LADIES' DEPARTMENT.

SOME STIRRING OFFERS THIS WEEK GIVE US A CALL.

We are showing a nice range of Undermuslins, Undershirts, Overshirts, Shirt Waists.

We have in our Wash Goods Department a new line of Dress Muslins in Whites and Colors. In these lines we have a big assortment.

Ladies' Kid Gloves, Dress Trimmings, All Over Lace, Embroidered Handkerchiefs, Summer Vests, Val Laces, Belts, Etc.

We are offering this week Special Prices on Carpets and House Furnishings, White Quilts, Sheets, Table Covers and Curtains. It will pay you to give us a call.

Children's Shoes

Just Received, a Shipment of the Newest Shapes in Children's Shoes in Blacks, Kids and Tans, in all sizes. We are agents for the Celebrated Bell's Shoes for Ladies. One Trial and you will purchase no others.

FOR MEN'S FURNISHINGS

WE'RE IN THE LEAD.

Snappy Bargains, Gent's Handsome Stylish Hats, Spicy Neckwear, Comfortable Underwear, the best possible at the Lowest Prices. These are the conditions that you will find in our store.

For the hot weather comforts we have nice Summer Suits and Soft Bosom Shirts in all colors, and Canvas Shoes.

Give us a call and be convinced. Keep your body cool and you'll not be troubled with a hot head.

THE HUNTER-KENDRICK CO., Limited

General Merchants, Old Ironsides Avenue, Phoenix.

Paints

We have passed into stock a full line of Paints and Oils, put up in every size. These paints are manufactured by the British America Paint Co., and are guaranteed to be the best obtainable. Getting them direct from the manufacturers we can quote the lowest possible price.

Remember

That we can supply your little needs in HARDWARE, as well as the large ones. During the spring housecleaning there are many little things you will need. We have them all. Hat and Coat hooks, Shelf brackets, flue stoppers, window screens, etc., etc.

We have the—

New Re-acting Washer

This is positively the easiest running machine on the market. Instead of the hard-working lever it has a fly wheel, which turns so easily a child can operate it.

Our Grocery Department

Still sets the pace. You can always be sure that you are buying your Groceries right when you get them here. We give our customers the benefit of careful buying in the best markets. Get our prices before placing any order.

We unquestionably lead in the Hardware and Grocery business. No order is too small to command our careful attention.

SELECTED FIRE APPARATUS

City Council Talks of Spending $1,256.

LIST INCLUDES TWO HOSE CARTS

Intend to be Prepared by the Time the New Water and Light System is Installed and Ready for Use.

At Wednesday's meeting of the city council all members were present. Communications were read from McArthur & Monk in regard to improving the street in front of the Morrison-Anderson building, and the Phoenix Trades and Labor Council, acknowledging a communication from the city clerk. The letter from E. G. Warren, managing director of the Greenwood Electric Co., which was presented to the ratepayers at the mass meeting, held last Thursday week, was also formally read.

The finance committee recommended the payment of bills to the amount of $172.45.

A report from the committee appointed to select fire apparatus for the city was read. The committee advised purchasing the following as a starter: 100 feet Paragon hose, $950; two hand hose carts, $200; wrenches, axes, nozzles, hose and ladder straps, lanterns, etc., $106; total, $1,256.

List of Subscribers.

From week to week the Pioneer will publish the list of the new subscribers to the building fund of the hospital. Up to date the list is as follows:

Province of British Columbia	$2,000
City of Phoenix	500
Dominion Copper Co., Ltd	250
Granby Co., Ltd	250
Snowshoe Mines, Ltd	250
S. H. C. Miner	250
Jay P. Graves	250
A. C. Flumerfelt	100
Drs. Foster and Boucher	100
Hunter-Kendrick Co., Ltd	50
W. S. Macy & Co	50
Vaughan & McInnis	50
Law-McQuaid Co., Ltd	25
Clark & Binns	50
J. Thos. Williams	5
Total	$4,180

Pleasant Sabbath services will be held at St. Andrew's Presbyterian church tomorrow at 11 a.m., and 7:30 p. m. In the morning the sacrament of the Lord's supper will be dispensed and all members are expected to be present. The evening service will be of a special character. The Knights of Pythias will march from the Miners' Union hall to the church in a body and certain seats will be reserved for them. An effort will be made to seat everybody by providing additional chairs. All are cordially invited.

RESOLUTIONS ON MAIL SERVICE.

Board of Trade Sends Memorial to Postmaster-General.

Monday evening the Board of Trade held its monthly meeting at the schoolhouse. At the request of the present officers of the board, who have served two terms, and desire to pass the good things around, the annual election was postponed till the next meeting, when a larger attendance is expected.

On motion of Messrs. Kerr and Monk, the following resolution was passed and directed to be sent to the postmaster-general.

Whereas, the C. P. R. has for many months been running a passenger train in and out of the city of Phoenix, and

Whereas, the mails, instead of being taken in and out of Phoenix by rail, are still sent via Greenwood, and have to be carried five miles by stage between Phoenix and Greenwood; and,

Whereas, the present arrangement delays the incoming mail eleven hours, and makes the outgoing mail leave four hours earlier than it would otherwise do; and,

Whereas, the city of Phoenix ships more ore than any other place in British Columbia except Rossland, and has large mining, banking and business interests, which are seriously injured by the unnecessary delay in the mail service;

Therefore, the Phoenix Board of Trade earnestly requests the Honorable Postmaster-General to take immediate steps to have the mails carried by rail in and out of Phoenix.

