everyone would cooperate to make the dairymen's convention a big success.

The following committees were appointed to deal with the details of the affair: Reception committee, Messrs. M. Hereron, J. W. Jones, P. DuMoulin, E. R. Bailey and Mayor Sutherland.

Programme committee: W. C. Benson and L. E. Taylor.

Banquet committee: Messrs. M. Hereron, P. B. Willits and G. S. McKenzie, with a large sub-committee of helpers from each of the districts.

Advertising committee: Messrs. L. E. Taylor, J. Leathley, W. G. Benson, T. Ruffell, W. Forster and Rev. E. D. Braden.

Finance committee: Messrs. H. F. Rees, W. J. Mantle, W. G. Benson and Mayor Sutherland.

It was planned that these committees should get to work as early as possible in order to ensure the success of the undertaking.

King Nicholas of Montenegro has been deposed by the Skupshita, the Montenegrin national assembly.

CANADA

WAR-SAVINGS STAMPS

The Canadian Government offers interest-bearing War-Savings Stamps

Issue of 1919—Payable Jan. 1, 1924

ORDER-IN-COUNCIL P.C. No. 2462 authorizes the issue of War-Savings Stamps for the purpose of assisting in the financing of Government expenditures.

As Sir Thomas White, Minister of Finance, points out, W.-S. S. will provide "an excellent investment for small savings; and a strong incentive to every-day economy."

$5.00 for $4.00

Until January 31st, 1919, War-Savings Stamps will be sold by all Money-Order Post Offices, Banks, and other authorized Agencies, for $4.00 each, and on January 1st, 1924, Canada will pay $5.00 each for them.

Registration Against Loss

A Certificate is provided for the purchaser of a W.-S. S. On the certificate are spaces to which 10 W.-S. S. may be affixed. A certificate bearing one or more W.-S. S. may be registered at any Money-Order Post Office, fully protecting the owner against loss by fire, burglary or other cause.

The Certificate also shows the Cash Surrender Value of W.-S. S. at various dates before maturity.

SOLD WHEREVER THIS W.S.S. SIGN IS DISPLAYED

"Victory" Suits for Victory Loan Investors

ALL are agreed as to the exceptional value of a Victory Bond Don't spoil a good investment by making a poor one in selecting your new suit. I have been fortunate in securing a few new suits made of pre-war material — they are the real all-wool west of England worsteds, and it does not take an expert to recognize the difference between them and those of later manufacture even at the same price or higher. These suits are surely good dividend payers as they will be in good shape long after others are worn out. See them and compare with others and you will be convinced.

Sizes 36 to 42

Blue **$47.50**
Grey and Brown $50.00
Other Suits from $15 up

Time Opportune to Build Branch Line Kamloops-Kelowna

Boards of Trade are Placing Matter Strongly Before the Government

Both the Vernon and Kelowna boards of trade have lost no time now that the uncertainties of the war have been removed in urging upon the government the necessity of pushing forward the building of the C. N. R. Kamloops - Kelowna branch line.

The bonds of the line were guaranteed by the provincial government in 1912. Surveys were made and the right-of-way purchased the following year, so that all these preliminary details have long ago been settled. Actual construction was started in 1916, but had to be stopped owing to war conditions. Now that Canada is beginning to look forward to problems of reconstruction and development, the time is opportune for making a fresh start and carrying the project through to completion.

This branch would be one of the most profitable feeders to the main line of the C. N. R. in the west. It would furnish a direct means of distribution for fruit and produce to sections of the prairie provinces not reached by other lines. To Kelowna as the terminus of such an important branch, its significance would be enormous. Besides introducing a new activity into the city, it would afford a more direct outlet than the present roundabout and time - wasting course, and would relieve the congestion of traffic which must increase with every succeeding fruit season.

Copies of the resolution have been forwarded for endorsation to all the boards of trade in the Okanagan and Kamloops districts, and will be sent to the Dominion and provincial ministers of railways and to the federal members of parliament for British Columbia.

Frederick Ebert the new chancellor of Germany was formerly a harness maker.

British officials favor the signing of a peace treaty within three months, allowing for early demobilization and the beginning of reconstruction, the Daily Express declares.

