Sheep Protection Act shock Council faces chicken bill

UNDER the Sheep Protection Act which, it appears, covers chicken and goats, council is held responsible for any losses of sheep, chicken or goats that might be destroyed by dogs within the village in the event that owner of the dog is not located.

Situation was brought to light at last meeting of Gibsons council with a claim for $20 by Mr. F. Wyngaert who wrote stating he had been troubled by a dog entering his property and killing 14 chicken. RCMP ofifcers had been called in and the dog was seen to run off at that time. It has been back on a number of occasions since the first incident, last January 6th, but so far has eluded capture and the owner has not been traced.

Administrator Dave Johnston told council he had been phoned by Mr. Wyngaert and in turn advised him to notify the police. The RCMP later verified the fact that they had been duly called in. Mr. Johnston explained that under the Act, council is indeed responsible, and that a property owner is not responsible for keeping dogs from his property. Onus rests with the owner to keep his dog away. In the event that an owner cannot be traced, then council is liable due to the fact it collects dog taxes. He added that at one time this was not so, providing no taxes were collected, however, this was changed a few years ago and responsibility rests with council, taxes or no taxes.

Alderman Ken Crosby expressed surprise that council should be held responsible "he is allowed to shoot a dog on his premises under such circumstances and I don't see why taxpayers' money should have to go to pay for the chickens and I fail to see that it is the responsibility of the village to look after his chickens," he said.

Both acting chairman Ken Goddard and Alderman Gerry Dixon expressed the view that they could not understand why the owner has not been traced considering the times the dog has been causing trouble.

Ald. Crosby added that it is the more unfortunate in that normally chickens are not allowed in the village under present bylaws. In this case the poultry farm was established before the bylaw was brought in. He suggested Mr. Wyngaert be informed that council does not pay for such things. He argued that he was not opposed to the amount which was certainly not excessive, he simply did not feel council should set a precedent.

Mr. Johnston pointed out that Mr. Wyngaert was actually within his rights according to the Act which he read out to council.

Motion that council not pay but seek advice from the lawyer should there be further demands, failed to get a seconder. Motion was then made by Alderman Dixon that the RCMP be asked to attempt to find the owner who would then have to pay. Failing this, council pay up. This was approved.

Times First Glance

HOME PROJECTS

At last meeting of Gibsons Council, an application for a business licence for a home operated service repair led to suggestion that council take a long hard look at such future requests for it was pointed out that a number of businesses are now operating from homes, which is not fair to established business properties.

$500 FINES

Two Vancouver men, Robert Lee Coughlin aged 24 and 23 year old Stanley W. Mathews appeared in Gibsons court last week following an earlier remand and were fined $500 each and placed on one year probation for break and entry and theft at summer homes on Keats Island on or about May 9th.

GOOD NEIGHBORS

Rev. Dennis Morgan suggested Gibson Council consider combining its annual "clean-up" week with a "good neighbor" week as a means of creating good spirits between residents. If run concurrently costs of advertising could be shared between the two. It was agreed to seek further clarification and to advise Rev. Morgan that this year's "clean-up" week has already gone.

ACCIDENT

It was family affair for Cuningham's Ambulance Service, last Friday when Bob had to rush his wife Joan into St. Mary's Hospital with a badly gashed leg.

Joan who has administered first aid to many accident victims, was her own attendant this time, and she will be in hospital for a few days yet with the laceration received when she fell on a sharp edged rock.

CHAMBER MEETING

Members of Sechelt and District Chamber of Commerce are advised to notify the Secretary if they plan on attending the next and final dinner meeting of the season, to eb held at Lord Jim's Lodge, Wednesday June 24th. Social hour 7 p.m. Dinner 8 p.m.

Barbeque Bound

Gibsons Sea Cavalcade Committee won't have to worry about catching salmon for the planned barbeque, for Orville Skogan; Morris Nygren; Ken Hewitt; Bob Nygren and Shirley Brown who was working when this picture was taken, fishing from the Nygren Bros. charter boat Cheechako landed 26 springs during the past weekend, donating a total of 245 lb. or dressed fish for the 2nd Sea Cavalcade. Largest spring weighed in at over 30 lbs and fishing in the Gap is good.

B.C. Ferry Authority marks 10th birthday

BRITISH Columbia Ferries celebrates its tenth aniversary on June 15, and it has been a decade of remarkable progress. With its fleet of 23 vessels serving 26 ports, carrying nearly six million passengers and logging 931,000 miles, the operation is one of the largest of its type in the world. Instead of smug complacency, the service is reaching for new horizons.

Shipyards have benefited by the Ferries' program of shipbuilding and maintenance; the firm link established between the mainland and Vancouver Island has helped develop the Island; coastal communities along British Columbia's rugged 17,000-mile coastline — much of it inaccessible by road — are isolated no longer; the Gulf Islands have opened up. And stable employment is offered a work force of around 2,000.

In keeping with the trying economic times being experienced, anniversary celebrations will be kept low-key. All ships will be dressed with signal flags for the week beginning June 15, and on the following day 90 of the original 191 employees who joined B.C. Ferries before June 15, 1960, will be guests at a special dinner in Victoria.