On motion of Messrs. Kerr and Boyle, the following resolution was passed and ordered sent to Wm. Downie, C. P. R superintendent at Nelson:

Whereas, the Boundary country is now one of the most populous sections of British Columbia; and,

Whereas, there is a very large passenger traffic between Rossland and Nelson and Boundary points; and,

Whereas, it requires eight hours to make the trip;

Therefore, the Phoenix Board of Trade strongly urges upon the management of the C. P. R. the need of a buffet car service on Boundary trains.

A resolution was also passed, on motion of Messrs. McInnis and Hardy, to be sent to the chief commissioner of lands and works at Victoria, urging haste in the construction of the Phoenix-Summit wagon road.

On motion of Messrs. Hardy and McInnis, a committee was appointed, consisting of Messrs. Kerr, Monk and Rumberger, to draft a resolution for transmission to the attorney-general, in regard to defining the territory of the small debts court in Phoenix.

Are a Convincing Proof.

Alfred McMillan, who is paying one of his periodical visits to Phoenix and the Snowshoe mine, says he is much impressed with the evidence on all sides of the rapid, and at the same time thoroughly solid and permanent progress of the camp. The handsome buildings erected and in course of construction are placing Phoenix in the front rank of the mining cities of British Columbia, and are a convincing proof of the confidence which investors have in the enormous mineral wealth of the great gold-copper ore bodies immediately surrounding the city. Mr. McMillan says that the Snowshoe mine, like the city of Phoenix, is growing and improving all the time.

PHOENIX BRANCH ORE SHIPMENTS.

The following table gives the ore shipments of Phoenix Branch and other Boundary mines for 1900, for the past week, for 1901, and the total to date:—

	1900	Week	1901	Totals
Old Ironsides, Knob Hill and Victoria	64,533	4,454	97,693	163,136
B. C. Mine	19,494	1,050	20,921	40,415
Golden Crown	2,500	....	....	2,500
Winnipeg	1,075			1,125
Athelstan	1,200	....	550	1,750
Snowshoe	300	150	300	600
Brooklyn	150			150
Totals, tons	89,252	5,654	119,464	209,676
Mother Lode, Deadwood,	5,340	2,656	33,956	38,296
Other Boundary mines	3,180		500	4,680
Grand Totals, tons	97,772	8,310	153,920	252,652

$3,000 IN PRIZES

GRAND DOMINION DAY CELEBRATION

GRAND FORKS, JULY 1 & 2

HORSE RACES—Quarter Mile Dash, Purse $200.
Green Trot, half-mile, best two in three, $50.
Pony Race, three-eighths mile dash, $50.
Ladies Saddle Horse Race, half mile, $50
Half-Mile Dash, $250.
Three Hundred Yards, best two in three, $150.
Gents' Saddle Horse Race, one-fourth mile dash, $50.
Five Eighth's Mile Dash, $200.
Cowboy Race, 250 yards with turn, $50.
One-Mile dash, $250.
A purse for a Consolation Race will also be hung up.
Drilling Contest for a purse of $200.
Lacrosse Match between Grand Forks and visiting teams.
Wet Contest, 100 yards. One quarter mile foot races and other attractions too numerous to mention. Two days of sporting events.
A First-class Band will be in attendance both days.
The C. P. R. will run an excursion train from Midway, Greenwood and Phoenix and give a special rate from Rossland, Nelson and all other Kootenay points the tickets being good for five days.
A grand display of fireworks and a dance will be given in the evening.
A Grand Boxing Tournament has been arranged for under the auspices of the Grand Forks Athletic Association. The principals in the middle-weight class being Charley Goff of Spokane vs. Bob Hodge, the champion of Idaho. In the light-weight class Dal Hawkins of San Francisco, formerly light-weight champion of the world, will meet a man in his class. A number of other attractive events will take place between representatives of Washington and B. C. Clubs.
In all races there must be four to enter and three to start. An entrance fee of five per cent will be charged for all entries in horse races and an additional five per cent from the winners. Purses divided seventy-five and twenty five per cent. For official program, entry or any other information, call on or address,

W. A. HARKIN, Secretary,
Grand Forks, B. C.

THEY HAVE A GOOD THING

Messrs. Bennett and Holman, of Camborne, England.

VISITED PHOENIX FOR FIRST TIME

Famous Fuse Maker and Drill Manufacturer Cordially Received Here—Accompanied by R. Machin, the B. C. Agent.

Among the many visitors in Phoenix this week were three who were most cordially received by the managers of the different mining concerns in the camp. They were J. M. Holman, of Holman Bros., Camborne, Cornwall, England; William F. Bennet, senior member of the firm of Bennett Sons & Co., of the same place, and R. Machin, of Victoria, their British Columbia agent.

These gentlemen are touring the mining sections of the province to cultivate trade relations, and specifically to introduce the Holman rock drill. Holman Bros., the makers of this drill, are also manufacturers of all kinds of mining machinery. They are as well heavily interested in the tin mines of Cornwall, one of which is the Dol Coath, the largest tin mine in the world. The trip being taken is a hurried one. Mr. Machin, the agent of the famous Bennett fuse, which is favorably known in every camp in the Kootenays, being the pilot of the party.