The Dominion's revenue for the fiscal year ending March, 1918, as a result of the success of the business profits taxation, income and other taxes, will reach nearly $300,000,000. This will be sufficient to meet the interest on our debt, the pensions account, all domestic administration expenditure, and pay off probably $100,000,000 of this year's war expenses. This enormous revenue, almost double that of years before the war, will be reached, despite a considerable drop in customs revenue due to restrictions on imports.

Knowles' 13th annual watch guessing contest will be held on Saturday, December 14th. No charge.

Orders for Local Scouts

Kelowna Troop
Troop First; Self Last

Edited by Pioneer. Dec. 3, 1918.

ORDERS by command for week ending Dec. 14, 1918.

DUTIES: Orderly patrol for week, Eagles, and also for week following; next for duty, Otters.

PARADES: The combined troop will parade at the club-room on Wednesday, Dec. 11, at 7.15 p.m.

There will be basket-ball practice on Friday the 13th inst., commencing at 7.30 for the smaller scouts and at 8.30 for the older scouts.

• • •

Recruit Bert Cooper passed his tenderfoot test on the 26th of November, with 87 per cent. He was coached by Scout F. Hewetson who is therefore given his first class test for training a tenderfoot.

• • •

The provincial returns for the year ending June 30th, have just come to hand. The winner of the Lieut.-Governor's Shield for that year has not yet been announced, but will be, we expect, soon. A copy of the returns will be given to each scout in the troop and we trust will be carefully perused by his parents. We find that there is a total of 92 registered troops in British Columbia, of whom 28 are in Vancouver and suburbs and 19 in Victoria, but at the present time there are only 26 of these troops active, of whom 11 are in Vancouver and 3 in Victoria. There are 2 registered troops in the Yukon, one at Dawson and one at Whitehorse, both of which are active at the present time. In nearly every case the inactivity of the other troops has been occasioned by their temporary disbandment owing to the officers and senior scouts having joined the Overseas Forces. "These Troops represent many hundreds of boys who are still scouts, and who are patiently waiting and hoping for the revival of their Troops. 5020 boys have been enrolled as Scouts in B.C. and have received or are still receiving the Scout training; that is, development of character, inculcation of habits of observation; obedience, self-reliance, loyalty and thoughtfulness for others; teaching them services useful to the public and handicrafts and knowledge useful to themselves and promoting their physical development."

When the Returns went to press there were 573 names of B.C. Scouts on our "War Roll of Honour," of whom 57 have made the great sacrifice. Since the Return went to press though, the sad news has come in that an additional six have lost their lives. 25 military decorations have been awarded to different members of those on our Honour Roll.

We find that there are 8 active troops having a greater numerical strength than Kelowna, of whom Westminster Presbyterian Church Troop is first with 61; Sardis, second with 46; and Vancouver 12th and Vicioria Collegiate tied for third, with 34 each. For the number of second class scouts Kelowna takes fourth place, with 19; Vanvouver 12th, Victoria 3rd and Vancouver 11th being first, second and third, with 29, 28 and 22 respectively. We also take fourth place for the number of first class scouts, having only 2 as against Victoria 3rd, Chesterfield and the First B.C. Sea Scouts, with 8, 7 and 3, respectively. For the number of proficiency badges we take third place with 65 held by 18 scouts. Victoria 3rd is first with 93 badges held by 28 scouts; and Vancouver 3rd second with 53 badges held by 21 scouts.

• • •

There are 10 packs of wolf cubs in the province. In strength Kelowna ties with St. Paul's Church Vancouver, both having 36 cubs. Kelowna easily leads however with cubs having stars and badges. She has 20 one star cubs, 12 two star and holds 9 badges as against 11, 9 and 6 respectively for St. Paul's Church.

An American in Rhodesia relates how one night he dropped off to sleep after throwing many African fleas and match ends into a bowl of water kept for that purpose. He awoke hearing faint and distant harmony, but found it was the fleas, who had built a raft of the matches and were singing "A life on the ocean wave." Fleas are difficult to drown.

School Column

By Principal Gordon

School re-opened on Monday and no one seemed sorry. One might reasonably have expected the discipline to be somewhat disorganized, but the children seemed to be so glad to get back to school that they went about their school business even better than usual. The children came to school in serious mood as if they realized that real work was to be done. One could see the gleam of the ideal of duty. And if they have got that ideal they have a priceless possession. We want a good deal more of the sense of duty in our lives than we have.