Gibsons "Sea Cavalcade" committee in full swing

LAST year's first Gibsons "Sea Cavalcade" proved such a success that the three day event shows every promise of becoming a leading annual attraction, and the committee has already swung into action to provide an even better festival than the last.

Much of last year's program will be repeated and enlarged and other new attractions are being investigated. The B.C. Cycle Racing Board will again participate and seeks to encourage local entries. Various dances and outdoor barbeques will be sponsored by local service clubs and other activities will include water sports, junior fishing derby and boat races.

It is planned to establish an area of continual activity throughout the three days which have been set for August 7, 8 and 9. Featured in this area will be displays and demonstrations by the Rod and Gun Club, Arts Council and Model Plane Club. Carnival rides will also be available and will cater to aduts as well as the younger set.

Other community organizations so far working on schedules include: Chamber of Commerce, Squarenaders Dance Club, Athletic Association, Firemen, Kiwanis, Kinsmen, Timber Trails Riding Club and Legion, together with full backing of council.

Two recently formed organizations have also agreed to add support to the Sea Cavalcade; the 10-20 Club and the radio operators of the Sunshine Coasters GRF Club under the President, Roy Maljea.

The 10-20 Club, sponsors of a series of teen dances, plan a dance early in the proceedings Friday, August 7 at which time it is tentatively planned to announce the winner of the "Miss Sea Calvalcade" contest. Club members are also considering carnival events to add color to the festival.

The Radio Operators, now an active organisation in the community, have, behind the scenes, operated an emergency radio service that has played a great part in aiding searches for lost children, assisted stranded motorists and provided aid in a number of ways. They will again provide the communications link in the tug-boat races and the 35 mile bicycle race.

A tremendous amount of work is involved in the operation of a project such as the Sea Calvacade and the committee welcomes any ladividual or organization prepared to assist with ideas or labour. In this respect it is suggested committee chairman Bill Scott, or the Cavalcade representatives of any of the above mentioned organizations, be contacted.

Wrong interpretation brings protest letter

RECENT suggestion by Gibsons Council that the owner of a vacant lot, adjacent to the Chamber of Commerce boat ramp, be asked to permit boat owners use of the lot for parking their boat trailers, brought forth a protest from a nearby resident.

Letter to council stated she had read in the local press that council sought permission to use the property as a trailer park and that she opposed such a proposition due to habits of people already visiting that location.

Acting Mayor Ken Goddard said he feels the resident had got the wrong impression and that all council had in mind was parking for boat trailers while owners were boating. This was to avoid congestion on the road.

It was moved the complainant be so informed.

Community Club donates $100 to swimming class

WILSON Creek Community Club held another successful dance June 6th. The Pen Kings played to a packed hall and a lovely buffet was put out for everyone to enjoy.

Proceeds of this dance went toward Little League with the Little League mothers supplying the food for the buffet. The Community Club was very pleased with the response and support they received.

At the last general meeting it was decided to give the Kinsmen Club of Sechelt $100 toward the swimming classes. Also, the use of the hall, any days that swim classes are cancelled.

A Centennial Committee has been formed with Gleen Phillips as chairman and Marg. Pearson as secretary.

The last coffee party of the season will be held on Thursday 18th of June, in conjunction with the Davis Bay School sports day.

It was also noted at the meeting that the Wilson Creek Orioles and Sechelt Legion 140 Little League teams with their coaches and managers put in a water line from the hall over to the baseball diamond. A water tap has been needed over there for a long time and the club was pleased to note that these two teams got together and got it done.

Competition is what makes all of the good television shows come on at the same time.

Costly hold-up . . .

Health Inspector shortage creates building problems

HAVING purchased a waterfront lot on Gower Point Road a few years ago at which time he was assured he would be able to build when ready, the owner now wishes to build but has run into sewage problems.

Appearing at last meeting of Gibsons Council, Mr. Myers said he had run into difficulties regarding a septic tank due to the fact he lacked sufficient room, according to the bylaw, between his house and the property line.

He had been told originally that there would be no problem but since that time new bylaws have come into effect. A recent meeting between himself and health officers resulted in the suggestion of what, in effect, would be a small secondary treatment plant which would cost about $1,400. He told council he would be prepared to go to this expense but had received no indication from the Health officers that even this would be approved.

Some urgency is involved in that Mr. Myers recently sold his home in the States and there, it seems, a capital gains tax exists unless money from the sale is used within a set period on construction of another house. Failure to meet the deadline could cost Mr. Myers $2,000.

Mayor Wally suggested the house excavation be moved to one side of the lot thus providing the required distance between house and lot line for a septic tank, or whatever type of system might be required. He pointed out that council has nothing to do in regard to sewer permits, it is entirely up to the Health inspector.

Mr. Myers explained that this was his big problem, he had been told to contact one inspector who in turn said it was not his responsibility, this not being his area. The other inspector is busy in the Squamish area and is difficult to locate and in the meantime, time is running out.

Mr. Myers told Council he would be prepared to build on a no-occupancy basis and take a chance on obtaining approval later for a sewage system if council would give him the go-ahead.

He was advised that even should the village be granted a permit for its own proposed sewer system soon, it will probably be eighteen months before the project is in operation. It was therefore suggested he move his house foundation to one side and make another attempt to obtain approval for a sewage system.