This fuse has become extremely popular, not only in the Boundary, but in Rossland, the Slocan, the Lardo, and even in Alaska. The Bennetts virtually have a control of the fuse business, and in eighteen months it is more than likely that they will compel their opposition to ship back the tar tape fuses which have hitherto held the market undisputed. They are also cultivating a trade in the United States, notwithstanding the prohibitory tariff of 45 per cent. Mr. Bennett expresses great gratification at this opportunity of meeting the mining public, and states that it will be his constant endeavor to maintain the very highest standard in the production of this improved mining supply.

Rock Drill Reduces Mining Expenses.

Mr. Holman is much pleased with the reception he has been accorded generally by mining men. He has been permitted already, after a practical demonstration of his rock drills in the mines, to leave one or more machines in the different properties visited.

The special feature which Mr. Holman modestly claims as a severely practical drill man, not only as a manufacturer, but as a user, is the use of the chisel bit in the Holman drills. He holds that the working expenses of a mine are considerably reduced, and that his drill will do as good, if not superior work to any machine in the market. One of the claims is its minimum weight, enabling the operator to handle it with great facility. The machine is made throughout of the best steel, and the working parts are claimed to be the perfection of mechanism. The guarantee of such a firm for anything they supply is quite ample when one considers that to date there are thousands of the drills in the Transvaal under the name of the Banket drill. The term Banket is applied to a form of reef, a hard conglomerate, which puts any machine to the severest test, owing to its peculiar structure.

The machines will be immediately put in for practical working tests in the Knob Hill, Brooklyn and Snowshoe in this camp, besides a number of others in the Boundary.

The party left yesterday for Greenwood, where they will meet mining men from other camps, and will undoubtedly place a number of machines among practical mining men, who are looking for the best of everything.

Selected the Local Board.

H. E. Gillis, travelling representative of the Canadian Birkbeck Investment and Savings Co., with headquarters at Toronto, has organized a branch of this well know institution in Phoenix. The local board comprises the following: C. D. Hunter, J. F. Hemenway, H. McQuaid, W. R. Lee, D. Whiteside; and McArthur & Monk, the latter being the local agents. W. R. Lee is valuator and D. Whiteside solicitor. The concern will shortly be ready for business, and it will find a safe and profitable field in Phoenix.

IN AND AROUND PHOENIX.

J. Riordan returned from Denver Wednesday.

Geo. Kydd, manager of the Royal Bank of Canada, at Nelson, sized up the Knob Hill ore bodies.

Patrick Burns, the cattle king of British Columbia, and Blake Wilson, his right hand man, with Julius Ehrlich, of the Greenwood office, were in town Tuesday, considering improvements of their local branch shop.

Wednesday morning Deputy Sheriff Frederick R. M. Elkins, of Greenwood, was married to Miss Annie Ethel Clark, by Rev. W. A. Robbins. Many friends were present, and the full choral service of the Church of England was used.

Clive Pringle, solicitor for the Greenwood Electric Co., and R. B. Kerr, city solicitor for Phoenix, are working on the agreement for a water and light system, which will be submitted to the ratepayers at the earliest possible date for their approval.

Thursday and Friday evenings the Waragraph held forth at Miners Union hall to pleased audiences. The moving pictures were well shown, and covered a wide range of subjects, the late Queen's funeral procession and the Boer war coming in for a large share of attention.

C. H. Eschbaugh, of Rossland, representing the International Correspondence School of Mines, of Scranton, Pa., was in the city two days this week. The school now has over 800,000 students all over the world, under 71 flags, and in this camp has some 25 scholars.

Joe Durham and Andy Campbell secured the contract for ditching the ground recently placed on the market by the Dominion Copper Co., and have had a force of men this week on the job. A lateral ditch was also run a short distance south. Part of the ditch will be boxed in.

R. H. Parkinson, C. E., P. L. S., has issued an excellent map of the country from Camp McKinney to Princeton, showing the important camps of the lower Similkameen. The map is printed in colors, and will be a useful addition to the map literature of this section.

Richard Marsh, of Rossland, through McArthur & Monk, is calling for tenders for the erection of a two story building on Victoria avenue, the bids to be in by next Monday. The structure will be 30x60 in size and two stories high, being intended to be used as a lodging house.

Rollin C. Hyde, an old Spokanite, but now hailing from the town of Davenport, Wash., arrived in town Tuesday, and was so well pleased with the prospects that he invested in some Dominion avenue realty. He drove to Phoenix, coming in by way of Republic.

Monday the new train service and schedule on the Phoenix branch of the C. P. R., as well as on the main line, went into effect. The train leaving Phoenix at 11:15 a. m. now goes through to Greenwood, and returning arrives at Phoenix at 10:50 p.m., making connections both ways with main line trains.

F. C. Bailey and wife of Spokane arrived Tuesday. Mr. Bailey owns the Excelsior, Diamond and Alpine claims in Providence camp, about a mile from Phoenix, on which he is resuming development. The properties are surveyed, and have a good showing. Mrs. Bailey enjoys the distinction of being the first woman to locate a claim in the Boundary.

Eagles Have Organized.