• • •

Fifteen new pupils mostly for the senior grade enrolled on Monday. So that the classes were quite filled. And as we have only three weeks to run till Christmas, it is hoped the parents will make every effort to keep the children regularly at school. But perhaps after the experienge of the past six weeks no effort will be necessary. A great deal has to be done to cover even the bare essentials before the end of January when the school will be re-graded.

• • •

The library has been moved upstairs to the assembly hall. There is now plenty of room for new books. We have not nearly enough books to satisfy the demand. But books are expensive and funds are low. However some effort must be made to get new books: for one of the objects of our educational system is to give the children a desire to read good books. But if they cannot get the books the desire will soon fade. If a taste for good literature could be instilled into the minds of the pupils, and a choice of good books offered to them, parents would have less trouble about keeping their children home at nights We are always glad to receive gifts of books for the library. Any such gifts will be acknowledged in this column.

Herbert H. Asquith, Liberal leader and former premier, will be opposed for his seat from the east district of Fifeshire in the coming elections by Mrs. George E. Hope, widow of Lieut. Col. Hope, who was killed during the war. Col. Hope was a nephew of the Earl of Roseberry, former premier. Mrs. Hope is running independently of any party, and one of her planks is a demand that William Hohenzollern, former German emperor, be brought to England to be tried for murder.

Fagged Out Women Vinol is What You Need

If all the tired, overworked, run-down women in this community could realize how our delicious Vinol, which contains Beef and Cod Liver Peptones, Iron and Manganese Peptonates and Glycerophosphates supplies the vital elements necessary to enrich the blood and create working strength, we wouldn't be able to supply the demand.

Dukedom, Tenn.
"I live on a farm and keep house for six in my family. I got into a nervous, run-down condition so it seemed as though I would die. A friend advised me to try Vinol. I have been greatly improved by its use and am better and stronger in every way."—Mrs. H. H. Goodwin.

Burdett, N. Y.
"I keep house for my family of three, and raise chickens. I had a nervous breakdown, so I was unable to work. The doctor did not seem to help me, and a cousin asked me to try Vinol. It built me up—I now have a good appetite and am well and strong."—Mrs. Loyal Palmer.

For all run-down, nervous, anaemic conditions, weak women, overworked men, feeble old people and delicate children, there is no remedy like Vinol.

DAYLITE
MANTLE OIL LAMP

Note Prices: complete with shade $12.00 without shade $10.00

THE IDEAL LAMP FOR THE HOME

Its beauty and its utility will appeal to you. It is 23 inches high over all, and the mantle is 12 inches above the table. Reservoir holds about one and a half quarts of oil. It gives a pure, white light, with no noise, no odor, no smoke, and is simple to operate.

BURNS COAL OIL. NO PUMPING OF AIR. CAN'T EXPLODE. SAFE.

No expensive parts to replace, and mantles should last six months or longer with ordinary care. We guarantee you entire satisfaction. Send for the lamp to-day, enclosing purchase price. Use it in your own home. If you are not entirely satisfied, return the lamp within ten days and we will promptly refund your money without question.

Our money back guarantee gives you full protection
You run no risks whatsoever. Send in your order to-day as prices may advance

Valued Gifts

¶ This memorable gift season will never be forgotten. Commemorate this peaceful Christmas season with gifts of heirloom value.

¶ These last years of strife have possibly imposed many restrictions on your use of materials and your inclination to give articles of lasting value. Silverware and Jewelry has that artistic touch which gives permanence to the sentiment of your gift.

¶ Then choose lasting gifts that express your sentiment—choose gifts of gold and silver.

TOWN AND COUNTRY NOTES

Mrs. C. Lewis was a passenger yesterday for Vancouver

Miss Nellie Shayler went up to Vernon yesterday on a short visit.

Mr. and Mrs. J. N. Thompson are visiting Vancouver this week.

C.P.R. agent Swerdfager has received information that Atlantic steamship sailings have now been resumed and he will be pleased to furnish particulars to anyone desiring them.