Fire chief Dick Ranniger wrote protesting the fact that gas cylinders are left lying on the wharf contrary to fire regulations. In the event of fire, at present, the situation would be difficult to handle. He suggested an area be designated solely for the purpose of stowing the cylinders.

Ald. Gerry Dixon suggested the shipper be contacted and made aware of his responsibilities. Administrator Dave Johnston, however, made clear the fact that such things come under jurisdiction of the Wharfinger who has complete charge "under the Act he is in charge and what he says goes," he added.

It was agreed the Wharfinger be so notified.

Know-how

Looks like Sechelt Rod & Gun Club member Butch Ono is a sure trophy winner with this fine 41 pound 12 ounce Spring caught on 12 lb. test line at Storm Bay on June 7th. Butch who was fishing with Darryl Kettles landed another spring but that was just a mere 19 lb 13 oz. Big fish reeled out 250 yds of line during fight with Butch who is an experienced sports fisherman.

Sechelt Rod & Gun Club annual Derby and Supper

SECHELT Rod and Gun Club has scheduled its annual one-day Club Salmon Derby and Sea-Food Supper for Saturday June 20th. Master Chef of the evening will be Budd Fearnley who will be in charge of the barbeque.

Tickects for this popular event are available at George Flay's Barber Shop and C&S Sales. Boundaries will be the same as the Season's Derby. Weigh-in time 5:30 p.m. at the club-house.

Club General Meetings will be suspended during July and August and September meet will be Thursday 10th.

Majority vote decides board office location

SCHOOL Board office will relocate in its old quarters in the Lang Block following decision reached at last Wednesday's Board meeting.

After two months of deliberation and for the third time, the Planning Committee again recommended a return to the Lang Block which the Board occupied for many years prior vacating it in January 1969.

Trustee Dave Ganshorn was absent when the motion was put to the vote, although the Board had delayed voting in the hope he would be able to attend. Trustees Bernard Mulligan, Agnes Labonte and Sechelt Village's newly elected trustee John Hayes approved renting the office accommodation in the Lang Block, Gibsons, on the basis of a three year lease at $270 per month.

Trustees Dr. Walter Burtnick and Bill Malcolm voted against returning to the quarters considered by some to be inadequate for the Board's needs.

When the matter was first brought up in the early part of April, secretary treasurer Jim Metzler estimated floor space in the Lang Block at 2,400 sq. ft. At that time Sechelt Village representative Rev. Barry Jenks recommended that the Board advertise its requirements for Board accommodation.

When the Board advertised its need for accommodation, stating a preference for 3,600 sq. ft., Clayton and Sons, Sechelt, presently in the process of building a new shopping plaza, offered whatever space the Board required at an annual rental of $1.65 per sq. ft., with adequate parking area included. Taking into consideration current building construction costs, Dr. Walter Burtnick felt that all offers received were a bargain but advised careful consideration because this would probably be the only time the board would have a reasonable offer of adequate accommodation.

At one time the school board was renting the Lang Block for $270 per month as an Administrative Office and the B.C. Telephone Building also in Gibsons, for an Educational Office at $245 per month. When the Board was forced to cut costs by the new Finance formula introduced by Victoria, it dispensed with the services of a special counsellor and full time adult education director and combined the two sets of offices in the B.C. Telephone building. Lease of this building expires on June 30 but the Board has been given permission to remain until December.

Commenting on the Planning Committee's decision, trustee Bernard Mulligan said that during the next three years the Board hopes to be able to build its own accommodation.

At the present time Victoria favors School Boards renting office accommodation.

Commenting on the move which is expected to take place during the summer months, Chairman Shiela Kitson pointed out that this would mean a slight increase in rent from $245 per month to $270 per month for the remainder of the year.

Department approves . . .

School building project ready for drawing board

DEPARTMENT of Education has given the School Board permission to prepare working drawings for Sechelt Elementary and Elphinstone additions approved in Referendum No. 10.

There have been some changes in plans at Sechelt which eliminates the need to remove the separate building now used as an Art room.

Referring to the educational objectives of the School Board, trustee Agnes Labonte recommended at last week's meeting that some consideration be given to making parents aware of what goes on in the schools. Mr. Malcolm commented that unless parents want to become involved themselves there is not much the Board can do about it.

District Superintendent Mr. R. R. Hanna said that any parent who feels there is a problem should contact the school and arrange an interview.

LESS MEETINGS

With less school board business coming up especially during the summer, the Board will hold regular meetings only on the second Thursday of the month during July and August.

RECOGNITION

Honour Society students at Elphinstone had a special reward for effort this year when they were entertained at Lord Jim's Lodge and the majority of trustees approved financial support to the tune of $100 the funds to come from Special Education section of the Budget.

Trustee Bill Malcolm felt that Pender Harbour Honor Society studuents should have the same type of recognition and it was agreed that they would be eligible for an equivalent amount per student.

Mr. Hanna stated this type of recognition is customary in many school districts and it would be nice if Pender and Elphinstone students could get together for this annual treat.