Last Sunday the first lodge of the Fraternal Order of Eagles in the Boundary was organized at Miners' Union hall, with 70 names on the membership roll. The following is the list of officers elected and installed:

Worthy past president, Wm. Abbott; worthy president, J. E. McAuliffe; worthy vice-president, Chas. H. Jones; worthy secretary, H. B. Schooley; worthy treasurer, W. V. Kempt; worthy conductor, Mike O'Leary; worthy chaplain, W. S. Ross; worthy inside guard, Eugene Shea; worthy outside guard, A. E. Scott; trustees, R. B. Boucher, G. S. Gordon and John Lynch. Meetings will be held Sundays at Miners' Union hall.

PLANNING GREAT THINGS

Granby Company Still Reaching Out.

EXAMINING COAST COPPER MINES

To Feed Another Smelter Which May be Built at or Near the City of Vancouver—Mr. Williams Will Report.

While nothing is given out officially by the management of the Granby Consolidated Mining, Smelting and Power Company, Limited, evidence is not lacking tending to the conclusion that this corporation is planning mining and smelting on a scale hitherto not anticipated by any except those within the innermost councils of that corporation.

The officials have all along held that only on a very large scale could their mines in the Boundary be operated to advantage, and they have proceeded along those lines. The company, as is only too well known, is shipping 600 tons of ore daily from its own mines to its own smelter, and this output will soon be doubled. To further assist in the extraction of values the company is also putting in its own converters at the smelter. When these are in operation the metallic product that will be shipped east will be 98 per cent fine, instead of from 50 to 60 per cent, as at present, making a large saving in freight.

More than one smelter, and perhaps a refinery, is included in the plans of the management, however, and it is no secret that the officials have visited the coast with a view to locating another smelter. It is believed that the location of the new smelter is substantially decided on, near Vancouver, although nothing is said about it yet. Vast quantities of copper ore are known to exist at numerous points along the coast, and from these the new smelter will get its supply.

But erecting a smelter involves a large sum of money, and at the coast, as in the Boundary, the Granby company does not propose being dependent on the average mining concern for the tonnage necessary to keep a smelter running continuously. Accordingly, its officials have in view some mining properties not a great distance from Vancouver, which are now under consideration. Late last week William Yolen Williams, the superintendent of the company's properties here and elsewhere, left Phoenix, accompanied by O. B. Smith, the company's assayer and engineer, for the coast, for the purpose of examining the mines in question to report thereon. On the report of Mr. Williams depends the next move in this highly interesting game. Jay P. Graves, the general manager, and his assistant, A. C. Flumerfelt, are also at the coast.

If the report is favorable it is understood that development will be undertaken at once on a large scale, and it is more than propable that some of the local head employees will be promoted.

Our Mines AND Smelters.

LATE NEWS NOTES FROM THE SEVERAL CAMPS.

Diamond drilling on the Idaho is being started this week.

The Granby company expect to install a timber framing machine shortly—the first in the Boundary.

An improved quality of ore is reported as being taken out of the glory hole at the Mother Lode in Deadwood camp.

Chas. H. Wolf, for three years manager of the Sullivan mine, in east Kootenay, has been appointed ore buyer for the Granby smelter.

The Snowshoe has again joined the list of shippers from Phoenix camp. A car per day has been sent out for the last week to the B. C. Copper Co.'s smelter at Greenwood.

Diamond drilling is still being carried on in the Old Ironsides mine, and also in the Victoria. Deepening of the Old Ironsides shaft, now down 400 feet, will probably begin before long.

At a depth of 300 feet the west drift of the Stemwinder, Fairview camp, is said to be in a fine body of ore, the average of the last ten samples being $794, a great improvement over values in the upper levels.

The south drift at the 250 foot level in the Brooklyn is progressing at the rate of 100 feet per month, and is now in the Idaho ground. When the Idaho shaft reaches the 150 foot level, drifting towards the Brooklyn will probably be started.

James Breen, manager of the Dominion Copper Co., is expected in Phoenix today, and will shortly leave for Toronto and New York, in connection with the smelter that he will erect in this section in the near future.

UNION LABEL

DISGRACEFUL MAIL SERVICE.

For many moons one of the worst specimens of a mail service to be found in southeastern British Columbia has been on daily exhibition right here in Phoenix. Notwithstanding that we have had daily passenger trains over the C. P. R. for several months, His Majesty's mails continue to be brought in by the old stage route, requiring a considerable longer time, and if the train to Greenwood happens to be a couple of hours late, the mail is half a day later in reaching this place. The Pioneer has called attention to this state of affairs before, and will continue to do so till it is remedied.

It is a disgrace to the postal system of the dominion that its affairs should be conducted with so little regard to the requirements of the people generally. Inspectors come and go, note the condition of affairs, and the result is—nothing better.

This week the summer time table was put into effect on the C. P. R. system, and the train into the Boundary arrives late at night. This means that our mail reaches here the following day and is just a half a day later than it has been—and that was late enough to exasperate all business men.

No reason is given for this peculiar state of affairs. It is simply a fact, and we must grin and bear it till the department gets good and ready to make a change. When this will be, apparently no man living can tell, or if he can, he will not. From postmaster general down to Inspectors Dorman and McLeod, it is a disgrace to Canada, that this should be so.

LATER—Since the above was written Postmaster Matheson has been advised that arrangements are being made to handle mails over the Phoenix branch. It will probably be in effect some time this week.