The C.P.R. telegraph office is now accepting day lettergrams for points in the United States, similar to those accepted for Canada for the past two years. This affords a much cheaper means of communication than the ordinary wire.

Miss Reichenbauch who has been visiting Mrs. Millie for the past few weeks, and incidentally helping with nursing "flu" patients, left Monday for New Westminster.

Miss Irma Gordon, who has been staying with Mrs. Mathison left yesterday for London, Ont., where she is to take a position as hospital dietician.

The heavy snowstorms of Tuesday were distributed over a wide area, and considerable damage is reported from some points. Wires were down both east and west Wednesday and no messages could be got through. Considerable damage was also done to the Okanagan Telephone Co.'s country lines.

ANNOUNCEMENTS

Don't fail to guess on Knowles' gold watch Saturday, December 14th. Free to all.

The Women's Auxiliary and the Chancel Guild will hold a sale of work and home cooking on Saturday afternoon, Dec. 14th, at 2.30 p.m., in the Prisoners of War Tea Rooms. A large assortment of tempting Christmas gifts and useful articles will be on sale. Members of the congregation are asked to send in their donations before the above date. 2-4

The postponed annual meeting of the Ladies' Hospital Aid will be held in the Board of Trade room, at 3 p.m., Wednesday, Dec. 11th. Now that the strain of war work is lessening a special plea is made for the hospital, and a large attendance hoped for. There will be election of officers, reports, &c.

The Prisoners of War Society have a letter from headquarters in Vancouver asking them to continue with their work for a time. A tea will be held in the tea room on Pendozi street, on Saturday afternoon, Dec. 7th. The next court whist drive will be held on Monday, December 16th.

Baptist church. Next Sunday morning the topic of the Rev. W. Arnold Bennett will be "Was the Pope of Rome Behind the War?" illustrated by charts. Read Revelation 17. At the evening service his subject will be "The Offending Cross." Special feature, song service at 7.15 p.m. Sunday-school will resume promptly at 2.30.

The ladies of the East Kelowna Red X Cross again draw attention to their ad. on page two of this issue. Their sale is to be held on the 21st inst., and much of the stuff they are offering will be suitable for Christmas presents. They promise a great assortment, too.

Don't forget the I.O.D.E. dance and progressive five hundred on Tuesday next, December 10th, in the Morrison Hall. Dancing at 9 o'clock. All returned soldiers are invited and will be furnished with tickets on application to Mr. Reith, secretary of the Veteran's Association. Tickets 75c each.

Mrs. M. Phillips left Saturday last for San Francisco.

Mr. and Mrs. Johnson were passengers yesterday for the coast.

Mrs. Hewetson left Monday for Sicamous to meet her husband, Lieut. H. J. Hewetson, who is expected home this week.

Mr. F. V. Coxon of Salmon Arm was in Kelowna last weekend.

Dr. Ilsley the government veterinary surgeon of Armstrong, has been in Kelowna for a few days this week.

Mrs. G. H. Kerr, Miss Ethel Kerr and Douglas left last weekend for the coast to spend the winter.

Messrs. L. E. Taylor and J. E. Reekie were up last weekend to Salmon Arm to attend a meeting of the executive of the B.C. Fruitgrowers' Association.

Miss Emma Millie went up to Vernon Monday for a few days, Miss Stewart of Vernon taking charge of the local office in the meantime.

Pte. Chas. F. Sharer formerly of Kelowna came in Monday from Quebec where he has been for several months on home serviec. He is leaving Saturday for the coast to rejoin his wife.

Mr. A. Homewood' announces that he has now rented premises for his upholstery business next to the Garage on . awrence avenue, and under the Morrison Hall, and is now installed there for business. As an upholsterer Mr. Homewood has had wide experience both in Canada and the old country. While in England he counted amongst his patrons the Countess of Wilton and Lady Beatty, the wife of the famous admiral, and his handiwork adorns their beautiful country homes.

District Superintendent T. O. Macnabb, of the C.P.R., was in Kelowna yesterday and met the city council in an informal meeting to discuss the proposal of the company to utilize the strip of foreshore near the carship for a spur line and team track. The plan is to provide a line of track and roadway where occasional shippers can load cars conveniently and without interfering with the handling of cars to and from the packing houses.