HALFMOON BAY

Despite negative votes cast by trustees Malcolm and Ganshorn, it was descided that Halfmoon Bay School be for primary grades only and that Grades 3 to 7 or 4 to 7 be transported to West Sechelt or Sechelt Elementary Schools. Students presently attending Madeira Park School may be permitted to remain there if they so wish.

Golden Nurse

Elected by staff ballot, Golden Nurse of St. Mary's Hospital Sechelt is British Columbia Institute of Technology graduate Miss Lorraine Williams of Mission. B.C.H.A. in co-operation with Hospital Auxiliaries is sponsoring a province-wide contest to find a nurse whose picture will appear on a poster designed to encourage silence in places where required in a hospital. Formerly a professional model was used.

Special Service drew varied congregation

LARGE attendance of young and old added to the success of a Special Service held Sunday June 7th in the Sechelt Legion Hall to honour Pioneers and elderly citizens of the province.

Ministers and pastors conducting the service included: Canon A. Greene, Rev. S. Cassells, Rev. Dennis Morgan, Rev. D. Popple and Father H. Dunlop.

Solos were sung by Mrs. Dorothy Stockwell and Mr. Dave Hayward with accompaniests Mrs. Hazel Evans and Mrs. Eva Hayward, at the piano.

The congregation joined heartily in singing of hymns and following what proved to be an impressive and inspiring service. Refreshments and an enjoyable social hour terminated the event.

Plans are already under-way for a similar service next year and it is hoped it will prove an even better affair than this one.

Halfmoon Bay Happenings

—by Mary Tinkley

AFTER several days of unsettled weather, a perfect day dawned on Friday for the Halfmoon Bay School sports. Bright sunshine and a pleasant breeze created perfect conditions and brought out every child in the school, all the young mothers and preschoolers of the Bay and even a few fathers. The races, convened by Mrs. Mary Mellis, the principal, went without a hitch. Results of the races were as follows:

Dash—Team 1: Elsie Kingston, Travis Douglas. Team 2, Brenda Douglas, Darlene Greiner. Team 3: Ernie Kingston, Nick Van Egmond. Preschoolers: Kim Greiner, Stephanie Murphy, Sherry Jorgensen.

Peanut and Ruler—Team 1: Freddy Hansen, Ginger Cunningham.

Ball Hopping—Team 2: Mary Connor, Sandra Jorgensen. Team 3: Claude Charleton, Nick Van Egmond.

Wheelbarrow Race—Marcia Greiner & Ginger Cunningham; Travis Douglas & Colin Evans.

Hot Potato—Team 2: Margie Van Egmond, Ross Manton. Team 3: Brenda Dougla, Louise Murphy.

3-Legged Race—Team 2: Darlene Greiner & Starr Manton, Benda Douglas & Mary Connor. Team 3: Darlene Greiner & Claude Charleton, Nick Van Egmond & Ross Manton.

Ball Throw—Team 1: Travis Douglas, Freddy Hansen. Team 2: Brenda Douglas, Louise Murphy. Team 3: Claude Charleton, Ernie Kingston.

Shoe Race—Team 1: Colin Evans, Ginger Cunningham. Team 2: Sandra Jorgensen, Brenda Douglas. Team 3: Ross Manton, Ernie Kingston.

Sack Race: Team 1: Travis Douglas, Maria Greiner. Team 2: Brenda Douglas, Margie Van Egmond. Team 3: Starr Manton, Enie Kingston.

Preschoolers Ball Race—Team 1: Sherry Jogensen, Kim Greiner. Team 2: Jimmy Toth, Margaret Connor.

One of the most exciting events of the day was when excited youngsters stood on the sidelines cheering on their mothers in a dash. Competition was so keen and the results so close that the race had to be run twice to determine the winners, but eventual winners were Mrs. Suzanne Van Egmond, Mrs. T. Evans and Mrs. Douglas.

Judges were Mrs. Don Rutherford, Mrs. Ralph Lynds and Mrs. Ted Toth. A perfect morning wound up with a lunch of hot dogs and ice cream which disappeared with surprising rapidity. Refreshments were convened by Mrs. Pat Murphy assisted by Mrs. Cliff Connor and Mrs. Mary Kingston.

SCHOOL SUCCESSES

It has been claimed before in this column that we have a particularly fine crop of teenagers at the present time and the awards announced by Pender High School last week certainly seem to bear this out, for students from the Halfmoon Bay area carried off a lions' share of the awards. Fred Pye of Secret Cove received a basketball award for the most valuable player. The Mercer family came in for their share of honours with John receiving the award for Top Male Athlete and Jim the Academic Award.

The Kingston family carried off three awards, with Joann winning awards for Junior Girls Basketball and for all-round participation in P.E. Gwen, partnered by Pat Henderson won the Mixed Double Badminton award. Pat also received the award for Boys' Double with a Pender Harbour boy as partner. Deirdre Murphy also carried off two awards for Citizenship and Junior Girls' Volley Ball. Elaine Moffat received a service award.

In these days when teenagers come in for a deal of criticism, it certainly looks as if we can be mighty proud of our young adults.