GOOD BARGAIN FOR THE CITY.

The corporation of the city of Phoenix will probably make the best deal for a water and light system ever made by a municipality in this part of the province. At least, this will be the case if the decision arrived at by the ratepayers at the public meeting held last week is ratified at the polls—of which there is little doubt.

As explained before in the Pioneer, there were three propositions before the people. Two of these called for long term franchises, and under them the city itself would pay well for whatever the municipality needed in the way of water and light for city purposes. The third was decidedly different, because it asked only for a ten year franchise, gives the city all the water needed for that time, and free lighting up to $50 per month. In other words, the city would receive the equivalent of $1,200 per annum in water and lights. It is little wonder that the proposition of the Greenwood Electric Co. was accepted by a large majority.

In one way the Greenwood Electric Co. had an advantage over the others tendering. It already had a large investment here, and it was forced to make a proposition that the others could not meet in order to protect what was already invested. That was to the advantage of the people of Phoenix. The company is amply able to carry out its undertakings, and will charge citizens no more for light and water than the others proposing to put in systems. It is a good arrangement for the city, and likewise for every taxpayer in it.

EDITORIAL COMMENTS.

At last the Boundary is to have a county judge—something long needed. Andrew Leamy, the well known solicitor, has received the appointment.

During last year the number of producing properties in British Columbia which shipped over 100 tons of ore increased from 43 in 1899, to 60 in 1900, an increase of 40 per cent.

Residents of this part of the province will fervently say amen to the following remark by the Vancouver World: "If Jupiter Pluvius gets over the work of emptying his buckets before Dominion day we will excuse him for present unpleasantness."

The plans of the Granby company are more far reaching than those of any other aggregation of capitalists operating in mining in this province. It was a good thing for the Boundary and the province when the Miner-Graves syndicate became interested in this section.

The government has fooled and dallied a long time over the building of the wagon road from Phoenix to Summit camp, although the first appropriation for this purpose was made nearly a year ago. It now seems that the work will be done by day's labor. May it be soon.

The copper industry deserves being aided by the dominion, just as much as the lead mining industry and the iron industry. The Laurier government has adopted a policy along this line, and copper should be added to the list. Here in the Boundary we are more interested in the development of copper than in that of any other metal.

An Unworkable Mine Signal Code.

The Rossland Miner of recent date states that President Johnston, of the Board of Trade, accompanied the Hon. Mr. Turner in his trip to the mines yesterday afternoon. At the LeRoi they were cordially received by Messrs. MacDonald and Thompson and shown over the workings at some length. The manner in which the mine signal code acted was demonstrated to Mr. Turner, and his opinion after the system was thoroughly examined was that the new code adopted by the legislature was unworkable, and he promised to advise the department of mines to this effect. Mine managers generally have taken exception to the code, and it seems likely that their efforts backed up by the recommendations of Mr. Turner, will have the result of procuring needed amendments.

Legitimate Field for Square Brokers.

While some of the brokers and stock manipulators are doing all they can to injure good mining, there are certain operators who are working away through the instrumentality of close corporations. Indeed, it now looks somewhat as though the all round stock selling business was not what it used to be. Some of the transient brokers are going out of business, and more will eventually do so. Let them go. Let all those brokers who will advise clients to buy stocks they know to be worthless pull down their signs and get into other lines of business. There is a legitimate field for the stock broker, but when a man sells stock without regard for his clients' interests it is time he learned some other calling.—Northwest Mining News.

Districts of Mine Inspectors.

According to the last issue of the B. C. Gazette, the following districts have been assigned to the inspectors of metalliferous mines:

Archibald Dick, inspector, headquarters, Cranbrook, office of deputy mining recorder.

Inspection district shall comprise all of East Kootenay and also Goat River mining division of West Kootenay.

In addition to the duties of inspector of metalliferous mines, Mr. Dick will also act as inspector of coal mines within the same district.

James McGregor, inspector, headquarters, office of mining recorder, Nelson.

Inspection district shall comprise all of West Kootenay, except Goat River mining division, and also the Grand Forks and Kettle River mining divisions of Yale district.

Thomas Morgan, inspector, headquarters, Government buildings, Nanaimo.

Inspection district, Vancouver Island and Coast district.

Mr. Morgan is also inspector of coal mines for this district.

PURSE FOR DOUBLE HAND DRILLING.

Jay P. Graves and A. C. Flumerfelt Hang up $200.

The official programme for the two days celebration at Grand Forks on July 1st and 2nd has been issued. A noteworthy feature will be the horse races at the new Westside half mile track, which is nearing completion. In addition to the attendance of the fastest horses in the Kootenays and Okanagan, several Washington, Idaho and Montana stables will be represented.

The events are as follows: July 1st, quarter mile dash, purse $200; half mile dash, $250; 300 yard dash, purse $150; pony race, purse $50; cow boy race, 250 yards and turn, purse $50. July 2nd, mile race, purse $250; five-eighths of a mile, purse $200; ladies' saddle race, one half mile, purse $40; gentleman's saddle race, quarter mile, purse $50; one mile trot green, purse $50. Entries close Saturday, June 29th, at 8 p. m., blanks to be obtained from the secretary. In all races four must enter and three start. All purses divided, 75 per cent to first and 25 per cent to second. Any horse distancing the field entitled to first money only. Entrance fee, five per cent of purse, with an additional five per cent from winners. California Jockey Club rules to govern.