Kelowna Ladies Take up Basketball

That the young ladies have decided to take up basket-ball in the latest thing in local athletics, and the first practice took place last Saturday night in the Exhibition building. According to an eye witness things moved pretty fast and whilst the flying dust and hairpins were suggestive of a gas attack, hand-to-hand fighting would would be a better description of the war waged between the teams of novices. Scoutmaster Weddell gallantly undertook to act as instructor, and aided by his expert knowledge of scoutcraft and the protection of a white flag, survived the ordeal, although according to his own words, "it was certainly a hot time." Mesdames Mantle and Wilson acted as chaperons.

The girls themselves were delighted with the game and thought there had been nothing like it since the war oanoe. Being a little out of training it was rather tiring but that would soon be overcome. If the A. & T. Association are kind enough to permit the use of the hall it is proposed to form permanent teams, and it is hoped that such a proposal will receive encouragement, so that a healthy winter pastime may be provided for the young ladies as well as the young men.

Look at Charlie Dark's Rubbers Out on the Sidewalk!

They're covered with snow—some you can't see at all—some stand in water—but inside of all there are DRY FEET. And that's all that matters. I sometimes think of buying an adding machine to keep tab of the rubber sales.

SYNOPSIS OF COAL MINING REGULATIONS

Coal mining rights of the Dominion in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the Northwest Territories, and a portion of the Province of British Columbia may be leased for a term of twenty-one years at an annual rental of $1 an acre. Not more than 2,560 acres will be leased to one applicant.

Application for the lease must be made by the applicant in person to the Agent or Sub-agent of the district in which the rights applied for are situated.

Each application must be accompanied by a fee of $5 which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

In surveyed territory the land must be described by sections or legal subdivisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

The person operating the mine shall furnish the agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns shall be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of $10 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to the Agent or Sub-Agent of Dominion Lands.

W. W. CORY,
Deputy Minister of the Interior.

(N. B.—Unauthorized publication of this advertisement will not be paid for.)

The French government will shortly announce the flotation of a loan in Canada, presumably with a view to providing credits for the purchase of materials to enter into reconstruction work in France.

WATER NOTICE

DIVERSION AND USE

TAKE NOTICE that I, G. C. Browse as agent, whose address is Wilson Landing, B.C., will apply for a licence to take and use 25 acre feet of water out of spring rising in Wilsons Gulch, which flows Easterly and drains into Okanagan Lake at Wilson Landing. The water will be diverted from the spring at the spring about 100 yards West of the West boundary of District Lot 3745, and will be used for irrigation purpose upon the land described as District Lot 2186 Osoyoos Division, Yale District. This notice was posted on the ground on the 28th day of November, 1918. A copy of this notice and an application pursuant thereto and to the "Water Act, 1914," will be filed in the office of the Water Recorder at Vernon. Objections to the application may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B.C., within thirty days after the first appearance of this notice in a local newspaper. The date of the first publication of this notice is Dec. 5th, 1918.

Cheap Substitute for Gasoline

"Liberty fuel," vastly cheaper than gasoline and possessing many advantages over that product, has been invented by officers of the U.S. war department and is now being produced in large quantities. The fuel is the result of more than five months' experiments conducted by the research and development divisions of the general engineering depot at Washington. Exhaustive experiments have proved that the new fuel is adapted to all kinds of motor vehicles, stationary engines and airplanes.

The Kelowna Women's Institute will hold a social afternoon on Monday Dec. 9th beginning at 3 o'clock in the Prisoners of War room. Roll call to be answered by Christmas quotations.

A quiet wedding took place last evening at 8 p.m. at the parsonage, when J. C. Stockwell was married to Mrs. Elizabeth Small. Both are well-known residents of Kelowna. The Rev. E. D. Braden officiated.

In order to provide the necessary funds for the newly-formed chapter of the I.O.D.E. the ladies of that body have arranged a dance to be held next Tuesday evening in the Morrison Hall. The programme also includes cards, some sixteen tables having been provided. As guests for the evening an invitation is being given to all returned soldiers.

BIRTH

SLATER—On Saturday, November 30th, at the hospital, to the wife of Harry Slater, a daughter.