HERE AND THERE

Mrs. Alan Greene just back from a month's visit to England reports that she had a wonderful time and that the weather was superb. She visited friends in Warwickshire, Lancashire and Devon and visited the new home in Sidmouth of her sister, Miss Pauline Andrew. She toured the south coast and stopped off at Brightstone, Isle of Wight for a visit with a friend she had not seen for 52 years. The return flight was comfortable and pleasant.

Home at Eureka after a 6,000 mile trip across Canada and the US are Mr. and Mrs. Anton Kadin. They visited Ontario, North Dakota and Minnesota where Anton had a happy reunion with his sisters. They crossed back into Canada and visited friends in Saskatchewan and Edmonton and then crossed back into the U.S. for more visits in the Western states.

Mrs. Mary Harvey's recent guest was her son Rex Luster of Salida, California, who flew north with a friend to spend a few days with her. She also received a visit from Mrs. Carol Tyson of Waterford, California and took her for a visit to Victoria. It was Mrs. Tyson's first visit to Canada and after leaving Waterford in a temperature of 105 degrees she thought our climate was delightful and the country beautiful.

She thought the people were very friendly and she liked the "unrushed" pace of life here.

Mrs. Stan Moffat and Kit were in Vancouver last week-end to attend a wedding. They also found time to help Elaine settle in her new home in Norh Vancouver. She has been appointed to the staff of the Imperial Bank of Commerce.

Following Evensong at the Church of His Presence last Sunday, Mrs. Alan Greene held an open house tea in honour of the Rev. and Mrs. D. Poole and their daughter, Helen. Guests came from all over the Sunshine Coast to meet the new Anglican Parish Priest and his delightful family.

Mr. and Mrs. Tom Conley who stayed at Killaly during Mrs. Greene's holiday in England, have now left the Bay and settled in Princeton.

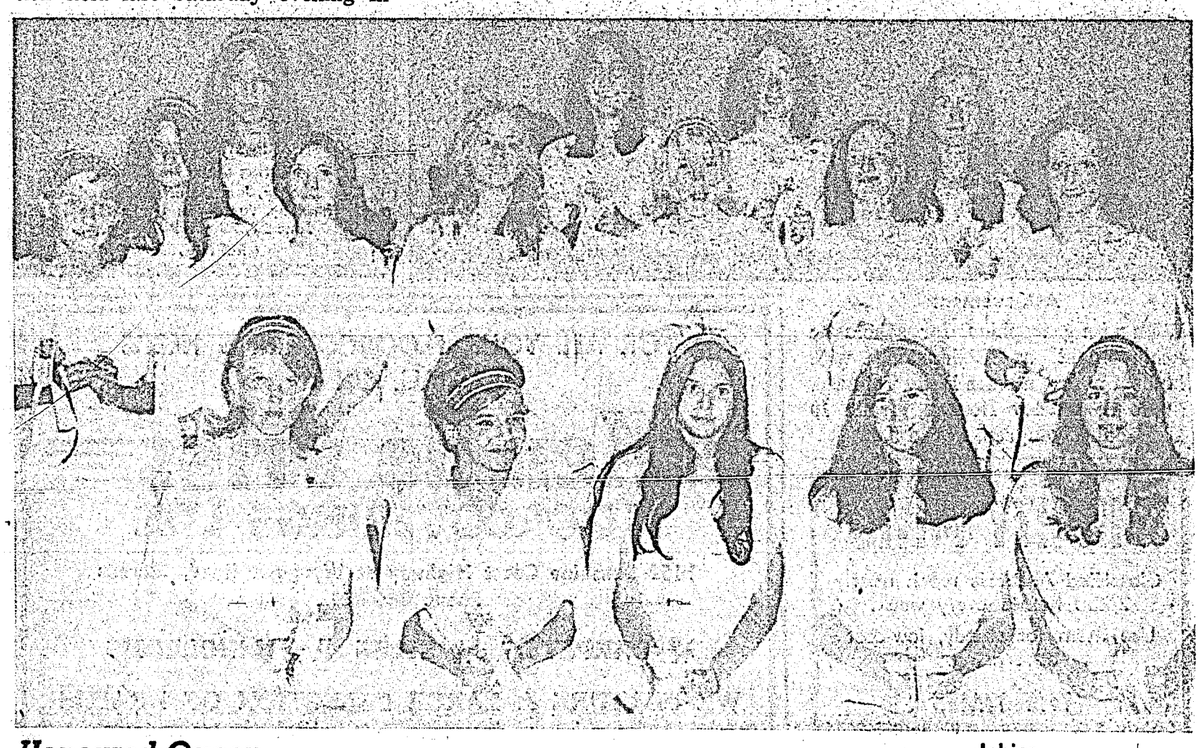
Installation

Looking forward to a happy evening of celebration after the beautifully conducted Job's Daughter's Installation held last Saturday evening in the Masonic Hall, Roberts Creek are, from left: Senior Princess Elaine Mackenzie; Honoured Queen Darlene Lawson; Retiring Honoured Queen Glenys Macleod and Junior Princess Lynn Brady.



Honoured Queen . . .

Bethel 28 Job's Daughters hold installation ceremony

CHOOSING the Twenty-Third Psalm as the theme for her installation, Miss Darlene Lawson was installed Honored Queen of Bethel No. 28, International Order of Job's Daughters, on Saturday evening in the Masonic Hall, Roberts Creek.