For the double-hand drilling contest for a purse of $200, donated by Jay P. Graves and A. C. Flummerfelt, a large number of entries are expected. There will be a hose contest (wet test) for a purse of $100. Teams from Greenwood, Grand Forks, Rossland and Nelson are expected to enter. On the evening of July 1, under the auspices of the Grand Forks Athletic Association, there will be a heavy weight boxing contest between Charlie Goff, of Spokane and Bob Hodge, the champion of Idaho.

The following evening in the lightweight class, Dal Hawkins, of San Francisco, formerly lightweight champion of the world, will meet Kid Lee, champion of Colorado.

Opp. Eastern Townships Bank, First Street.

Every working man should remember that Blue Ribbon Tea is packed in this country by white labor only. Are you drinking it?

IN AND AROUND PHOENIX AND ELSEWHERE

Fishing is said to be good in Christina lake.

The Nelson Tribune is beginning to use its linotype machines.

The sisters have in view the erection of a hospital at Greenwood.

Chief of Police McLaren, of Greenwood, is off on a visit to the coast.

Kicks in regard to the poor mail service to Phoenix are increasing each week.

Dr. McDonald, the Grand Forks dentist, spent several days in Phoenix this week.

The Bellevue hotel has been raised six feet to conform to the Knob Hill avenue grade.

A large part of the frame work for the new buildings at the Granby smelter has been raised.

D. R. Young, formerly a publisher at Rossland, is now booming a coal syndicate in the Similkameen.

Geo. McKugo, of Cascade, who went to the South African war, has returned to the Boundary town, hale and hearty.

About $6,000 was the loss at the boarding house and bunk house at the Republic mine which were burned recently.

On Wednesday Mrs. Harry Thorburn left for Phoenix where she will visit with friends for a few weeks.—Silvertonian.

The government has provided $2,000 for the improvement of the wagon road between Rock Creek and Camp McKinney.

Wm. Spier, manager of the branch of the Eastern Townships bank at Grand Forks, spent Sunday and Monday in the city.

It is claimed that the liquidation of the B. A. C. in London will not affect the LeRoi mine at Rossland, which it formerly owned.

The placer rush to Franklin camp has turned out to be a fizzle. A little fine gold was found, but not enough to warrant a rush.

During May the Greenwood mining recorder's office is reported to have taken in about $4,500 for free miners' certificates alone.

There is talk of a lacrosse tournament at Grand Forks on Dominion day, between teams from Nelson, Grand Forks and Phoenix.

Several Grand Forks business men were in town last Sunday, including Mayor White, Alderman Morrison, J. Anderson and A. D. Morrison.

July 9th is the last date for creditors of the Wynkoop-Stephens Trading Co., Ltd., to present claims to J. F. Hemenway, the liquidator.

W. A. Harkin is secretary of the Dominion day celebration committee at Grand Forks, and has sent out hugh posters announcing the event.

Rev. J. A. Sutherland, formerly pastor of the Phoenix Presbyterian church, is now doing missionary work at Demerara, British Guiana, in South Africa.

The government wagon road to the Similkameen, via Keremeos and Twenty-Mile, is nearly completed. Many teams have already gone through.

The Phoenix Pioneer is now located in its newquarters, and is being printed on a cylinder press. It looks neater and brighter than ever.—Cranbrook Herald.

Free miners who forfeited their claims through neglecting to take out licences by May 31st for 1901-2 may get their rights restored by a $15 special license.

John Oliver, M. L. A. for Delta, was a visitor in the city early in the week, for the first time, and was shown through the big mines by Mayor Rumberger.

Wednesday the first of four cars of lumber for Stephen Tripp, contractor for the Phoenix school building, was loaded at McPherson Bros.' mill at Boundary Falls.

Frank Bailey, of Similkameen City, was in town Saturday, having recently returned from his townsite. He says the interest in coal lands in that section is still unabated.

For the accommodation of the Boundary country the C. P. R. will run a refrigerator car from Nelson once a week, loading on Tuesday and arriving in this section on Wednesday.

Great Northern surveyors are reported to have completed their work from Marcus to Cascade, even to cross-sectioning in some places, and the letting of contracts is shortly looked for.

The Lewellah, adjoining the Cracker Jack in this camp, has been sold to Hon. G. E. Foster by the British-Canadian Gold Fields Exploration Development and Investment Company, Limited.

For Sale.—One 8-column Washington Hand press, one Army press, and a lot of body and job type, suitable for weekly newspaper. Will be sold at a bargain. Address, Pioneer Publishing Co., Phoenix, B. C.

The Yale-Columbia Lumber Co. has secured the contract for furnishing 2,500 cedar poles for the double pole line to be erected at once between Cascade and Phoenix by the owners of the Cascade water power.

The Tammany Mining company with headquarters at Rossland and good mineral properties in Burnt Basin, now claims to have $10,000 in its treasury, which will be applied to development work.—Cascade Record.

Col. E. S. Egan, traveling representative of the Rossland Miner, spent two days in the city this week, looking up business for that well known publication. He has been in the employ of the Miner for the last four years.