Retring Honoured Queen, Miss Glenys Macleod conducted the installation with quiet dignity assisted by narrator Mrs. Sharon Ellis who read the 23rd Psalm and introduced the young officers.

For his daughter's installation Mr. Lawson had fashioned a replica of a book of Psalms opened to reveal those well remembered words "The Lord is my Shepherd, I shall not want". On the opposite page was a large Cross of blue lights, one for each officer to be installed.

The well conducted ceremoney and the impressive scene created by the young girls in their flowing white robes kneeling before the Bible and flanked by the simple theme brought high commendation from the newly installed Worshipful Master of Mount Elphinstone Lodge No. 130, Capt. Wes Hodgson. A former Mayor of the Village of Gibsons, Capt. Hodgson said that he, like many other older people often wonder about the future of the younger generation, but after witnessing the conduct of the young ladies participating in the ceremony, and knowing that women have always been the leaders and directors of men, he felt reassured.

Elected by secret ballot, the most valuable Jobie of the current term was Miss Gail Roberts who received the Merit Pin from former holder, her sister Miss Beverly Roberts.

Following her installation Honoured Queen Darlene received the traditional bouquet which came from former Chapter Dad Charles Robinson and was presented on his behalf by Mr. J. Macleod.

Elected officers for the ensuing six months are Honoured Queen Darlne Lawson; Senior Princess, Elaine Mackenzie; Junior Princess, Lynn Brady; Guide Donna Mandelkau; Marshall, Cheryl McEwan.

Appointed officers: Recorder, Bev Roberts; Treasurer, Debbie Fiedler; Chaplain, Gail Roberts; Librarian, Martha Brakstad; Musician, Robin Nygren; Messengers: Candy Harrison, Suzanne Thomas, Eleanor Swan, Karen Vaughen, Linda Campbell; Sr. Custodian, Barbara Roberts; Jr. Custodian, Janet Brown; Outer Guard, Valerie Roberts; Inner Guard, Shelly Jackson.

Installing Officers were: Miss Glenys Macleod; Miss Pam Boyes; Miss Wilma Mandelkau; Miss Carol Forshner; Mrs. Susan Rogers; Mrs. Sharon Ellis; Mrs. Deborah Farren; Miss Carol Mylroie; Mrs. C. Cameron and Mrs. Vivian Chamberlin.

Mrs. Dorothy Parsons, Bethel Guardian assisted by Associate Guardian Mr. Frank Bailey opened the Chapter. Other members of the Guardian Council are Mrs. Rosemary Lawson, Mrs. Jean Roberts and Mrs. Edna Fisher.

Associate Council member are: Mrs. Vivian Chamberlin, Mrs. Susan Rogers, Mrs. Carol Oliver and Mrs. Hilda Girard.

Following her installation and the many introductions and presentation of gifts which followed, the Honoured Queen praciously thanked everyone who had participated in the ceremony.

Jobies

Active young Jobies have a full slate of officers for the coming term. Installed last Saturday were: Bev. Roberts; Linda Campbell; Robin Nygren; Cheryl McEwan; Eleanor Swan; Janet Bown; Martha Brakstad; Suzanne Thomas; Candy Harrison; Karen Vaughan; Shelly Jackson; Valerie Roberts; Barbara Roberts; Gail Roberts; Debbie Fiedler and Donna Mandelkau.

A passerby asked a hippie what time it was. "Twelve o'clock," replied the hippie.

"Goodness," said the man, "I thought it was later than that."

"Man, it never gets later than that around here," said the hippie. "Like when it reaches twelve o'clock, we start over again."

EXTERIOR PAINT PROBLEMS— HOW TO CORRECT THEM

Part I

If you are troubled by exterior paint problems on your home, don't immediately blame the paint. The source of the difficulty, warns the Canadian Paint Manufacturers Association, is usually due to a combination of the following factors.

Poor painting techniques, or failure to follow label instructions for mixing priming and application; lack of proper protection of exterior walls against moisture; use of the wrong type of paint for the surface conditions encountered, use of inferior quality paint; excessive interval between repaintings; or too frequent repaintings.

These mistakes can result in the following problems:

BLISTERING AND PEELING: Caused by excessive moisture in walls, either coming from the inside, or from the entrance of outside water. The result is moisture behind the paint film. To correct this situation: use kitchen and attic exhaust fans; vent automatic clothes dryer to outside; ventilate wall cavities and roof overhang at eaves by installing small screened vents; check flashing and all outside caulking, especially if peeling occurs around windows, doors or corner boards; lower the grade line if earth is closer than six inches to bottom course of siding and trim shrubs which grow against siding; before repainting, apply a generous coat of paintable water repellent under edges and at edge joints of siding boards.

St. John's Ambulance

—First-Aid Tips

POISON IVY

THE IRRITATING rash which comes from contact with poison ivy is much easier to prevent than to cure, according to St. John Ambulance First Aid Authorities. Learn to recognize the plant, and avoid it.

The first sign of contact with this poisonous shrub is a mild itching, followed by a slight blush of the skin. As the itching increases, watery blisters form, becoming anything from pimple-like spots to oozing sores.

If you do come into contact with poison ivy, or suspect you have, wash the skin with soap and water as soon as possible. Use laundry soap if it is available, and wash thoroughly so as to remove all traces of oil. Wipe the skin with alcohol and apply Calomine lotion.

Don't ask too much of a septic tank

Before you install a septic tank at your new home . . . or if you're having trouble with your present disposal system . . . consider the CROMAGLASS SINGLE HOME AEROBIC SYSTEM

The Cromaglass System is a new concept in wastewater treatment. It traps and retains organic solids until almost completely oxidized . . . under conditions far beyond the capabilities of any obsolete system. It works in soil with poor absorption . . . reduces possibility of well contamination . . . satisfies most local sewage disposal regulations that prohibit other type systems.

The Cromaglass unit withstands outside pressures and corrosion, needs next to no maintenance and is low in cost!

Call us for full details and a cost estimate . . . as a first step toward ending your cesspool problems.

Council recommendation . . .

Pender Harbour Auxiliary moves on merchant canvas

SIXTEEN members attended the regular meeting of Pender Harbour Auxiliary to St. Mary's Hospital, held in Madeira Park Legion Hall with Mrs. O. Sladey in the chair.

Mrs. Sladey thanked the members and their husbands who helped decorate the May Queen's stand on May Day.

Members voted unanimously to have the workshop an annual affair in place of the Friendship Tea. Those attending found it very interesting and informative. Mrs. Sladey read Mrs. Manning's paper on "The Characteristics of an Effective Team" for those members who had not attended the workshop.

It was agreed with the Co-ordinating Council's recommendation that Hospital Auxiliary members should not canvas local merchants for contributions.

Mrs. W. Brown reported that volunteers shopped for 12 patients in April and 12 patients in May and arranged for volunteers in the coming month.

Mrs. J. Donnelly received volunteers for the Thrift Shop for July 4 and asked that those wishing to help on August 8th, contact her before that day.

Mrs. L. Alexander invited as many members as are able to visit her home on Thursday, June 11th to help work on novelties for the Fall Fair and Carnival.

The Bursary Committee reported Miss Hazel Wray to be the recipient of the Pender Harbour Auxiliary Bursary. Miss Wray commences training as a practical nurse in September.

Tea was served after the meeting. Next meeting will be held on September 9th, Madeira Park Legion Hall.

Academy Award winner for Gibsons theatre

JOHN Wayne is the star of this week's entertainment at Twilight Theatre in Gibsons, in "True Grit", his lead role in this movie won him an Academy Award for Best Actor.

Along with John Wayne are Glen Campbell and Kim Darby, and together they make the strangest trio ever to track a killer. A fearles, one-eyed U.S. marshall who never knew a dry day in his life . . . a Texas ranger, thristy for bounty money . . . and a girl still wet behind the ears who didn't care what they were or who they were as long as they had true grit.

Then come and visit "The Best House in London", an uproarious, bawdy, tongue-in-cheek comedy of Victorian morals, manners and madness, proving that England's Victorian era was anything but staid.

The skylarking capers of "The Best House in London" revolve about London's prostitution problem which has gotten out of hand. As a solution, England's Home Minister agrees to support an experimental "house", a maison toleree, as the French say. Not only this house prove to be the best in London, but one of the wildest shrines of Eros ever seen on a movie screen.

Pender High-Lights

—by April Walker and Wendy Clayton

WE ARE now in our last week of school and students are getting excited about having "no school" for two months.

On Friday June 5, a track and field day was held at the school. The meet was between the two house teams, Haida and Nootka. Many records from our last track and field day four years ago were broken.

Ruby Anderson tied the 100 yards, making it in 12.7 seconds. Kim Lawrence also tied the 200 yards, making it in 31.0 seconds. Other senior girls setting records are: Ruby Anderson, 440 yards, 1:15 minutes; Loretta Gamble, 880 yards, 3:15 minutes; Darlene Dubois, 8 lb. shot, 29 feet 1¾ inchs; Loretta Gamble, 80 hurdles, 14.8 seconds.

The senior boys record setters are: Larry Smith, 100 yards, 11.1 seconds; Larry Smith, 220 yards, 25.9 seconds; Larry Smith, 440 yards, 1.00 minutes; Billy Reid, 1 mile, 5.33 minutes; John Mercer, high jump, 5 feet 4 inchs; Kirk Northrup, 100 hurdles, 16.2 seconds; John Mercer, obstacle, 1.23.8 minutes; Pat Henderson, softball, 237 feet, 10 inchs.

The junior girls record setters are: Lorraine Bilcik, 100 yards, 12.8 seconds; Jillian Keitch, 220 yards, 31.5 seconds; Lorraine Bilcik, 440 yards, 70.4 seconds; Joanne Kingston, 880 yards, 3.06.5 minutes; June Crosby, high jump, 4 feet 1 inch; June Crosby, 80 hurdles, 13.8 seconds.

The junior boys record setters are: Philip Crichton, 100 yards, 11.2 seconds; Chuck Falconbridge, 440 yards, 1.01.5 minutes; Glenn Harris, softball, 219 feet; Dennis Fraser, high jump, 4 ft 9 inches; Andrew Higgins, long jump, 15 feet 9 inches; Daryl Luster, 100 hurdles, 14.6 seconds; Philip Crichton, obstacle, 1.23 minutes; Glenn Harris, discus, 108 feet 2 inches; Glenn Harris, 8 lb. shot, 48 feet 9 inches.