V., V. & E. engineers have been running lines all over the heart of the city this week; not excepting directly in front of the Pioneer office, for the purpose of reaching the different dumps of the Dominion Copper Co.'s properties.

D. D. Munro returned Monday from the placer rush to Franklin camp, having been one of a syndicate of 16 organized in Grand Forks. Probably 150 men swarmed up to Franklin camp on the first report, only to be disappointed when they got there.

The North Star, the famous silver lead property near Fort Steele, will soon pay another dividend of three cents a share. That will be equal to $39,000, as the company has issued $1,300,000 in capital stock. The new dividend will be payable June 15.

Last week Frederick C. Andersen, of the firm of Cunningham & Andersen, of Greenwood and Phoenix, was married to Miss Lulu Barger at Greenwood. The officiating clergyman was Rev. W. H. Anderson, M. A. Both bride and groom are well known in Phoenix.

C. W. Rice, an electrical expert of New York, who was looking over the probable demands for power in the Boundary for the West Kootenay Light & Power Co., visited Summit, Deadwood and Phoenix camps last week, and returned to Rossland last Saturday.

Alexander Henderson, ex-attorney-general of British Columbia, has been appointed county court judge at Vancouver. This was one of the two judges provided for last session. Andrew Leamy, of Greenwood, was gazetted at Ottawa this week as the other judge.

R. R. Macaulay, of the firm of A. L. White & Co., official brokers for the Miner-Graves syndicate, with offices in Montreal and New York, visited Phoenix last week for the first time. Mr. Macaulay is in charge of the Montreal branch, and Northrup Fowler, formerly a resident of Phoenix, attends to the New York end of the business.

Dividends Paid Since Jan. 1st.

Since the first of the year the silver-lead properties of the Slocan and East Kootenay have paid $398,500 in profits.

The Payne has paid one dividend of 3 per cent. on its issued capitalization of $2,600,000, which gave $78,000.

The St. Eugene has paid $210,000.

The Arlington has given $20,000 in profits.

The Bosun has netted $12,500 to its shareholders.

The North Star has paid $78,000 to its owners.

In addition to these, the Ymir mines, which are working on low grade gold ore at Ymir, B. C., have paid $96,000.

The Center Star at Rossland has given profits of $105,000, which is equal to 3 per cent. on its capital of $3,500,000.

The combined profits of the principal mines of the Kootenay have been $599,500 since January 1. That is at the rate of about $1,500,000 a year.

Officers of New Granby Company.

The consolidation of the Miner-Graves syndicate corporations into the Granby Consolidated Mining, Smelting and Power Co., was formally effected at Montreal a few days ago, when the following directorate was elected:

S. H. C. Miner, President; Jay P. Graves, vice-president and general manager; A. L. White, secretary; G. W. Wooster, treasurer; A. C. Flumerfelt, assistant general manager.

The following appointments were made: W. Y. Williams, superintendent of mine; A. B. W. Hodges, superintendent of smelter.

The first meeting of the shareholders is to be held in August.

The Copper Queen, Number 9, Roebuck and Roebuck Fraction, situate on the summit of Copper mountain, Myers Creek district, have been bonded by the owners, Dan and Doc. McClung of Midway, and Wm. Fohsbender, of Myers creek, to J. W. McBride, of Bolster, who is siad to be acting for Robert Wood and associates. The price of the bond is $50,000 and extends over a period of two years.—Midway Advance.

Notice to the Public.

I have opened a shoeshop in the Morrison-Anderson block, and am ready to do all kinds of repairing and new work in my line at reasonable prices. A specialty of miners' boots and shoes. Give me a call.

NOTICE TO PRE-EMPTORS OF CROWN LANDS.

The attention of Pre-emptors of Crown lands is hereby called to an amendment to the "Land Act," passed at the last session of the Legislature, which provides as follows, viz:—

"9. Pre-emptors of Crown lands, whether in arrears in payment of installments of purchase money or not, who at the time of coming into force of this act, have obtained Certificates of Improvement within twelve months thereafter, shall on conforming with the provisions of the "Land Act," except as hereby altered, be entitled to obtain Crown grants of their pre-emption claims upon completing payments of purchase money at the rate of 75 cents per acre and Crown grant fees, which payments may be made as follows:

"Twenty-five cents per acre on or before the 31st day of December, 1901;

"Twenty-five cents per acre on or before the 30th day of June, 1902;

"and the remaining—

"Twenty-five cents per acre on or before the 31st day of December, 1902, and without any further payment of interest or arrears of interest."

W. S. GORE,
Deputy Commissioner of Lands and Works.
Lands and Works Department,
Victoria, B. C., 1st June, 1901. 31—34

Notice to Creditors.

In the matter of the Wynkoop-Stephens Trading Company Limited, and in the matter of the "Companies Winding Up Act, 1898."

Notice is hereby given that the creditors of the above named company are required on or before the 9th day of July, 1901, to send their names and addresses, and the particulars of their debts or claims to the undersigned J. F. Hemenway, the liquidator of the said company, and if so required by notice in writing from the said liquidator are to come in and prove their said debts or claims at such time and place as shall be specified in such notice, or in default thereof they will be excluded from the benefit of any distribution made before such debts are proved.

Dated at Phoenix, B. C., this 25th day of May, 1901.

J. F. HEMENWAY,
Liquidator of the above named Company. 30

MINERAL ACT.
Certificates of Improvements.

NOTICE.

Alma Fractional and Fairplay Fraction Mineral Claims. Situate in Grand Forks Mining Division of Yale District. Where located:—in Greenwood camp, east of the City of Phoenix.

Take notice that I, John Louis Grahame Abbott acting as agent for the British Columbia (Rossland and Slocan) Syndicate, Limited, Free Miner's certificate No. b 41161, intend 60 days from the date hereof to apply to the Mining Recorder for certificates of Improvements for the purpose of obtaining a Crown Grant of each of the above claims.

And further take notice that action under section 37 must be commenced before the issuance of such certificates of Improvements.

Dated this 26th day January, 1901.

36 L. G. ABBOTT.

The Local Grist.

C. B. Sword was in town early in the week.

Dr. Mathison, dentist, Greenwood, both phones.

J. Fleishman, president of the B. C. Hotel Co., came in Thursday.

W. K. C. Manly, of Grand Forks, was a visitor in Phoenix this week.

Morrison, optician and jeweler, Grand Forks. See him July 1 and 2.

This section of the province has been long on wet weather for the last two or three weeks.

Dr. Arthur Burns, of Republic, physician for the Republic mine spent last Sunday in this city.

Wm. Anderson, superintendent of the construction of the Cascade water power, was in the city Monday.

August Jackson, owner of the Central hotel, on Old Ironsides avenue, came over from Rossland this week.

George W. Blake has taken over the Phoenix Cafe, and being an experienced man in his line should do well.

Several gentlemen of leisure contributed $53 to the exchequer of the city in the police court last Wednesday.

Louis Ernst, manager of the California Wine Co., Nelson, made one of his periodical visits to Phoenix Wednesday.

Prof. G. A. Graham, of Republic, superintendent of schools for Ferry county, spent several days in the city this week.

Next Thursday a lodge of the Odd Fellows will be organized in Phoenix, W. M. Law, of Greenwood, acting as installing officer.

The Hunter-Kendrick Co. have moved into the new and commodious tinshop just completed, adjoining the store of the concern.

The board of licence commissioners for the city of Phoenix met Wednesday evening, and adjourned to this evening at eight o'clock.

M. Madden, of Nelson, who will erect the McMillan block, was in town Monday, making arrangements to get the work started.

Tomorrow evening there will be a K. of P. memorial service in the Presbyterian church. Phoenix Lodge No. 28 will attend in a body.

Wm. Yolen Williams and O. B. Smith of the Granby staff, are off on a business trip to the coast. They are expected back Monday.

G. W. Wooster, treasurer of the Granby company, spent a couple of days in the city this week, accompanied by Mrs. Wooster.

Miller and Shanahan, two miners, were partially suffocated Tuesday morning in the Old Ironsides mine, but are at work again.

Neal Hardy and family arrived Tuesday from their ranch at Lime creek, on the north fork of Kettle river, and will make their home here.

Alexander Ogilvy, a business man of Northport, arrived in town Tuesday, and invested in Dominion avenue realty. It was his first visit to Phoenix.

When in Grand Forks, July 1st and 2nd, call on A. D. Morrison, the jeweler and optician, and have your eyes tested for a good fitting pair of glasses.

P. D. McTavish, representing the B. C. Permanent Loan and Savings Co., arrived in the city Wednesday, and is arranging to open a branch of the company here.

O. W. Dey, C. P. R. agent in Phoenix, expects to spend his vacation this year visiting the Pan-American Exposition at Buffalo. He will start as soon as he can be relieved.

Arrangements were made at Thursday afternoon's meeting of those interested in the Church of England for a dance to be given Friday evening, June 28, at Miners' Union hall.

Secretary Buckton has received a letter from the Grand Forks celebration committee, requesting the Phoenix boys to participate in the lacrosse games to be played there on Dominion day. They will do so.

A. J. McGuire has finished the work of clearing the ground on Knob Hill avenue, corner of School street, where the $3,000 public school building is to be erected by Stephen Tripp at once.

Alfred McMillan who came over from Rossland last Saturday, to spend several days at the Snowshoe mine, expects his brother, A. J. McMillan, to return from London about the last of June.

Charles H. Wolf came up from Grand Forks Monday, and with J. F. Hemenway, of the local Granby office, visited the Mother Lode and Sunset mines in Deadwood camp, and the B. C. Copper Co.'s smelter.

As soon as they can get the new grade on Dominion avenue, Thos. Hardy and A. P. McKenzie will start work on a 25x60 two story store building, to be used by both concerns for their respective businesses.

Excavation for the new bank block, to be erected by Messrs. Graves and Williams, is progressing, and Smith Bros., contractors for the superstructure, will probably be able to get started next week.

Today at 10 a. m., the board of license commissioners for Boundary creek district will meet at the Commercial hotel, Eholt, to consider applications for retail liquor licenses. Constable I. A. Dinsmore, of Grand Forks, is chief license inspector.

Next Wednesday evening, 19th inst., the ladies of the Presbyterian church will give an ice cream social at the church to the many friends of the work. It goes without saying that there will be a large attendance.

Corporation of the City of Phoenix.

Notice.

Dogs found within the city limits after the 15th inst., on which dog tax has not been paid for 1901, will be impounded and shot.

D. McMILLAN,
Chief of Police.