The tug-o-wars were both won by Nootka and the four relays were won by Haida. At the end of the day, many students went home sunburnt and proud of the final score: Haida 466, Nootka 430.

Last Wednesday, June 3, part of Pender's track team as well as both softball teams visited Elphinstone. We started off with track. The results were:

JUNIOR GIRLS

100 yards—Jillian Keitch, 1, 13.3; Lorraine Bilcik, 2.

220 yards—Lorraine Bilcik, 1, 27.9; Jillian Keitch, 3.

440 yads—Joanne Kingston, 1, 1 min. 13 sec.

Relays—1, 59.7, June Crosby, Lorraine Bilcik, Joanne Kingston and Jillian Keitch.

JUNIOR BOYS

100 yards—Phil Crichton, 1, 11.5; Ian Brown, 2.

220 yards—Ian Brown, 1, 25.3; Dennis Fraser, 2.

440 yards—Chuck Falconbridge, 1, 1 min. 2.3 sec.; Dennis Gamble, 3.

Relays—1, 52.5, Chuck Falconbridge, Dennis Gamble, Ian Brown and Phil Crichton.

SENIOR GIRLS

100 yards—Gwen Kingston, 1, 12.7; Kim Lawrence, 3.

220 yards—Kim Lawrence, 1; 27.7; Ruby Anderson, 2.

440 yards—Gwen Kingston, 1, 1 min. 15.2 sec.

Relays—1, 59.4, Kim Lawrence, Sandra Falconbridge, Ruby Anderson and Gwen Kingston.

SENIOR BOYS

100 yards—Larry Smith, 2, Steve Dimopoulos, 3.

220 yards—Larry Smith 2, John Mercer 3.

440 yards—Billy Reid 3.

Elphinstone, 1 min. 3.3 sec.

Relays—2, Steve Dimopoulos, Dennis Gamble, Bruce Cameron and Larry Smith.

Altogether we won 12 firsts, 7 seconds, and six thirds. Feeling good about our first success we went breezily onto play softball. The Pender boys lost 22-3 and Pender girls lost 9-3.

The 10th of June saw Brooks teams down for return softball games. The boys again took the honors with a little luck and superior skill. The girls met with their usual fate but played gallantly against great odds.

This marks the end of the school year and the end of school for some. We wish everyone a very good summer and good luck in the future.

Woman to departing husband: "You forgot to absentmindedly peck me goodby."

Royal Academy of Dancing local examination passes

TEN children from the Sunshine Coast were successful in passing Royal Academy of Dancing examinations held recently in Vancouver.

All pupils of Miss Anne Gordon, the children had been studying the new Children's Syllabus of the Royal Academy and passed as follows:

Primary Grade—Honours: Kelly Redshaw, Gibsons. Highly commended: Monica Selbee, Gibsons.

Grade 1—Honours: Colleen Conner, Roberts Creek; Christine Irvine, Gibsons. Highly commended: Carol Daugherty, Gibsons. Commended: Cindy Beaudry, Rebecca McKinnon and Dee Dee Holland, all of Gibsons. Pass plus: Gail Nielson of Gibsons.

Grade III — Commended, Judy Tait, Madeira Park.

The new Children's Syllabus replacing the Ballet in Education Syllabus was created by Dame Margot Fonteyn de Arrias D.B.E., world famous ballerina and president of the Royal Academy of Dancing, London, England.

There is now a panel of six Canadian examiners, each examining one province or area annually.

Miss Bernice Harper of London, Ontario, has just concluded the British Columbia tour where she has examined some 800 children, given numerous children's classes as well as a teachers' course.

Miss Gordon will be conducting a short summer school at the Gibsons United Church Hall from July 2 to July 9, when she will give classes in children's as well as Major Syllabus.

Young local singer for European tour

TEN-YEAR-OLD Kenneth Birkin, son of Mr. and Mrs. Richard Birkin of Roberts Creek will soon be a seasoned traveller for he leaves on June 29th to tour cities in Great Britain and Europe with the Elgar Choral Singers.

Prior to their departure, members of the choir will be singing at Elphinstone Secondary School, Gibsons on Friday, June 19th commencing at 8 p.m. giving local people an opportunity to preview the concert which will be presented in major cities in Europe.

Kenneth travels to Vancouver every weekend for practise and will soon be singing in Paris, Rome, Vienna, West Berlin, Amsterdam, London, Edinburgh, Dublin, also visiting Russia where the choir will sing at Moscow, Leningrad and Kiev.

The choir which is under the direction of Mr. C. E. Findlater will meet the Prime Minister Pierre Elliot Trudeau in Ottawa before leaving for Europe. Mr. Trudeau's aide Mr. Gordon Gibson was a member of the choir in 1951 when Kenneth's mother Mrs. Faye Birkin was also a member and during that year, the choir visited England, Scotland and Wales.

One of the youngest of the choir which is some 28 members strong, Kenneth who is a very confident young man is looking forward to his summer adventure.
